CORSAIR's established position as one of the most well-regarded brands in the gaming peripheral space is one of the reasons that Apple chose CORSAIR as a peripheral partner to supply the gamers in its ecosystem.

"This latest recognition is a testament to our team's dedication to innovation and excellence in the gaming industry. We are also thrilled to become a vendor of choice for Apple. This milestone not only validates

the quality and appeal of our products but also opens up new opportunities for us to reach a broader audience. We are committed to continuing our journey of delivering exceptional gaming experiences and are grateful for the support of our customers and partners," said Thi La, CORSAIR's President and Chief Operating Officer.
