If for any reason Revolving Loans are not made pursuant to Section 2.3(g) in an amount sufficient to repay any amounts owed to the Swing Line Lender in respect of any outstanding Swing Line Loans on or before the third Business Day after demand for payment thereof by the Swing Line Lender, each Lender holding a

Revolving Credit Commitment shall be deemed to, and hereby agrees to, have purchased a participation in such outstanding Swing Line Loans, and in an amount equal to its Pro Rata Share of the applicable unpaid amount together with accrued interest thereon. Upon one Business Day's notice from the Swing Line Lender, each Lender holding a Revolving Credit Commitment shall deliver to the Swing Line Lender an amount equal to its respective participation in the applicable unpaid amount in same day funds at the Payment Office of the Swing Line Lender. In order to evidence such participation each Lender holding a Revolving Credit Commitment agrees to enter into a participation agreement at the request of the Swing Line Lender in form and substance reasonably satisfactory to the Swing Line Lender (but the failure of any such Lender to enter into such a participation agreement shall have no effect on the obligations of such Lender to the Swing Line Lender as set forth herein). In the event any Lender holding a Revolving Credit Commitment fails to make available to the Swing Line Lender the amount of such Lender's participation as provided in this Section, the Swing Line Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon for three Business Days at the rate customarily used by the Swing Line Lender for the correction of errors among banks and thereafter at the Base Rate, as applicable.

(i) Absolute and Unconditional Obligations. Notwithstanding anything contained herein to the contrary, (i) each Lender's obligation to make Revolving Loans for the purpose of repaying any Refunded Swing Line Loans pursuant to Section 2.3(g) and each Lender's obligation to purchase a participation in any unpaid Swing Line Loans pursuant to Section 2.3(h) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any set off, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, any Credit Party or any other Person for any reason whatsoever; (B) the occurrence or continuation of a Default or Event of Default; (C) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of any Credit Party; (D) any breach of this Agreement or any other Credit Document by any party thereto; or (E) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing; provided, such obligations of each Lender are subject to the condition that the Swing Line Lender had not received prior notice from the Borrower Representative or the Required Lenders that any of the conditions under Section 3.2 to the making of the applicable Refunded Swing Line Loans or other unpaid Swing Line Loans, were not satisfied at the time such Refunded Swing Line Loans or unpaid Swing Line Loans were made; and (ii) the Swing Line Lender shall not be obligated to make any Swing Line Loans (A) if it has elected not to do so after the occurrence and during the continuation of a Default or Event of Default, (B) it does not in good faith believe that all conditions under Section 3.2 to the making of such Swing Line Loan have been satisfied or waived by the Required Lenders or (C) at a time when any Lender is a Defaulting Lender unless the Swing Line Lender has entered into arrangements satisfactory to it and the Borrowers to eliminate the Swing Line Lender's risk with respect to the Defaulting Lender's participation in such Swing Line Loan, including by Cash Collateralizing such Defaulting Lender's Pro Rata Share of the outstanding Swing Line Loans.

(j) Resignation of Swing Line Lender. The Swing Line Lender may resign as Swing Line Lender upon thirty days prior written notice to the Administrative Agent, Lenders and the Borrower Representative. Upon any such notice of resignation, the Required Lenders shall have the right, upon five Business Days' notice to the Borrower Representative, to appoint a successor Swing Line Lender with the consent of the Borrowers; provided, (x) no such consent of the Borrowers shall be required while an Event of Default exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; provided, failing such appointment, the retiring Swing Line Lender may appoint, on behalf of the Lenders, a successor Swing Line Lender from among the Lenders or any other financial institution. Whether or not a successor has been appointed, such resignation shall

become effective in accordance with such notice on the thirtieth day following such written notice. At the time any such resignation shall become effective, (i) the Borrowers shall prepay any outstanding Swing Line Loans made by the resigning Swing Line Lender, (ii) upon such prepayment, the resigning Swing Line Lender shall surrender any Swing Line Note held by it to the Borrowers for cancellation, and (iii) the Borrowers shall issue, if so requested by the successor Swing Line Lender, a new Swing Line Note to the successor Swing Line Lender, in the principal amount of the Swing Line Sub-limit then in effect and with other appropriate insertions. From and after the effective date of any such resignation, (A) any successor Swing Line Lender shall have all the rights and obligations of the Swing Line Lender under this Agreement with respect to Swing Line Loans made thereafter and (B) references herein to the term "Swing Line Lender" shall be deemed to refer to such successor or to any previous Swing Line Lender, or to such successor and all previous Swing Line Lender, as the context shall require.

(k) Provisions Related to Extended Revolving Credit Commitments. If the maturity date shall have occurred in respect of any tranche of Revolving Credit Commitments at a time when another tranche or tranches of Revolving Credit Commitments is or are in effect with a longer maturity date, then on the earliest occurring maturity date all then outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such maturity date); provided, however, that if on the occurrence of such earliest maturity date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.4(l)), there shall exist sufficient unutilized Extended Revolving Credit Commitments so that the respective outstanding Swing Line Loans could be incurred pursuant the Extended Revolving Credit Commitments which will remain in effect after the occurrence of such maturity date, then if consented to by the Swing Line Lender, there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and same shall be deemed to have been incurred solely pursuant to the relevant Extended Revolving Credit Commitments, and such Swing Line Loans shall not be so required to be repaid in full on such earliest maturity date. For the avoidance of doubt, the commitment of the Swing Line Lender to act in its capacity as such cannot be extended beyond the Revolving Credit Commitment Termination Date or increased without its prior written consent.

2.4 Letters of Credit.

(a) Letters of Credit. During the Revolving Credit Commitment Period, subject to the terms and conditions hereof, the Issuing Bank agrees to issue Letters of Credit for the joint and several account of the Borrowers (on a joint and several basis) or any Restricted Subsidiary (provided, that in the case of any Letter of Credit issued for the account of a Restricted Subsidiary, the Borrowers shall be co-applicant and jointly and severally liable with respect thereto) in the aggregate amount up to but not exceeding the Dollar Amount of the Letter of Credit Sub-limit; provided, (i) each Letter of Credit shall be denominated in Dollars or, at the option of the Borrowers, in an Alternative Currency; (ii) the stated amount of each Letter of Credit shall not be less than a Dollar Amount equal to $250,000 or such lesser amount as is acceptable to the Issuing Bank; (iii) immediately after giving effect to such issuance, in no event shall the Dollar Amount of the Total Utilization of Revolving Credit Commitments exceed the Dollar Amount of the Revolving Credit Limit then in effect; (iv) immediately after giving effect to such issuance, in no event shall the Dollar Amount of the Letter of Credit Obligations exceed the Dollar Amount of the Letter of Credit Sub-limit then in effect; (v) immediately after giving effect to such issuance, in no event shall the aggregate Dollar Amount of all Letters of Credit issued by Macquarie Capital Funding LLC, in its capacity as an Issuing Bank, exceed the Macquarie Lender LC Cap (unless agreed to in writing by Macquarie Capital Funding LLC in its sole discretion); (vi) immediately after giving effect to such issuance, in no event shall the aggregate Dollar Amount of all Letters of Credit issued by BNP Paribas, in its capacity as an Issuing Bank, exceed the BNPP LC Cap (unless agreed to in writing by BNP Paribas in its sole discretion); (vii) in no event shall any standby Letter of Credit have an

expiration date later than the earlier of (A) the date that is the fifth Business Day prior to the scheduled Revolving Credit Commitment Termination Date and (B) the date which is one year from the date of issuance of such standby Letter of Credit; and (viii) in no event shall any commercial or trade Letter of Credit (A) have an expiration date later than the earlier of (1) the date that is the fifth Business Day prior to the Revolving Credit Commitment Termination Date and (2) the date that is one hundred eighty days from the date of issuance of such commercial Letter of Credit or (B) be issued if such commercial Letter of Credit is otherwise unacceptable to the Issuing Bank in its reasonable discretion. Subject to the foregoing, the Issuing Bank may agree that a standby Letter of Credit will automatically be extended for one or more successive periods not to exceed one year (but, absent the consent of the Issuing Bank, not beyond the date that is five Business Days prior to the scheduled Revolving Credit Commitment Termination Date unless Cash Collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Issuing Bank thereof) each, unless the Issuing Bank elects not to extend for any such additional period; provided, the Issuing Bank shall not extend any such Letter of Credit if it has received written notice that an Event of Default has occurred and is continuing at the time the Issuing Bank must elect to allow such extension.

(b) Notice of Issuance. Whenever the Borrowers desire the issuance of a Letter of Credit, the Borrower Representative shall deliver to the Issuing Bank, with a copy to the Administrative Agent, an Issuance Notice no later than 12:00 noon (New York City time) at least five Business Days, or such shorter period as may be agreed to by the Issuing Bank in any particular instance, in advance of the proposed date of issuance. Upon satisfaction or waiver of the conditions set forth in Section 3.2, the Issuing Bank shall issue the requested Letter of Credit only in accordance with the Issuing Bank's standard operating procedures. Upon the issuance of any Letter of Credit or amendment or modification to a Letter of Credit, the Issuing Bank shall promptly notify the Administrative Agent who shall notify each Lender with a Revolving Credit Commitment of such issuance, which notice shall be accompanied by a copy of such Letter of Credit or amendment or modification to a Letter of Credit and the amount of such Lender's respective participation in such Letter of Credit pursuant to Section 2.4(e).

(c) Responsibility of the Issuing Bank With Respect to Requests for Drawings and Payments. In determining whether to honor any drawing under any Letter of Credit by the beneficiary thereof, the Issuing Bank shall be responsible only to examine the documents delivered under such Letter of Credit with reasonable care so as to ascertain whether they appear on their face to be in accordance with the terms and conditions of such Letter of Credit. As between the Borrowers and the Issuing Bank, the Borrowers assume all risks of the acts and omissions of, or misuse of the Letters of Credit issued by the Issuing Bank, by the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, neither the Issuing Bank nor the Administrative Agent shall be responsible for (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of the Issuing Bank, including any Governmental Acts; none of the above shall affect or impair, or prevent the vesting of, any of the Issuing Bank's rights or powers hereunder. Notwithstanding anything

to the contrary contained in this Section 2.4(c), the Borrowers shall retain any and all rights it may have against the Issuing Bank for any liability to the extent arising out of the gross negligence or willful misconduct of, or material breach by, the Issuing Bank as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(d) Reimbursement by Borrower of Amounts Drawn or Paid Under Letters of Credit. If the Issuing Bank has determined to honor a drawing under a Letter of Credit, it shall immediately notify the Borrower Representative and the Administrative Agent, and the Borrowers shall reimburse the Issuing Bank on or before the Business Day immediately following the date on which such drawing is honored (the "**Reimbursement Date**") in a Dollar Amount and in same day funds equal to the amount of such honored drawing; provided, anything contained herein to the contrary notwithstanding, (i) unless the Borrower Representative shall have notified the Administrative Agent and the Issuing Bank prior to 10:00 a.m. (New York City time) on the date such drawing is honored that the Borrowers intend to reimburse the Issuing Bank for the Dollar Amount of such honored drawing with funds other than the proceeds of Revolving Loans, the Borrower Representative shall be deemed to have given a timely Funding Notice to the Administrative Agent requesting each Lender with a Revolving Credit Commitment to make Revolving Loans that (A) are Base Rate Loans (in the case of any applicable Letter of Credit that is denominated in Dollars) or (B) Eurodollar Loans (in the case of any applicable Letter of Credit that is denominated in an Alternative Currency), in either case, on the Reimbursement Date in a Dollar Amount equal to the amount of such honored drawing, and (ii) regardless of whether the conditions specified in Section 3.2 are satisfied, each Lender with a Revolving Credit Commitment shall, on the Reimbursement Date, make Revolving Loans that are (A) Base Rate Loans (in the case of any applicable Letter of Credit that is denominated in Dollars) or (B) Eurodollar Loans (in the case of any applicable Letter of Credit that is denominated in an Alternative Currency), in either case, in the Dollar Amount of such honored drawing, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the Issuing Bank for the Dollar Amount of such honored drawing; and provided further, if for any reason proceeds of Revolving Loans are not received by the Issuing Bank on the Reimbursement Date in an amount equal to the Dollar Amount of such honored drawing, the Borrowers shall reimburse the Issuing Bank, on demand, in an amount equal to the Dollar Amount in Dollars and in same day funds equal to the excess of the Dollar Amount of such honored drawing over the aggregate amount of such Revolving Loans, if any, which are so received. Nothing in this Section 2.4(d) shall be deemed to relieve any Lender with a Revolving Credit Commitment from its obligation to make Revolving Loans on the terms and conditions set forth herein, and the Borrowers shall retain any and all rights it may have against any Lender resulting from the failure of such Lender to make such Revolving Loans under this Section 2.4(d).

(e) Lenders' Purchase of Participations in Letters of Credit. Immediately upon the issuance of each Letter of Credit, each Lender having a Revolving Credit Commitment shall be deemed to have purchased, and hereby agrees to irrevocably purchase, from the Issuing Bank a participation in such Letter of Credit and any drawings honored thereunder in a Dollar Amount equal to such Lender's Pro Rata Share (with respect to the Revolving Credit Commitments) of the maximum amount which is or at any time may become available to be drawn thereunder. In the event that the Borrowers shall fail for any reason to reimburse the Issuing Bank as provided in Section 2.4(d), the Issuing Bank shall promptly notify each Lender with a Revolving Credit Commitment of the unreimbursed amount of such honored drawing and of such Lender's respective participation therein based on such Lender's Pro Rata Share of the Revolving Credit Commitments. Each Lender with a Revolving Credit Commitment shall make available to the Issuing Bank a Dollar Amount equal to its respective participation, in same day funds, at the office of the Issuing Bank specified in such notice, not later than 12:00 noon (New York City time) on the first Business Day (under the Laws of the jurisdiction in which such office of the Issuing Bank is located) after the date notified by the Issuing Bank. In the event that any Lender with a Revolving Credit Commitment fails to make available to the Issuing Bank on such Business Day the Dollar Amount

of such Lender's participation in such Letter of Credit as provided in this Section 2.4(e), the Issuing Bank shall be entitled to recover such Dollar Amount on demand from such Lender together with interest thereon for three Business Days at the rate customarily used by the Issuing Bank for the correction of errors among banks and thereafter at the Base Rate. Nothing in this Section 2.4(e) shall be deemed to prejudice the right of any Lender with a Revolving Credit Commitment to recover from the Issuing Bank any amounts made available by such Lender to the Issuing Bank pursuant to this Section in the event that it is determined that the payment with respect to a Letter of Credit in respect of which payment was made by such Lender constituted gross negligence or willful misconduct on the part of the Issuing Bank. In the event the Issuing Bank shall have been reimbursed by other Lenders pursuant to this Section 2.4(e) for all or any portion of any drawing honored by the Issuing Bank under a Letter of Credit, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under this Section 2.4(e) with respect to such honored drawing such Lender's Pro Rata Share of all payments subsequently received by the Issuing Bank from the Borrowers in reimbursement of such honored drawing when such payments are received. Any such distribution shall be made to a Lender at its primary address set forth below its name on Appendix B or at such other address as such Lender may request.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse the Issuing Bank for drawings honored under the Letters of Credit issued by it and to repay any Revolving Loans made by the Lenders pursuant to Section 2.4(d) and the obligations of the Lenders under Section 2.4(e) shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms hereof under all circumstances including any of the following circumstances: (i) any lack of validity or enforceability of any Letter of Credit; (ii) the existence of any claim, set-off, defense or other right which the Borrowers or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the Issuing Bank, Lender or any other Person or, in the case of a Lender, against the Borrowers, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Borrowers or any Restricted Subsidiary and the beneficiary for which any Letter of Credit was procured); (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iv) payment by the Issuing Bank under any Letter of Credit against presentation of a draft or other document which does not substantially comply with the terms of such Letter of Credit; (v) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of Holdings, the Borrowers or any of the Restricted Subsidiaries; (vi) any breach hereof or any other Credit Document by any party thereto; (vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing; or (viii) the fact that an Event of Default or a Default shall have occurred and be continuing; provided, in each case, that payment by the Issuing Bank under the applicable Letter of Credit shall not have constituted gross negligence or willful misconduct of the Issuing Bank under the circumstances in question as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(g) Indemnification. Without duplication of any obligation of the Borrowers under Section 10.2 or 10.3, in addition to amounts payable as provided herein, the Borrowers hereby agree to protect, indemnify, pay and save harmless the Issuing Bank from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable fees, expenses and disbursements of external counsel) which the Issuing Bank incurs or is subject to as a consequence, direct or indirect, of (i) the issuance of any Letter of Credit by the Issuing Bank, other than as a result of (A) the gross negligence or willful misconduct of the Issuing Bank as determined by a final, non- appealable judgment of a court of competent jurisdiction or (B) the wrongful dishonor by the Issuing Bank of a proper demand for payment made under any Letter of Credit issued by it, or (ii) the failure of the Issuing Bank to honor a drawing under any such Letter of Credit as a result of any Governmental Act.

(h) Cash Collateralization—Borrowers. If any Letter of Credit is outstanding at the time that the Borrowers prepay, or are required to repay, the Obligations (other than the Remaining Obligations) or the Revolving Credit Commitments are terminated, the Borrowers shall Cash Collateralize the Issuing Bank's Letter of Credit Obligations in a Dollar Amount not less than the Minimum Collateral Amount, to reimburse payments of drafts drawn under such Letters of Credit and pay any fees and expenses related thereto. Upon termination of any such Letter of Credit, such deposit shall be refunded to the Borrowers to the extent not previously applied by the Administrative Agent in the manner described herein.

(i) Cash Collateralization—Defaulting Lenders. At any time that there shall exist a Defaulting Lender, within three Business Days following the written request of the Administrative Agent or the Issuing Bank (with a copy to the Administrative Agent) the Borrowers shall Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.22(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in a Dollar Amount not less than the Minimum Collateral Amount.

(i) *Grant of Security Interest*. The Borrowers, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Bank, and agrees to maintain, a First Priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letter of Credit Obligations, to be applied pursuant to clause (ii) below.

(ii) *Application*. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.4(i) or Section 2.22 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letter of Credit Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) *Termination of Requirement*. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.4(i) following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (B) the determination by the Administrative Agent and the Issuing Bank that there exists excess Cash Collateral; provided, subject to Section 2.22(a)(v), the Person providing Cash Collateral and the Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; provided further, to the extent that such Cash Collateral was provided by the Borrowers, such Cash Collateral shall remain subject to the security interest granted pursuant to the Credit Documents.

(j) Additional Issuing Banks. The Borrowers may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender, designate one or more additional Lenders having a Revolving Credit Commitment at such time to act as an Issuing Bank under the terms of this Agreement. Any such Lender designated as an Issuing Bank pursuant to this subsection 2.4(j) shall be deemed to be an "Issuing Bank" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Bank or Issuing Banks and such Lender.

(k) Resignation of the Issuing Bank. The Issuing Bank may resign as the Issuing Bank upon thirty days prior written notice to the Administrative Agent, Lenders and the Borrower Representative. Upon any such notice of resignation, the Required Lenders shall have the right, upon five Business Days' notice to the Borrower Representative, to appoint a successor Issuing Bank with the consent of the Borrowers; provided, (x) no such consent of the Borrowers shall be required while an Event of Default exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; provided, failing such appointment, the retiring Issuing Bank may appoint, on behalf of the Lenders, a successor Issuing Bank from among the Lenders or any other financial institution. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the thirtieth day following such written notice. At the time any such resignation shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced the Issuing Bank. From and after the effective date of any such resignation, (i) any successor to the Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous the Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation of the Issuing Bank hereunder, the resigning Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit.

(l) Provisions Related to Extended Revolving Credit Commitments. If the maturity date in respect of any tranche of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if consented to by the Issuing Bank which issued such Letter of Credit, if one or more other tranches of Revolving Credit Commitments in respect of which the maturity date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to this Section 2.4) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrowers shall Cash Collateralize any such Letter of Credit in accordance with the terms hereof. If, for any reason, such Cash Collateral is not provided or the reallocation does not occur, the Lenders under the maturing tranche shall continue to be responsible for their participating interests in the Letters of Credit. Except to the extent of reallocations of participations pursuant to clause (i) of the second preceding sentence, the occurrence of a maturity date with respect to a given tranche of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Lenders in any Letter of Credit issued before such maturity date. Commencing with the maturity date of any tranche of Revolving Credit Commitments, the sub-limit for Letters of Credit shall be agreed with the Lenders under the extended tranches. For the avoidance of doubt, notwithstanding anything contained herein, the commitment of any Issuing Bank to act in its capacity as such cannot be extended beyond the Revolving Credit Commitment Termination Date (as such Extended Maturity Date is in effect at the Closing Date) or increased without its prior written consent.

(m) Existing Letters of Credit. Set forth on Schedule L-1 is a list of letters of credit that were originally issued by Bank of America under the Existing Credit Agreement and which remain outstanding on the Closing Date (the "**Existing Letters of Credit**") (and setting forth, with respect to each such letter of credit, (i) the letter of credit number, (ii) the name(s) of the account party or account parties, (iii) the stated amount, (iv) the currency in which the letter of credit is denominated, (v) the name of the beneficiary and (vi) the expiry date. Notwithstanding anything to the contrary herein, if Bank of America becomes a Revolving Lender, each Existing Letter of Credit that is outstanding on such date, including any extension or renewal thereof, shall constitute a Letter of Credit for all purposes of this Agreement and shall be deemed issued for the account of the Borrowers on such date that Bank of America becomes a Revolving Lender.

2.5 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made, and all participations purchased, by the applicable Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that (i) the failure of any Lender to fund any such Loan shall not relieve any other Lender of its obligation hereunder and (ii) no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby nor shall any Term Loan Commitment or any Revolving Credit Commitment or any Incremental Term Loan Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Credit Extension that such Lender will not make available to the Administrative Agent such Lender's share of such Credit Extension, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.2 and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Credit Extension available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Credit Extension to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Credit Extension. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent. Nothing in this Section 2.5(b) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments, Revolving Credit Commitments or Incremental Term Loan Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

2.6 Use of Proceeds.

(a) The proceeds of the Term Loans shall be applied by the Borrowers on the Closing Date (i) to repay and discharge in full the Existing Indebtedness, (ii) to consummate the Closing Date Acquisition and the other Related Transactions and (iii) to pay fees and expenses in connection with the foregoing and this Agreement.

(b) The proceeds of the Revolving Loans made and Letters of Credit issued on the Closing Date, if any, may be applied by the Borrowers to consummate the Closing Date Acquisition and the other Related Transactions, but shall be limited to (i) an amount necessary to provide back to back support for, or to replace, existing letters of credit, (ii) an amount by which the Estimated Net Working Capital exceeds the Target Net Working Capital Amount (each as defined in the Closing Date Acquisition Agreement as originally in effect) and (iii) any additional original issue discount or upfront fees with respect to the Loans hereunder imposed pursuant to the "Flex Provisions" of the Fee Letter.

(c) The Borrowers shall use the proceeds of any Credit Extension after the Closing Date for working capital and general corporate purposes, including Permitted Acquisitions, other Investments permitted hereunder, Capital Expenditures, associated costs and expenses and Restricted Payments permitted by Section 6.4.

(d) No portion of the proceeds of any Credit Extension shall be used in any manner that causes such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

(e) The Borrowers shall not request any Loan or Letter of Credit, nor use, and shall procure that its Restricted Subsidiaries and its or their respective directors, officers, employees, controlled Affiliates and agents not use, directly or indirectly, the proceeds of any Loan or Letter of Credit, or lend, contribute or otherwise make available such proceeds to any Restricted Subsidiary, other Affiliate, joint venture partner or other Person, (i) in violation of any Anti-Corruption Laws or AML Laws, (ii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or involving any goods originating in or with a Sanctioned Person or Sanctioned Country in each case in violation of Sanctions, or (iii) in any manner that would result in the violation of any Sanctions by such Person.

2.7 Evidence of Debt; Notes.

(a) Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Indebtedness of the Borrowers to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrowers, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Revolving Credit Commitments or the Borrowers' Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Notes. If so requested by any Lender (or the Administrative Agent on behalf of such Lender) by written notice to the Borrower Representative (with a copy to the Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, the Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Borrower Representative's receipt of such notice) a Note or Notes to evidence such Lender's applicable Loan.

2.8 Interest on Loans.

(a) Interest. Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made to the date of repayment thereof (whether by acceleration or otherwise) at an interest rate determined for the Class of such Loan equal to (i) in the case of any Swing Line Loan, the Base Rate, plus the Applicable Margin for Base Rate Loans, (ii) in the case of any Loan (other than a Swing Line Loan) denominated in Dollars, the Base Rate or the Adjusted Eurodollar Rate, plus, in each case, the Applicable Margin for the Type of such Loan and (iii) in the case of any Revolving Loan denominated in an Alternative Currency, the applicable Adjusted Eurodollar Rate, plus the Applicable Margin for Eurodollar Loans.

(b) Interest Rate Election. The basis for determining the rate of interest with respect to any Loan and the Interest Period with respect to any Eurodollar Loan, shall be selected by the Borrowers and notified to the Administrative Agent pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be; provided that, (i) Swing Line Loans may only be made and maintained as Base Rate Loans, (ii) Loans (other than Swing Line Loans) that are denominated in Dollars may be made and maintained as Base Rate Loans or Eurodollar Loans, and (iii) Revolving Loans that are denominated in an Alternative Currency may only be made and maintained as Eurodollar Loans. If any Loan that is denominated in Dollars is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then such Loan shall be a Base Rate Loan.

(c) Interest Periods. In connection with Eurodollar Loans, there shall be no more than eight Interest Periods outstanding at any time (or such greater number as may be acceptable to the Administrative Agent in its sole discretion). If the Borrower Representative fails to specify whether a Loan should be a Base Rate Loan or a Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, (x) such Loan (if outstanding as a Eurodollar Loan other than a Revolving Loan denominated in an Alternative Currency) will be automatically converted into a Base Rate Loan on the last day of then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan) or (y) such Loan, if a Revolving Loan denominated in an Alternative Currency, will continue as a Eurodollar Loan with an Interest Period of one month. If the Borrower Representative fails to specify an Interest Period for any Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, the Borrowers shall be deemed to have selected an Interest Period of one month. On each Quotation Day, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to Eurodollar Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing) to the Borrower Representative and each Lender.

(d) Computation of Interest. Interest payable pursuant to Section 2.8(a) shall be computed (i) in the case of Base Rate Loans determined by reference to clauses (i), (ii) and (iv) of the definition of Base Rate, on the basis of a 365-day or 366-day year, as the case may be, and (ii) in the case of Base Rate Loans determined by reference to clause (iii) of the definition of Base Rate and all Eurodollar Loans, on the basis of a 360-day year, in each case, for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a Eurodollar Loan, the date of conversion of such Eurodollar Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a Eurodollar Loan, the date of conversion of such Base Rate Loan to such Eurodollar Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Interest Payable. Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and be payable in arrears (i) on each Interest Payment Date applicable to that Loan; (ii) concurrently with any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) at maturity, including final maturity; provided, with respect to any voluntary prepayment of a Revolving Loan outstanding as a Base Rate Loan, accrued interest shall instead be payable on the applicable Interest Payment Date.

(f) Interest on Letters of Credit. The Borrowers agree on a joint and several basis to pay to the Administrative Agent for the benefit of the Issuing Bank, with respect to drawings honored under any Letter of Credit, interest on the amount paid by the Issuing Bank in respect of each such honored drawing from the date such drawing is honored to but excluding the date such amount is reimbursed by or on behalf of the Borrowers at a rate equal to (i) for the period from the date such drawing is honored to but excluding the applicable Reimbursement Date, the rate of interest otherwise payable hereunder with respect to (A) in the case of any Letter of Credit that is denominated in Dollars, Revolving Loans that are Base Rate Loans or (B) in the case of any Letter of Credit that is denominated in an Alternative Currency, Revolving Loans that are Eurodollar Loans and (ii) thereafter, a rate which is 2.00% per annum in excess of the rate of interest otherwise payable hereunder with respect to (A) in the case of any Letter of Credit that is denominated in Dollars, Revolving Loans that are Base Rate Loans or (B) in the case of any Letter of Credit that is denominated in an Alternative Currency, Revolving Loans that are Eurodollar Loans. Interest payable pursuant to this Section 2.8(f) shall be computed (x) in the case of interest accruing at the Base Rate determined by reference to clause (i), (ii) or (iv) of the definition of Base Rate, on the basis of a 365-day or 366-day year, as the case may be, and (x) in the case of interest accruing at the Base Rate determined by reference to clause (iii) of the definition of Base Rate and all interest accruing at the Eurodollar Rate, on the basis of a 360-day year, in each case, for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. Promptly upon receipt by the Issuing Bank of any payment of interest pursuant to this Section 2.8(f), the Issuing Bank shall distribute to each Lender, out of the interest received by the Issuing Bank in respect of the period from the date such drawing is honored to but excluding the date on which the Issuing Bank is reimbursed for the amount of such drawing (including any such reimbursement out of the proceeds of any Revolving Loans), the amount that such Lender would have been entitled to receive in respect of the letter of credit fee that would have been payable in respect of such Letter of Credit for such period if no drawing had been honored under such Letter of Credit. In the event the Issuing Bank shall have been reimbursed by the Lenders for all or any portion of such honored drawing, the Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under Section 2.4(e) with respect to such honored drawing such Lender's Pro Rata Share of any interest received by the Issuing Bank in respect of that portion of such honored drawing so reimbursed by the Lenders for the period from the date on which the Issuing Bank was so reimbursed by the Lenders to but excluding the date on which such portion of such honored drawing is reimbursed by the Borrowers.

(a) Conversion. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall have the option to convert at any time all or any part of any Term Loan, Revolving Loan or Incremental Term Loan equal to $500,000 (or the Dollar Amount thereof in the case of a Revolving Loan) and integral multiples of $100,000 (or the Dollar Amount thereof in the case of a Revolving Loan) in excess of that amount from one Type of Loan to another Type of Loan; provided, that (i) a Eurodollar Loan may not be converted on a date other than the expiration date of the Interest Period applicable to such Eurodollar Loan unless the Borrowers shall pay all amounts due under Section 2.18 in connection with any such conversion and (ii) a Eurodollar Loan denominated in an Alternative Currency may not be converted into a Base Rate Loan.

(b) Continuation. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall also have the option, upon the expiration of any Interest Period applicable to any Eurodollar Loan, to continue all or any portion of such Loan equal to a Dollar Amount of $500,000 and integral multiples of a Dollar Amount of $100,000 in excess of that amount as a Eurodollar Loan.

(g) [Reserved].

(h) Prepayment Certificate. Concurrently with any prepayment of the Loans and/or certain other Obligations pursuant to Sections 2.14(a) through 2.14(f), the Borrowers shall deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower Representative demonstrating the calculation of the amount of the applicable net proceeds or Consolidated Excess Cash Flow, as the case may be. (i) Constraints on Upstreaming. Notwithstanding any other provisions of this Section 2.14, all prepayments referred to in Sections 2.14(a) through 2.14(e) attributable to any Foreign Subsidiary are subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries). Further, there will be no requirement to make any prepayment to the extent that Holdings or its Restricted Subsidiaries would suffer material adverse costs or tax consequences as a result of upstreaming cash to make such prepayments (including the imposition of withholding taxes) (as determined by the Borrower Representative in good faith). The non- application of any such prepayment amounts as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available to repay local foreign indebtedness, if any, and for working capital purposes of the applicable Foreign Subsidiary. The Borrowers and each Foreign Subsidiary will undertake to use commercially reasonable efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Borrowers' reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by Holdings (or its direct or indirect members) or the Borrowers and the Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Borrowers and the Restricted Subsidiaries shall be permitted to make, directly or indirectly, dividends or distributions to their Affiliates in an amount sufficient to cover such tax liability, costs or expenses. For the avoidance of doubt, nothing in this Agreement (including this Section 2.14) shall require the Borrowers or any of the Restricted Subsidiaries to cause any amounts to be repatriated, whether directly or indirectly, and whether such repatriation is actual or deemed under Section 956 of the Code, to the United States (whether or not such amount are used in or excluded from the determination of the amount of any mandatory prepayment hereunder).

2.15 Application of Prepayments.

(a) Application of Voluntary Prepayments by Type of Loans. Any prepayment of any Loan pursuant to Section 2.13(a) shall be applied as specified by the Borrowers in the applicable notice of prepayment; provided, any such prepayment of the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans shall be applied (x) to prepay the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans on a pro rata basis (in accordance with the respective outstanding principal amounts thereof) (unless any Lenders under any such Class incurred after the Closing Date elect to be prepaid on a less than ratable basis) and (y) to the remaining Installments of principal of the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans as directed by the Borrowers (or, in the absence of such direction, in direct order of maturity). If the Borrowers fail to specify the Loans to which any such prepayment shall be applied, such prepayment shall be applied as follows:

first, to repay outstanding Swing Line Loans to the full extent thereof;

second, to repay outstanding Revolving Loans to the full extent thereof; and

third, to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis), and shall be further applied on a pro rata basis to the first eight remaining Installments of principal of the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans in direct order of maturity, and then on a pro rata basis to all such remaining Installments.

(b) Application of Mandatory Prepayments by Type of Loans. Subject to Section 2.15(d), any amount required to be paid pursuant to Sections 2.14(a) through 2.14(e) shall be applied:

first, to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any such Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis) in the direct order of maturity to the next eight scheduled Installments of principal of the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans, and thereafter, on a pro rata basis to the remaining Installments of principal of the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans, respectively;

second, to prepay the Swing Line Loans to the full extent thereof (without any reduction to the Revolving Credit Commitments);

third, to prepay the Revolving Loans to the full extent thereof (without any reduction to the Revolving Credit Commitments);

fourth, to prepay outstanding reimbursement obligations with respect to Letters of Credit (without any reduction to the Revolving Credit Commitments); and

fifth, to Cash Collateralize all Letters of Credit in accordance with Section 2.4(h) (without any reduction to the Revolving Credit Commitments).

Notwithstanding anything to the contrary set forth above in this Section 2.15(b), the net cash proceeds from the incurrence of any Credit Agreement Refinancing Indebtedness shall be applied as provided in the definition thereof and, if applicable, Section 2.26.

(c) Application of Prepayments of Loans to Types of Loans. Considering each Class of Loans being prepaid separately, any prepayment thereof shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Loans, in each case in a manner which minimizes the amount of any payment required to be made by the Borrowers pursuant to Section 2.18(c).

(d) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, so long as any Loans (other than Revolving Loans) are outstanding, if the Borrowers are required to make any mandatory prepayment (a "**Waivable Mandatory Prepayment**") of the Loans (other than Revolving Loans) (other than pursuant to Section 2.14(d)), not less than three Business Days prior to the date (the "**Required Prepayment Date**") on which the Borrowers are required to make such Waivable Mandatory Prepayment, the Borrower Representative shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender holding outstanding Term Loans, Extended Term Loans, Incremental Term Loans or Other Term Loans of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent (who shall notify the Borrower Representative of the aggregate amount of Retained Declined Proceeds prior to the Required Prepayment Date) of its election to do so on or before 12:00 p.m. (New York City time) on the first Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower Representative and the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). To the extent any of the Waivable Mandatory Prepayment with respect to which each Lender, if any, shall have exercised its option to refuse is not required to be applied to repay the Second Lien Term Facility Indebtedness, then the Borrowers may retain such amount (any such amount retained by the Borrowers, the "**Retained Declined Proceeds**").

2.16 General Provisions Regarding Payments.

(a) Payments Due. All payments by the Borrowers of principal, interest, fees and other Obligations shall be made without defense, setoff or counterclaim, and free of any restriction or condition. Except with respect to Obligations that are funded and expressly denominated in an Alternative Currency, which shall be repaid in such Alternative Currency (or, to the extent expressly set forth herein, in the Dollar Amount thereof), all payments by the Borrowers shall be made in Dollars in same day funds and delivered to the Administrative Agent not later than 1:00 p.m. (New York City time) on the date due at the Payment Office for the account of the Lenders. All payments by the Borrowers required to be made in an Alternative Currency shall be made in such Alternative Currency in same day funds and delivered to the Administrative Agent not later than 1:00 p.m. (New York City time) on the date due at the Payment Office for the account of the Lenders; provided that, if for any reason, the Borrowers are prohibited by applicable Laws from making any required payment hereunder in an Alternative Currency, the Borrowers shall make such payment in Dollars in the Dollar Amount of the Alternative Currency payment amount. For purposes of computing interest and fees, any funds received by the Administrative Agent after the time on such due date specified in this Section 2.16(a) may, in the discretion of the Administrative Agent, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Issuing Bank, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of (x) the applicable Overnight Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(c) Payments to Include Interest. All payments in respect of the principal amount of any Loan (other than voluntary prepayments of Revolving Loans) shall include payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(d) Distribution of Payments. The Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(e) Affected Lender. Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurodollar Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(f) Payment Due on Non-Business Day. Subject to the provisos set forth in the definition of "Interest Period", whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder or of the Revolving Credit Commitment fees hereunder.

(g) Borrower's Accounts. The Borrowers hereby authorize the Administrative Agent to charge the Borrowers' accounts with the Administrative Agent in order to cause timely payment to be made to the Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

(h) Non-Conforming Payment. If any payment by or on behalf of the Borrowers hereunder is not made in same day funds prior to 1:00 p.m. (New York City time), the Administrative Agent may deem such payment to be a non-conforming payment and if so, shall give prompt notice thereof to the Borrower Representative and each applicable Lender. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is paid in full.

2.17 Ratable Sharing. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, premium, if any, or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided: (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.17 shall not be construed to apply to (A) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or Participant, other than to the Borrowers or any of the Restricted Subsidiaries (as to which the provisions of this Section shall apply). Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Credit Party in the amount of such participation.

2.18 Making or Maintaining Eurodollar Loans.

(a) Inability to Determine Applicable Interest Rate. If the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error), on any Quotation Day with respect to any Eurodollar Loans, that adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans (whether denominated in Dollars or an Alternative Currency) on the basis provided for in the definition of Adjusted Eurodollar Rate, the Administrative Agent shall on such date give notice (by telefacsimile or e- mail) to the Borrower Representative and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, Eurodollar Loans until such time as the Administrative Agent notifies

the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by the Borrower Representative with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by the Borrowers. Notwithstanding the foregoing, if the Administrative Agent has made a determination described in the preceding sentence, the Administrative Agent and the Borrowers shall negotiate in good faith to amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement to preserve the original intent thereof in light of such change; provided that, until so amended, such impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.18(a).

(b) Illegality or Impracticability of Eurodollar Loans. If on any date any Lender (in the case of clause (i) below) or the Required Lenders (in the case of clause (ii) below) shall have determined in good faith (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error) that the making, maintaining or continuation of its Eurodollar Loans (whether denominated in Dollars or an Alternative Currency) (i) has become unlawful as a result of compliance by such Lender in good faith with any Law (or would conflict with any treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) ~~has~~(A) the Eurodollar Rate for the applicable Interest Period will not adequately or fairly reflect the cost to such Lenders of making or maintaining Eurodollar Loans for the subject Interest Period or (B) it has otherwise become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the applicable interbank market or the position of the Lenders in that market, then, and in any such event, the affected Lenders shall each be an "**Affected Lender**" and it shall on that day give notice (by e-mail, facsimile or by telephone confirmed in writing) to the Borrower Representative and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). If the Administrative Agent receives a notice from (A) any Lender pursuant to clause (i) of the preceding sentence or (B) a notice from Lenders constituting Required Lenders pursuant to clause (ii) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, Eurodollar Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a Eurodollar Loan denominated in Dollars then being requested by the Borrowers pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan, (3) the Lenders' (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender's) obligations to maintain their respective outstanding Eurodollar Loans (the "**Affected Loans**") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by Law, (4) if the Affected Loans are denominated in Dollars, such Affected Loans shall automatically convert into Base Rate Loans on the date of such termination and (5) if the Affected Loans are denominated in an Alternative Currency, the interest rate with respect to such Affected Loans shall be determined by an alternative rate mutually acceptable to the Borrowers and applicable Affected Lenders on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Loan then being requested by the Borrower Representative pursuant to a Funding Notice or a Conversion/Continuation Notice, the Borrowers shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving written notice to the Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender).

(c) Compensation for Breakage or Non Commencement of Interest Periods. The Borrowers shall compensate each Lender, upon written request by such Lender through the Administrative Agent (which request shall set forth the basis for requesting such amounts and shall be conclusive and binding in the absence of manifest error), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurodollar Loan does not occur on a date specified therefor in a Funding Notice, or a conversion to or continuation of any Eurodollar Loan does not occur on a date specified therefor in a Conversion/Continuation Notice; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its Eurodollar Loans is not made on any date specified in a notice of prepayment given by the Borrowers.

(d) Booking of Eurodollar Loans. Any Lender may make, carry or transfer Eurodollar Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant Eurodollar Loans through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to the definition of Eurodollar Base Rate in an amount equal to the amount of such Eurodollar Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided, each Lender may fund each of its Eurodollar Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

2.19 Increased Costs; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate) or the Issuing Bank;

(ii) subject any Lender or the Issuing Bank to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its Loans, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or the Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce

the amount of any sum received or receivable by such Lender or the Issuing Bank hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the Issuing Bank, the Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the Issuing Bank determines in good faith that any Change in Law affecting such Lender or the Issuing Bank or any lending office of such Lender or such Lender's or the Issuing Bank's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swing Line Loans held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company would have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in Section 2.19(a) or 2.19(b) and delivered to the Borrower Representative, shall be conclusive absent manifest error. The Borrowers shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate and owing under Section 2.19(a) or Section 2.19(b) within ten Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided, the Borrowers shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or the Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine- month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Laws, in each case, after the date hereof, or such Lender's compliance therewith, disruption of currency or foreign exchange markets, war or civil disturbance or similar event, the funding of any Loan in any Alternative Currency or the funding of any Loan in any Alternative Currency to an office located other than in New York shall be impossible or, in the reasonable judgment of the applicable Lender such Alternative Currency is no longer available or readily convertible into Dollars, or the Dollar Amount of such Alternative Currency is no longer readily calculable, then, at the election of such Lender, such Lender shall make the Dollar Amount of such Loan available in Dollars or any Loan in the relevant Alternative Currency by such Lender shall be made to an office of the Administrative Agent located in New York, as the case may be, until such time as, in the reasonable judgment of such Lender, the funding of Loans in the relevant Alternative Currency is possible, the funding of Loans in the relevant Alternative Currency to an office located other than in New York is possible, the relevant Alternative Currency is available and readily convertible into Dollars or the Dollar Amount of such Alternative Currency is readily calculable, as applicable.

(f) If payment in respect of any Loan denominated in an Alternative Currency shall be due in a currency other than Dollars and/or at a place of payment other than New York and if, by reason of the introduction of or any change in or in the interpretation of any Law subsequent to the Closing Date, disruption of currency or foreign exchange markets, war or civil disturbance or similar event, payment of such Obligations in such currency or such place of payment shall be impossible or, in the reasonable judgment of an applicable Lender, such Alternative Currency is no longer available or readily convertible to Dollars, or the Dollar Amount of such Alternative Currency is no longer readily calculable, then, at the election of any affected Lender, the Borrowers shall make payment of such Loan in Dollars (based upon the Exchange Rate in effect for the day on which such payment occurs, as determined by the Administrative Agent in accordance with the terms hereof) and/or in New York.

2.20 Taxes; Withholding, Etc.

(a) Defined Terms. For purposes of this Section 2.20, the term "Lender" includes the Issuing Bank and the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrowers. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrowers. Without duplication of any additional amounts paid under this Section 2.20, the Credit Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Holdings by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes

attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.20, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent and at the time or times prescribed by applicable Laws, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent or prescribed by applicable Laws as will permit (A) such payments to be made without withholding or at a reduced rate of withholding, or (B) will permit the Borrowers or the Administrative Agent to otherwise establish such Lender's status for withholding Tax purposes in an applicable jurisdiction. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to Holdings and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower or Holdings within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W- 8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W- 9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and the Administrative Agent at the time or

times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Holdings and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

2.21 Obligation to Mitigate. If any Lender requests compensation under Section 2.19, or requires a Credit Party to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, then such Lender shall (at the request of the relevant Credit Party) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.19 or 2.20, as the case may be, in the future, and (b) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

2.22 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank or Swing Line Lender hereunder; third, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.4(i); fourth, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.4(i); sixth, to the payment of any amounts owing to the Lenders, the Issuing Bank or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, if (x) such payment is a payment of the principal amount of any Loans or Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Letter of Credit Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or Letter of Credit Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letter of Credit Obligations and Swing Line Loans are held by the Lenders in accordance with their Pro Rata Shares of the Revolving Credit Commitments without giving effect to Section 2.22(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) *Certain Fees*.

(A) No Defaulting Lender shall be entitled to receive any commitment fees in accordance with Section 2.11(a) for any period during which such Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit fees in accordance with Section 2.11(b) for any period during which such Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.4(i).

(C) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letter of Credit Obligations or Swing Line Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Bank and the Swing Line Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's or Swing Line Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) *Reallocation of Participations to Reduce Fronting Exposure*. All or any part of such Defaulting Lender's participation in Letter of Credit Obligations and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non- Defaulting Lender's Revolving Credit Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from such Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) *Repayment of Swing Line Loans, Cash Collateral*. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, first, prepay Swing Line Loans in an amount equal to the Swing Line Lender's Fronting Exposure and second, Cash Collateralize the Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.4(i).

(b) Defaulting Lender Cure. If the Borrowers, the Administrative Agent and the Swing Line Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase at par that portion of

outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held by the Lenders in accordance with their Pro Rata Shares of the Revolving Credit Commitments without giving effect to Section 2.22(a)(iv), whereupon such Lender will cease to be a Defaulting Lender; provided, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

(c) New Swing Line Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swing Line Lender shall not be required to fund any Swing Line Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swing Line Loan and (ii) the Issuing Bank shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) Termination of Defaulting Lender. The Borrowers may terminate the unused amount of the Revolving Credit Commitment of any Revolving Lender that is a Defaulting Lender upon not less than five Business Days' prior notice to the Administrative Agent (which shall promptly notify the Lenders thereof), and in such event the provisions of Section 2.22(a)(ii) will apply to all amounts thereafter paid by the Borrowers for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); provided, (i) no Event of Default shall have occurred and be continuing, and (ii) such termination shall not be deemed to be a waiver or release of any claim the Borrowers, the Administrative Agent, the Issuing Bank, the Swing Line Lender or any Lender may have against such Defaulting Lender.

2.23 Replacement Lenders. If any Lender requests compensation under Section 2.19 , or if the Borrowers are required to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 2.21, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent (which shall be given within thirty days after such Lender requests such amount or becomes a Defaulting Lender or Non-Consenting Lender, as the case may be), require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.6), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.19 or Section 2.20) and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided:

(a) the Administrative Agent shall have received the assignment fee (if any) specified in Section 10.6(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit, accrued interest thereon, accrued fees, premium (if any) and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.18(c) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts));

(c) in the case of any such assignment resulting from a claim for compensation under Section 2.19 or payments required to be made pursuant to Section 2.20, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Law; and

(e) in the case of any assignment resulting from a Lender becoming a Non- Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent;

provided further, a Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

2.24 Extension of Loans.

(a) The Borrowers may from time to time, pursuant to the provisions of this Section **2.24** , agree with one or more Lenders holding Loans of any Class to extend the maturity date, and otherwise modify the economic terms of any such Class or any portion thereof (including, without limitation, by increasing the interest rate or fees payable and/or modifying the amortization schedule in respect of any Loans of such Class or any portion thereof) (each such modification an "**Extension**") pursuant to one or more written offers (each an "**Extension Offer**") made from time to time by the Borrowers to all Lenders under any Class that is proposed to be extended under this Section 2.24, in each case on a pro rata basis (based on the relative principal amounts of the outstanding Loans of each Lender in such Class) and on the same terms to each such Lender. In connection with each Extension, the Borrower Representative will provide notification to the Administrative Agent (for distribution to the Lenders of the applicable Class), no later than ninety days prior to the maturity of the applicable Class or Classes to be extended of the requested new maturity date for the extended Loans of each such Class (each an "**Extended Maturity Date**") and the due date for Lender responses. In connection with any Extension, each Lender of the applicable Class wishing to participate in such Extension shall, prior to such due date, provide the Administrative Agent with a written notice thereof in a form reasonably satisfactory to the Administrative Agent. Any Lender that does not respond to an Extension Offer by the applicable due date shall be deemed to have rejected such Extension. After giving effect to any Extension, the Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans so extended shall cease to be a part of the Class they were a part of immediately prior to the Extension and shall be a new Class hereunder; provided that subject to the provisions of Sections 2.3(k) and 2.4(l) to the extent dealing with Swing Line Loans and Letters of Credit which mature or expire after a maturity date when there exist Revolving Credit Commitments which have been extended pursuant to this Section 2.24 ("**Extended Revolving Credit Commitments**") with a longer maturity date, all Swing Line Loans and Letters of Credit shall be participated in on a pro rata basis by all Lenders with Revolving Credit Commitments and Extended Revolving Credit Commitments in accordance with their Pro Rata Share of the Revolving Credit Commitments and Extended Revolving Credit Commitments (and except as provided in Sections 2.3(k) and 2.4(l), without giving effect to changes thereto on an earlier maturity date with respect to Swing Line Loans and Letters of Credit theretofore incurred or issued) and all borrowings under Revolving Credit Commitments and Extended Revolving Credit Commitments and repayments thereunder shall be made on a pro rata basis (except for (A) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings) and (B) repayments required upon the maturity date of the non-extending Revolving Credit Commitments).

(b) Each Extension shall be subject to the following:

(i) no Event of Default shall have occurred and be continuing at the time any Extension Offer is delivered to the Lenders or at the time of such Extension;

(ii) except as to interest rates, fees, scheduled amortization and final maturity date (which, in each case, subject to clause (iv) below, shall be determined by the Borrowers and set forth in the relevant Extension Offer), the Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as applicable, of any Lender extended pursuant to any Extension shall have the same terms as the Class of Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as applicable, subject to the related Extension Offer; provided, at no time shall there be more than three different Classes of Term Loans, three different Classes of Incremental Term Loans, Other Term Loans or three different classes of Revolving Loans;

(iii) (x) the final maturity date of any Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans of a Class to be extended pursuant to an Extension shall be no earlier than the final maturity date of such Class, (y) the Weighted Average Life to Maturity of any Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans of a Class to be extended pursuant to an Extension shall be no shorter than the then applicable Weighted Average Life to Maturity of such Class and (z) the amortization schedule applicable to Term Loans, Incremental Term Loans or Other Term Loans subject to an Extension for periods prior to the Term Loan Maturity Date (or any Extended Maturity Date in effect prior to giving effect to such extension) may not be increased;

(iv) if the aggregate principal amount of Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans of a Class in respect of which Lenders shall have accepted an Extension Offer exceeds the maximum aggregate principal amount of Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as the case may be, of such Class offered to be extended by the Borrowers pursuant to the relevant Extension Offer, then such Loans of such Class shall be extended ratably up to such maximum amount based on the relative principal amounts thereof (not to exceed any Lender's actual holdings of record) with respect to which such Lenders accepted such Extension Offer;

(v) all documentation in respect of such Extension shall be consistent with the foregoing;

(vi) any applicable Minimum Extension Condition shall be satisfied; and

(vii) no Extension shall become effective unless, on the proposed effective date of such Extension, the conditions set forth in Section 3.2 shall be satisfied (with all references in such Section to a Credit Date being deemed to be references to the Extension on the applicable date of such Extension), and the Administrative Agent shall have received a certificate to that effect dated the applicable date of such Extension and executed by an Authorized Officer of the Borrower Representative.

(c) [Reserved].

(d) No Extension Offer is required to be in any minimum amount or any minimum increment, provided that (i) the Borrowers may at their election specify as a condition (a "**Minimum Extension Condition**") to consummating any such Extension that a minimum amount (to be determined

and specified in the relevant Extension Offer in the Borrowers' sole discretion and which may be waived by the Borrowers) of Loans of any or all applicable Classes be tendered and (ii) unless another amount is agreed to by the Administrative Agent, no Class of extended Term Loans shall be in an amount of less than $5,000,000. For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.17 and Section 10.6 will not apply to Extensions of Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as applicable, pursuant to Extension Offers made pursuant to and in accordance with the provisions of this Section 2.24, including with respect to any payment of interest or fees in respect of any Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as applicable, that have been extended pursuant to an Extension at a rate or rates different from those paid or payable in respect of Loans of any other Class, in each case as is set forth in the relevant Extension Offer. It is further understood and agreed that Extensions of the Loans pursuant to this Section 2.24 shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14.

(e) No Lender who rejects any request for an Extension shall be deemed a Non- Consenting Lender for purposes of Section 2.23.

(f) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A) the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans, Incremental Term Loans, Other Term Loans and/or Revolving Credit Commitments (or a portion thereof) and (B) with respect to any Extension of the Revolving Credit Commitments, the consent of the Issuing Bank and the Swing Line Lender (which consent shall not be unreasonably withheld or delayed). The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments (collectively, "**Extension Amendments**") to this Agreement and the other Credit Documents as may be necessary in order establish new Classes of Term Loans, Incremental Term Loans, Other Term Loans or Revolving Loans, as applicable, created pursuant to an Extension and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.24. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.24 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrowers in accordance with any instructions received from such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrowers unless and until it shall have received such advice or concurrence; provided, regardless of whether there has been a request by the Administrative Agent for any such advice or concurrence, all such Extension Amendments entered into with the Borrowers by the Administrative Agent hereunder shall be binding on the Lenders. Without limiting the foregoing, in connection with any Extensions, the appropriate Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage (or any other Credit Document that Administrative Agent or Collateral Agent reasonably requests to be amended to reflect an Extension) that has a maturity date prior to the latest Extended Maturity Date so that such maturity date is extended to the then latest Extended Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(g) In connection with any Extension, the Borrower Representative shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be reasonably established by, or reasonably acceptable to, the Administrative Agent to accomplish the purposes of this Section 2.24.

2.25 Incremental Loans.

(a) Types of Facilities. The Borrowers may by written notice by the Borrower Representative to the Administrative Agent elect to request (i) prior to the Revolving Credit Commitment Termination Date, an increase to the existing Revolving Credit Commitments (any such increase, the "**Incremental Revolving Credit Commitments**") and/or (ii) the establishment of one or more new term loan commitments (the "**Incremental Term Loan Commitments**", together with the Incremental Revolving Credit Commitments, each an "**Incremental Facility**" and collectively, the "**Incremental Facilities**"); provided:

(i) each Incremental Term Loan Commitment shall be in an aggregate principal amount that is not less than $5,000,000 and shall be in an increment of $1,000,000 and each Incremental Revolving Credit Commitment shall be in an aggregate principal Dollar Amount that is not less than $5,000,000 and shall be in an increment of a Dollar Amount of $1,000,000 (provided, such amount may be less than $5,000,000 if such amount represents all then remaining availability under the limit set forth in clause (ii) below); and

(ii) the aggregate amount of the Incremental Facilities requested after the Closing Date shall not exceed the Maximum Incremental Facilities Amount as in effect at such time (it being understood that the Maximum Incremental Facilities Amount shall be calculated as set forth in the definition thereof);

For the avoidance of doubt, no existing Lender shall be obligated to provide any Incremental Facilities.

(b) Notice. Each notice referred to in Section 2.25(a) shall specify (i) the date (each, an "**Incremental Increase Date**") on which the Borrowers propose that Incremental Revolving Credit Commitments and/or Incremental Term Loan Commitments shall be effective, which shall be a date not less than ten Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender, other Eligible Assignee or any other Person (each, an "**Incremental Revolving Lender**" or an "**Incremental Term Loan Lender**", as applicable) to whom the Borrowers propose any portion of such Incremental Revolving Credit Commitments and/or Incremental Term Loan Commitments be allocated and the amounts of such allocations; provided, (x) any Eligible Assignee or other Person identified by the Borrowers as a proposed Incremental Revolving Lender shall be acceptable to each of the Administrative Agent, the Issuing Bank and the Swing Line Lender in its sole discretion and (y) any Eligible Assignee or other Person identified by the Borrowers as a proposed Incremental Term Loan Lender shall be reasonably acceptable to the Administrative Agent.

(c) Conditions to Effectiveness. Each Incremental Revolving Credit Commitment and/or Incremental Term Loan Commitment shall become effective as of the applicable Incremental Increase Date; provided:

(i) (a) if the proceeds of such Incremental Term Loans shall be applied to consummate a Limited Condition Acquisition, no Default or Event of Default shall exist on such Incremental Increase Date immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, provided that the Lenders providing such Incremental Term Loan Commitments may instead agree that (1) no Default or Event of Default shall exist at the time that the definitive acquisition agreement is entered into (determined in accordance with Section 1.7) and (2) on such Incremental Increase Date both immediately before and immediately after giving effect to such Incremental Revolving Credit Commitment and/or Incremental Term Loan Commitments and the borrowings thereunder, no Event of Default under Section 8.1(a) (but, in the case of such Section 8.1(a), solely if with respect to principal, premium, interest, regularly accruing fees and unreimbursed amounts in respect of Letters

of Credit), 8.1(f) or 8.1(g) shall have occurred and be continuing or would result therefrom and (b) in all other cases, no Default or Event of Default shall exist on such Incremental Increase Date immediately before or immediately after giving effect to such Incremental Revolving Credit Commitment and/or Incremental Term Loan Commitments and the borrowings thereunder;

(ii) both immediately before and immediately after giving effect to such Incremental Revolving Credit Commitments and/or Incremental Term Loan Commitments and the borrowings thereunder, as of such Incremental Increase Date, the representations and warranties contained herein and in the other Credit Documents shall be true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of that Credit Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date; provided, with respect to this clause (ii), to the extent that the proceeds of Loans under any Incremental Term Loan Commitments are to be used to finance a Limited Condition Acquisition, the availability thereof instead may be subject to customary "SunGard" or "certain funds" conditionality to the extent agreed by the Lenders providing such Loans;

(iii) if applicable, the Borrower Representative shall have delivered a fully executed Funding Notice to the Administrative Agent at the Notice Office no later than 11:00 a.m. (New York City time) at least three Business Days in advance of the proposed Credit Date in the case of any Incremental Term Loan that is a Eurodollar Loan, and at least one Business Day in advance of the proposed Credit Date in the case of an Incremental Term Loan that is a Base Rate Loan; and

(iv) such Incremental Revolving Credit Commitments and/or Incremental Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements, each of which shall be recorded in the Register.

(d) Incremental Revolving Credit Commitments. On any Incremental Increase Date on which Incremental Revolving Credit Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (i) each of the Revolving Lenders shall assign to each of the Incremental Revolving Lenders, and each of the Incremental Revolving Lenders shall purchase from each of the Revolving Lenders, at the principal amount thereof (together with accrued interest), such interests in the Revolving Loans outstanding on such Incremental Increase Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Revolving Lenders and Incremental Revolving Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Incremental Revolving Credit Commitments to the Revolving Credit Commitments, (ii) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder (an "**Incremental Revolving Loan**") shall be deemed, for all purposes, a Revolving Loan and (iii) each Incremental Revolving Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto.

(e) Series of Incremental Term Loans. Any Incremental Term Loans made on an Incremental Increase Date shall be designated a series (a "**Series**") of Incremental Term Loans for all purposes of this Agreement and such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to Section 2.24, or any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26. On any Incremental Increase Date on which any Incremental Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Incremental Term Loan Lender of any Series shall make a Loan to the Borrowers (an "**Incremental Term Loan**") in an amount equal to its Incremental Term Loan Commitment of such Series, and (ii) each Incremental Term Loan Lender of any Series shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Series and the Incremental Term Loans of such Series made pursuant thereto.

(f) Notice to Lenders. The Administrative Agent shall notify the Lenders, promptly upon receipt of the Borrower Representative's notice of an Incremental Increase Date, of (i) the Incremental Revolving Credit Commitments and the Incremental Revolving Lenders and the Series of Incremental Term Loan Commitments and the Incremental Term Loan Lenders of such Series, in each case, as applicable, and (ii) in the case of each notice to any Revolving Lender, the respective interests in such Revolving Lender's Revolving Loans, in each case subject to the assignments contemplated by this Section.

(g) Terms. The material terms and provisions (other than upfront fees) of the Incremental Revolving Credit Commitments and Incremental Revolving Loans shall be identical to the Revolving Credit Commitments and the Revolving Loans and shall be added to, and constitute a part of, the Revolving Credit Commitments and the Revolving Loans. The terms of the Incremental Term Loans and Incremental Term Loan Commitments of any Series shall be mutually agreed by the Borrowers and the applicable Incremental Term Loan Lenders; provided such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to Section 2.24, any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26; provided further, in the case of any separate Series:

(i) such Series shall rank pari passu in right of payment, and rank pari passu in right of security, with the Obligations;

(b) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of the Issuing Bank, participations in Letters of Credit expiring on or after the Revolving Credit Commitment Termination Date shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding Extended Revolving Credit Commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Credit

Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrower will make such payment with respect to, or perform, such Obligations. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 2.27(a) constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Credit Documents or any other circumstances whatsoever.

(b) Each Borrower and Holdings hereby designates U.S. Borrower to act as its "Borrower Representative" hereunder. The Borrower Representative hereby accepts such appointment. Each Borrower and Holdings agrees that each notice, election, representation and warranty, covenant, agreement, undertaking and determination made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower or Holdings, as applicable, and shall be binding upon and enforceable against such Person to the same extent as if the same had been made directly by such Person.

2.28 Currency Equivalents.

(a) The Administrative Agent shall determine the Dollar Amount of each Revolving Loan denominated in an Alternative Currency and Letter of Credit Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) as of the date of any Funding Notice or Issuance Notice, as applicable, (ii) as of the date of any increase to the amount of any then outstanding Letter of Credit, (iii) as of the first day of each Interest Period applicable thereto, (iv) as of the end of each Fiscal Quarter of the Borrowers and (v) as at any other time as the Administrative Agent may elect, and shall promptly notify the Borrower Representative and the Lenders of each Dollar Amount so determined by

it. In addition, for purposes of determining the Required Lenders or Required Revolving Lenders at any time, the Dollar Amount of each outstanding Revolving Loan and Letter of Credit shall be determined by the Administrative Agent based on the Exchange Rate on each such date of determination.

(b) If after giving effect to any such determination of a Dollar Amount for any outstanding Revolving Loans or Letter of Credit denominated in an Alternative Currency, the Total Utilization of Revolving Credit Commitments exceeds the Revolving Credit Limit then in effect by 5.0% or more for a period in excess of ten Business Days, the Borrowers shall, within three Business Days' of receipt of notice thereof from the Administrative Agent, prepay the applicable outstanding Dollar Amount of the Revolving Loans denominated in Alternative Currencies or take other action as the Administrative Agent, in its discretion, may reasonably agree (including Cash Collateralization of the applicable Letter of Credit Obligations in amounts from time to time equal to such excess) to the extent necessary to eliminate any such excess.

2.29 Designation of Borrowers. On or after the Closing Date, the Borrower Representative may, at any time and from time to time, designate any Subsidiary that is both a wholly owned Subsidiary and a Restricted Subsidiary as a "Borrower" by delivery to the Administrative Agent of a Borrower Joinder executed by such Subsidiary, each other Guarantor and the Borrower Representative; provided that:

(a) any such Restricted Subsidiary is organized in a Qualified Borrower Jurisdiction;

(b) the representations and warranties set forth herein and in each other Credit Document shall be true and correct in all material respects on and as of the date of the Borrower Joinder for such proposed Restricted Subsidiary becoming an additional Borrower with the same effect as though made on and as of each of such dates (except to the extent made as of a specific date, in which case such representation and warranty shall be true and correct in all material respects on and as of such specific date);

(e) such Restricted Subsidiary shall have delivered to the Administrative Agent a duly authorized, executed and delivered counterpart signature page to a Borrower Joinder;

(f) if such Restricted Subsidiary is not a Credit Party on the date it becomes or is to become an additional Borrower pursuant to this Section 2.29, such Restricted Subsidiary shall have delivered to the Collateral Agent duly authorized, executed and delivered copies of any Collateral Documents required to be entered into by such Restricted Subsidiary pursuant to Section 5.11 as applied to such Restricted Subsidiary becoming a Borrower hereunder and, regardless of whether such Restricted

Subsidiary is a Credit Party on the date it becomes or is to become an additional Borrower hereunder, Section 5.11 shall have been satisfied with respect to such Restricted Subsidiary (without giving effect to any grace periods set forth therein);

(g) the Administrative Agent shall have received, to the extent requested thereby, customary opinions of counsel reasonably satisfactory to the Administrative Agent; and

(ii) a certificate of an authorized signatory of such Restricted Subsidiary certifying the copies of the foregoing documents provided by it.

Upon receipt thereof the Administrative Agent shall promptly transmit such Borrower Joinder and the related documents delivered pursuant to this Section 2.29 to each of the Lenders, and such Restricted Subsidiary shall be deemed a Borrower for all purposes under this Agreement and the other Credit Documents.

Notwithstanding anything to the contrary in Section Sections 3.1(a), (b) or (f), (i) to the extent any Lien on, and/or security interest in, any Collateral is not or cannot be created and/or perfected on the Closing Date (other than the grant and perfection of security interests (A) in assets with respect to which a Lien may be perfected solely by the filing of a financing statement under the UCC or (B) in certificated Securities of Lux Holdco or a Borrower with respect to which a Lien may be perfected by the delivery of a stock certificate), then the provision of any such Collateral and any related Closing Date Foreign Collateral Document and security deliverables in connection therewith (or legal opinions in respect thereof) shall not constitute a condition precedent to the availability of the initial Loans on the Closing Date, but may instead be provided as promptly as practicable after the Closing Date and in any event within the period specified therefor, if any, in Section 5.22 and (ii) with respect to any corporate authorizations or any guarantees and security to be provided by any Foreign Subsidiary (after giving effect to the Closing Date Acquisition) that is required to become a Guarantor, if such authorizations, guarantees and security cannot be provided as a result of any requirement of applicable Laws on the Closing Date because the directors or managers (or equivalent) of such Foreign Subsidiary have not delivered such authorizations and/or have not approved the applicable guarantees and security, and the election or appointment of new directors, managers or officers to authorize such guarantees and security and deliver such authorizations has not taken place prior to the initial funding of the Loans on the Closing Date or such authorization or execution or delivery of any document is delayed due to time zone complications (such approvals, guarantees and security, collectively, the "**Delayed Approvals, Guarantees and Security**"), such elections or appointments and/or deliveries shall take place no later than 5:00 p.m., New York City time, on the Business Day immediately following the Closing Date as provided in Section 5.22 (or such later dates as may be agreed to in writing by the Administrative Agent in its sole discretion), but delivery of the Delayed Approvals, Guarantees and Security will not constitute a condition precedent under this Section 3.1 to the funding of the initial Loans on the Closing Date.

Each Lender and each Agent, by delivering its signature page to this Agreement and, if applicable, funding a Loan on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document, agreement, instrument, certificate or opinion required to be approved by such Lender or such Agent, as the case may be, on the Closing Date.

(iv) No Default or Event of Default. Subject to Section 2.25(c)(i), if applicable, as of such Credit Date, no event shall have occurred and be continuing or would result from the consummation of the applicable Credit Extension that would constitute a Default or an Event of Default.

SECTION 4. REPRESENTATIONS AND WARRANTIES

6.15 Fiscal Year. Change its Fiscal Year-end from December 31.

6.16 Use of Proceeds. The Borrowers shall not request any Loan or Letter of Credit, nor use, and shall procure that its Restricted Subsidiaries and its or their respective directors, officers, employees, controlled Affiliates and agents not use, directly or indirectly, the proceeds of any Loan or Letter of Credit, or lend, contribute or otherwise make available such proceeds to any Restricted Subsidiary, other Affiliate, joint venture partner or other Person, (i) in violation of any Anti-Corruption Laws or AML Laws, (ii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or involving any goods originating in or with a Sanctioned Person or Sanctioned Country in each case in violation of Sanctions, or (iii) in any manner that would result in the violation of any Sanctions by such Person.

SECTION 7. GUARANTY

7.1 Guaranty of the Obligations. The Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a), but excluding, with respect to any Guarantor at any time, Excluded Swap Obligations with respect to such Guarantor at such time) (collectively, the "**Guaranteed Obligations**").

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (x) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (y) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors times (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Guaranteed Obligations. "**Fair Share Contribution Amount**" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state Law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "**Aggregate Payments**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (ii) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3 Payment by Guarantors. Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of the Borrowers or any other Guarantor to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for any Borrower's becoming the subject of a proceeding under any Debtor Relief Law, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against such Borrower for such interest in such proceeding) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations (other than Remaining Obligations) and the termination of all Revolving Credit Commitments and the expiration, cancellation or Cash Collateralization of all Letters of Credit. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability;

(b) this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(c) the Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between any Borrower and any Beneficiary with respect to the existence of such Event of Default;

(d) the obligations of each Guarantor hereunder are independent of the obligations of any Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of any Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against any Borrower or any of such other Guarantors and whether or not any Borrower is joined in any such action or actions;

(e) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(f) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may

determine consistent herewith or the applicable Swap Contract and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any Borrower or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents or the Swap Contracts; and

(g) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations (other than Remaining Obligations) and the termination of all Revolving Credit Commitments and the expiration, cancellation or Cash Collateralization of all Letters of Credit), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents or the Swap Contracts, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents, any of the Swap Contracts or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document, such Swap Contract or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or any of the Swap Contracts or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Holdings, any Borrower or any of the Restricted Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set-offs or counterclaims which any Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

7.5 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against any Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from any Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Borrower or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the

liability of any Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith or gross negligence; (e) (i) any principles or provisions of Law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, the Swap Contracts or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to the Borrowers and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by Law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full and the Revolving Credit Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled or Cash Collateralized, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against any Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full and the Revolving Credit Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled or Cash Collateralized, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against any Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations (other than Remaining Obligations) shall not have been finally and paid in full, such amount shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7 Subordination of Other Obligations. Any Indebtedness of any Borrower or any Guarantor now or hereafter held by any Guarantor (the "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full and the Revolving Credit Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 Authority of Guarantors or the Borrowers. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or any Borrower or the officers, members of the Board of Directors or any agents acting or purporting to act on behalf of any of them.

7.10 Financial Condition of the Borrowers. Any Credit Extension may be made to the Borrowers or continued from time to time, and any Swap Contracts may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrowers at the time of any such grant or continuation or at the time such Swap Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Borrowers. Each Guarantor has adequate means to obtain information from the Borrowers on a continuing basis concerning the financial condition of the Borrowers and their ability to perform its obligations under the Credit Documents and the Swap Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrowers and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrowers now known or hereafter known by any Beneficiary.

7.11 Bankruptcy, Etc.

(a) Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full and the Revolving Credit Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled or Cash Collateralized, without the prior written consent of the Administrative Agent acting pursuant to the instructions of the Required Lenders, commence or join with any other Person in commencing any proceeding under any Debtor Relief Law of or against any Borrower or any other Guarantor. The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of any Borrower or any other Guarantor or by any defense which any Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve any Borrower of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) If all or any portion of the Guaranteed Obligations are paid by any Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

7.12 Discharge of Guaranty Upon Sale of Guarantor. If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such sale or disposition, and the Administrative Agent agrees to take all actions reasonably requested by the Borrowers or such Guarantor to evidence the discharge and release of such Guarantor; provided that (a) any such action shall be without recourse to, or representation or warranty by, the Administrative Agent, (b) any document executed by the Administrative Agent shall be in form and substance reasonably satisfactory to the Administrative Agent and (c) the Administrative Agent shall not be required to take any such action that, in its reasonable opinion or the reasonable opinion of its counsel, could reasonably be expected to expose the Administrative Agent to undue liability or that is contrary to any Credit Document or applicable law.

7.13 Keepwell Agreement. Each Qualified ECP Credit Party, jointly and severally, hereby absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any other Credit Party hereunder to honor all of such Credit Party's obligations under this Agreement in respect of Swap Contracts (provided, each Qualified ECP Credit Party shall only be liable under this Section 7.13 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 7.13, or otherwise under this Agreement, voidable under applicable law, including applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Credit Party under this Section 7.13 shall remain in full force and effect until all of the Guaranteed Obligations and all other amounts payable under this Agreement shall have been paid in full and all Commitments have terminated or expired or been cancelled. Each Qualified ECP Credit Party intends that this Section 7.13 constitute, and this Section 7.13 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

7.14 Limited Recourse to Holdings and LLC Subsidiary Notwithstanding anything to the contrary contained in any Credit Document, the liability of Holdings and LLC Subsidiary under the Credit Documents, including this Section 7, and the recourse of the Collateral Agent (on behalf of the Beneficiaries) against Holdings and LLC Subsidiary under the Credit Documents, including this Section 7, shall be limited solely to (a) in the case of Holdings, (i) the Equity Interests of U.S. Borrower, Lux Holdco and (if any) Lux Borrower owned by Holdings and (ii) any Indebtedness owing to Holdings from any Restricted Subsidiary, in each case, pledged by Holdings to the Collateral Agent for the benefit of the Secured Parties pursuant to the Limited Recourse Pledge and Security Agreement or any similarly limited recourse Cayman Collateral Document or Luxembourg Collateral Document and (b) in the case of LLC Subsidiary, (i) the Equity Interests of U.S. Borrower, Lux Holdco and (if any) Lux Borrower owned by LLC Subsidiary and (ii) any Indebtedness owing to LLC Subsidiary from Holdings or any Restricted Subsidiary, in each case, pledged by LLC Subsidiary to the Collateral Agent for the benefit of the Secured Parties pursuant to the Limited Recourse Pledge and Security Agreement or any similarly limited recourse Cayman Collateral Document or Luxembourg Collateral Document.

7.15 Luxembourg Limitation Language.

(a) Notwithstanding anything to the contrary contained in any Credit Document, including this Section 7, to the extent that the guarantee provided herein is granted by a Guarantor incorporated in the Grand Duchy of Luxembourg (a "**Luxembourg Guarantor**"), the maximum liability of a Luxembourg Guarantor under this Agreement or any other Credit Document for the obligations of a Borrower which is not a direct or indirect Subsidiary of such Luxembourg Guarantor shall be limited to an amount not exceeding the greater of:

(i) 95% of such Luxembourg Guarantor's own funds (*capitaux propres*), as referred to in annex I to the grand-ducal regulation dated 18 December 2015 defining the form and content of the presentation of balance sheet and profit and loss account, and enforcing the Luxembourg law dated 19 December 2002 concerning the trade and companies register and the accounting and annual accounts of undertakings (the "**Regulation**") as increased by the amount of any subordinated debt (including any Intra- Group Liabilities (as defined below), each as reflected in such Luxembourg Guarantor's latest duly approved annual accounts and other relevant documents available to the Administrative Agent at the date of this Agreement; and

(ii) 95% of such Luxembourg Guarantor's own funds (*capitaux propres*), as referred to the Regulation as increased by the amount of any subordinated debt (including any Intra-Group Liabilities (as defined below), each as reflected in such Luxembourg Guarantor's latest duly approved annual accounts and other relevant documents available to the Administrative Agent at the time the guarantee is called.

(b) For the purposes of this Section 7.15, "**Intra-Group Liabilities**" means all existing liabilities owed by a Luxembourg Guarantor to any Affiliate of such Luxembourg Guarantor. The above limitation shall not apply to any amounts borrowed by, or made available to, in any form whatsoever, under any Credit Documents or Second Lien Credit Documents (or any document entered into in connection therewith), any Luxembourg Guarantor or any of its (current or future) direct or indirect Subsidiaries.

SECTION 8. EVENTS OF DEFAULT

8.1 Events of Default. The occurrence of any one or more of the following conditions or events shall constitute an "**Event of Default**":

(a) Failure to Make Payments When Due. Failure by the Borrowers to pay (i) when due (x) any principal of any Loan, whether at stated maturity, by acceleration, by notice of voluntary prepayment, by mandatory prepayment or otherwise, or (y) any amount payable to the Issuing Bank in reimbursement of any drawing under a Letter of Credit or any Cash Collateralization of a Letter of Credit or Swing Line Loan as required pursuant to Section 2.3, Section 2.4 or Section 2.22(a)(v); or (ii) any interest on any Loan or any fee or any other amount due hereunder or under any other Credit Document (other than an amount referred to in clause (i) above) within three Business Days after the date due; or

(b) Default in Other Agreements. (i) Failure of Holdings, any Borrower or any of the Restricted Subsidiaries to pay when due any principal of or interest on or any other amount payable in respect of one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in an individual or aggregate principal amount (or Net Mark-to-Market Exposure, as applicable) of $10,000,000 or more beyond the grace period, if any, provided therefor; or (ii) breach or default by Holdings, any Borrower or any of the Restricted Subsidiaries with respect to any other term of (A) one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in the individual or aggregate principal amounts (or Net Mark-to-Market Exposure, as applicable) referred to in clause (i) above or (B) any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Indebtedness, in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redemption) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; provided that this clause (b)(ii) shall not apply to secured Indebtedness (other than Indebtedness under any Junior Financing Documents) that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder; or

(c) Breach of Certain Covenants. Failure of any Credit Party to perform or comply with any term or condition contained in Section 2.6, Section 5.1(h), Section 5.2 (as it relates to the existence of any Credit Party), Section 5.17, Section 5.18, Section 5.22 or Section 6; provided, that a Default under Section 6.7 (a "**Financial Covenant Event of Default**") shall not constitute an Event of Default with respect to the Term Loans, Incremental Term Loans or any Credit Agreement Refinancing Indebtedness (unless consisting of revolving credit facilities) (i) unless and until the Required Revolving Lenders shall have terminated their Revolving Credit Commitments and declared all amounts outstanding under the Revolving Loans to be due and payable or (ii) such Default results in a default under Section 8.1(b)(ii)); or

(d) Breach of Representations, Etc. Any representation, warranty or certification made or deemed made by any Credit Party in any Credit Document or in any statement or certificate at any time given by such Credit Party in writing pursuant hereto or thereto or in connection herewith or therewith shall be incorrect or misleading in any material respect (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) as of the date made or deemed made; or

(e) Other Defaults Under Credit Documents. Any Credit Party shall default in the performance of or compliance with any term contained herein or any of the other Credit Documents, other than any such term referred to in any other clause of this Section 8.1, and such default shall not

have been remedied or waived within thirty days after the earlier of (i) an officer of Holdings or any Borrower becoming aware of such default or (ii) receipt by the Borrower Representative of notice from the Administrative Agent or the Required Lenders of such default; or

(f) Involuntary Bankruptcy; Appointment of Receiver, Etc. Upon the occurrence and during the continuance of an Event of Default and after the acceleration of the principal amount of any of the Loans, subject to the Intercreditor Agreement and any other applicable intercreditor agreement, all payments and proceeds in respect of any of the Obligations received by any Agent or any Lender under any Credit Document, including any proceeds of any sale of, or other realization upon, all or any part of the Collateral, shall be applied as follows:

first, to all fees, costs, indemnities, liabilities, obligations and expenses (other than principal, interest or premiums) incurred by or owing to the Administrative Agent, the Collateral Agent, any receiver or delegate, or the Issuing Bank with respect to this Agreement, the other Credit Documents or the Collateral;

second, to all fees, costs, indemnities, liabilities, obligations and expenses (other than principal, interest or premiums) incurred by or owing to any Lender with respect to this Agreement, the other Credit Documents or the Collateral;

third, to accrued and unpaid interest on the Obligations (including any interest which, but for the provisions of the Bankruptcy Code, would have accrued on such amounts);

fourth, to the principal amount of the Obligations (including any premiums therein), including Obligations with respect to the deposit of Cash Collateral to secure the existing Letter of Credit Obligations and future payment of related fees in compliance with Section 2.4(h), Obligations with respect to any Secured Swap Contract, and all Cash Management Obligations;

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrowers. Each Credit Party irrevocably waives the right to direct the application of any and all payments at any time or times thereafter received by the Administrative Agent or the Collateral Agent from or on behalf of any Credit Party, provided such application is consistent with the foregoing.

8.4 Cure Right.

(a) Notwithstanding anything to the contrary contained in Sections 8.1 and 8.2, if Holdings fails to comply with the Financial Covenant as of the end of any Fiscal Quarter, until the expiration of the tenth Business Day subsequent to the date the Compliance Certificate for such Fiscal Quarter is required to be delivered pursuant to Section 5.1(c) (the last day of such period being the "**Anticipated Cure Deadline**"), each of Holdings and LLC Subsidiary shall have the right to issue Qualified Equity Interests for cash (the net cash proceeds received thereof, the "**Cure Amount**" and, such right, the "**Cure Right**"); provided, (i) no more than five Cure Rights may be exercised during the term of this Agreement; (ii) no more than two Cure Rights may be exercised during any consecutive four Fiscal Quarters; (iii) no Cure Amount shall exceed the amount necessary to cause compliance with the Financial Covenant for the period then ended; and (iv) such Cure Amount shall have been contributed to the capital of the Borrowers.

(b) Upon the receipt by the Borrowers of the cash proceeds of any capital contribution or issuance referred to in Section 8.4(a), Consolidated Adjusted EBITDA for the Fiscal Quarter as to which such Cure Right is exercised (the "**Cure Right Fiscal Quarter**") shall be deemed to have been increased by the Cure Amount in determining the Financial Covenant for such Cure Right Fiscal Quarter and for any subsequent period that includes such Cure Right Fiscal Quarter; provided, (i) no increase in Consolidated Adjusted EBITDA on account of the exercise of any Cure Right shall be applicable for any other purpose under this Agreement or any other Credit Document, including determining the availability or amount of any covenant basket, carve-out or compliance on a Pro Forma Basis with the Financial Covenant or any other ratio and (ii) there shall be no pro forma or other reduction of Indebtedness (including any Loans and including by way of cash netting) as a result of any Cure Amount in determining the Financial Covenant (or any other leverage based test) for the applicable Cure Right Fiscal Quarter and for any subsequent period that includes such Cure Right Fiscal Quarter.

(c) If after giving effect to the recalculations set forth in Section 8.4(b) Holdings shall then be in compliance with the Financial Covenant, Holdings shall be deemed to have satisfied the requirements of such covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Event of Default with respect to any such covenant that had occurred shall be deemed cured for all purposes of this Agreement and the other Credit Documents.

(d) Upon receipt by the Administrative Agent of written notice, on or prior to the Anticipated Cure Deadline, that Holdings or LLC Subsidiary intends to exercise the Cure Right in respect of a Fiscal Quarter, none of the Administrative Agent, the Collateral Agent or the Lenders shall be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments, to impose default rate interest or to exercise remedies against the Collateral solely on the basis of a failure to comply with the requirements of the Financial Covenant, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline.

8.5 Exclusion of Immaterial Subsidiaries. Solely for the purpose of determining whether a Default has occurred under Section 8.1(b), 8.1(f), 8.1(h) or 8.1(i), any reference in any such clause to any Restricted Subsidiary or Credit Party shall be deemed not to include any Restricted Subsidiary that is an Immaterial Subsidiary or at any such time could, upon designation by Holdings, become an Immaterial Subsidiary affected by any event or circumstances referred to in any such clause unless the Consolidated Adjusted EBITDA of such Restricted Subsidiary together with the Consolidated Adjusted EBITDA of all other Subsidiaries affected by such event or circumstance referred to in such clause, shall exceed 5.00% of the Consolidated Adjusted EBITDA of Holdings and its Restricted Subsidiaries.

SECTION 9. AGENTS

9.1 Appointment and Authority. Each of the Lenders and the Issuing Bank, by accepting the benefits of this Agreement and the other Credit Documents, hereby irrevocably appoints Macquarie Capital Funding LLC to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent (including through its agents or employees) to take such actions on its behalf and to exercise such powers and perform such duties as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each of the Lenders and the Issuing Bank, by accepting the benefits of this Agreement and the other Credit Documents, hereby irrevocably appoints (i) Macquarie Capital Funding LLC to act on its behalf as the Collateral Agent hereunder and under the other Credit Documents and authorizes Macquarie Capital Funding LLC (in its capacity as a Collateral Agent) to take such actions on its behalf and to exercise such powers as are delegated to Macquarie Capital Funding LLC (in its capacity as a Collateral Agent) by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto and (ii) Cortland Capital Market Services LLC to act on its behalf as the Collateral Agent under the Foreign Collateral Documents and authorizes Cortland Capital Market Services LLC (in its capacity as a Collateral Agent) to take such actions on its behalf and to exercise such powers as are delegated to Cortland Capital Market Services LLC (in its capacity as a Collateral Agent) by the terms thereof, together with such actions and powers as are reasonably incidental thereto. Except as expressly set forth in Sections 9.6(a) and 9.6(b), the provisions of this Section are solely for the benefit of the Agents, the Lenders and the Issuing Bank, and neither Holdings, any Borrower or any of the Restricted Subsidiaries shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to an Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. Each Lender and the Issuing Bank irrevocably authorizes the Administrative Agent and the Collateral Agent to execute and deliver the Intercreditor Agreement and any other applicable intercreditor or subordination agreement and to take such action, and to exercise the powers, rights and remedies granted to the Administrative Agent and the Collateral Agent thereunder and with respect thereto.

9.2 Rights as a Lender. The Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an

Agent hereunder in its individual capacity. Such Person and its Affiliates may issue letters of credit for the account of, accept deposits from, lend money to, own Securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, Holdings, any Borrower or any of the Restricted Subsidiaries or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, the Agents and their respective Affiliates may receive information regarding any Credit Party or any Affiliate of a Credit Party (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliate) and acknowledge that the Agents shall be under no obligation to provide such information to them.

9.3 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its duties hereunder (in the case of Macquarie Capital Funding LLC) or under any Foreign Collateral Document (in the case of Cortland Capital Market Services LLC) shall be administrative and ministerial in nature. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided, (A) no Agent shall be required to take any such action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law and (B) Cortland Capital Market Services LLC, in its capacity as a Collateral Agent, may take, and rely on, any instructions provided to it from the Administrative Agent; and

(iii) shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, or be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable to any Lender or Issuing Bank for any action taken or not taken by such Agent (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.5 and Sections 8.1, 8.2 and 8.3) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment or a material breach of such Agent's obligations hereunder. Each Agent shall be fully justified in failing or refusing to take any discretionary action (or any other action which is inconsistent with the Administrative Agent's duties and obligations under Section 9.3(a)(ii)) under any Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(c) No Agent shall be deemed to have knowledge or notice of any Default or Event of Default unless and until notice describing such Default and stating that such notice is a "notice of default" is given to such Agent in writing by the Borrower Representative, a Lender or the Issuing Bank.

(d) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document referred to, provided for in, or delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, other terms or conditions or obligations set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness, sufficiency or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 3 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

(e) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lender. Without limiting the generality of the foregoing, no Agent shall (i) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restrictions on any exercise of rights or remedies of, any Disqualified Lender.

9.4 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or the Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.5 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through any one or more Affiliates, agents, employees, attorneys-in-fact, separate trustees or co-trustees, or sub-agents as shall be deemed necessary or advisable by such Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section and the indemnity provisions of Section 10.3 shall apply to any such sub-agent, separate trustee or co-trustee, and to the Related Parties of each Agent and any

such sub-agent, and shall apply to their respective activities in connection with the syndication of the Loans and Commitments as well as activities as such Agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents, separate trustees or co-trustees, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub- agents, separate trustees or co-trustees.

9.6 Resignation of the Administrative Agent.

(a) Each Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and the Borrower Representative. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint from among the Lenders a successor with the consent of the Borrowers; provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "**Resignation Effective Date**"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Bank, appoint a successor Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date and the Lenders shall perform all of the duties of the resigning Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided above.

(b) If a Person serving as an Agent is a Defaulting Lender pursuant to clause (iv) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower Representative and such Person remove such Person as an Agent and, with the consent of the Borrowers (provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof), appoint from among the Lenders a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days (or such earlier day as shall be agreed by the Required Lenders) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents, (except that in the case of any Collateral held by the Collateral Agent on behalf of the Secured Parties, the retiring or removed the Collateral Agent shall continue to hold such Collateral until such time as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the Issuing Bank directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents. The term "Administrative Agent" means such successor administrative agent and the

term “Collateral Agent” means such successor collateral agent. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Agent’s resignation or removal hereunder and under the other Credit Documents, the provisions of this Section and Sections 10.2 and 10.3 shall continue in effect for the benefit of such retiring or removed Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

Any resignation by Macquarie Capital Funding LLC as Administrative Agent pursuant to this Section shall also constitute its (or its Affiliate’s) resignation as Issuing Bank and Swing Line Lender in accordance with Section 2.3(j) and Section 2.4(k).

9.7 Non-Reliance on Agents and Other Lenders. Each Lender and the Issuing Bank acknowledges that no Agent, Lender or any of their Related Parties has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Credit Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty to any Lender or Issuing Bank as to any matter, including whether such Agent has disclosed material information in their possession. Each Lender and the Issuing Bank represents that it has, independently and without reliance upon either Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property financial and other condition and creditworthiness of the Credit Parties and their respective Subsidiaries and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Credit Parties hereunder. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Credit Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent pursuant to the Credit Documents, such Agent shall not have any duty or responsibility to provide any Lender with any other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their respective Affiliates which may come into the possession of any Agent. Without limiting the foregoing, each Lender and the Issuing Bank acknowledges and agrees that neither such Lender or the Issuing Bank, nor any of its respective Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender’s, Issuing Bank’s Affiliate’s, participant’s or assignee’s customer identification program, or other obligations required or imposed under or pursuant to the PATRIOT Act or the regulations thereunder, including the regulations contained in 31 C.F.R. 103.121 (as hereafter amended or replaced, the “**CIP Regulations**”), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of the Credit Parties, their Affiliates or their agents, the Credit Documents or the transactions hereunder or contemplated hereby: (a) any identity verification procedures, (b) any recordkeeping, (c) comparisons with government lists, (d) customer notices or (e) other procedures required under the CIP Regulations or such other Laws.

9.8 No Other Duties, Etc. Anything herein to the contrary notwithstanding, no Lead Arranger or Syndication Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender or the Issuing Bank hereunder. Without limiting the foregoing, none of the Persons so identified shall have or be deemed to have pursuant to this Agreement any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

9.9 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3.

9.10 Collateral Documents and Guaranty.

(a) The Secured Parties irrevocably authorize the Collateral Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (v) upon termination of all Commitments and payment in full of all Obligations (other than Remaining Obligations) and the expiration, termination or Cash Collateralization of all Letters of Credit, (w) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Credit Documents to any Person other than a Credit Party (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement), (x) subject to Section 10.5, if approved, authorized or ratified in writing by the requisite lenders under this Agreement, (y) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (iii) below or (z) to the extent the property subject to such Lien becomes an Excluded Asset;

(ii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 6.2(f) or 6.2(g); and

(iii) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted under the Credit Documents.

Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10(a). If any Collateral is disposed of as permitted by Section 6.9 to any Person other than a Credit Party, such Collateral shall be sold free and clear of the Liens created by the Credit Documents and the Administrative Agent or the Collateral Agent, as applicable, shall, at the expense of the Borrowers, take any and all actions reasonably requested by the Borrowers to effect the foregoing (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement).

(b) Anything contained in any of the Credit Documents to the contrary notwithstanding, each Credit Party, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Credit Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Required Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale or other disposition.

(c) Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into (including any representation or warranty regarding) the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, and neither the Administrative Agent nor the Collateral Agent shall be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(d) No Secured Swap Contract or Cash Management Obligation will create (or be deemed to create) in favor of any Eligible Counterparty or Cash Management Bank, as applicable, that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Credit Documents except as expressly provided in Section 8.3 and Section 10.5(d)(iv). By accepting the benefits of the Collateral, each Eligible Counterparty and each Cash Management Bank shall be deemed to have appointed the Collateral Agent as its agent and agreed to be bound by the Credit Documents as a Secured Party, subject to the limitations set forth in this clause (d). Notwithstanding any other provision of this Section 9 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Cash Management Obligations or Obligations arising under Secured Swap Contracts unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Eligible Counterparty, as the case may be.

9.11 Withholding Taxes. To the extent required by any applicable Law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered, was not properly executed or was invalid or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 9.11. The agreements in this Section 9.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, (a) the term “Lender” shall, for purposes of this Section 9.11, include the Issuing Bank and any Swing Line Lender and (b) this Section 9.11 shall not limit or expand the obligations of the Borrowers or any other Credit Party under Section 2.20 or any other provision of this Agreement.

9.12 Collateral Held in Trust. Unless expressly provided to the contrary in any Credit Document, each Collateral Agent declares that it shall hold the Collateral in trust for the Beneficiaries on the terms contained in this Agreement.

SECTION 10. MISCELLANEOUS

10.1 Notices.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.1(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile, if to an Agent, the Issuing Bank or the Swing Line Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire as set forth on Appendix B, or if to a Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire. Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications, to the extent provided in Section 10.1(b), shall be effective as provided in Section 10.1(b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided, the foregoing shall not apply to Notices to any Lender or the Issuing Bank if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving Notices by electronic communication. The Administrative Agent or the Borrower Representative may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefore; provided, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, Etc.

Any party hereto may change its address, e-mail address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) Each Credit Party agrees that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Issuing Bank and the other Lenders by posting the Communications on Debt Domain, IntraLinks, Syndtrak or a substantially similar electronic transmission system (the "**Platform**").

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Borrowers or the other Credit Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower's, any Credit Party's or the Administrative Agent's transmission of communications through the Platform. "**Communications**" means, collectively, any notice, demand, communication, information, document or other material that any Credit Party provides to the Administrative Agent pursuant to any Credit Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or the Issuing Bank by means of electronic communications pursuant to this Section, including through the Platform.

10.2 Expenses. The Borrowers shall pay (a) all reasonable, documented out of pocket expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20), incurred by the Administrative Agent, the Collateral Agent and each Lead Arranger, the Issuing Bank and each of their Affiliates (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all such Persons and, solely in the case of an actual or reasonably potential conflict of interest where such Persons affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Persons taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Persons), joint or several but in each such case, excluding allocated costs of in-house counsel), in connection with the syndication of the Loans and Commitments, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (b) all reasonable and documented out of pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, and (c) all documented or invoiced out of pocket expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20), incurred by the Administrative Agent, the Collateral Agent, any Lead Arranger, any Lender or the Issuing Bank (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all such Persons and, solely in the case of an actual or reasonably potential conflict of interest where such Persons affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Persons taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Persons), joint or several but in each such case, excluding allocated costs of in-house counsel) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

10.3 Indemnity; Certain Waivers.

(a) Indemnification by Borrower. The Borrowers shall indemnify each Agent (and any sub-agent thereof), each Lead Arranger, each Syndication Agent, each Lender and the Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable documented out-of-pocket fees and expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20) (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all Indemnitees and, solely in the case of an actual or reasonably potential conflict of interest where the Indemnitees affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional

conflicts counsel to each group of similarly affected Indemnitees taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Indemnitees), joint or several but in each such case, excluding allocated costs of in-house counsel), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including Holdings, LLC Subsidiary, any Borrower or any of the Restricted Subsidiaries) other than such Indemnitee and its Related Parties to the extent arising out of, in connection with, or as a result of (i) the structuring, arrangement or syndication of the credit facilities provided for herein, (ii) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (iii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iv) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by Holdings, any Borrower or any Restricted Subsidiary, or any Environmental Claim related in any way to Holdings, any Borrower or any Restricted Subsidiary, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding), whether brought by a third party or by Holdings, any Borrower or any of the Restricted Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided, such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (w) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, (x) result from a material breach of such Indemnitee's (or any of its Related Parties') obligations hereunder or under any other Credit Document, as determined by a court of competent jurisdiction by a final and nonappealable judgment, (y) result from disputes solely among such Indemnitees (other than any claims against an Indemnitee acting in its capacity as the Administrative Agent, Collateral Agent, a Lead Arranger, a Syndication Agent or any such agent hereunder) and not arising out of any act or omission of Sponsor, Holdings, LLC Subsidiary or any of its Subsidiaries or their Affiliates or (z) relate to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) Reimbursement by Lenders. To the extent that the Borrowers for any reason fail to indefeasibly pay any amount required under Section 10.2 or Section 10.3(a) to be paid by it to an Agent (or any sub-agent thereof), the Issuing Bank, the Swing Line Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to such Agent (or any such sub-agent), the Issuing Bank, the Swing Line Lender or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided, with respect to such unpaid amounts owed to the Issuing Bank or Swing Line Lender solely in its capacity as such, only the Revolving Lenders shall be required to pay such unpaid amounts, such payment to be made severally among them based on such Revolving Lenders' Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought); provided further, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against an Agent (or any such sub-agent), the Issuing Bank or the Swing Line Lender in its capacity as such, or against any Related Party of any of the foregoing acting for such Agent (or any such sub-agent), the Issuing Bank or any the Swing Line Lender in connection with such capacity. The obligations of the Lenders under this Section 10.3(b) are subject to the provisions of Section 10.12.

(c) Waiver of Consequential Damages, Etc.

To the fullest extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any Indemnitee or any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit, or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under Sections 10.2 and Section 10.3 shall be payable promptly after demand therefor.

(e) Survival. Each party's obligations under Sections 10.2 and 10.3 shall survive the termination of the Credit Documents and payment of the obligations hereunder.

10.4 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender, the Issuing Bank or any such Affiliate, to or for the credit or the account of the Borrowers or any other Credit Party against any and all of the obligations of the Borrowers or such Credit Party now or hereafter existing under this Agreement or any other Credit Document to such Lender or the Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender, the Issuing Bank or Affiliate shall have made any demand under this Agreement or any other Credit Document and although such obligations of the Borrowers or such Credit Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender or the Issuing Bank different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided, if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the Issuing Bank or their respective Affiliates may have. Each Lender and the Issuing Bank agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application; provided, the failure to give such notice shall not affect the validity of such setoff and application.

10.5 Amendments and Waivers.

(a) Required Lenders' Consent. No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under any Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the

Administrative Agent, the Issuing Bank and the Lenders hereunder and under the other Credit Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time. Subject to the additional requirements of Sections 10.5(b), 10.5(c) and 10.5(d), no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall be effective without the written concurrence of the Required Lenders (other than (i) as provided in Section 2.24 with respect to an Extension Amendment or as otherwise contemplated by such section, (ii) as provided in Section 2.25 with respect to any Joinder Agreement or as otherwise contemplated by such section, (iii) as provided in Section 2.26 with respect to any Refinancing Amendment or as otherwise contemplated by such section and (iv) as contemplated by clause (vii) of the proviso to the definition of Credit Agreement Refinancing Indebtedness; provided, the Administrative Agent may, with the consent of the Borrowers only, (A) amend, modify or supplement this Agreement and any guarantees, collateral security documents and related documents executed by any Credit Party to (1) to cure any ambiguity, omission, defect or inconsistency, in each case, of a technical or immaterial nature, (2) comply with local Law or advice of local counsel or (3) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents, so long as (x) in each case, such amendment, modification or supplement does not directly materially adversely affect any material right of any Agent, the Issuing Bank or the Lenders, and (y) with respect to clause (1) above, the Required Lenders shall not have objected in writing within five Business Days of such amendment, modification or supplement being posted to the Platform or otherwise delivered to the Required Lenders, (B) as provided in Section 2.18(a), amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement, (C) as provided in Section 6.5(xiv), amend the applicable provisions of this Agreement and (D) amend, modify or supplement this Agreement to implement the terms of any Syndication Amendment, so long as, in the case of this clause (D), any such amendments, modifications or supplements (x) become effective on or prior to the Syndication Date and (y) do not directly materially adversely affect any material right of any Agent, the Issuing Bank or the Lenders.

(b) Affected Lenders' Consent. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) extend the scheduled final maturity of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(ii) extend the stated Revolving Credit Commitment Termination Date without the written consent of each Lender holding a Revolving Credit Commitment that is affected thereby (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(iii) extend the stated expiration date of any Letter of Credit beyond the stated Revolving Credit Commitment Termination Date without the written consent of each Lender holding a Revolving Credit Commitment that is affected thereby;

(iv) reduce or forgive the principal amount of any Loan without the written consent of the Lender holding such Loan;

(v) reduce or forgive any reimbursement obligation in respect of any Letter of Credit without the written consent of each Lender holding a Revolving Credit Commitment;

(vi) increase the Revolving Credit Commitment of any Lender without the written consent of such Lender; provided, no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute an increase in any Revolving Credit Commitment of any Lender;

(vii) waive, reduce, forgive or postpone any scheduled amortization repayment of the principal amount of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(viii) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.10) without the written consent of the Lender holding such Loan; provided that any change to the definition of any ratio used in the calculation of the interest rate therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(ix) reduce any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; provided that any change to the definition of any ratio used in the calculation of the premium or fees therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(x) extend the time for payment of any interest (other than any interest that is payable pursuant to Section 2.10) on any Loan without the written consent of the Lender holding such Loan;

(xi) extend the time for payment of any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; or

(xii) change the currency in which any Loan is denominated without the written consent of each Lender holding such Loan.

For the avoidance of doubt any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders.

(c) Consent of all Lenders. Without the written consent of all Lenders, no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) amend, modify, terminate or waive any term or condition of Sections 10.5(a), 10.5(b), this 10.5(c), 10.5(d), 10.6 or the definition of "Affiliated Lender", "Debt Fund Affiliate", "Eligible Assignee" or "Non-Debt Fund Affiliate";

(ii) amend, modify, terminate or waive any term or condition of this Agreement or any other Credit Document that specifies the number or percentage of Lenders required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder;

(iii) amend, modify, terminate or waive any provision of the definition of "Required Lenders" or "Pro Rata Share" or amend, modify or waive any provision of Section 2.17 in a manner that would alter the pro rata sharing or payments or setoffs required thereby, without the written consent of each Lender adversely affected thereby; provided, with the consent of the Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Required Lenders" or "Pro Rata Share" on substantially the same basis as the Term Loan Commitments, the Term Loans, the Revolving Credit Commitments and the Revolving Loans are included on the Closing Date;

(iv) release or subordinate the Liens of the Secured Parties in all or substantially all of the Collateral, or release any material Guarantor from the Guaranty (other than pursuant to or in connection with a transaction permitted under Section 6.8 or 6.9) or subordinate the rights or claims of the Beneficiaries with respect thereto, in each case, except as expressly provided in the Credit Documents; provided, in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Required Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Credit Documents, only the consent of the Required Lenders will be needed for such release; or

(v) other than pursuant to a transaction permitted by Section 6.8, consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document.

(d) Other Consents. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) amend, modify, terminate or waive any provision hereof relating to the Swing Line Sub-limit or the Swing Line Loans without the consent of the Swing Line Lender;

(ii) alter the required application of any repayments or prepayments as between Classes pursuant to Section 2.15 or Section 8.3 without the consent of each Agent, each Issuing Bank and each Lender adversely affected thereby; provided, Required Lenders may waive, in whole or in part, any prepayment so long as the application, as between Classes, of any portion of such prepayment which is still required to be made is not altered;

(iii) amend, modify, terminate or waive any obligation of the Lenders relating to the purchase of participations in Letters of Credit as provided in Section 2.4(e) without the written consent of the Administrative Agent and the Issuing Bank;

(iv) amend, modify or waive any Credit Document so as to alter the ratable treatment of Obligations arising under the Credit Documents, Obligations arising under Secured Swap Contracts or Cash Management Obligations, or the definitions of "Cash Management Bank," "Cash Management Obligations," "Eligible Counterparty," "Swap Contract," "Secured Swap Contract," "Obligations," or "Secured Obligations" (as defined in any applicable Collateral Document), in each case (x) in a manner materially adverse to any Eligible Counterparty with Obligations then outstanding, without the written consent of such Eligible Counterparty, or (y) in a manner materially adverse to any Cash Management Bank with Cash Management Obligations then outstanding without the written consent of such Cash Management Bank;

(v) amend, modify, terminate or waive any provision of Section 9 as the same applies to any Agent, or any other provision hereof as the same applies to the rights, duties or obligations of any Agent, in each case without the consent of such Agent;

(vi) (x) amend, modify or waive any condition precedent set forth in Section 3.2 as it pertains to any Revolving Loan or Swing Line Loan without the consent of the Required Revolving Lenders (but without the consent of the Required Lenders or any other Lender) and, as it pertains to Swing Line Loans, the Swing Line Lender and (y) amend, modify or waive any condition precedent set forth in Section 3.2 as it pertains to the issuance of any Letter of Credit by the Issuing Bank without the consent of the relevant Issuing Bank and the Required Revolving Lenders (but without the consent of the Required Lenders or any other Lender);

(vii) (A) amend or otherwise modify Section 6.7 (or for the purposes of determining compliance with Section 6.7, any defined terms used therein), (B) waive or consent to any Default or Event of Default resulting from a breach of Section 6.7 or (C) alter the rights or remedies of the Required Revolving Lenders arising pursuant to Section 8 as a result of a breach of Section 6.7, in each case, without the written consent of the Required Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (vii) shall not require the consent of any Lenders other than the Required Revolving Lenders; or

(viii) amend or otherwise modify the definition of "Required Revolving Lenders" without the consent of each of the Revolving Lenders.

(e) Delivery and Execution of Amendments, Etc.

(i) The Borrowers shall, promptly after the effectiveness of any amendment, modification, waiver or consent to which the Administrative Agent is not a party, deliver or cause to be delivered to the Administrative Agent a copy of any such amendment, modification, waiver or consent. The Administrative Agent shall have no obligation to execute any such amendment, modification, waiver or consent.

(ii) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

10.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrowers nor any other Credit Party may (other than pursuant to a transaction permitted by Section 6.8) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 10.6(b), (ii) by way of participation in accordance with Section 10.6(f), or (iii) by way of pledge or assignment of a security interest subject to Section 10.6(i) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.6(f) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided, each such assignment shall be subject to the following conditions:

(i) *Minimum Amounts*.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 10.6(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 10.6(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption Agreement with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 in the case of any assignment in respect of Revolving Credit Commitments and Revolving Loans, or $1,000,000 in the case of any assignment in respect of any Term Loan or any Incremental Term Loan, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower Representative otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) *Proportionate Amounts*. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate facilities on a non-pro rata basis.

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by Section 10.6(b)(i)(B) and, in addition:

(A) the consent of the Borrower Representative (such consent not to be unreasonably withheld or delayed; provided, it shall not be deemed unreasonable for the Borrower Representative to withhold consent to any assignment to a Disqualified Lender for any reason) shall be required unless (1) an Event of Default under Section 8.1(a), 8.1(f) or 8.1(g) (in the case of Section 8.1(f) or 8.1(g), with respect to Holdings, LLC Subsidiary or any Borrower) has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is to any Person that is not a Disqualified Lender and occurs at any time prior to the earlier of (x) the date that the primary syndication of the Loans and Revolving Credit Commitments has been completed, and (y) the ninetieth day following the Closing Date; provided, the Borrower Representative shall be deemed to have consented to any such assignment (other than an assignment to a Disqualified Lender) unless it shall object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) the Revolving Credit Commitments and Revolving Loans or any unfunded Commitments with respect to any Term Loan or Incremental Term Loan if such assignment is to a Person that is not a Lender with an existing Commitment in respect thereof, an Affiliate of such Lender or an Approved Fund with respect to such Lender, or (ii) any Term Loan or any Incremental Term Loan to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of the Issuing Bank and the Swing Line Lender (in each case, such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Credit Commitments and Revolving Loans if such assignment is to a Person that is not a Lender with an existing Commitment in respect thereof, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) *Assignment and Assumption Agreement*. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption Agreement, together with all forms, certificates or other evidence each assignee is required to provide pursuant to Section 2.20(g) and a processing and recordation fee of $3,500; provided, the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, including all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act.

(v) *No Assignment to Certain Persons*. No such assignment shall be made to (A) Holdings, LLC Subsidiary, any Borrower or any of their Affiliates or Subsidiaries other than (x) a Debt Fund Affiliate or (y) an Affiliated Lender in accordance with Section 10.6(c) or 10.6(k) or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) *No Assignment to Natural Persons*. No such assignment shall be made to a natural person.

(vii) *Certain Additional Payments*. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Issuing Bank, the Swing Line Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this Section, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.6(d), from and after the recordation date, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.19, 2.20, 10.2 and 10.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section but otherwise complies with Section 10.6(f) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.6(f).

(c) Assignments to Affiliated Lenders. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to an Affiliated Lender through open-market purchases, or in accordance with the procedures set forth on Appendix C pursuant to an offer made available to all Term Loan Lenders on a pro rata basis (a "**Dutch Auction**"), subject to the following limitations:

(i) in connection with an assignment to the Sponsor or any Non-Debt Fund Affiliate, (A) the Sponsor or such Non-Debt Fund Affiliate shall have identified itself in writing as an Affiliated Lender to the assigning Term Loan Lender and the Administrative Agent prior to the execution of such assignment and (B) the Sponsor or such Non-Debt Fund Affiliate shall be deemed to have represented and warranted to the assigning Term Loan Lender and the Administrative Agent that the requirements set forth in this clause (i) and clause (iv) below, shall have been satisfied upon consummation of the applicable assignment;

(ii) the Sponsor and Non-Debt Fund Affiliates will not (A) have the right to receive information, reports or other materials provided solely to Lenders by the Administrative Agent or any other Lender, except to the extent made available to the Borrowers, (B) attend or participate in meetings attended solely by the Lenders and the Administrative Agent, or (C) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders;

(iii) (A) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under, this Agreement or any other Credit Document, the Sponsor and each Non-Debt Fund Affiliate will be deemed to have consented in the same proportion as the Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates consented to such matter, unless such matter requires the consent of all or all affected Lenders or disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, (B) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (a "**Plan**"), the Sponsor and each Non-Debt Fund Affiliate hereby agrees (x) not to vote on such Plan, (y) if the Sponsor or such Non-Debt Fund Affiliate does vote on such Plan notwithstanding the restriction in the foregoing clause (x), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (z) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (y), in each case under this clause (iii)(B) unless such Plan disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, and (C) the Sponsor and each Non-Debt Fund Affiliate hereby irrevocably authorizes and appoints the Administrative Agent (such appointment being coupled with an interest) as the Sponsor's or such Non-Debt Fund Affiliate's attorney-in-fact, to vote on behalf of the Sponsor or such Non-Debt Fund Affiliate (solely in respect of Term Loans and Incremental Term Loans held thereby and not in respect of any other claim or status the Sponsor or such Non-Debt Fund Affiliate may otherwise have) in connection with any vote of the type described in the foregoing clause (B), but in any event, subject to the limitations set forth therein;

(iv) (A) the aggregate principal amount of Term Loans held at any one time by the Sponsor and Non-Debt Fund Affiliates may not exceed 20% of the then aggregate outstanding principal amount of Term Loans; and (B) the aggregate number of Debt Fund Affiliates that are Lenders may not exceed 49.0% of the aggregate number of all Lenders;

(v) no Affiliated Lender, in its capacity as such, will be entitled to bring actions against the Administrative Agent, in its role as such (except with respect to any claim that the Administrative Agent or any other such Lender is treating such Affiliated Lender, in its capacity as a Lender, in a disproportionately adverse manner relative to the other Lenders), or receive advice of counsel or other advisors to the Administrative Agent or any other Lenders or challenge the attorney client privilege of their respective counsel; and

(vi) the portion of any Loans held by the Sponsor and Non-Debt Fund Affiliates shall be disregarded in determining Required Lenders at any time.

Each Affiliated Lender that is a Term Loan Lender hereunder agrees to comply with the terms of this Section 10.6(c) (notwithstanding that it may be granted access to the Platform or any other electronic site established for the Lenders by the Administrative Agent), and agrees that in any subsequent assignment of all or any portion of its Term Loans it shall identify itself in writing to the assignee as an Affiliated Lender prior to the execution of such assignment.

(d) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and by any Lender (but, with respect to any Lender, solely as to the Loans and Commitments thereof) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Disqualified Lender List. The Administrative Agent shall have the right, and the Borrowers hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Lenders provided by the Borrowers and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and/or (B) provide the DQ List to each Lender requesting the same.

(f) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower Representative or the Administrative Agent, sell participations to any Person (other than a natural Person Holdings, LLC Subsidiary, the Borrowers or their Subsidiaries or Affiliates) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided, (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent, the Issuing Bank and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.3(b) with

respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided, such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 10.5(b) or 10.5(c)(iv) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section (subject to the requirements and limitations therein, including the requirements under Section 2.20(g) (it being understood and agreed that the documents called for in Section 2.20(g) shall be delivered to the participating Lender)) subject to Section 10.6(g); provided, such Participant agrees to be subject to the provisions of Sections 2.21 and 2.22 as if it were an assignee under Section 10.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender; provided, such Participant agrees to be subject to Section 2.17 as though it were a Lender. Each Lender that sells a participation pursuant to this Section shall maintain a register on which it records the name and address of each Participant and the principal amounts of and stated interest on each Participant's participation interest with respect to the Loans and the Commitments (each, a "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to such Loans or Commitments for all purposes under this Agreement, notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrowers solely for purposes of applicable US federal income tax law and undertakes no duty, responsibility or obligation to the Borrowers (without limitation, in no event shall such Lender be a fiduciary of the Borrowers for any purpose, except that such Lender shall maintain the Participant Register); provided, no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103(c) of the United States Treasury Regulations.

(g) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Sections 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant (except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation) unless the sale of the participation to such Participant is made with the Borrowers' prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless the Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.20 as though it were a Lender.

(h) SPC Grants. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided, (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including its obligations under Section 2.19 and 2.20), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement

for which a Lender would be liable and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the applicable Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (1) with notice to, but without prior consent of the Borrowers and the Administrative Agent, and with the payment of a processing fee of $3,500 to the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC.

(i) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; provided, no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(j) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(k) Buybacks. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a pro rata basis to the Borrowers, Holdings or LLC Subsidiary through open-market purchases or in accordance with a Dutch Auction, subject to the following limitations:

(i) The Borrowers, Holdings or LLC Subsidiary, as applicable, shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any non-public information (with respect to the Borrowers or their Subsidiaries or any of their respective securities to the extent such information could have a material effect upon, or otherwise be material to, an assigning Term Loan Lender’s decision to assign Term Loans or a purchasing Lender’s decision to purchase Term Loans) that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Borrowers or their Subsidiaries or any of their respective securities) prior to such date or if Holdings, LLC Subsidiary or the Borrower, as applicable, are unable to make such representation, all parties to the relevant transaction shall render customary “big boy” disclaimer letters.

(ii) if any Borrower is the assignee, immediately and automatically, without any further action on the part of such Borrower, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to such Borrower, (A) such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and such Borrower shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment and (B) such Term Loans shall not be treated as a voluntary prepayment prepaid pursuant to Section 2.13, but shall reduce the then remaining scheduled installments of the Term Loans of the respective Lender or Lenders from whom such Term Loans were purchased in inverse order of maturity;

(iii) if Holdings or LLC Subsidiary is the assignee, immediately and automatically, without any further action on the part of any Borrower, Holdings, LLC Subsidiary, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to Holdings or LLC Subsidiary, Holdings or LLC Subsidiary, as applicable, shall automatically be deemed to have contributed (it being understood that such contribution shall not be deemed to be a contribution for purposes of (and shall not be included in) determining any applicable availability or amount of any covenant basket, carve-out or compliance on a Pro Forma Basis with any ratio) the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrowers as common equity, and such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and Holdings or LLC Subsidiary, as applicable, shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment;

(iv) no proceeds of any Revolving Loan or Swing Line Loan shall be used for any such assignment; and

(v) no Default or Event of Default shall have occurred and be continuing immediately before or immediately after giving effect to such assignment.

(l) Disqualified Lenders. (i) No assignment or participation shall be made to any Person that was a Disqualified Lender as of the date (the "**Trade Date**") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrowers have consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Lender for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Lender after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Lender"), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower Representative of an Assignment and Assumption Agreement with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (l)(i) shall not be void, but the other provisions of this clause (l) shall apply.

(i) If any assignment or participation is made to any Disqualified Lender without the Borrowers' prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Lender after the applicable Trade Date, the Borrowers

may, at their sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, (A) terminate any Revolving Credit Commitment of such Disqualified Lender and repay all obligations of the Borrowers owing to such Disqualified Lender in connection with such Revolving Credit Commitment, (B) in the case of outstanding Term Loans held by Disqualified Lender, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (C) require such Disqualified Lender to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary contained in this Agreement, no Disqualified Lender (A) will have the right to (x) receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any Plan, each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan, (2) if such Disqualified Lender does vote on such Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.18(c), 2.19, 2.20, 10.2, 10.3 and 10.4 and the agreements of the Lenders set forth in Sections 2.17, 9.3(b), 9.3(c), 9.6 and 9.11 shall survive the payment of the Loans, the cancellation or expiration of the Letters of Credit and the reimbursement of any amounts drawn thereunder, and the termination hereof.

10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents or any of the Secured Swap Contracts. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Administrative Agent, the Issuing Bank or any Lender (or to the Administrative Agent, on behalf of the Lenders or the Issuing Bank), or any Agent, the Issuing Bank or any Lender enforces any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11 Severability. If any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12 Obligations Several; Independent Nature of the Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.14 Governing Law. Except as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document, this Agreement and the other Credit Documents and any

claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Credit Document (except, as to any other Credit Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

10.15 Consent to Jurisdiction. The Borrowers and each other Credit Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender, the Issuing Bank, or any Related Party of the foregoing in any way relating to this Agreement or any other Credit Document or the transactions relating hereto or thereto (other than as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document), in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Credit Document shall affect any right that each Agent, any Lender or the Issuing Bank may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document against any Credit Party or its properties in the courts of any jurisdiction. Each party hereto irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to herein. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

10.16 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.17 Confidentiality. Each of the Agents, each of the Lenders and the Issuing Bank (each, a "**Lender Party**") shall hold all non-public information regarding Holdings, any Borrower and its other Subsidiaries and their business obtained by any Lender Party hereto, in accordance with its customary procedures for handling confidential information of such nature, it being understood and agreed by each Borrower that, in any event, each Lender Party (a) may make disclosures of such non-public information (i) to its Affiliates and to such Lender Party's and its Affiliates' respective employees, legal counsel, independent auditors and other experts or agents and advisors or to such Lender Party's current or prospective funding sources and to other Persons authorized by such Lender Party to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17 (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (ii) to any actual or potential assignee, transferee, Participant or Securitization Party of any rights, benefits, interests and/or obligations under this Agreement or to any direct or indirect contractual counterparties (or the professional advisors thereto) in swap or derivative transactions related to the Obligations (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (iii) to (A) any rating agency in connection with rating the Borrowers or their Restricted Subsidiaries or the Loans and/or the Commitments or (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans; (iv) as required or requested by any regulatory authority purporting to have jurisdiction over such Lender Party or its Affiliates (including any self-regulatory authority, such as the NAIC); provided, unless prohibited by applicable Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of any request by such regulatory authority (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender Party by such regulatory authority) for disclosure of any such non-public information prior to the actual disclosure thereof; (v) to the extent required by order of any court, governmental agency or representative thereof or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or judicial process; provided, unless prohibited by applicable Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of such required disclosure prior to the actual disclosure of such non-public information; (vi) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (vii) for purposes of establishing a "due diligence" defense, (viii) with the consent of the Borrowers, or (ix) to the extent such information (A) becomes publicly available other than as a result of a breach of this Section 10.17, (B) becomes available to such Lender Party or any of its Affiliates on a non-confidential basis from a source other than a Credit Party, or (C) is independently developed by such Lender Party; (b) may disclose the existence of this Agreement and customary marketing information about this Agreement to market data collectors and similar services providers to the lending industry (including for league table designation purposes) and to service providers to such Lender Party in connection with the administration and management of this Agreement and the other Credit Documents; and (c) may (at its own expense) place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web as it may choose, and circulate similar promotional materials, in the form of a "tombstone" or otherwise describing the names of the Borrowers, the Sponsor and their respective Affiliates (or any of them), and the amount, type and closing date with respect to the transactions contemplated hereby.

10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable Law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence)

under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrowers shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrowers to conform strictly to any applicable usury Laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrowers.

10.19 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.20 Counterparts; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Except as provided in Section 3, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

10.21 Integration. This Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to the Lead Arrangers, the Syndication Agents, the Administrative Agent and the Collateral Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

10.22 No Fiduciary Duty. Each Agent, the Issuing Bank, each Lender and their Affiliates (collectively, the "**Lender Affiliated Parties**"), may have economic interests that conflict with those of the Credit Parties, and each Credit Party acknowledges and agrees (a) nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender Affiliated Parties and each Credit Party, its stockholders or its Affiliates; (b) the transactions contemplated by the Credit Documents are arm's-length commercial transactions between the Lender Affiliated Parties, on the one hand, and each Credit Party, on the other; (c) in connection therewith and with the process leading to such transaction each of the Lender Affiliated Parties is acting solely as a principal and not the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person; (d) none of the Lender Affiliated Parties has assumed an advisory or fiduciary responsibility in favor of any Credit Party with respect to the transactions contemplated hereby or

the process leading thereto (regardless of whether any of the Lender Affiliated Parties or any of their respective Affiliates has advised or is currently advising any Credit Party on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents; (e) each Credit Party has consulted its own legal and financial advisors to the extent it deemed appropriate; (f) each Credit Party is responsible for making its own independent judgment with respect to such transactions and the process leading thereto; and (g) no Credit Party will claim that any of the Lender Affiliated Parties has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Credit Party, in connection with such transaction or the process leading thereto.

10.23 PATRIOT Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Credit Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Credit Parties in accordance with the PATRIOT Act.

10.24 Judgment Currency. In respect of any judgment or order given or made for any amount due under this Agreement or any other Credit Document that is expressed and paid in a currency (the "**judgment currency**") other than the currency in which it is expressed to be payable under this Agreement or other Credit Document, the party hereto owing such amount due will indemnify the party due such amount against any loss incurred by them as a result of any variation as between (a) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (b) the rate of exchange, as quoted by the Administrative Agent or by a known dealer in the judgment currency that is designated by the Administrative Agent, at which the Administrative Agent, Issuing Bank or such Lender is able to purchase Dollars with the amount of the judgment currency actually received by the Administrative Agent, Issuing Bank or such Lender. The foregoing indemnity shall constitute a separate and independent obligation of the applicable party and shall survive any termination of this Agreement and the other Credit Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

10.26 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to enter into the Intercreditor Agreement and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, and extensions, restructuring, renewals, replacements of, such agreement, including in connection with the incurrence by any Credit Party of any Permitted First Priority Refinancing Debt or any Permitted Second Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and the parties hereto acknowledge that the Intercreditor Agreement and any other intercreditor arrangement entered into by the Administrative Agent and/or the Collateral Agent in accordance with this Section 10.26 is binding upon them. Each Lender (i) understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the Second Lien Credit Documents, which Liens shall be subject to the terms and conditions of the Intercreditor Agreement (or other customary intercreditor arrangements), (ii) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement (or such other customary intercreditor arrangements) and (iii) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreement (and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements, including in connection with the incurrence by any Credit Party of any Permitted First Priority Refinancing Debt or any Permitted Second Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the (a) Second Lien Creditors to extend credit to the Borrowers and (b) any potential provider of Permitted First Priority Refinancing Debt or Permitted Second Priority Refinancing Debt to extend credit to the Borrowers and such Second Lien Creditors and such providers of Permitted First Priority Refinancing Debt and Permitted Second Priority Refinancing Debt are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement (or other customary intercreditor arrangements, if applicable).

10.27 Parallel Liability.

(a) Each Credit Party irrevocably and unconditionally undertakes to pay to the Administrative Agent an amount equal to the aggregate amount of its Obligations (as these may exist from time to time).

(b) The parties hereto agree that:

(i) a Credit Party's Parallel Liability is due and payable at the same time as, for the same amount of, and in the same currency as, its Obligations;

(ii) a Credit Party's Parallel Liability is decreased to the extent that its Obligations have been irrevocably paid or discharged and its Obligations are decreased to the extent that its Parallel Liability has been irrevocably paid or discharged;

(iii) a Credit Party's Parallel Liability is independent and separate from, and without prejudice to, its Obligations, and constitutes a single obligation of that Credit Party to the Administrative Agent (even though that Credit Party may owe more than one Obligation to the Secured Parties under the Credit Documents) and an independent and separate claim of the Administrative Agent to receive payment of that Parallel Liability (in its capacity as the independent and separate creditor of that Parallel Liability and not as a co-creditor in respect of the Obligations); and

(iv) for purposes of this Section 10.27, the Administrative Agent acts in its own name and not as agent, representative or trustee of the Secured Parties and accordingly holds neither its claim resulting from a Parallel Liability nor any Collateral securing a Parallel Liability on trust.

10.28 Process Agents.

(a) Each Credit Party hereby irrevocably appoints Corporation Service Company (the "**NY Process Agent**"), with an office on the date hereof at 1180 Avenue of the Americas, Suite 210, New York, NY 10036-8401, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in Section 10.15, and agrees that the failure of the NY Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon. Each Credit Party shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the NY Process Agent appointed hereby ceases to be able to act as such, then each Credit Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such NY Process Agent subject to the approval of the Administrative Agent. Each Credit Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the NY Process Agent pursuant to this section in full force and effect and to cause the NY Process Agent to act as such.

(b) Lux Borrower hereby irrevocably appoints Corsair (Hong Kong) Limited (the "**HK Process Agent**"), with an office on the date hereof at Suite 2602-03, 26/F., Millennium City 5, 418 Kwun Tong Road, Kwun Tong, Kowloon, Hong Kong, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in connection with any pledge of shares of Corsair (Hong Kong) Limited pursuant to any Hong Kong Collateral Document, and agrees that the failure of the HK Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon, and the HK Process Agent hereby accepts such appointment. Lux Borrower shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the HK Process Agent appointed hereby ceases to be able to act as such, then Lux Borrower shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in Hong Kong as such HK Process Agent subject to the approval of the Administrative Agent. Lux Borrower covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the HK Process Agent pursuant to this section in full force and effect and to cause the HK Process Agent to act as such.

10.29 Waiver of Sovereign Immunity. Each Credit Party that is a Non-U.S. Person (each, a "**Foreign Credit Party**"), in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Foreign Credit Party or its respective Subsidiaries or any of its or its respective Subsidiaries' properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any other Obligations or any Credit Document or any other liability or obligation of such Foreign Credit Party, or any of their respective Subsidiaries, in each case related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Foreign Credit Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, each Foreign Credit Party further agrees that the waivers set forth in this Section 10.29 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

10.30 Luxembourg. If a transfer by any Lender of its rights and/or obligations under this Agreement (and any relevant Credit Documents) occurred or was deemed to occur by way of novation, the parties hereto explicitly agree that all securities and guarantees created under or in connection with any Credit Documents shall be preserved for the benefit of the new Lender, new secured party, participant or their successors or assignees in accordance with the provisions of article 1278 of the Luxembourg Civil Code.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

Dutch Auction Procedures

This outline is intended to summarize certain basic terms of procedures with respect to certain Borrower buy-backs pursuant to and in accordance with the terms and conditions of Section 10.6(c) of the First Lien Credit and Guaranty Agreement to which this Appendix C is attached. It is not intended to be a definitive list of all of the terms and conditions of a Dutch Auction and all such terms and conditions shall be set forth in the applicable auction procedures documentation set for each Dutch Auction (the "**Offer Documents**"). None of the Administrative Agent, the Lead Arranger (or, if the Lead Arranger declines to act in such capacity, an investment bank of recognized standing selected by the Borrowers) (the "**Auction Manager**") or any of their respective Affiliates makes any recommendation pursuant to the Offer Documents as to whether or not any Term Loan Lender should sell by assignment any of its Term Loans pursuant to the Offer Documents (including, for the avoidance of doubt, by participating in the Dutch Auction as a Term Loan Lender) or whether or not the Borrowers should purchase by assignment any Term Loans from any Term Loan Lender pursuant to any Dutch Auction. Each Term Loan Lender should make its own decision as to whether to sell by assignment any of its Term Loans and, if so, the principal amount of and price to be sought for such Term Loans. In addition, each Term Loan Lender should consult its own attorney, business advisor or tax advisor as to legal, business, tax and related matters concerning any Dutch Auction and the Offer Documents. Capitalized terms not otherwise defined in this Appendix C have the meanings assigned to them in the First Lien Credit and Guaranty Agreement.

Summary. The Borrowers may purchase (by assignment) Term Loans on a pro rata basis by conducting one or more Dutch Auctions pursuant to the procedures described herein; provided that no more than one Dutch Auction may be ongoing at any one time and no more than two Dutch Auctions may be made in any period of four consecutive Fiscal Quarters of the Borrowers.

1. Notice Procedures. In connection with each Dutch Auction, the Borrower Representative will notify the Auction Manager (for distribution to the Term Loan Lenders) of the Term Loans that will be the subject of the Dutch Auction by delivering to the Auction Manager a written notice in form and substance reasonably satisfactory to the Auction Manager (an "**Auction Notice**"). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Borrowers are willing to purchase (by assignment) in the Dutch Auction (the "**Auction Amount**"), which shall be no less than $10,000,000 or an integral multiple of $1,000,000 in excess of thereof, (ii) the range of discounts to par (the "**Discount Range**"), expressed as a range of prices per $1,000 of Term Loans, at which the Borrowers would be willing to purchase Term Loans in the Dutch Auction and (iii) the date on which the Dutch Auction will conclude, on which date Return Bids (as defined below) will be due at the time provided in the Auction Notice (such time, the "**Expiration Time**"), as such date and time may be extended upon notice by the Borrowers to the Auction Manager not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the Offer Documents to each Term Loan Lender promptly following completion thereof.

2. Reply Procedures. In connection with any Dutch Auction, each Term Loan Lender holding Term Loans wishing to participate in such Dutch Auction shall, prior to the Expiration Time, provide the Auction Manager with a notice of participation in form and substance reasonably satisfactory to the Auction Manager (the "**Return Bid**") to be included in the Offer Documents, which shall specify (i) a discount to par that must be expressed as a price per $1,000 of Term Loans (the "**Reply Price**") within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than $1,000,000, that such Term Loan Lender is willing to offer for sale at its Reply Price (the "**Reply**

Amount"); provided that each Term Loan Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount equals the entire amount of the Term Loans held by such Term Loan Lender at such time. A Term Loan Lender may only submit one Return Bid per Dutch Auction, but each Return Bid may contain up to three component bids, each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Term Loan Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Term Loan Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager and the Administrative Agent (the "**Auction Assignment and Acceptance**"). The Borrowers will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

3. Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Borrowers, will calculate the lowest purchase price (the "**Applicable Threshold Price**") for the Dutch Auction within the Discount Range for the Dutch Auction that will allow the Borrowers to complete the Dutch Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Borrowers have received Qualifying Bids). The Borrowers shall purchase (by assignment) Term Loans from each Term Loan Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a "**Qualifying Bid**"). All Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Term Loan Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Term Loan Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

4. Proration Procedures. All Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; provided that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Dutch Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Borrowers shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

5. Notification Procedures. The Auction Manager will calculate the Applicable Threshold Price no later than five Business Days after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Borrowers onto each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid. Upon written request of the submitting Term Loan Lender, the Auction Manager will promptly return any Auction Assignment and Acceptance received in connection with a Return Bid that is not a Qualifying Bid.

6. Additional Procedures. Once initiated by an Auction Notice, the Borrowers may withdraw a Dutch Auction by written notice to the Auction Manager no later than 24 hours before the original Expiration Time so long as no Qualifying Bids have been received by the Auction Manager at or

prior to the time the Auction Manager receives such written notice from the Borrower Representative. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; provided that a Term Loan Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, a Dutch Auction shall become void if the Borrowers fail to satisfy one or more of the conditions to the purchase of Term Loans set forth in, or to otherwise comply with the provisions of Section 10.6(c) of the First Lien Credit and Guaranty Agreement. The purchase price for all Term Loans purchased in a Dutch Auction shall be paid in cash by the Borrowers directly to the respective assigning Term Loan Lender on a settlement date as determined by the Auction Manager in consultation with the Borrowers (which shall be no later than ten (10) Business Days after the date Return Bids are due), along with accrued and unpaid interest (if any) on the applicable Term Loans up to the settlement date. The Borrowers shall execute each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid.

All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of a Dutch Auction will be determined by the Auction Manager, in consultation with the Borrowers, and the Auction Manager's determination will be conclusive, absent manifest error. The Auction Manager's interpretation of the terms and conditions of the Offer Document, in consultation with the Borrowers, will be final and binding.

None of the Administrative Agent, the Auction Manager, any other Agent or any of their respective Affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Borrowers, the Restricted Subsidiaries or any of their Affiliates contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Auction Manager acting in its capacity as such under a Dutch Auction shall be entitled to the benefits of the provisions of Sections 9, 10.2 and 10.3 of the First Lien Credit and Guaranty Agreement to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, each reference therein to the "Credit Documents" were a reference to the Offer Documents, the Auction Notice and Auction Assignment and Acceptance and each reference therein to the "Transactions" were a reference to the transactions contemplated hereby and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Dutch Auction.

This Appendix C shall not require any Borrower or any Restricted Subsidiary to initiate any Dutch Auction, nor shall any Term Loan Lender be obligated to participate in any Dutch Auction.

WHEREAS, the Borrowers are hereby requesting the 2018 Incremental Term Loans in accordance with Section 2.25 of the Credit Agreement and the Administrative Agent, the Borrowers, each Incremental Term Loan Lender and the Lenders party hereto, constituting Required Lenders, have agreed, subject to the terms and conditions hereinafter set forth, to amend the Credit Agreement to provide for the 2018 Incremental Term Loans made by the Incremental Term Loan Lenders as set forth below and to approve the Limited Consent as set forth herein;

WHEREAS, Macquarie Capital (USA) Inc. shall act as sole lead arranger and sole bookrunner, in each case, with respect to this Amendment and the 2018 Incremental Term Loans provided for hereunder (in such capacity, the "**Incremental Term Loan Lead Arranger**").

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1. *Defined Terms; References.* Unless otherwise specifically defined herein, each term used herein which is defined in the Credit Agreement has the meaning assigned to such term in the Credit Agreement. Each reference to "hereof", "hereunder", "herein" and "hereby" and each other similar reference and each reference to "this Agreement" and each other similar reference contained in the Credit Agreement shall, as of and after the Second Amendment Effective Date (as defined below), refer to the Credit Agreement as amended by this Amendment (the "**Amended Credit Agreement**").

SECTION 2. *2018 Incremental Term Loans.*

(a) Each Incremental Term Loan Lender severally agrees to make, on the Second Amendment Effective Date, a 2018 Incremental Term Loan denominated in Dollars to U.S. Borrower (with the Borrowers being liable therefor on a joint and several basis) in an amount equal to such Incremental Term Loan Lender's commitment amount set forth on Schedule 1 hereto. Each Incremental Term Loan Lender's 2018 Incremental Term Loan Commitment shall terminate immediately and without further action on the Second Amendment Effective Date after giving effect to the funding of such Incremental Term Loan Lender's 2018 Incremental Term Loan Commitment on such date. Any amount of the 2018 Incremental Term Loans that is subsequently repaid or prepaid may not be reborrowed.

(b) The 2018 Incremental Term Loans shall constitute Incremental Term Loans and shall be added to, constitute a part of, and have the same terms as the initial Term Loans made to the Borrowers on the Closing Date and shall be added to each borrowing of outstanding initial Term Loans on the Second Amendment Effective Date pursuant to the Existing Term Loans Notice (as defined below) on a pro rata basis (based on the relative sizes of such borrowings), so that each Incremental Term Loan Lender providing such 2018 Incremental Term Loans will participate proportionately in each outstanding borrowing of initial Term Loans based on the principal amount of 2018 Incremental Term Loans provided by such Incremental Term Loan Lender.

(c) Each Incremental Term Loan Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment; (ii) agrees that it will, independently and without reliance upon the Administrative Agent or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent, Syndication Agent and Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Amended Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent, Syndication Agent and Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Amended Credit Agreement are required to be performed by it as a Lender.

(d) Each Incremental Term Loan Lender party hereto hereby agrees to make its Incremental Term Loan Commitment on the following terms and conditions:

(i) *Applicable Margin*. The Applicable Margin for each 2018 Incremental Term Loan shall be the same Applicable Margin as applies with respect to the initial Term Loans.

(ii) *Principal Payments*. The Borrowers shall make principal payments on the 2018 Incremental Term Loans in installments of $212,500 on the dates set forth in Section 2.12 of the Amended Credit Agreement as if initial Term Loans and the last paragraph of Section 2.12 shall apply thereto.

(iii) *Voluntary and Mandatory Prepayments*. The 2018 Incremental Term Loans shall be subject to the same terms and conditions regarding voluntary and mandatory prepayments as set forth in the Amended Credit Agreement for the initial Term Loans.

(e) Each Incremental Term Loan Lender acknowledges and agrees that upon its execution of this Amendment and the making of 2018 Incremental Term Loans that such Incremental Term Loan Lender shall become, if not already, a "Lender" under, and for all purposes of, the Amended Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a Lender thereunder.

(f) The parties hereto acknowledge that this Amendment shall constitute a Joinder Agreement for purposes of Section 2.25(h) of the Credit Agreement.

(g) The parties hereto (including, for the avoidance of doubt, the Required Lenders) acknowledge and agree that none of the 2018 Incremental Term Loans shall be deemed to constitute usage of the Maximum Incremental Facilities Amount (it being understood, for the avoidance of doubt, that any determination of the Consolidated First Lien Net Leverage Ratio after the occurrence of the Second Amendment Effective Date shall include the principal amount of any 2018 Incremental Term Loans that remain outstanding at such time).

(h) The Credit Agreement and each of the other Credit Documents, as specifically amended by this Amendment, are and, notwithstanding this Amendment, continue to be in full force and effect and are hereby in all respects ratified and confirmed (as expressly amended hereby). Without limiting the generality of the foregoing, the Collateral Documents and all of the Collateral described therein, notwithstanding this Amendment, continue to secure the payment of all Obligations of the Credit Parties, as amended by this Amendment.

(i) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Credit Documents, nor constitute a waiver of any provision of any of the Credit Documents. On and after the Second Amendment Effective Date, this Amendment shall for all purposes constitute a Credit Document.

SECTION 3. *Use of Proceeds*. All proceeds of the 2018 Incremental Term Loans incurred in accordance with this Amendment shall be applied by the Borrowers to (x) make the Dividend Payment, and (y) to pay fees (including any original issue discount or upfront fees), premiums, expenses and other transaction costs associated with the Dividend Payment, the Limited Consent, the 2018 Incremental Term Loans and this Amendment.

SECTION 4. *Severability*. If any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 5. *Headings*. Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Amendment.

SECTION 6. *Entire Agreement*. This Amendment, the Amended Credit Agreement and the other Credit Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof.

SECTION 7. *Ratification and Reaffirmation.* Each Credit Party hereto hereby ratifies and reaffirms (a) the Obligations under the Amended Credit Agreement and each of the other Credit Documents to which it is a party and all of the covenants, duties, guarantees, indemnities, indebtedness and liabilities under the Amended Credit Agreement and the other Credit Documents to which it is a party and (b) the Liens and security interests created in favor of the Collateral Agent and the Lenders pursuant to each Collateral Document; which Liens and security interests shall continue in full force and effect during the term of the Amended Credit Agreement, and shall continue to secure the Obligations (as defined in the Amended Credit Agreement, which include for the avoidance of doubt each Parallel Liability) and each Credit Party party hereto confirms that the secured liabilities (however described in the Collateral Documents) cover the Obligations (which include for the avoidance of doubt each Parallel Liability), in each case, on and subject to the terms and conditions set forth in the Amended Credit Agreement and the other Credit Documents and will have and maintain the ranking required under the Collateral Documents (if any).

SECTION 8. *Representations and Warranties.* The Credit Parties each hereby represent and warrant to the Administrative Agent and the Lenders that:

(a) Each Credit Party party hereto has all requisite corporate (or equivalent) power and authority to enter into this Amendment. The execution, delivery and performance of this Amendment have been duly authorized by all necessary action on the part of each Credit Party party hereto. This Amendment has been duly executed and delivered by each Credit Party party hereto and is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its terms, except as may be limited by Debtor Relief Laws, by the principle of good faith and fair dealing, or limiting creditors' rights generally or by equitable principles relating to enforceability.

(b) The execution, delivery and performance of this Amendment by each Credit Party party hereto do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or other third Person, except (i) such as have been obtained and are in full force and effect, (ii) for filings and recordings with respect to the Collateral to be made or otherwise that have been delivered to the Collateral Agent for filing and/or recordation and (iii) those approvals, consents, registrations or other actions or notices, the failure of which to obtain or make could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) The execution, delivery and performance of this Amendment by each Credit Party party hereto and the consummation of the transactions contemplated hereby do not and will not (i) violate any of the Organizational Documents of such Credit Party; (ii) violate any provision of any Law applicable to or otherwise binding on Holdings, any Borrower or any of the Restricted Subsidiaries, except to the extent

such violation, either individually or in the aggregate, could not be reasonably expected to have a Material Adverse Effect or (iii) result in or require the creation or imposition of any Lien upon any of the properties or assets of Holdings, any Borrower or any of the Restricted Subsidiaries (other than any Liens created under any of the Credit Documents in favor of the Collateral Agent, on behalf of the Secured Parties, or Permitted Liens).

SECTION 9. *Limited Consent and Acknowledgment*. Notwithstanding anything to the contrary set forth in Sections 2.25(a)(ii), the definition of Maximum Incremental Facilities Amount or Section 6.4 of the Credit Agreement, the Administrative Agent and the Required Lenders hereby consent to the incurrence of the 2018 Incremental Term Loans and the Dividend Payment on the Second Amendment Effective Date. The consent in this Section 9 shall be effective only in this specific instance and for the specific purpose set forth herein and does not allow for any other or further departure from the terms and conditions of the Credit Agreement or any other Credit Document, which terms and conditions shall continue in full force and effect.

SECTION 10. *Governing Law; Consent to Jurisdiction; Waiver of Jury Trial*. The terms of Section 10.14, 10.15 and 10.16 of the Credit Agreement are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

SECTION 11. *Counterparts.* This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Amendment by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Amendment.

SECTION 12. *Effectiveness.* This Amendment shall become effective on the date on which each of the following conditions shall have been satisfied or waived (the "**Second Amendment Effective Date**"):

(a) the Administrative Agent shall have received from the Borrowers, Holdings, each other Guarantor, the Administrative Agent, the Collateral Agent and each Incremental Term Loan Lender and the Lenders sufficient to constitute, collectively, the Required Lenders, a duly executed counterpart of this Amendment signed on behalf of such party;

(b) The 2018 Incremental Term Loans shall satisfy all of the requirements of Sections 2.25(c) of the Credit Agreement;

(c) The Borrowers shall have paid (which payment may be made by deduction from the funded amount of 2018 Incremental Term Loans) to each Incremental Term Loan Lender party to this Agreement that funds Incremental Term Loans on the Second Amendment Effective Date, as fee compensation for the funding of such Incremental Term Loan Lender's 2018 Incremental Term Loan, a funding fee in an amount equal to 0.50% of the stated principal amount of such Incremental Term Loan Lender's 2018 Incremental Term Loans;

(d) The Borrowers shall have paid to each existing Lender that is party to this Amendment as a consenting Lender and has submitted its executed signature page hereto to the Administrative Agent no later than 4:00 p.m. (New York City time) on March 28, 2018, a consent fee equal to 0.25% of such existing Lender's outstanding Term Loans (for the avoidance of doubt, exclusive of 2018 Incremental Term Loans) and Revolving Credit Commitments on the Second Amendment Effective Date;

(e) The Borrowers shall have obtained the required consents (the "**Second Lien Limited Consent**") to allow the Dividend Payment from the lenders party to the Second Lien Credit and Guaranty Agreement, dated as of August 28, 2017 (as amended, restated, supplemented or otherwise modified prior to the date hereof, the "**Second Lien Credit Agreement**"), by and among Holdings, the Borrowers, LLC Subsidiary, certain Subsidiaries of Holdings party thereto, as Guarantors, the lenders party thereto from time to time, the Administrative Agent and the Collateral Agent, and the Second Lien Limited Consent shall have become effective in accordance with its terms;

(f) all of the representations and warranties contained herein and in Section 4 of the Credit Agreement and in each other Credit Document (in each case, as amended by this Amendment) shall be true and correct in all material respects both immediately before and after giving effect to this Amendment (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of the Second Amendment Effective Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date;

(g) both immediately before and after giving effect to this Amendment, no Default or Event of Default shall have occurred and be continuing;

(h) the Administrative Agent shall have received a customary written opinion of (i) Jones Day, special U.S. counsel for the Credit Parties, (ii) Maples and Calder, special Cayman Islands counsel for the Credit Parties, (iii) AKD, special Luxembourg counsel for the Credit Parties, (iv) Loyens & Loeff, special Netherlands counsel for the Administrative Agent and (v) White & Case LLP, special Hong Kong counsel for the Administrative Agent, in each case addressed to the Administrative Agent, the Collateral Agent and the Lenders (including the Incremental Term Loan Lenders), and dated the Second Amendment Effective Date;

(i) the Administrative Agent shall have received a Funding Notice in accordance with Section 2.25(c)(iii) of the Credit Agreement; provided that, notwithstanding anything to the contrary in Section 2.25(c)(iii) or any other provision of any Credit Document, the Borrower Representative shall be allowed to deliver such Funding Notice by 1:00 p.m. (New York City time) at least two Business Days in advance of the proposed Credit Date (or such later date or time as is otherwise agreed by the Administrative Agent);

(j) the Administrative Agent shall have received a Conversion/Continuation Notice pursuant to Section 2.9 of the Credit Agreement for all outstanding borrowings of initial Term Loans for Interest Periods as selected in such Conversion/Continuation Notice that begins on the Second Amendment Effective Date (the "**Existing Term Loans Notice**"); it being agreed that the Borrowers shall be permitted to select an Interest Period ending on June 29, 2018, pursuant to such Existing Term Loans Notice; and

(k) all reasonable and documented expenses and other compensation payable to the Incremental Term Loan Lead Arranger and the Administrative Agent, pursuant to Section 10.2 of the Credit Agreement or otherwise, shall have been paid (or netted from the proceeds of the 2018 Incremental Term Loans to the extent agreed by the parties hereto) to the extent earned, due and owing and otherwise reimbursable pursuant to the terms thereof and, in the case of expenses, invoiced at least two Business Days prior to the Second Amendment Effective Date.

SECTION 1. DEFINITIONS AND INTERPRETATION

1.1 Definitions. The following terms used herein, including in the preamble, recitals, appendices, schedules and exhibits hereto, shall have the following meanings:

"**2015 Regulation**" as defined in Section 4.29.

"**Acquired Business**" means the Targets and their Subsidiaries.

"**Additional Debt Requirements**" means the following requirements: (a) if such Indebtedness is secured, it shall not be secured by any assets or property other than Collateral securing the Obligations; (b) if such Indebtedness is guaranteed, it shall not be guaranteed by any Person other than a Guarantor (and any guaranty by Holdings or LLC Subsidiary shall be limited in recourse on the same basis as their Guaranty hereunder); (c) if such Indebtedness is secured by a first priority Lien on Collateral that is pari passu with the Lien securing the First Lien Obligations, giving effect to the incurrence of such Indebtedness, the Consolidated First Lien Net Leverage Ratio shall be equal to or less than 4.25:1.00 ((x) determined on a Pro Forma Basis as of the last day of the Test Period most recently ended on or prior to the date of the incurrence of such additional amount of Indebtedness, as if such additional amount of such Indebtedness had been incurred on the first day of such Test Period and (y) calculated without the proceeds of such additional Indebtedness being netted from the Indebtedness for such calculation and assuming the full utilization thereof, whether or not actually utilized); (d) if such Indebtedness is secured by a Lien that is pari passu with the Lien on Collateral securing the Obligations (i) the Weighted Average Life to Maturity of such Indebtedness shall not be shorter than the then applicable Weighted Average Life to Maturity of the Term Loans with the latest Term Loan Maturity Date then in effect, (ii) such Indebtedness shall not have a final scheduled maturity or have scheduled amortization or payments of principal (other than customary offers to repurchase and prepayment events upon change of control, asset sale or event of loss and a customary acceleration right after an event of default) on or prior to the Term Loans with the latest Term Loan Maturity Date then in effect, (iii) if such Indebtedness is incurred on or prior to the date that is the one-year anniversary of the Closing Date, the Weighted Average Yield relating to such Indebtedness (which shall be determined by the Borrowers and the Lenders providing such Indebtedness) shall not exceed the Weighted Average Yield relating to the Term Loans by more than 0.50% unless the Weighted Average Yield relating to the Term Loans is adjusted to be equal to the Weighted Average Yield relating to such Term Loans minus 0.50% and (iv) giving effect to the incurrence of such Indebtedness, the Consolidated Secured Net Leverage Ratio shall be equal to or less than 5.50:1.00 ((x) determined on a Pro Forma Basis as of the last day of the Test Period most recently ended on or prior to the date of the incurrence of such additional amount of Indebtedness, as if such additional amount of such Indebtedness had been incurred on the first day of such Test Period and (y) calculated without the proceeds of such additional Indebtedness being netted from the Indebtedness for such calculation and assuming the full utilization thereof, whether or not actually utilized); (e) if such Indebtedness is secured by a Lien that is contractually junior to the Lien on Collateral securing the Obligations or is unsecured (or unsecured and contractually subordinated to the Obligations), (i) any Liens securing such Indebtedness shall be junior to the Liens securing the Obligations, (ii) such Indebtedness shall not have a final scheduled maturity or have scheduled amortization or payments of principal (other than customary offers to repurchase and prepayment events upon change of control, asset sale or event of loss and a customary acceleration right after an event of default) on or prior to the date that is ninety-one days after the latest Term Loan Maturity Date then in effect, and (iii) giving effect to the incurrence of such Indebtedness, (x) in the case of junior Lien Indebtedness, the Consolidated Secured Net Leverage Ratio shall be equal to or less than 5.50:1.00 and (y) in the case of unsecured Indebtedness, the Consolidated Total Net Leverage Ratio shall be equal to or less than 5.50:1.00 (in either case, (x) determined on a Pro Forma Basis as of the last day of the Test Period most recently ended prior to the date of the incurrence of such additional amount of such Indebtedness, as if such additional amount of

Indebtedness had been incurred on the first day of such Test Period and (y) calculated without the proceeds of such additional Indebtedness being netted from the Indebtedness for such calculation and assuming the full utilization thereof, whether or not actually utilized), (f) if such Indebtedness is secured, (x) the lenders or investors providing such Indebtedness or a representative acting on behalf of such lenders or investors shall have entered into the Intercreditor Agreement or another intercreditor or subordination agreement reasonably satisfactory to the Administrative Agent and (y) the obligors (including all borrowers, issuers, guarantors and other credit support providers) under such Indebtedness or a representative acting on behalf of such obligors shall have entered into the Intercreditor Agreement or another intercreditor or subordination agreement reasonably satisfactory to the Administrative Agent and (g) if such Indebtedness is unsecured, to the extent that the aggregate principal amount of such Indebtedness plus the aggregate principal amount of all other unsecured Indebtedness of Holdings and its Restricted Subsidiaries then outstanding and incurred in reliance on Section 6.1(i), (n), (q) (solely in respect of Indebtedness originally incurred in reliance on Section 6.1(i), (n) or (r)) or (r) equals or exceeds $30,000,000, (x) the lenders or investors providing such Indebtedness or a representative acting on behalf of such lenders or investors shall have entered into the Intercreditor Agreement or another intercreditor or subordination agreement reasonably satisfactory to the Administrative Agent and (y) the obligors (including all borrowers, issuers, guarantors and other credit support providers) under such Indebtedness or a representative acting on behalf of such obligors shall have entered into the Intercreditor Agreement or another intercreditor or subordination agreement reasonably satisfactory to the Administrative Agent.

"**Additional Lender**" means, at any time, any bank, other financial institution or investor that, in any case, is not an existing Lender and that agrees to provide any portion of any Credit Agreement Refinancing Indebtedness pursuant to a Refinancing Amendment in accordance with Section 2.26; provided that each Additional Lender shall be subject to the approval of the Administrative Agent (such approval not to be unreasonably withheld, delayed or conditioned) to the extent any such approval would be required from the Administrative Agent under Section 10.6(b) for an assignment of Loans and/or Commitments to such Additional Lender.

"**Additional Ratio Debt**" means any Indebtedness incurred by the Borrowers (which may be guaranteed by the Guarantors) after the Closing Date, which may be (a) secured by a first priority Lien on the Collateral that is pari passu with the Lien securing the First Lien Obligations, (b) secured by a Lien that is pari passu with, or contractually junior to, the Lien on the Collateral securing the Obligations or (c) unsecured (or unsecured and contractually subordinated to the Obligations).

If at any time any change in GAAP would affect the computation of any financial ratio or financial requirement set forth in any Credit Document, and either the Borrowers or the Required Lenders shall so request, the Administrative Agent, the Lenders and the Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided, until so amended,

(i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Borrowers shall provide to the Administrative Agent financial statements and other documents required under this Agreement which include a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. Subject to the foregoing, calculations in connection with the definitions, covenants and other provisions hereof shall utilize accounting principles and policies in conformity with those used to prepare the Historical Financial Statements.

1.3 Interpretation, Etc. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." The word "will" shall be construed to have the same meaning and effect as the word "shall." Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in any Credit Document), (b) any reference herein to any Person shall be construed to include such Person's successors and assigns, (c) the words "herein," "hereof" and "hereunder," and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections, Appendices, Exhibits and Schedules shall be construed to refer to Sections of, and Appendices, Exhibits and Schedules to, this Agreement, (e) any reference to any Law herein shall, unless otherwise specified, refer to such Law as amended, modified or supplemented from time to time, (f) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, Securities, accounts and contract rights and (g) any reference to EagleTree-Carbide Holdings (Cayman), LP, whether acting in its capacity as a Guarantor or otherwise, shall be construed as a reference to the partnership acting at all times through its general partner, EagleTree-Carbide (GP), LLC.

1.4 Certifications. Any certificate or other writing required hereunder or under any other Credit Document to be certified by any officer or other authorized representative of any Person (or of the general partner of any Person that is a partnership) shall be deemed to be executed and delivered by the individual holding such office solely in such individual's capacity as an officer or other authorized representative of such Person (or of such general partner) and not in such officer's or other authorized representative's individual capacity.

1.5 Timing of Performance. Subject to Section 2.16(f), when the performance of any covenant, duty or obligation under any Credit Document is required to be performed on a day which is not a Business Day, the date of such performance shall extend to the immediately succeeding Business Day.

1.6 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrowers, the Administrative Agent and such Lender.

1.7 Pro Forma Calculations and Adjustments.

(a) For purposes of calculating the compliance of any transaction with any provision hereof that requires such compliance to be on a "**Pro Forma Basis**", such transaction shall be deemed to have occurred as of the first day of the most recently ended Test Period.

(b) In connection with the calculation of any ratio hereunder upon giving effect to a transaction on a "Pro Forma Basis", (i) any Indebtedness incurred, acquired or assumed, or repaid, by Holdings or any Restricted Subsidiary in connection with such transaction (or any other transaction which occurred during the relevant Test Period) shall be deemed to have been incurred, acquired or assumed, or repaid, as the case may be, as of the first day of the relevant Test Period, (ii) if such Indebtedness has a floating or formula rate, then the rate of interest for such Indebtedness for the applicable period for purposes of the calculations contemplated by this definition shall be determined by utilizing the rate which is or would be in effect with respect to such Indebtedness as at the relevant date of such calculations, (iii) such calculation shall be made without regard to the netting of any cash proceeds of Indebtedness incurred by Holdings or any Restricted Subsidiary in connection with such transaction (but without limiting the pro forma effect of any prepayment of Indebtedness with such cash proceeds), (iv) if any Indebtedness incurred, acquired or assumed is in the nature of a revolving credit facility, the entire principal amount of such facility shall be deemed to have been drawn, and (v) the calculation of such ratio shall be made giving pro forma effect to the transaction consummated (or anticipated to be consummated, if applicable) in connection with the incurrence, acquisition or assumption of such Indebtedness.

(c) Notwithstanding anything in this Agreement or any other Credit Document to the contrary, if any Indebtedness is incurred, acquired, or assumed in connection with a Limited Condition Acquisition, then compliance with any applicable ratio, test or other basket hereunder on a Pro Forma Basis may be determined, at the option of the Borrowers, either (x) as of the time of entry into the applicable acquisition agreement or (y) at the time of incurrence, acquisition or assumption, as applicable, of such Indebtedness; provided, if the Borrowers elect to have such determination occur at the time of entry into such applicable acquisition agreement, the Indebtedness to be incurred (and any associated Lien) shall be deemed incurred at the time of such determination and outstanding thereafter for purposes of determining compliance on a Pro Forma Basis with any applicable ratio, test or other basket tested after such time of entry, which ratio, test or other basket shall be calculated both (I) on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (II) on a Pro Forma Basis assuming such Limited Condition Acquisition and the other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated (and Indebtedness not incurred) until such time as either (i) such acquisition agreement is terminated without actually consummating such Limited Condition Acquisition, or (ii) such Limited Condition Acquisition is consummated. For the avoidance of doubt no pro forma adjustments for Limited Condition Acquisitions pursuant to this Section 1.7 will apply for purposes of determining compliance with Section 6.7 hereof.

1.8 Currency Equivalents, Generally.

(a) Except as expressly provided herein, any amount specified in this Agreement or any other Credit Document to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount to be determined at the applicable Exchange Rate; provided that if any basket amount expressed in Dollars is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. In

addition, if any Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars, and such refinancing would cause the applicable dollar-denominated restriction in Section 6.1 to be exceeded if calculated at the applicable Dollar Amount on the date of such refinancing, such dollar-denominated restrictions shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the sum of (i) the outstanding or committed principal amount, as applicable of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing.

(b) For purposes of determining the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio and the Consolidated Total Net Leverage Ratio, at the Exchange Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar Amount of such Indebtedness.

1.9 Available Amount Transactions. If more than one action occurs on a given date the permissibility of the taking of which is determined hereunder by reference to the amount of the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously.

SECTION 2. LOANS

2.1 Term Loans.

(a) Term Loan Commitments. Subject to the terms and conditions hereof, each Lender severally agrees to make, on the Closing Date, a Term Loan denominated in Dollars to the Borrowers on a joint and several basis in an amount equal to such Lender's Term Loan Commitment. The Borrowers may make only one borrowing under each Term Loan Commitment. Each Lender's Term Loan Commitment shall terminate immediately and without further action on the Closing Date after giving effect to the funding of such Lender's Term Loan Commitment on such date. The Term Loans shall only be denominated in Dollars and may be Base Rate Loans or Eurodollar Loans as further provided herein.

(b) Repayments and Prepayments. Any amount of the Term Loans that is subsequently repaid or prepaid may not be reborrowed.

(c) Maturity. Subject to Sections 2.13(a), 2.14, 2.24, 2.25 and 2.26, all amounts owed hereunder with respect to the Term Loans shall be paid in full no later than the Term Loan Maturity Date.

(d) Funding Notice. The Borrower Representative shall have delivered to the Administrative Agent a fully executed Funding Notice no later than 12:00 noon (New York City time) on the Business Day prior to the Closing Date or such later date or time as is otherwise agreed by the Administrative Agent (or, in the case of a request for Eurodollar Loans, three Business Days prior to the Closing Date or such later date or time as is otherwise agreed by the Administrative Agent) and, promptly upon receipt thereof, the Administrative Agent shall have notified each Lender of the proposed borrowing.

(e) Funding to the Administrative Agent. Each Lender shall make its Term Loan available to the Administrative Agent not later than 12:00 noon (New York City time) on the Closing Date, by wire transfer of same day funds in Dollars, at the Payment Office.

(f) Availability of Funds. Upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent shall make the proceeds of the Term Loans available to the Borrowers on the Closing Date by causing an amount of same day funds in Dollars equal to the proceeds of all such requested Loans received by the Administrative Agent from the Lenders to be credited to the account of the Borrowers at the Payment Office or to such other account as may be designated in writing to the Administrative Agent by the Borrowers.

2.2 [Reserved].

2.3 [Reserved].

2.4 [Reserved].

2.5 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made, and all participations purchased, by the applicable Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that (i) the failure of any Lender to fund any such Loan shall not relieve any other Lender of its obligation hereunder and (ii) no Lender shall be responsible for any default by any other Lender in

such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby nor shall any Term Loan Commitment or any Incremental Term Loan Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Credit Extension that such Lender will not make available to the Administrative Agent such Lender's share of such Credit Extension, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.2 and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Credit Extension available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Credit Extension to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Credit Extension. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent. Nothing in this Section 2.5(b) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments or Incremental Term Loan Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

2.6 Use of Proceeds.

(a) The proceeds of the Term Loans shall be applied by the Borrowers on the Closing Date (i) to repay and discharge in full the Existing Indebtedness, (ii) to consummate the Closing Date Acquisition and the other Related Transactions and (iii) to pay fees and expenses in connection with the foregoing and this Agreement.

(b) [Reserved].

(c) [Reserved].

(d) No portion of the proceeds of any Credit Extension shall be used in any manner that causes such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

(e) The Borrowers shall not request any Loan, nor use, and shall procure that its Restricted Subsidiaries and its or their respective directors, officers, employees, controlled Affiliates and agents not use, directly or indirectly, the proceeds of any Loan, or lend, contribute or otherwise make available such proceeds to any Restricted Subsidiary, other Affiliate, joint venture partner or other Person, (i) in violation of any Anti-Corruption Laws or AML Laws, (ii) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or involving any goods originating in or with a Sanctioned Person or Sanctioned Country in each case in violation of Sanctions, or (iii) in any manner that would result in the violation of any Sanctions by such Person.

2.7 Evidence of Debt; Notes.

(a) Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Indebtedness of the Borrowers to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrowers, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect the Borrowers' Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Notes. If so requested by any Lender (or the Administrative Agent on behalf of such Lender) by written notice to the Borrower Representative (with a copy to the Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, the Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Borrower Representative's receipt of such notice) a Note or Notes to evidence such Lender's applicable Loan.

2.8 Interest on Loans.

(a) Interest. Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made to the date of repayment thereof (whether by acceleration or otherwise) at an interest rate determined for the Class of such Loan equal to the Base Rate or the Adjusted Eurodollar Rate, plus, in each case, the Applicable Margin for the Type of such Loan

(b) Interest Rate Election. The basis for determining the rate of interest with respect to any Loan and the Interest Period with respect to any Eurodollar Loan, shall be selected by the Borrowers and notified to the Administrative Agent pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be. If any Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then such Loan shall be a Base Rate Loan.

(c) Interest Periods. In connection with Eurodollar Loans, there shall be no more than eight Interest Periods outstanding at any time (or such greater number as may be acceptable to the Administrative Agent in its sole discretion). If the Borrower Representative fails to specify whether a Loan should be a Base Rate Loan or a Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a Eurodollar Loan) will be automatically converted into a Base Rate Loan on the last day of then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). If the Borrower Representative fails to specify an Interest Period for any Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, the Borrowers shall be deemed to have selected an Interest Period of one month. On each Quotation Day, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to Eurodollar Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing) to the Borrower Representative and each Lender.

(d) Computation of Interest. Interest payable pursuant to Section 2.8(a) shall be computed (i) in the case of Base Rate Loans determined by reference to clauses (i), (ii) and (iv) of the definition of Base Rate, on the basis of a 365-day or 366-day year, as the case may be, and (ii) in the case of Base Rate Loans determined by reference to clause (iii) of the definition of Base Rate and all Eurodollar Loans, on the basis of a 360-day year, in each case, for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a Eurodollar Loan, the date of conversion of such Eurodollar Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a Eurodollar Loan, the date of conversion of such Base Rate Loan to such Eurodollar Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Interest Payable. Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and be payable in arrears (i) on each Interest Payment Date applicable to that Loan; (ii) concurrently with any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) at maturity, including final maturity.

(f) [Reserved].

2.9 Conversion and Continuation.

(a) Conversion. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall have the option to convert at any time all or any part of any Term Loan or Incremental Term Loan equal to $500,000 and integral multiples of $100,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, that a Eurodollar Loan may not be converted on a date other than the expiration date of the Interest Period applicable to such Eurodollar Loan unless the Borrowers shall pay all amounts due under Section 2.18 in connection with any such conversion.

(b) Continuation. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall also have the option, upon the expiration of any Interest Period applicable to any Eurodollar Loan, to continue all or any portion of such Loan equal to $500,000 and integral multiples of $100,000 in excess of that amount as a Eurodollar Loan.

(c) Conversion/Continuation Notice. The Borrower Representative shall deliver a Conversion/Continuation Notice to the Administrative Agent at the Notice Office no later than 11:00 a.m. (New York City time) at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and, other than in the case of the conversion set forth in the Specified Notice, at least three Business Days in advance of the proposed Conversion/Continuation Date (in the case of a conversion to, or a continuation of, a Eurodollar Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Eurodollar Loans shall be irrevocable on and after the date of receipt thereof by the Administrative Agent, and the Borrowers shall be bound to effect a conversion or continuation in accordance therewith.

2.10 Default Interest. Upon the occurrence and continuance of an Event of Default under any of Sections 8.1(a) (but, in the case of such Section 8.1(a), only in respect of principal, premium and interest), 8.1(f) or 8.1(g), the principal amount of all Loans and, to the extent permitted by applicable Law, any interest payments on the Loans or any fees or other amounts owed hereunder not paid when due, in each case whether at stated maturity, by notice of prepayment, by acceleration or otherwise, shall

bear interest (including post-petition interest in any proceeding under any Debtor Relief Law) from the date of such Event of Default, payable on demand at a rate that is 2.00% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans; provided, in the case of Eurodollar Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate which is 2.00% per annum in excess of the interest rate otherwise payable hereunder for such Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

2.11 Fees.

(a) [Reserved].

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) Fees to the Lead Arrangers, Agents and Lenders. The Borrowers agree on a joint and several basis to pay to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders the fees set forth in the Fee Letter in accordance therewith and such other fees in the amounts and at the times separately agreed upon.

(h) Prepayment Premium. If the Borrowers (I) prepay or repay any of the Term Loans pursuant to Section 2.13(a) or 2.14(a) or (d) (any such payment, an "**Applicable Payment**") or (II) in connection with any Repricing Event, (i) make a prepayment of the Term Loans pursuant to Section 2.13(a) (with any replacement of a Non-Consenting Lender pursuant to Section 2.23 being deemed, for this purpose, to constitute a prepayment for this purpose), (ii) make a prepayment of the Term Loans pursuant to Section 2.14(d) or (iii) effect any amendment with respect to the Term Loans, in each case, the Borrowers shall pay to each Term Loan Lender (x) if such Applicable Payment or Repricing Event occurs on or prior to the first anniversary of the Closing Date (A) with respect to such Applicable Payment or clauses (II)(i) and (ii), a prepayment premium in an amount equal to 2.00% of the principal amount of the Term Loans held by such Term Loan Lender that are prepaid or repaid, and (B) with respect to clause (II)(iii), a prepayment premium in an amount equal to 2.00% of the principal amount of the Term Loans held by such Term Loan Lender (including Term Loans held by any Non-Consenting Lender immediately prior to such Non-Consenting Lender being replaced pursuant to Section 2.23 immediately), regardless of whether such Term Loan Lender consented to such amendment and (y) if such Applicable Payment or Repricing Event occurs after the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date (A) with respect to such Applicable Payment or clauses (II)(i) and (ii), a prepayment premium in an amount equal to 1.00% of the principal amount of the Term Loans held by such Term Loan Lender that are prepaid or repaid, and (B) with respect to clause (II)(iii), a prepayment premium in an amount equal to 1.00% of the principal amount of the Term Loans held by such Term Loan Lender (including Term Loans held by any Non-Consenting Lender immediately prior to such Non-Consenting Lender being replaced pursuant to Section 2.23 immediately), regardless of

whether such Term Loan Lender consented to such amendment. As used herein, "**Repricing Event**" means (x) any prepayment of the Term Loans, in whole or in part, with the proceeds of, or any conversion of the Term Loans into, any new or replacement tranche of term loans or debt Securities, in each case, with a Weighted Average Yield less than the Weighted Average Yield applicable to the Term Loans or (y) any amendment to this Agreement that reduces the Weighted Average Yield applicable to the Term Loans.

2.12 Repayment of Term Loans. The Term Loans, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the Term Loan Maturity Date with respect thereto. (a) Voluntary Prepayments. Subject to the First Lien Credit Agreement and the Intercreditor Agreement, any time and from time to time, with respect to any Type of Loan, the Borrowers may prepay, without premium or penalty (but subject to Sections 2.11(h) and 2.18(c)), any Loan on any Business Day in whole or in part, in an aggregate minimum amount of and integral multiples in excess of that amount, and upon prior written as set forth in the following table:

Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein; provided, such prepayment obligation may be conditioned on the occurrence of any subsequent event (including a Change of Control or refinancing transaction).

additional 180-day period and (y) if all or any portion of such Net Asset Sale Proceeds are not so reinvested (and/or committed to be reinvested and then actually reinvested) within the time period set forth above in this Section 2.14(a), such remaining portion shall be applied not later than the last day of such period (or any earlier date on which Holdings or such Restricted Subsidiary determines not to so reinvest such Net Asset Sale Proceeds) as provided above in this Section 2.14(a) without regard to this proviso or the immediately preceding proviso.

(b) Insurance/Condemnation Proceeds. Subject to the First Lien Credit Agreement and the Intercreditor Agreement, and subject to Sections 2.11(h) and 2.14(g), no later than the tenth Business Day following the date of receipt by Holdings, any Borrower or any of the Restricted Subsidiaries, or the Administrative Agent as lender loss payee, of any Net Insurance/Condemnation Proceeds in excess of $1,200,000 in the aggregate in any Fiscal Year, the Borrowers shall prepay the Loans and/or certain other Obligations as set forth in Section 2.15(b) in an aggregate amount equal to such Net Insurance/Condemnation Proceeds; provided, so long as no Event of Default shall have occurred and be continuing, the Borrowers shall have the option, directly or through one or more of the Restricted Subsidiaries to invest such Net Insurance/Condemnation Proceeds within 365 days of receipt thereof (x) to repair, restore or replace damaged property or property affected by loss, destruction, damage, condemnation, confiscation, requisition, seizure or taking and/or (y) in productive assets (other than working capital assets) useful in businesses not prohibited under Section 6.12, which investment may include the repair, restoration or replacement of the applicable assets thereof; provided further, (x) if the Borrowers or a Restricted Subsidiary enters into a legally binding commitment (and have provided the Administrative Agent with a copy of such binding commitment) to invest such Net Insurance/Condemnation Proceeds within such 365-day period, such 365-day period shall extend by an additional 180-day period and (y) if all or any portion of such Net Insurance/Condemnation Proceeds are not so reinvested (and/or committed to be reinvested and then actually reinvested) within the time period set forth above in this Section 2.14(b), such remaining portion shall be applied not later than the last day of such period (or any earlier date on which Holdings or such Restricted Subsidiary determines not to so reinvest such Net Insurance/Condemnation Proceeds) as provided above in this Section 2.14(b) without regard to this proviso or the immediately preceding proviso.

(c) [Reserved].

(d) Issuance of Debt. Subject to the First Lien Credit Agreement and the Intercreditor Agreement, and subject to Sections 2.11(h) and 2.14(g), no later than the tenth Business Day following receipt of cash proceeds from the incurrence of any Indebtedness by Holdings, any Borrower or any of the Restricted Subsidiaries (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.1 (other than Section 6.1(r) (in respect of the Loans) or pursuant to Section 2.26), the Borrowers shall prepay the Loans and/or certain other Obligations as set forth in Section 2.15(b) in an aggregate amount equal to 100% of the cash proceeds from such incurrence, net of any underwriting discounts and commissions and other reasonable costs and expenses associated therewith, including reasonable legal fees and expenses.

(e) Consolidated Excess Cash Flow. Subject to Section 2.14(g), if there shall be Consolidated Excess Cash Flow for any Fiscal Year beginning with the Fiscal Year ending December 31, 2018, the Borrowers shall, within ten Business Days of the date on which the Borrowers are required to deliver the financial statements of Holdings and its Restricted Subsidiaries pursuant to Section 5.1(b), prepay the Loans and/or certain other Obligations as set forth in Section 2.15(b) in an aggregate amount equal to (i) 50% of such Consolidated Excess Cash Flow minus (ii) voluntary prepayments of the Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) made during such Fiscal Year (excluding repayments of revolving First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) except to the extent the applicable revolving credit commitments are

permanently reduced in connection with such repayments) paid from Internally Generated Cash (provided that such reduction as a result of prepayments made pursuant to Section 10.6(k) shall be limited to the actual amount of cash used to prepay principal of Term Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) (as opposed to the face amount thereof)); provided, if, as of the last day of the most recently ended Fiscal Year, the Consolidated Total Net Leverage Ratio (determined for such Fiscal Year by reference to the Compliance Certificate delivered pursuant to Section 5.1(c) calculating the Consolidated Total Net Leverage Ratio as of the last day of such Fiscal Year) shall be (A) less than or equal to 4.50:1.00 but greater than 4.00:1.00, the Borrowers shall only be required to make the prepayments and/or reductions otherwise required hereby in an amount equal to (1) 25% of such Consolidated Excess Cash Flow minus (2) voluntary repayments of the Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) made during such Fiscal Year (excluding repayments of revolving First Lien or Refinanced Debt (as defined in the First Lien Credit Agreement) except to the extent the applicable revolving credit commitments are permanently reduced in connection with such repayments) paid from Internally Generated Cash (provided that such reduction as a result of prepayments made pursuant to Section 10.6(k) shall be limited to the actual amount of cash used to prepay principal of Term Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) (as opposed to the face amount thereof)) and (B) less than or equal to 4.00:1.00, the Borrowers shall not be required to make the prepayments and/or reductions otherwise required by this Section 2.14(e).

(f) [Reserved].

(g) Discharge of Senior Obligations. Notwithstanding anything to the contrary in this Agreement, (i) no prepayments of the Term Loans shall be required pursuant to Sections 2.14(a), (b), (d) or (e) if such prepayment is prohibited by (A) the First Lien Credit Agreement or any agreement governing First Lien Credit Agreement Refinancing Indebtedness, (B) the terms of any agreement or instrument governing any other First Lien Obligations, (C) the Intercreditor Agreement or (D) any other intercreditor agreement in form and substance reasonably satisfactory to the Administrative Agent and (ii) unless and until the Discharge of Senior Obligations (as defined in the Intercreditor Agreement) shall have occurred, no prepayment that would otherwise be required pursuant to this Section 2.14 shall be required to be made other than with amounts declined by both (x) First Lien Lenders pursuant to subsection 2.15(d) of the First Lien Credit Agreement and (y) holders of any other Senior Obligations (as defined in the Intercreditor Agreement) pursuant to the equivalent terms of the agreement or instrument governing such Indebtedness (if any), in which case such prepayment shall be required to be made within five Business Days of the latest deadline for First Lien Lenders and holders of such Senior Obligations to decline the applicable prepayment.

(h) Prepayment Certificate. Concurrently with any prepayment of the Loans and/or certain other Obligations pursuant to Sections 2.14(a) through 2.14(f), the Borrowers shall deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower Representative demonstrating the calculation of the amount of the applicable net proceeds or Consolidated Excess Cash Flow, as the case may be. If the Borrowers subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Borrowers shall promptly (but in any event within three Business Days) make an additional prepayment of the Loans and/or certain other obligations in an amount equal to such excess, and the Borrowers shall concurrently therewith deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower Representative demonstrating the derivation of such excess.

(i) Constraints on Upstreaming. Notwithstanding any other provisions of this Section 2.14, all prepayments referred to in Sections 2.14(a) through 2.14(e) attributable to any Foreign Subsidiary are subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries). Further, there will be no requirement to make any prepayment to the extent that Holdings or its Restricted Subsidiaries would suffer material adverse costs or tax consequences as a result of upstreaming cash to make such prepayments (including the imposition of withholding taxes) (as determined by the Borrower Representative in good faith). The non-application of any such prepayment amounts as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available to repay local foreign indebtedness, if any, and for working capital purposes of the applicable Foreign Subsidiary. The Borrowers and each Foreign Subsidiary will undertake to use commercially reasonable efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Borrowers' reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by Holdings (or its direct or indirect members) or the Borrowers and the Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Borrowers and the Restricted Subsidiaries shall be permitted to make, directly or indirectly, dividends or distributions to their Affiliates in an amount sufficient to cover such tax liability, costs or expenses. For the avoidance of doubt, nothing in this Agreement (including this Section 2.14) shall require the Borrowers or any of the Restricted Subsidiaries to cause any amounts to be repatriated, whether directly or indirectly, and whether such repatriation is actual or deemed under Section 956 of the Code, to the United States (whether or not such amount are used in or excluded from the determination of the amount of any mandatory prepayment hereunder).

2.15 Application of Prepayments.

(a) Application of Voluntary Prepayments by Type of Loans. Any prepayment of any Loan pursuant to Section 2.13(a) shall be applied as specified by the Borrowers in the applicable notice of prepayment; provided, any such prepayment of the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans shall be applied to prepay the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans on a pro rata basis (in accordance with the respective outstanding principal amounts thereof) (unless any Lenders under any such Class incurred after the Closing Date elect to be prepaid on a less than ratable basis). If the Borrowers fail to specify the Loans to which any such prepayment shall be applied, such prepayment shall be applied to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis).

(b) Application of Mandatory Prepayments by Type of Loans. Subject to Section 2.15(d), any amount required to be paid pursuant to Sections 2.14(a) through 2.14(e) shall be applied to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any such Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis);

Notwithstanding anything to the contrary set forth above in this Section 2.15(b), the net cash proceeds from the incurrence of any Credit Agreement Refinancing Indebtedness shall be applied as provided in the definition thereof and, if applicable, Section 2.26.

(c) Application of Prepayments of Loans to Types of Loans. Considering each Class of Loans being prepaid separately, any prepayment thereof shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Loans, in each case in a manner which minimizes the amount of any payment required to be made by the Borrowers pursuant to Section 2.18(c).

(d) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, so long as any Loans are outstanding, if the Borrowers are required to make any mandatory prepayment (a "**Waivable Mandatory Prepayment**") of the Loans (other than pursuant to Section 2.14(d)), not less than three Business Days prior to the date (the "**Required Prepayment Date**") on which the Borrowers are required to make such Waivable Mandatory Prepayment, the Borrower Representative shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender holding outstanding Term Loans, Extended Term Loans, Incremental Term Loans or Other Term Loans of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent (who shall notify the Borrower Representative of the aggregate amount of Retained Declined Proceeds prior to the Required Prepayment Date) of its election to do so on or before 12:00 p.m. (New York City time) on the first Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower Representative and the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrowers may retain the amount of any Waivable Mandatory Prepayment (any such amount retained by the Borrowers, the "**Retained Declined Proceeds**").

2.16 General Provisions Regarding Payments.

(a) Payments Due. All payments by the Borrowers of principal, interest, fees and other Obligations shall be made without defense, setoff or counterclaim, and free of any restriction or condition. All payments by the Borrowers shall be made in Dollars in same day funds and delivered to the Administrative Agent not later than 1:00 p.m. (New York City time) on the date due at the Payment Office for the account of the Lenders. For purposes of computing interest and fees, any funds received by the Administrative Agent after the time on such due date specified in this Section 2.16(a) may, in the discretion of the Administrative Agent, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of (x) the Federal Funds Effective Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(c) Payments to Include Interest. All payments in respect of the principal amount of any Loan (shall include payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(d) Distribution of Payments. The Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(e) Affected Lender. Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurodollar Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(f) Payment Due on Non-Business Day. Subject to the provisos set forth in the definition of "Interest Period", whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.

(g) Borrower's Accounts. The Borrowers hereby authorize the Administrative Agent to charge the Borrowers' accounts with the Administrative Agent in order to cause timely payment to be made to the Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

(h) Non-Conforming Payment. If any payment by or on behalf of the Borrowers hereunder is not made in same day funds prior to 1:00 p.m. (New York City time), the Administrative Agent may deem such payment to be a non-conforming payment and if so, shall give prompt notice thereof to the Borrower Representative and each applicable Lender. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is paid in full.

2.17 Ratable Sharing. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, premium, if any, or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided: (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.17 shall not be construed to apply to (A) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or Participant, other than to the Borrowers or any of the Restricted Subsidiaries (as to which the provisions of this Section shall apply). Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Credit Party in the amount of such participation.

2.18 Making or Maintaining Eurodollar Loans.

(a) Inability to Determine Applicable Interest Rate. If the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error), on any Quotation Day with respect to any Eurodollar Loans, that adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of Adjusted Eurodollar Rate, the Administrative Agent shall on such date give notice (by telefacsimile or e-mail) to the Borrower Representative and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, Eurodollar Loans until such time as the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by the Borrower Representative with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by the Borrowers. Notwithstanding the foregoing, if the Administrative Agent has made a determination described in the preceding sentence, the Administrative Agent and the Borrowers shall negotiate in good faith to amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement to preserve the original intent thereof in light of such change; provided that, until so amended, such impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.18(a).

(b) Illegality or Impracticability of Eurodollar Loans. If on any date any Lender (in the case of clause (i) below) or the Required Lenders (in the case of clause (ii) below) shall have determined in good faith (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error) that the making, maintaining or continuation of its Eurodollar Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any Law (or would conflict with any treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the applicable interbank market or the position of the Lenders in that market, then, and in any such event, the affected Lenders shall each be an "**Affected Lender**" and it shall on that day give notice (by e-mail, facsimile or by telephone confirmed in writing) to the Borrower Representative and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). If the Administrative Agent receives a notice from (A) any Lender pursuant to clause (i) of the preceding sentence or (B) a notice from Lenders constituting Required Lenders pursuant to clause (ii) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, Eurodollar Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a Eurodollar Loan denominated in Dollars then being requested by the Borrowers pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan, (3) the Lenders' (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender's) obligations to maintain their respective outstanding Eurodollar Loans (the "**Affected Loans**") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by Law and (4) if the Affected Loans are denominated in Dollars, such Affected Loans shall automatically convert into Base Rate Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Loan then being requested by the Borrower Representative pursuant to a Funding Notice or a Conversion/Continuation Notice, the Borrowers shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving written notice to the Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender).

(c) Compensation for Breakage or Non Commencement of Interest Periods. The Borrowers shall compensate each Lender, upon written request by such Lender through the Administrative Agent (which request shall set forth the basis for requesting such amounts and shall be conclusive and binding in the absence of manifest error), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurodollar Loan does not occur on a date specified therefor in a Funding Notice, or a conversion to or continuation of any Eurodollar Loan does not occur on a date specified therefor in a Conversion/Continuation Notice; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its Eurodollar Loans is not made on any date specified in a notice of prepayment given by the Borrowers.

(d) Booking of Eurodollar Loans. Any Lender may make, carry or transfer Eurodollar Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant Eurodollar Loans through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to the definition of Eurodollar Base Rate in an amount equal to the amount of such Eurodollar Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided, each Lender may fund each of its Eurodollar Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

2.19 Increased Costs; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate);

(ii) subject any Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its Loans, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines in good faith that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company would have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 2.19(a) or 2.19(b) and delivered to the Borrower Representative, shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate and owing under Section 2.19(a) or Section 2.19(b) within ten Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided, the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

2.20 Taxes; Withholding, Etc.

(a) Defined Terms. For purposes of this Section 2.20, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrowers. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrowers. Without duplication of any additional amounts paid under this Section 2.20, the Credit Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Holdings by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.20, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent and at the time or times prescribed by applicable Laws, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent or prescribed by applicable Laws as will permit (A) such payments to be made without withholding or at a reduced rate of withholding, or (B) will permit the Borrowers or the Administrative Agent to otherwise establish such Lender's status for withholding Tax purposes in an applicable jurisdiction. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to Holdings and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower or Holdings within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Holdings and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

2.21 Obligation to Mitigate. If any Lender requests compensation under Section 2.19, or requires a Credit Party to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, then such Lender shall (at the request of the relevant Credit Party) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.19 or 2.20, as the case may be, in the future, and (b) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

2.22 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) [Reserved].

(iv) [Reserved].

(v) [Reserved].

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held by the Lenders in accordance with their Pro Rata Shares of the applicable Commitments without giving effect to Section 2.22(a)(iv), whereupon such Lender will cease to be a Defaulting Lender; provided, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

2.23 Replacement Lenders. If any Lender requests compensation under Section 2.19, or if the Borrowers are required to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 2.21, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent (which shall be given within thirty days after such Lender requests such amount or becomes a Defaulting Lender or Non-Consenting Lender, as the case may be), require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.6), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.19 or Section 2.20) and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided:

(a) the Administrative Agent shall have received the assignment fee (if any) specified in Section 10.6(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees, premium (if any) and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.18(c) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts));

(c) in the case of any such assignment resulting from a claim for compensation under Section 2.19 or payments required to be made pursuant to Section 2.20, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Law; and

(e) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent;

provided further, a Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

2.24 Extension of Loans.

(a) The Borrowers may from time to time, pursuant to the provisions of this Section 2.24, agree with one or more Lenders holding Loans of any Class to extend the maturity date, and otherwise modify the economic terms of any such Class or any portion thereof (including, without limitation, by increasing the interest rate or fees payable and/or modifying the amortization schedule in respect of any Loans of such Class or any portion thereof) (each such modification an "**Extension**") pursuant to one or more written offers (each an "**Extension Offer**") made from time to time by the Borrowers to all Lenders under any Class that is proposed to be extended under this Section 2.24, in each case on a pro rata basis (based on the relative principal amounts of the outstanding Loans of each Lender in such Class) and on the same terms to each such Lender. In connection with each Extension, the Borrower Representative will provide notification to the Administrative Agent (for distribution to the Lenders of the applicable Class), no later than ninety days prior to the maturity of the applicable Class or Classes to be extended of the requested new maturity date for the extended Loans of each such Class (each an "**Extended Maturity Date**") and the due date for Lender responses. In connection with any Extension, each Lender of the applicable Class wishing to participate in such Extension shall, prior to such due date, provide the Administrative Agent with a written notice thereof in a form reasonably satisfactory to the Administrative Agent. Any Lender that does not respond to an Extension Offer by the applicable due date shall be deemed to have rejected such Extension. After giving effect to any Extension, the Term Loans, Incremental Term Loans or Other Term Loans so extended shall cease to be a part of the Class they were a part of immediately prior to the Extension and shall be a new Class hereunder.

(b) Each Extension shall be subject to the following:

(i) no Event of Default shall have occurred and be continuing at the time any Extension Offer is delivered to the Lenders or at the time of such Extension;

(ii) except as to interest rates, fees, scheduled amortization and final maturity date (which, in each case, subject to clause (iv) below, shall be determined by the Borrowers and set forth in the relevant Extension Offer), the Term Loans, Incremental Term Loans or Other Term Loans, as applicable, of any Lender extended pursuant to any Extension shall have the same terms as the Class of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, subject to the related Extension Offer; provided, at no time shall there be more than three different Classes of Term Loans, three different Classes of Incremental Term Loans or Other Term Loans;

(iii) (x) the final maturity date of any Term Loans, Incremental Term Loans or Other Term Loans of a Class to be extended pursuant to an Extension shall be no earlier than the final maturity date of such Class, (y) the Weighted Average Life to Maturity of any Term Loans, Incremental Term Loans or Other Term Loans of a Class to be extended pursuant to an Extension shall be no shorter than the then applicable Weighted Average Life to Maturity of such Class and (z) the amortization schedule applicable to Term Loans, Incremental Term Loans or Other Term Loans subject to an Extension for periods prior to the Term Loan Maturity Date (or any Extended Maturity Date in effect prior to giving effect to such extension) may not be increased;

(iv) if the aggregate principal amount of Term Loans, Incremental Term Loans or Other Term Loans of a Class in respect of which Lenders shall have accepted an Extension Offer exceeds the maximum aggregate principal amount of Term Loans, Incremental Term Loans or Other Term Loans, as the case may be, of such Class offered to be extended by the Borrowers pursuant to the relevant Extension Offer, then such Loans of such Class shall be extended ratably up to such maximum amount based on the relative principal amounts thereof (not to exceed any Lender's actual holdings of record) with respect to which such Lenders accepted such Extension Offer;

(v) all documentation in respect of such Extension shall be consistent with the foregoing;

(vi) any applicable Minimum Extension Condition shall be satisfied; and

(vii) no Extension shall become effective unless, on the proposed effective date of such Extension, the conditions set forth in Section 3.2 shall be satisfied (with all references in such Section to a Credit Date being deemed to be references to the Extension on the applicable date of such Extension), and the Administrative Agent shall have received a certificate to that effect dated the applicable date of such Extension and executed by an Authorized Officer of the Borrower Representative.

(c) [Reserved].

(d) No Extension Offer is required to be in any minimum amount or any minimum increment, provided that (i) the Borrowers may at their election specify as a condition (a "**Minimum Extension Condition**") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrowers' sole discretion and which may be waived by the Borrowers) of Loans of any or all applicable Classes be tendered and (ii) unless another amount is agreed to by the Administrative Agent, no Class of extended Term Loans shall be in an amount of less than $5,000,000. For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.17 and Section 10.6 will not apply to Extensions of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, pursuant to Extension Offers made pursuant to and in accordance with the provisions of this Section 2.24, including with respect to any payment of interest or fees in respect of any Term Loans, Incremental Term Loans or Other Term Loans, as applicable, that have been extended pursuant to an Extension at a rate or rates different from those paid or payable in respect of Loans of any other Class, in each case as is set forth in the relevant Extension Offer. It is further understood and agreed that Extensions of the Loans pursuant to this Section 2.24 shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14.

(e) No Lender who rejects any request for an Extension shall be deemed a Non-Consenting Lender for purposes of Section 2.23.

(f) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans, Incremental Term Loans and/or Other Term Loans . The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments (collectively, "**Extension Amendments**") to this Agreement and the other Credit Documents as may be necessary in order establish new Classes of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, created pursuant to an Extension and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.24.

Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.24 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrowers in accordance with any instructions received from such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrowers unless and until it shall have received such advice or concurrence; provided, regardless of whether there has been a request by the Administrative Agent for any such advice or concurrence, all such Extension Amendments entered into with the Borrowers by the Administrative Agent hereunder shall be binding on the Lenders. Without limiting the foregoing, in connection with any Extensions, the appropriate Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage (or any other Credit Document that Administrative Agent or Collateral Agent reasonably requests to be amended to reflect an Extension) that has a maturity date prior to the latest Extended Maturity Date so that such maturity date is extended to the then latest Extended Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(g) In connection with any Extension, the Borrower Representative shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be reasonably established by, or reasonably acceptable to, the Administrative Agent to accomplish the purposes of this Section 2.24.

2.25 Incremental Loans.

(a) Types of Facilities. The Borrowers may by written notice by the Borrower Representative to the Administrative Agent elect to request the establishment of one or more new term loan commitments (the "**Incremental Term Loan Commitments**"); provided:

(i) each Incremental Term Loan Commitment shall be in an aggregate principal amount that is not less than $5,000,000 and shall be in an increment of $1,000,000 (provided, such amount may be less than $5,000,000 if such amount represents all then remaining availability under the limit set forth in clause (ii) below); and

(ii) the aggregate amount of the Incremental Term Loan Commitments requested after the Closing Date shall not exceed the Maximum Incremental Facilities Amount as in effect at such time (it being understood that the Maximum Incremental Facilities Amount shall be calculated as set forth in the definition thereof);

For the avoidance of doubt, no existing Lender shall be obligated to provide any Incremental Term Loan Commitment.

(b) Notice. Each notice referred to in Section 2.25(a) shall specify (i) the date (each, an "**Incremental Increase Date**") on which the Borrowers propose that Incremental Term Loan Commitments shall be effective, which shall be a date not less than ten Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender, other Eligible Assignee or any other Person (each, an "**Incremental Term Loan Lender**", as applicable) to whom the Borrowers propose any portion of such Incremental Term Loan Commitments be allocated and the amounts of such allocations; provided, any Eligible Assignee or other Person identified by the Borrowers as a proposed Incremental Term Loan Lender shall be reasonably acceptable to the Administrative Agent.

(c) Conditions to Effectiveness. Each Incremental Term Loan Commitment shall become effective as of the applicable Incremental Increase Date; provided:

(i) (a) if the proceeds of such Incremental Term Loans shall be applied to consummate a Limited Condition Acquisition, no Default or Event of Default shall exist on such Incremental Increase Date immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, provided that the Lenders providing such Incremental Term Loan Commitments may instead agree that (1) no Default or Event of Default shall exist at the time that the definitive acquisition agreement is entered into (determined in accordance with Section 1.7) and (2) on such Incremental Increase Date both immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, no Event of Default under Section 8.1(a) (but, in the case of such Section 8.1(a), solely if with respect to premium or interest), 8.1(f) or 8.1(g) shall have occurred and be continuing or would result therefrom and (b) in all other cases, no Default or Event of Default shall exist on such Incremental Increase Date immediately before or immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder;

(ii) both immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, as of such Incremental Increase Date, the representations and warranties contained herein and in the other Credit Documents shall be true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of that Credit Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date; provided, with respect to this clause (ii), to the extent that the proceeds of Loans under any Incremental Term Loan Commitments are to be used to finance a Limited Condition Acquisition, the availability thereof instead may be subject to customary "SunGard" or "certain funds" conditionality to the extent agreed by the Lenders providing such Loans;

(iii) if applicable, the Borrower Representative shall have delivered a fully executed Funding Notice to the Administrative Agent at the Notice Office no later than 11:00 a.m. (New York City time) at least three Business Days in advance of the proposed Credit Date in the case of any Incremental Term Loan that is a Eurodollar Loan, and at least one Business Day in advance of the proposed Credit Date in the case of an Incremental Term Loan that is a Base Rate Loan; and

(iv) such Incremental Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements, each of which shall be recorded in the Register.

(d) [Reserved].

(e) Series of Incremental Term Loans. Any Incremental Term Loans made on an Incremental Increase Date shall be designated a series (a "**Series**") of Incremental Term Loans for all purposes of this Agreement and such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to

Section 2.24, or any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26. On any Incremental Increase Date on which any Incremental Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Incremental Term Loan Lender of any Series shall make a Loan to the Borrowers (an "**Incremental Term Loan**") in an amount equal to its Incremental Term Loan Commitment of such Series, and (ii) each Incremental Term Loan Lender of any Series shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Series and the Incremental Term Loans of such Series made pursuant thereto.

(f) Notice to Lenders. The Administrative Agent shall notify the Lenders, promptly upon receipt of the Borrower Representative's notice of an Incremental Increase Date, of the Series of Incremental Term Loan Commitments and the Incremental Term Loan Lenders of such Series, in each case, as applicable.

(g) Terms. The terms of the Incremental Term Loans and Incremental Term Loan Commitments of any Series shall be mutually agreed by the Borrowers and the applicable Incremental Term Loan Lenders; provided such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to Section 2.24, any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26; provided further, in the case of any separate Series:

(i) such Series shall rank pari passu in right of payment, and rank pari passu in right of security, with the Obligations;

(ii) (A) the maturity date applicable to such Series shall not be earlier than the then-final scheduled maturity date of the Term Loans with the latest Term Loan Maturity Date then in effect, and (B) the Weighted Average Life to Maturity of such Series shall not be shorter than the then applicable Weighted Average Life to Maturity of the Term Loans with the latest Term Loan Maturity Date then in effect;

(iii) such Series shall not be (A) secured by a Lien on any property that does not also secure the Obligations or (B) be guaranteed by any Person other than a Guarantor (and any guaranty by Holdings or LLC Subsidiary shall be limited in recourse on the same basis as their Guaranty hereunder);

(iv) such Series shall share on a pro rata basis in all mandatory and voluntary prepayments of Term Loans unless the Lenders providing such Series agree to payment on a less than pro rata basis;

(v) if (A) such Series becomes effective on or prior to the date that is the one-year anniversary of the Closing Date and (B) the Weighted Average Yield relating to such Series (which, in the case of each Series of Incremental Term Loans whenever incurred, shall be determined by the Borrowers and the Lenders providing such Series of Incremental Term Loans) exceeds the Weighted Average Yield relating to the Term Loans on such date by more than 0.50%, then the Weighted Average Yield relating to the Term Loans shall be adjusted to be equal to the Weighted Average Yield relating to such Series minus 0.50%; and

(vi) except as otherwise expressly set forth in the foregoing clauses (i) through (v), inclusive, the pricing (including interest, fees and premiums) and optional prepayment terms with respect such Series shall be determined by the Borrowers and the lenders providing such Series and be reasonably satisfactory to the Administrative Agent; provided, (A)

such Series may not be voluntarily or mandatorily prepaid prior to repayment in full of the Obligations (other than Remaining Obligations), unless accompanied by at least a ratable payment of the then existing Obligations, and (B) the other terms of such Series (other than with respect to pricing, margin, maturity and/or fees or as otherwise contemplated in the foregoing clauses (i) through (v) above) shall be, when taken as a whole, not materially more favorable (as reasonably determined by the Borrowers in good faith) to the lenders or holders providing such Series than those applicable to the Term Loans (except to the extent (x) such terms are reasonably acceptable to the Administrative Agent or added in the Credit Documents for the benefit of the Lenders pursuant to an amendment hereto or thereto subject solely to the reasonable satisfaction of the Administrative Agent or (y) such terms are applicable solely to periods after the latest final Term Loan Maturity Date existing at the time of such incurrence).

(h) Joinder Agreement. Each Joinder Agreement may, without the consent of any the Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.25.

2.26 Refinancing Facilities

(a) At any time after the Closing Date, the Borrowers may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement (which, for purposes of this clause (a), will be deemed to include any then outstanding Other Term Loans and Other Term Loan Commitments), in the form of Other Term Loans or Other Term Loan Commitments, pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (A) shall rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (B) will have such pricing, fees, premiums, and interest or optional prepayment terms as may be agreed by the Borrowers and the Lenders thereof, (C) will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than, the then applicable Weighted Average Life to Maturity of the Term Loans being refinanced (other than to the extent of nominal amortization for periods where amortization has been eliminated or reduced as a result of prepayments of such Term Loans), (D) any Credit Agreement Refinancing Indebtedness in the form of Other Term Loans or Other Term Loan Commitments will share ratably in any voluntary and mandatory prepayments or repayments of Term Loans (unless the Lenders providing the Other Term Loans agree to participate on a less than pro rata basis in any voluntary or mandatory prepayments or repayments), (E) such Credit Agreement Refinancing Indebtedness shall be subject to the Intercreditor Agreement and (F) will have terms and conditions that are not materially more restrictive, taken as a whole, to Holdings and its Restricted Subsidiaries than those applicable to the Refinanced Debt, taken as a whole, as determined in Holdings' good faith judgment in consultation with the Administrative Agent (except for (A) covenants and events of default applicable only to periods after the Latest Maturity Date in effect at the time of the incurrence or issuance of any such Credit Agreement Refinancing Indebtedness or (B) unless the Borrowers enter into an amendment to this Agreement with the Administrative Agent (which amendment shall not require the consent of any other Lender) to add such more restrictive terms for the benefit of the Lenders). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.26 shall be in an aggregate principal amount that is not less than $10,000,000 and an integral multiple of $1,000,000 in excess thereof.

(b) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement

Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section. For the avoidance of doubt, no existing Lender shall be obligated to provide any Credit Agreement Refinancing Indebtedness.

(c) This Section 2.26 shall supersede any provisions in Section 2.5, 2.17 or 10.5 to the contrary.

2.27 Joint and Several Liability of the Borrowers; Borrower Representative.

(a) Notwithstanding anything to the contrary contained herein, each Borrower hereby accepts joint and several liability hereunder and under the other Credit Documents in consideration of the financial accommodations to be provided by the Agents and the Lenders under this Agreement and the other Credit Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of the other Borrower to accept joint and several liability for the Obligations. Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrower will make such payment with respect to, or perform, such Obligations. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 2.27(a) constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Credit Documents or any other circumstances whatsoever.

(b) Each Borrower and Holdings hereby designates U.S. Borrower to act as its "Borrower Representative" hereunder. The Borrower Representative agrees to act as agent behalf on each of the Borrowers for the purposes of issuing Funding Notices and Conversion/Continuation Notices with respect to any Loans or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Credit Documents and taking all other actions and making any other determinations on behalf of Holdings, any Borrower or the Borrowers under the Credit Documents. The Borrower Representative hereby accepts such appointment. Each Borrower and Holdings agrees that each notice, election, representation and warranty, covenant, agreement, undertaking and determination made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower or Holdings, as applicable, and shall be binding upon and enforceable against such Person to the same extent as if the same had been made directly by such Person.

2.28 Designation of Borrowers. On or after the Closing Date, the Borrower Representative may, at any time and from time to time, designate any Subsidiary that is both a wholly owned Subsidiary and a Restricted Subsidiary as a "Borrower" by delivery to the Administrative Agent of a Borrower Joinder executed by such Subsidiary, each other Guarantor and the Borrower Representative; provided that:

(a) any such Restricted Subsidiary is organized in a Qualified Borrower Jurisdiction;

(b) the representations and warranties set forth herein and in each other Credit Document shall be true and correct in all material respects on and as of the date of the Borrower Joinder for such proposed Restricted Subsidiary becoming an additional Borrower with the same effect as though made on and as of each of such dates (except to the extent made as of a specific date, in which case such representation and warranty shall be true and correct in all material respects on and as of such specific date);

(c) no Default or Event of Default shall exist on and as of the date of the Borrower Joinder for such proposed Restricted Subsidiary becoming an additional Borrower;

(d) the Administrative Agent and the Lenders shall have received all documentation and other information that the Administrative Agent or a Lender has requested in writing of the Borrower Representative with respect to any new Borrower at least ten days prior to the requested date of such joinder that they reasonably determine is required by regulatory authorities under applicable "know your customer" and AML Laws, including the PATRIOT ACT, in each case, at least three days prior to the date of such joinder (or such shorter period as the Administrative Agent shall otherwise agree);

(e) such Restricted Subsidiary shall have delivered to the Administrative Agent a duly authorized, executed and delivered counterpart signature page to a Borrower Joinder;

(f) if such Restricted Subsidiary is not a Credit Party on the date it becomes or is to become an additional Borrower pursuant to this Section 2.28, such Restricted Subsidiary shall have delivered to the Collateral Agent duly authorized, executed and delivered copies of any Collateral Documents required to be entered into by such Restricted Subsidiary pursuant to Section 5.11 as applied to such Restricted Subsidiary becoming a Borrower hereunder and, regardless of whether such Restricted Subsidiary is a Credit Party on the date it becomes or is to become an additional Borrower hereunder, Section 5.11 shall have been satisfied with respect to such Restricted Subsidiary (without giving effect to any grace periods set forth therein);

(g) the Administrative Agent shall have received, to the extent requested thereby, customary opinions of counsel reasonably satisfactory to the Administrative Agent; and

(h) the Administrative Agent shall have received:

(i) recent corporate authorizations and Organizational Documents of, and specimen signatures for, such Restricted Subsidiary, and (to the extent available) a certificate of good standing for such Restricted Subsidiary as of a recent date from the Secretary of State or similar Governmental Authority of the jurisdiction of its organization; and

(ii) a certificate of an authorized signatory of such Restricted Subsidiary certifying the copies of the foregoing documents provided by it.

Upon receipt thereof the Administrative Agent shall promptly transmit such Borrower Joinder and the related documents delivered pursuant to this Section 2.29 to each of the Lenders, and such Restricted Subsidiary shall be deemed a Borrower for all purposes under this Agreement and the other Credit Documents.

solely by an increase in the Equity Contribution; provided further, (1) any change in the definition of "Material Adverse Effect" in the Closing Date Acquisition Agreement shall be deemed to be materially adverse to the interests of the Lenders and the Lead Arrangers and (2) any purchase price adjustment (including any working capital adjustment) expressly contemplated by the Closing Date Acquisition Agreement (as originally in effect) shall not be considered an amendment, waiver, supplement, consent or other modification of the Closing Date Acquisition Agreement.

(m) Fees and Expenses. The Borrowers shall have paid to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders the fees payable to each such Person on the Closing Date referred to in Section 2.11(g). The Borrowers shall have paid all expenses required to be paid by the Borrowers to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders for which reasonably detailed invoices have been presented at least two Business Days prior to the Closing Date (or such shorter period as may be agreed by the Borrowers). (q) Representations and Warranties. The Closing Date Acquisition Agreement Representations shall be true and correct on and as of the Closing Date and the Specified Representations shall be true and correct in all material respects on and as of the Closing Date, except in the case of any Specified Representation which expressly relates to a given date or period, in which case, such representation and warranty shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be; provided that to the extent that any of such representations and warranties are qualified by or subject to a materiality, "material adverse effect", "material adverse change" or similar term or qualification, (x) the definition thereof shall be a Material Adverse Effect for purposes of any such representations and warranties made or deemed made on, or as of, the Closing Date (or any date prior thereto) and (y) such representations and warranties shall be true in all respects.

(r) Collateral, Approval and Guarantee Requirements(s) . Notwithstanding anything to the contrary in Section Sections 3.1(a), (b) or (f), (i) to the extent any Lien on, and/or security interest in, any Collateral is not or cannot be created and/or perfected on the Closing Date (other than the grant and perfection of security interests (A) in assets with respect to which a Lien may be perfected solely by the filing of a financing statement under the UCC or (B) in certificated Securities of Lux Holdco or a Borrower with respect to which a Lien may be perfected by the delivery of a stock certificate), then the provision of any such Collateral and any related Closing Date Foreign Collateral Document and security deliverables in connection therewith (or legal opinions in respect thereof) shall not constitute a condition precedent to the availability of the initial Loans on the Closing Date, but may instead be provided as promptly as practicable after the Closing Date and in any event within the period specified therefor in Section 5.22 and (ii) with respect to any corporate authorizations or any guarantees and security to be provided by any Foreign Subsidiary (after giving effect to the Closing Date Acquisition) that is required to become a Guarantor, if such authorizations, guarantees and security cannot be provided as a result of any requirement of applicable Laws on the Closing Date because the directors or managers (or

equivalent) of such Foreign Subsidiary have not delivered such authorizations and/or have not approved the applicable guarantees and security, and the election or appointment of new directors, managers or officers to authorize such guarantees and security and deliver such authorizations has not taken place prior to the initial funding of the Loans on the Closing Date or such authorization or execution or delivery of any document is delayed due to time zone complications (such approvals, guarantees and security, collectively, the "**Delayed Approvals, Guarantees and Security**"), such elections or appointments and/or deliveries shall take place no later than 5:00 p.m., New York City time, on the Business Day immediately following the Closing Date as provided in Section 5.22 (or such later dates as may be agreed to in writing by the Administrative Agent in its sole discretion), but delivery of the Delayed Approvals, Guarantees and Security will not constitute a condition precedent under this Section 3.1 to the funding of the initial Loans on the Closing Date.

Each Lender and each Agent, by delivering its signature page to this Agreement and, if applicable, funding a Loan on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document, agreement, instrument, certificate or opinion required to be approved by such Lender or such Agent, as the case may be, on the Closing Date.

3.2 Conditions to Each Subsequent Credit Extension.

(a) Conditions Precedent. The obligation of each Lender to make any Loan (other than pursuant to Section 2.3(g) or 2.4(d)) on any Credit Date (other than the Closing Date), are subject to the satisfaction, or waiver in accordance with Section 10.5, of only the following conditions precedent:

(i) Notice. The Administrative Agent shall have received a fully executed and delivered Funding Notice;

(ii) [Reserved];

(iii) Representations and Warranties. Subject to Section 2.25(c)(i) and (ii), if applicable, as of such Credit Date, the representations and warranties contained herein and in the other Credit Documents shall be true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of that Credit Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date; and

(iv) No Default or Event of Default. Subject to Section 2.25(c)(i), if applicable, as of such Credit Date, no event shall have occurred and be continuing or would result from the consummation of the applicable Credit Extension that would constitute a Default or an Event of Default.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Lenders and each Agent to enter into this Agreement and to make each Credit Extension to be made thereby, Holdings, the Borrowers and the Restricted Subsidiaries represent and warrant to the Lenders and the Agents, on the Closing Date and on each Credit Date (other than any Credit Date in respect of a Loan made pursuant to Section 2.3(g) or 2.4(d)), that the following statements are true and correct (it being understood and agreed that the representations and warranties made on the Closing Date are deemed to be made concurrently with the consummation of the Related Transactions):

4.1 Organization; Required Power and Authority; Qualification. Each of Holdings, the Borrowers and the Restricted Subsidiaries (a) is duly organized, incorporated, formed or registered, validly existing and in good standing (to the extent applicable) under the Laws of its jurisdiction of organization, incorporation, formation or registration other than (i) as a result of a transaction permitted under Section 6.8 or 6.9 and (ii) other than with respect to the Borrowers, in jurisdictions where the failure to be so qualified or in good standing (to the extent applicable) has not had, and could not be reasonably expected to have, a Material Adverse Effect, (b) has all requisite corporate (or equivalent) power and authority to own and operate its properties, to lease the property it operates as lessee, to carry on its business as now conducted and as proposed to be conducted, to enter into the Credit Documents to which it is a party and to carry out the transactions contemplated thereby, and (c) is qualified to do business and in good standing (to the extent applicable) in every jurisdiction where its assets are located and wherever necessary to carry out its business and operations, except in jurisdictions where the failure to be so qualified or in good standing (to the extent applicable), either individually or in the aggregate, has not had, and could not be reasonably expected to have, a Material Adverse Effect.

4.2 Equity Interests and Ownership. The Equity Interests of the Borrowers and the Restricted Subsidiaries (other than LLC Subsidiary) have been duly authorized and validly issued and (to the extent required under the applicable law) are fully paid and non-assessable (in the case of Foreign Subsidiaries, to the extent such concepts are applicable thereto); provided, that in the case of stock options or other equity compensation awards, the requirements of this sentence shall be deemed satisfied if such stock options or other awards have been duly authorized. Except as set forth on Schedule 4.2 or with respect to LLC Subsidiary, as of the date hereof, there is no existing option, warrant, call, right, commitment or other agreement (including preemptive rights) to which any Borrower or any of the Restricted Subsidiaries is a party requiring, and there is no Equity Interest of any Borrower or any of the Restricted Subsidiaries outstanding which upon conversion or exchange would require, the issuance by any Borrower or any of the Restricted Subsidiaries of any additional Equity Interests of any Borrower or any of the Restricted Subsidiaries or other Securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, Equity Interests of any Borrower or any of the Restricted Subsidiaries. Schedule 4.2 correctly sets forth the ownership interests of Lux Holdco, the Borrowers and the Restricted Subsidiaries (other than LLC Subsidiary) as of the Closing Date after giving effect to the Closing Date Acquisition Transactions. The organizational structure and capital structure of Holdings, LLC Subsidiary, the Borrowers and their other Subsidiaries, immediately after giving effect to Closing Date Acquisition Transactions, is as set forth on Schedule 4.2.

4.3 Due Authorization. Subject to Section 3.1(r), the execution, delivery and performance of the Credit Documents have been duly authorized by all necessary action on the part of each Credit Party that is a party thereto.

4.4 No Conflict. Subject to Section 3.1(r), the execution, delivery and performance by each Credit Party of the Credit Documents to which it is party and the consummation of the transactions contemplated by the Credit Documents do not and will not (a) violate any of the Organizational Documents of such Credit Party or otherwise require any approval of any stockholder, member or partner of such Credit Party, except for such approvals or consents which have been or will be obtained on or before the Closing Date; (b) violate any provision of any Law applicable to or otherwise binding on Holdings, any Borrower or any of the Restricted Subsidiaries, except to the extent such violation, either individually or in the aggregate, could not be reasonably expected to have a Material Adverse Effect; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets of Holdings, any Borrower or any of the Restricted Subsidiaries (other than any Liens created

under any of the Credit Documents in favor of the Collateral Agent, on behalf of the Secured Parties, or Permitted Liens); or (d) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under, or otherwise require any approval or consent of any Person under, any Contractual Obligation of Holdings, any Borrower or any of the Restricted Subsidiaries, except to the extent any such conflict, breach or default, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, and except for such approvals or consents (i) which have been or will be obtained on or before the Closing Date or (ii) the failure of which to obtain, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

4.5 Third Party Consents. The execution, delivery and performance by the Credit Parties of the Credit Documents to which they are parties and the consummation of the transactions contemplated by the Credit Documents do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or other third Person, except (a) such as have been obtained and are in full force and effect, (b) for filings and recordings with respect to the Collateral to be made or otherwise that have been delivered to the Collateral Agent for filing and/or recordation and (c) those approvals, consents, registrations or other actions or notices, the failure of which to obtain or make could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.6 Binding Obligation. Each Credit Document has been duly executed and delivered by each Credit Party that is a party thereto and is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its respective terms, except as may be limited by Debtor Relief Laws, by the principle of good faith and fair dealing, or limiting creditors' rights generally or by equitable principles relating to enforceability.

4.7 Historical Financial Statements and Pro Forma Balance Sheet.

(a) The Historical Financial Statements (other than the unqualified audit opinion described in the definition thereof) were prepared in conformity with GAAP (in the case of the unaudited Historical Financial Statements, subject to the absence of year-end and audit adjustments and footnotes and other presentation items) and fairly present, in all material respects, the financial position, on a consolidated basis, of the Persons described in such financial statements as at the respective dates thereof and their consolidated income and cash flows for the periods covered thereby, except as indicated in any notes thereto.

(b) The pro forma estimated consolidated balance sheet of Holdings and its Restricted Subsidiaries as of June 30, 2017, was prepared in good faith, based on assumptions believed by Holdings to be reasonable as of the date of delivery thereof, and presents fairly in all material respects on a pro forma basis the estimated consolidated financial position of Holdings and the Restricted Subsidiaries for the period covered thereby.

4.8 Projections. On and as of the Closing Date, the Projections are based on good faith estimates and assumptions made by the management of Holdings; provided, the Projections are not to be viewed as facts and that actual results during the period or periods covered by the Projections may differ from such Projections and that the differences may be material; provided further, as of the Closing Date, management of Holdings believed that the Projections were reasonable and attainable.

4.9 No Material Adverse Change. Since December 31, 2016, no event or change has occurred that has caused or evidences, or could reasonably be expected to cause or evidence, either individually or in the aggregate, a Material Adverse Effect.

4.10 Adverse Proceedings. There are no Adverse Proceedings, either individually or in the aggregate, that could reasonably be expected to have a Material Adverse Effect. None of Holdings, any Borrower or any of the Restricted Subsidiaries is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any Governmental Authority, domestic or foreign, that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

4.11 Payment of Taxes. Except as otherwise permitted under Section 5.3 or, in respect of Taxes and Tax returns for periods prior to the Closing Date, as would not reasonably be expected to result in a Material Adverse Effect, all material Tax returns and reports of Holdings, the Borrowers and the Restricted Subsidiaries required to be filed by any of them have been timely filed or caused to be timely filed, and all Taxes shown on such Tax returns to be due and payable and all other material assessments, fees and other governmental charges upon Holdings, the Borrowers and the Restricted Subsidiaries and upon their respective properties, assets, income, businesses and franchises which are due and payable have been paid or caused to be duly and timely paid when due and payable, except for those returns, reports, Taxes, assessments, fees and other governmental charges being actively contested by Holdings, any Borrower or any such Restricted Subsidiary in good faith and by appropriate proceedings and for which reserves in accordance with GAAP have been set aside on its books.

4.12 Title. (w) additional Investments at any one time outstanding in an unlimited amount provided that (i)(A) to the extent that any such Investment is made in connection with a Limited Condition Acquisition, (x) no Event of Default shall exist at the time of the signing of the applicable acquisition agreement and (y) no Event of Default under Section 8.1(a), 8.1(f) or 8.1(g) shall exist immediately before and after giving effect to such Investment or (B) if such Investment is not in connection with a Limited Condition Acquisition, no Event of Default shall exist immediately before or after giving effect to such Investment; and (ii) on a Pro Forma Basis immediately after giving effect to such Investment, the Consolidated Total Net Leverage Ratio shall not exceed 5.00:1.00, as demonstrated by a Pro Forma Compliance Certificate delivered to the Administrative Agent on or before the making of such payment;

(x) additional Investments at any one time outstanding in an amount not to exceed the then Available Amount; provided that (i)(A) to the extent that any such Investment is made in connection with a Limited Condition Acquisition, (x) no Event of Default shall exist at the time of the signing of the applicable acquisition agreement and (y) no Event of Default under Section 8.1(a), 8.1(f) or 8.1(g) shall exist immediately before and after giving effect to such Investment or (B) if such Investment is not in connection with a Limited Condition Acquisition, no Event of Default shall exist immediately before or after giving effect to such Investment and (ii) on a Pro Forma Basis immediately after giving effect to such Investment, the Consolidated Total Net Leverage Ratio shall not exceed 5.25:1.00, as demonstrated by a Pro Forma Compliance Certificate delivered to the Administrative Agent on or before the making of such Investment;

For purposes of determining compliance with this Section 6.6, if any Investment meets the criteria of more than one of the categories of Investments described in Section 6.6(a) through 6.6(z), for the avoidance of doubt the Borrowers may, in their sole discretion, classify and reclassify or later divide, classify or reclassify such Investment (or any portion thereof) and will only be required to include the amount and type of Investment in one or more of the above clauses.

6.7 Limitation on Layering; etc. Incur, or permit any Restricted Subsidiary to incur, any Indebtedness that is or purports to be by its terms (or by the terms of any agreement governing such Indebtedness) contractually subordinated and/or junior in right of payment to any Indebtedness of any Borrower or any Restricted Subsidiary unless such Indebtedness is contractually subordinated and/or junior in right of payment to the Term Loans and the other Obligations under the Credit Documents, or such Restricted Subsidiary's guaranty (as applicable) thereof, at least to the same extent as contractually subordinated or junior in right of payment to such other Indebtedness (and for the avoidance of doubt, this Section 6.7 shall not restrict Lien subordination or limit the priority of Liens otherwise permitted hereunder).

(a) any Restricted Subsidiary (other than LLC Subsidiary) may be merged with or into any Borrower or any Guarantor Subsidiary, or be liquidated, wound up or dissolved, or all or any part of its business, property or assets may be conveyed, sold, leased, transferred or otherwise disposed of, in one transaction or a series of transactions, to any Borrower or any Guarantor Subsidiary; provided, in the case of such a merger, any Borrower or such Guarantor Subsidiary, as applicable, shall be the continuing or surviving Person;

SECTION 7. GUARANTY

7.1 Guaranty of the Obligations. The Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)) (collectively, the "**Guaranteed Obligations**").

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (x) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (y) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors times (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Guaranteed Obligations. "**Fair Share Contribution Amount**" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state Law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "**Aggregate Payments**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (ii) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3 Payment by Guarantors. Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of the Borrowers or any other Guarantor to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for any Borrower's becoming the subject of a proceeding under any Debtor Relief Law, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against such Borrower for such interest in such proceeding) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations (other than Remaining Obligations). In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability;

(b) this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(c) the Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between any Borrower and any Beneficiary with respect to the existence of such Event of Default;

(d) the obligations of each Guarantor hereunder are independent of the obligations of any Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of any Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against any Borrower or any of such other Guarantors and whether or not any Borrower is joined in any such action or actions;

(e) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(f) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or the applicable Swap Contract and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether

or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any Borrower or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents or the Swap Contracts; and

(g) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations (other than Remaining Obligations)), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents or the Swap Contracts, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents, any of the Swap Contracts or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document, such Swap Contract or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or any of the Swap Contracts or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Holdings, any Borrower or any of the Restricted Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set-offs or counterclaims which any Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

7.5 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against any Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from any Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Borrower or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions

in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith or gross negligence; (e) (i) any principles or provisions of Law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, the Swap Contracts or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to the Borrowers and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by Law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against any Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against any Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations (other than Remaining Obligations) shall not have been finally and paid in full, such amount shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7 Subordination of Other Obligations. Any Indebtedness of any Borrower or any Guarantor now or hereafter held by any Guarantor (the "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 Authority of Guarantors or the Borrowers. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or any Borrower or the officers, members of the Board of Directors or any agents acting or purporting to act on behalf of any of them.

7.10 Financial Condition of the Borrowers. Any Credit Extension may be made to the Borrowers or continued from time to time, and any Swap Contracts may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrowers at the time of any such grant or continuation or at the time such Swap Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Borrowers. Each Guarantor has adequate means to obtain information from the Borrowers on a continuing basis concerning the financial condition of the Borrowers and their ability to perform its obligations under the Credit Documents and the Swap Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrowers and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrowers now known or hereafter known by any Beneficiary.

7.11 Bankruptcy, Etc.

(a) Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, without the prior written consent of the Administrative Agent acting pursuant to the instructions of the Required Lenders, commence or join with any other Person in commencing any proceeding under any Debtor Relief Law of or against any Borrower or any other Guarantor. The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of any Borrower or any other Guarantor or by any defense which any Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve any Borrower of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) If all or any portion of the Guaranteed Obligations are paid by any Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

7.12 Discharge of Guaranty Upon Sale of Guarantor(a) . If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such sale or disposition, and the Administrative Agent agrees to take all actions reasonably requested by the Borrowers or such Guarantor to evidence the discharge and release of such Guarantor; provided that (a) any such action shall be without recourse to, or representation or warranty by, the Administrative Agent, (b) any document executed by the Administrative Agent shall be in form and substance reasonably satisfactory to the Administrative Agent and (c) the Administrative Agent shall not be required to take any such action that, in its reasonable opinion or the reasonable opinion of its counsel, could reasonably be expected to expose the Administrative Agent to undue liability or that is contrary to any Credit Document or applicable law.

It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to an Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. Each Lender irrevocably authorizes the Administrative Agent and the Collateral Agent to execute and deliver the Intercreditor Agreement and any other applicable intercreditor or subordination agreement and to take such action, and to exercise the powers, rights and remedies granted to the Administrative Agent and the Collateral Agent thereunder and with respect thereto.

9.2 Rights as a Lender. The Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may issue letters of credit for the account of, accept deposits from, lend money to, own Securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, Holdings, any Borrower or any of the Restricted Subsidiaries or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. 9.3 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its duties hereunder (in the case of Macquarie Capital Funding LLC) or under any Foreign Collateral Document (in the case of Cortland Capital Market Services LLC) shall be administrative and ministerial in nature. (i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided, (A) no Agent shall be required to take any such action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law and (B) Cortland Capital Market Services LLC, in its capacity as a Collateral Agent, may take, and rely on, any instructions provided to it from the Administrative Agent; and

(iii) shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, or be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity.

Each Agent shall be fully justified in failing or refusing to take any discretionary action (or any other action which is inconsistent with the Administrative Agent's duties and obligations under Section 9.3(a)(ii)) under any Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(c) No Agent shall be deemed to have knowledge or notice of any Default or Event of Default unless and until notice describing such Default and stating that such notice is a "notice of default" is given to such Agent in writing by the Borrower Representative, a Lender.

(d) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document referred to, provided for in, or delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, other terms or conditions or obligations set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness, sufficiency or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 3 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

(e) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lender. Without limiting the generality of the foregoing, no Agent shall (i) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restrictions on any exercise of rights or remedies of, any Disqualified Lender.

9.4 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.5 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through any one or more Affiliates, agents, employees, attorneys-in-fact, separate trustees or co-trustees, or sub-agents as shall be deemed necessary or advisable by such Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section and the indemnity provisions of Section 10.3 shall apply to any such sub-agent, separate trustee or co-trustee, and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Loans and Commitments as well as activities as such Agent. No

Agent shall be responsible for the negligence or misconduct of any sub-agents, separate trustees or co-trustees, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents, separate trustees or co-trustees.

9.6 Resignation of the Administrative Agent.

(a) Each Agent may at any time give notice of its resignation to the Lenders and the Borrower Representative. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint from among the Lenders a successor with the consent of the Borrowers; provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "**Resignation Effective Date**"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date and the Lenders shall perform all of the duties of the resigning Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided above.

(b) If a Person serving as an Agent is a Defaulting Lender pursuant to clause (iv) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower Representative and such Person remove such Person as an Agent and, with the consent of the Borrowers (provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof), appoint from among the Lenders a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days (or such earlier day as shall be agreed by the Required Lenders) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents, (except that in the case of any Collateral held by the Collateral Agent on behalf of the Secured Parties, the retiring or removed the Collateral Agent shall continue to hold such Collateral until such time as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents. The term "Administrative Agent" means such successor administrative agent and the term "Collateral Agent" means such successor collateral agent. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such

successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section and Sections 10.2 and 10.3 shall continue in effect for the benefit of such retiring or removed Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

9.7 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that no Agent, Lender or any of their Related Parties has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Credit Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty to any Lender as to any matter, including whether such Agent has disclosed material information in their possession. Each Lender represents that it has, independently and without reliance upon either Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property financial and other condition and creditworthiness of the Credit Parties and their respective Subsidiaries and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Credit Parties hereunder. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Credit Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent pursuant to the Credit Documents, such Agent shall not have any duty or responsibility to provide any Lender with any other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their respective Affiliates which may come into the possession of any Agent. Without limiting the foregoing, each Lender acknowledges and agrees that neither such Lender, nor any of its respective Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the PATRIOT Act or the regulations thereunder, including the regulations contained in 31 C.F.R. 103.121 (as hereafter amended or replaced, the "**CIP Regulations**"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of the Credit Parties, their Affiliates or their agents, the Credit Documents or the transactions hereunder or contemplated hereby: (a) any identity verification procedures, (b) any recordkeeping, (c) comparisons with government lists, (d) customer notices or (e) other procedures required under the CIP Regulations or such other Laws.

9.8 No Other Duties, Etc. Anything herein to the contrary notwithstanding, no Lead Arranger listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender hereunder. Without limiting the foregoing, none of the Persons so identified shall have or be deemed to have pursuant to this Agreement any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

9.9 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3.

9.10 Collateral Documents and Guaranty.

(a) The Secured Parties irrevocably authorize the Collateral Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (v) upon termination of all Commitments and payment in full of all Obligations (other than Remaining Obligations), (w) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Credit Documents to any Person other than a Credit Party (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement), (x) subject to Section 10.5, if approved, authorized or ratified in writing by the requisite lenders under this Agreement, (y) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (iii) below or (z) to the extent the property subject to such Lien becomes an Excluded Asset;

(ii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 6.2(f) or 6.2(g); and

(iii) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted under the Credit Documents.

Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10(a). If any Collateral is disposed of as permitted by Section 6.9 to any Person other than a Credit Party, such Collateral shall be

sold free and clear of the Liens created by the Credit Documents and the Administrative Agent or the Collateral Agent, as applicable, shall, at the expense of the Borrowers, take any and all actions reasonably requested by the Borrowers to effect the foregoing (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement).

(b) Anything contained in any of the Credit Documents to the contrary notwithstanding, each Credit Party, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Credit Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Required Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale or other disposition.

(c) Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into (including any representation or warranty regarding) the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, and neither the Administrative Agent nor the Collateral Agent shall be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

9.11 Withholding Taxes. To the extent required by any applicable Law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered, was not properly executed or was invalid or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 9.11. The agreements in this Section 9.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, this Section 9.11 shall not limit or expand the obligations of the Borrowers or any other Credit Party under Section 2.20 or any other provision of this Agreement.

9.12 Collateral Held in Trust. Unless expressly provided to the contrary in any Credit Document, each Collateral Agent declares that it shall hold the Collateral in trust for the Beneficiaries on the terms contained in this Agreement.

SECTION 10. MISCELLANEOUS

10.1 Notices.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 10.1(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile, if to an Agent, to it at its address (or facsimile number) set forth in its Administrative Questionnaire as set forth on Appendix B, or if to a Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire. Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications, to the extent provided in Section 10.1(b), shall be effective as provided in Section 10.1(b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided, the foregoing shall not apply to Notices to any Lender if such Lender has notified the Administrative Agent that it is incapable of receiving Notices by electronic communication. The Administrative Agent or the Borrower Representative may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefore; provided, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, Etc.

Any party hereto may change its address, e-mail address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) Each Credit Party agrees that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Lenders by posting the Communications on Debt Domain, IntraLinks, Syndtrak or a substantially similar electronic transmission system (the "**Platform**").

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Borrowers or the other Credit Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower's, any Credit Party's or the Administrative Agent's transmission of communications through the Platform. "**Communications**" means, collectively, any notice, demand, communication, information, document or other material that any Credit Party provides to the Administrative Agent pursuant to any Credit Document or the transactions contemplated therein which is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through the Platform.

10.2 Expenses. The Borrowers shall pay (a) all reasonable, documented out of pocket expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20), incurred by the Administrative Agent, the Collateral Agent and each Lead Arranger and each of their Affiliates (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all such Persons and, solely in the case of an actual or reasonably potential conflict of interest where such Persons affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Persons taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Persons), joint or several but in each such case, excluding allocated costs of in-house counsel), in connection with the syndication of the Loans and Commitments, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (b) all documented or invoiced out of pocket expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20), incurred by the Administrative Agent, the Collateral Agent, any Lead Arranger or any Lender (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all such Persons and, solely in the case of an actual or reasonably potential conflict of interest where such Persons affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Persons taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Persons), joint or several but in each such case, excluding allocated costs of in-house counsel) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

10.3 Indemnity; Certain Waivers.

(a) Indemnification by Borrower. The Borrowers shall indemnify each Agent (and any sub-agent thereof), each Lead Arranger, each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable documented out-of-pocket fees and expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20) (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all Indemnitees and, solely in the case of an actual or reasonably potential conflict of interest where the Indemnitees affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Indemnitees taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Indemnitees), joint or several but in each such case, excluding allocated costs of in-house counsel), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including Holdings, LLC Subsidiary, any Borrower or any of the Restricted Subsidiaries) other than such Indemnitee and its Related Parties to the extent arising out of, in connection with, or as a result of (i) the structuring, arrangement or syndication of the credit facilities provided for herein, (ii) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (iii) any Loan or the use or proposed use of the proceeds therefrom, (iv) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by Holdings, any Borrower or any Restricted Subsidiary, or any Environmental Claim related in any way to Holdings, any Borrower or any Restricted Subsidiary, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding), whether brought by a third party or by Holdings, any Borrower or any of the Restricted Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided, such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (w) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, (x) result from a material breach of such Indemnitee's (or any of its Related Parties') obligations hereunder or under any other Credit Document, as determined by a court of competent jurisdiction by a final and nonappealable judgment, (y) result from disputes solely among such Indemnitees (other than any claims against an Indemnitee acting in its capacity as the Administrative Agent, Collateral Agent, a Lead Arranger or any such agent hereunder) and not arising out of any act or omission of Sponsor, Holdings, LLC Subsidiary or any of its Subsidiaries or their Affiliates or (z) relate to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) Reimbursement by Lenders. To the extent that the Borrowers for any reason fail to indefeasibly pay any amount required under Section 10.2 or Section 10.3(a) to be paid by it to an Agent (or any sub-agent thereof)or any Related Party of any of the foregoing, each Lender severally agrees to pay to such Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against an Agent (or any such sub-agent) or against any Related Party of any of the foregoing acting for such Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 10.3(b) are subject to the provisions of Section 10.12.

(c) Waiver of Consequential Damages, Etc.

To the fullest extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any Indemnitee or any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under Sections 10.2 and Section 10.3 shall be payable promptly after demand therefor.

(e) Survival. Each party's obligations under Sections 10.2 and 10.3 shall survive the termination of the Credit Documents and payment of the obligations hereunder.

10.4 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrowers or any other Credit Party against any and all of the obligations of the Borrowers or such Credit Party now or hereafter existing under this Agreement or any other Credit Document to such Lender or its respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Credit Document and although such obligations of the Borrowers or such Credit Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided, if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application; provided, the failure to give such notice shall not affect the validity of such setoff and application.

10.5 Amendments and Waivers.

(a) Required Lenders' Consent. No failure or delay by the Administrative Agent or any Lender in exercising any right or power under any Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder

and under the other Credit Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. Subject to the additional requirements of Sections 10.5(b), 10.5(c) and 10.5(d), no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall be effective without the written concurrence of the Required Lenders (other than (i) as provided in Section 2.24 with respect to an Extension Amendment or as otherwise contemplated by such section, (ii) as provided in Section 2.25 with respect to any Joinder Agreement or as otherwise contemplated by such section, (iii) as provided in Section 2.26 with respect to any Refinancing Amendment or as otherwise contemplated by such section and (iv) as contemplated by clause (vii) of the proviso to the definition of Credit Agreement Refinancing Indebtedness; provided, the Administrative Agent may, with the consent of the Borrowers only, (A) amend, modify or supplement this Agreement and any guarantees, collateral security documents and related documents executed by any Credit Party to (1) to cure any ambiguity, omission, defect or inconsistency, in each case, of a technical or immaterial nature, (2) comply with local Law or advice of local counsel or (3) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents, so long as (x) in each case, such amendment, modification or supplement does not directly materially adversely affect any material right of any Agent or the Lenders, and (y) with respect to clause (1) above, the Required Lenders shall not have objected in writing within five Business Days of such amendment, modification or supplement being posted to the Platform or otherwise delivered to the Required Lenders, (B) as provided in Section 2.18(a), amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement, (C) as provided in Section 6.5(xiv), amend the applicable provisions of this Agreement and (D) amend, modify or supplement this Agreement to implement the terms of any Syndication Amendment, so long as, in the case of this clause (D), any such amendments, modifications or supplements (x) become effective on or prior to the Syndication Date and (y) do not directly materially adversely affect any material right of any Agent or the Lenders.

(b) Affected Lenders' Consent. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) extend the scheduled final maturity of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(ii) [reserved];

(iii) [reserved];

(iv) reduce or forgive the principal amount of any Loan without the written consent of the Lender holding such Loan;

(v) [reserved];

(vi) [reserved];

(vii) waive, reduce, forgive or postpone any scheduled amortization repayment of the principal amount of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(viii) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.10) without the written consent of the Lender holding such Loan; provided that any change to the definition of any ratio used in the calculation of the interest rate therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(ix) reduce any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; provided that any change to the definition of any ratio used in the calculation of the premium or fees therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(x) extend the time for payment of any interest (other than any interest that is payable pursuant to Section 2.10) on any Loan without the written consent of the Lender holding such Loan;

(xi) extend the time for payment of any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; or

(xii) change the currency in which any Loan is denominated without the written consent of each Lender holding such Loan.

For the avoidance of doubt any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders.

(c) Consent of all Lenders. Without the written consent of all Lenders, no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) amend, modify, terminate or waive any term or condition of Sections 10.5(a), 10.5(b), this 10.5(c), 10.5(d), 10.6 or the definition of “Affiliated Lender”, “Debt Fund Affiliate”, “Eligible Assignee” or “Non-Debt Fund Affiliate”;

(ii) amend, modify, terminate or waive any term or condition of this Agreement or any other Credit Document that specifies the number or percentage of Lenders required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder;

(iii) amend, modify, terminate or waive any provision of the definition of “Required Lenders” or “Pro Rata Share” or amend, modify or waive any provision of Section 2.17 in a manner that would alter the pro rata sharing or payments or setoffs required thereby, without the written consent of each Lender adversely affected thereby; provided, with the consent of the Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of “Required Lenders” or “Pro Rata Share” on substantially the same basis as the Term Loan Commitments and the Term Loans are included on the Closing Date;

(iv) release or subordinate the Liens of the Secured Parties in all or substantially all of the Collateral, or release any material Guarantor from the Guaranty (other than pursuant to or in connection with a transaction permitted under Section 6.8 or 6.9) or subordinate the rights or claims of the Beneficiaries with respect thereto, in each case, except as expressly provided in the Credit Documents; provided, in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Required Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Credit Documents, only the consent of the Required Lenders will be needed for such release; or

(v) other than pursuant to a transaction permitted by Section 6.8, consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document.

(d) Other Consents. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) [reserved];

(ii) alter the required application of any repayments or prepayments as between Classes pursuant to Section 2.15 or Section 8.3 without the consent of each Agent and each Lender adversely affected thereby; provided, Required Lenders may waive, in whole or in part, any prepayment so long as the application, as between Classes, of any portion of such prepayment which is still required to be made is not altered; or

(iii) [reserved];

(iv) [reserved];

(v) amend, modify, terminate or waive any provision of Section 9 as the same applies to any Agent, or any other provision hereof as the same applies to the rights, duties or obligations of any Agent, in each case without the consent of such Agent;

(vi) [reserved]; or

(vii) [reserved].

(e) Delivery and Execution of Amendments, Etc.

(i) The Borrowers shall, promptly after the effectiveness of any amendment, modification, waiver or consent to which the Administrative Agent is not a party, deliver or cause to be delivered to the Administrative Agent a copy of any such amendment, modification, waiver or consent. The Administrative Agent shall have no obligation to execute any such amendment, modification, waiver or consent.

(ii) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

10.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrowers nor any other Credit Party may (other than pursuant to a transaction permitted by Section 6.8) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 10.6(b), (ii) by way of participation in accordance with Section 10.6(f), or (iii) by way of pledge or assignment of a security interest subject to Section 10.6(i) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.6(f) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided, each such assignment shall be subject to the following conditions:

(i) *Minimum Amounts*.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 10.6(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 10.6(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption Agreement with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 in the case of any assignment in respect of any Term Loan or any Incremental Term Loan, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower Representative otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) *Proportionate Amounts*. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate facilities on a non-pro rata basis.

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by Section 10.6(b)(i)(B) and, in addition:

(A) the consent of the Borrower Representative (such consent not to be unreasonably withheld or delayed; provided, it shall not be deemed unreasonable for the Borrower Representative to withhold consent to any assignment to a Disqualified Lender for any reason) shall be required unless (1) an Event of Default under Section 8.1(a), 8.1(f) or 8.1(g) (in the case of Section 8.1(f) or 8.1(g), with respect to Holdings, LLC Subsidiary or any Borrower) has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is to any Person that is not a Disqualified Lender and occurs at any time prior to the earlier of (x) the date that the primary syndication of the Loans has been completed, and (y) the ninetieth day following the Closing Date; provided, the Borrower Representative shall be deemed to have consented to any such assignment (other than an assignment to a Disqualified Lender) unless it shall object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) any unfunded Commitments with respect to any Term Loan or Incremental Term Loan if such assignment is to a Person that is not a Lender with an existing Commitment in respect thereof, an Affiliate of such Lender or an Approved Fund with respect to such Lender, or (ii) any Term Loan or any Incremental Term Loan to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund.

(iv) *Assignment and Assumption Agreement*. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption Agreement, together with all forms, certificates or other evidence each assignee is required to provide pursuant to Section 2.20(g) and a processing and recordation fee of $3,500; provided, the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, including all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act.

(v) *No Assignment to Certain Persons*. No such assignment shall be made to (A) Holdings, LLC Subsidiary, any Borrower or any of their Affiliates or Subsidiaries other than (x) a Debt Fund Affiliate or (y) an Affiliated Lender in accordance with Section 10.6(c) or 10.6(k) or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) *No Assignment to Natural Persons*. No such assignment shall be made to a natural person.

(vii) *Certain Additional Payments*. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this Section, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.6(d), from and after the recordation date, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption Agreement covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.19, 2.20, 10.2 and 10.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section but otherwise complies with Section 10.6(f) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.6(f).

(c) Assignments to Affiliated Lenders. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to an Affiliated Lender through open-market purchases, or in accordance with the procedures set forth on Appendix C pursuant to an offer made available to all Term Loan Lenders on a pro rata basis (a "**Dutch Auction**"), subject to the following limitations:

(i) in connection with an assignment to the Sponsor or any Non-Debt Fund Affiliate, (A) the Sponsor or such Non-Debt Fund Affiliate shall have identified itself in writing as an Affiliated Lender to the assigning Term Loan Lender and the Administrative Agent prior to the execution of such assignment and (B) the Sponsor or such Non-Debt Fund Affiliate shall be deemed to have represented and warranted to the assigning Term Loan Lender and the Administrative Agent that the requirements set forth in this clause (i) and clause (iv) below, shall have been satisfied upon consummation of the applicable assignment;

(ii) the Sponsor and Non-Debt Fund Affiliates will not (A) have the right to receive information, reports or other materials provided solely to Lenders by the Administrative Agent or any other Lender, except to the extent made available to the Borrowers, (B) attend or participate in meetings attended solely by the Lenders and the Administrative Agent, or (C) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders;

(iii) (A) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under, this Agreement or any other Credit Document, the Sponsor and each Non-Debt Fund Affiliate will be deemed to have consented in the same proportion as the Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates consented to such matter, unless such matter requires the consent of all or all affected Lenders or disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, (B) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (a "**Plan**"), the Sponsor and each Non-Debt Fund Affiliate hereby agrees (x) not to vote on such Plan, (y) if the Sponsor or such Non-Debt Fund Affiliate does vote on such Plan notwithstanding the restriction in the foregoing clause (x), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (z) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (y), in each case under this clause (iii)(B) unless such Plan disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, and (C) the Sponsor and each Non-Debt Fund Affiliate hereby irrevocably authorizes and appoints the Administrative Agent (such appointment being coupled with an interest) as the Sponsor's or such Non-Debt Fund Affiliate's attorney-in-fact, to vote on behalf of the Sponsor or such Non-Debt Fund Affiliate (solely in respect of Term Loans and Incremental Term Loans held thereby and not in respect of any other claim or status the Sponsor or such Non-Debt Fund Affiliate may otherwise have) in connection with any vote of the type described in the foregoing clause (B), but in any event, subject to the limitations set forth therein;

(iv) (A) the aggregate principal amount of Term Loans held at any one time by the Sponsor and Non-Debt Fund Affiliates may not exceed 20% of the then aggregate outstanding principal amount of Term Loans; and (B) the aggregate number of Debt Fund Affiliates that are Lenders may not exceed 49.0% of the aggregate number of all Lenders;

(v) no Affiliated Lender, in its capacity as such, will be entitled to bring actions against the Administrative Agent, in its role as such (except with respect to any claim that the Administrative Agent or any other such Lender is treating such Affiliated Lender, in its capacity as a Lender, in a disproportionately adverse manner relative to the other Lenders), or receive advice of counsel or other advisors to the Administrative Agent or any other Lenders or challenge the attorney client privilege of their respective counsel; and

(vi) the portion of any Loans held by the Sponsor and Non-Debt Fund Affiliates shall be disregarded in determining Required Lenders at any time.

Each Affiliated Lender that is a Term Loan Lender hereunder agrees to comply with the terms of this Section 10.6(c) (notwithstanding that it may be granted access to the Platform or any other electronic site established for the Lenders by the Administrative Agent), and agrees that in any subsequent assignment of all or any portion of its Term Loans it shall identify itself in writing to the assignee as an Affiliated Lender prior to the execution of such assignment.

(d) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and by any Lender (but, with respect to any Lender, solely as to the Loans and Commitments thereof) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Disqualified Lender List. The Administrative Agent shall have the right, and the Borrowers hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Lenders provided by the Borrowers and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and/or (B) provide the DQ List to each Lender requesting the same.

(f) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower Representative or the Administrative Agent, sell participations to any Person (other than a natural Person Holdings, LLC Subsidiary, the Borrowers or their Subsidiaries or Affiliates) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided, (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.3(b) with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided, such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 10.5(b) or 10.5(c)(iv) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section (subject to the requirements and limitations therein, including the requirements under Section 2.20(g) (it being understood and agreed that the documents called for in Section 2.20(g) shall be delivered to the participating Lender)) subject to Section 10.6(g); provided, such Participant agrees to be subject to the provisions of Sections 2.21 and 2.22 as if it were an assignee under Section 10.6(b). To the extent permitted by law, each Participant also shall be entitled to

the benefits of Section 10.4 as though it were a Lender; provided, such Participant agrees to be subject to Section 2.17 as though it were a Lender. Each Lender that sells a participation pursuant to this Section shall maintain a register on which it records the name and address of each Participant and the principal amounts of and stated interest on each Participant's participation interest with respect to the Loans and the Commitments (each, a "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to such Loans or Commitments for all purposes under this Agreement, notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrowers solely for purposes of applicable US federal income tax law and undertakes no duty, responsibility or obligation to the Borrowers (without limitation, in no event shall such Lender be a fiduciary of the Borrowers for any purpose, except that such Lender shall maintain the Participant Register); provided, no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103(c) of the United States Treasury Regulations.

(g) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Sections 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant (except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation) unless the sale of the participation to such Participant is made with the Borrowers' prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless the Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.20 as though it were a Lender.

(h) SPC Grants. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided, (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including its obligations under Section 2.19 and 2.20), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the applicable Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (1) with notice to, but without prior consent of the Borrowers and the Administrative Agent, and with the payment of a processing fee of $3,500 to the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC.

(i) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided, no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(j) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(k) Buybacks. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a pro rata basis to the Borrowers, Holdings or LLC Subsidiary through open-market purchases or in accordance with a Dutch Auction, subject to the following limitations:

(i) The Borrowers, Holdings or LLC Subsidiary, as applicable, shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any non-public information (with respect to the Borrowers or their Subsidiaries or any of their respective securities to the extent such information could have a material effect upon, or otherwise be material to, an assigning Term Loan Lender's decision to assign Term Loans or a purchasing Lender's decision to purchase Term Loans) that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Borrowers or their Subsidiaries or any of their respective securities) prior to such date or if Holdings, LLC Subsidiary or the Borrower, as applicable, are unable to make such representation, all parties to the relevant transaction shall render customary "big boy" disclaimer letters.

(ii) if any Borrower is the assignee, immediately and automatically, without any further action on the part of such Borrower, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to such Borrower, (A) such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and such Borrower shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment and (B) such Term Loans shall not be treated as a voluntary prepayment prepaid pursuant to Section 2.13, but shall reduce the then remaining scheduled installments of the Term Loans of the respective Lender or Lenders from whom such Term Loans were purchased in inverse order of maturity;

(iii) if Holdings or LLC Subsidiary is the assignee, immediately and automatically, without any further action on the part of any Borrower, Holdings, LLC Subsidiary, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to Holdings or LLC Subsidiary, Holdings or LLC Subsidiary, as applicable, shall automatically be deemed to have contributed (it being understood that such contribution shall not be deemed to be a contribution for purposes of (and shall not be included in) determining any applicable availability or amount of any covenant basket, carve-out or compliance on a Pro Forma Basis with any ratio) the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrowers as common equity, and such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and Holdings or LLC Subsidiary, as applicable, shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment; and

(iv) no Default or Event of Default shall have occurred and be continuing immediately before or immediately after giving effect to such assignment.

(l) Disqualified Lenders. (i) No assignment or participation shall be made to any Person that was a Disqualified Lender as of the date (the "**Trade Date**") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrowers have consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Lender for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Lender after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Lender"), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower Representative of an Assignment and Assumption Agreement with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (l)(i) shall not be void, but the other provisions of this clause (l) shall apply.

(i) If any assignment or participation is made to any Disqualified Lender without the Borrowers' prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Lender after the applicable Trade Date, the Borrowers may, at their sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Lender, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Lender to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary contained in this Agreement, no Disqualified Lender (A) will have the right to (x) receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any Plan, each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan, (2) if such Disqualified Lender does vote on such Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.18(c), 2.19, 2.20, 10.2, 10.3 and 10.4 and the agreements of the Lenders set forth in Sections 2.17, 9.3(b), 9.3(c), 9.6 and 9.11 shall survive the payment of the Loans and the termination hereof.

10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Administrative Agent or any Lender (or to the Administrative Agent, on behalf of the

Lenders), or any Agent or any Lender enforces any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11 Severability. If any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12 Obligations Several; Independent Nature of the Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.14 Governing Law. Except as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document, this Agreement and the other Credit Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Credit Document (except, as to any other Credit Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

10.15 Consent to Jurisdiction. The Borrowers and each other Credit Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Credit Document or the transactions relating hereto or thereto (other than as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document), in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Credit Document shall affect any right that each Agent, any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document

against any Credit Party or its properties in the courts of any jurisdiction. Each party hereto irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to herein. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

10.16 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.17 Confidentiality. Each of the Agents and each of the Lenders (each, a "**Lender Party**") shall hold all non-public information regarding Holdings, any Borrower and its other Subsidiaries and their business obtained by any Lender Party hereto, in accordance with its customary procedures for handling confidential information of such nature, it being understood and agreed by each Borrower that, in any event, each Lender Party (a) may make disclosures of such non-public information (i) to its Affiliates and to such Lender Party's and its Affiliates' respective employees, legal counsel, independent auditors and other experts or agents and advisors or to such Lender Party's current or prospective funding sources and to other Persons authorized by such Lender Party to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17 (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (ii) to any actual or potential assignee, transferee, Participant or Securitization Party of any rights, benefits, interests and/or obligations under this Agreement or to any direct or indirect contractual counterparties (or the professional advisors thereto) in swap or derivative transactions related to the Obligations (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (iii) to (A) any rating agency in connection with rating the Borrowers or their Restricted Subsidiaries or the Loans and/or the Commitments or (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans; (iv) as required or requested by any regulatory authority purporting to have jurisdiction over such Lender Party or its Affiliates (including any self-regulatory authority, such as the NAIC); provided, unless prohibited by applicable Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of any request by such regulatory authority (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender Party by such regulatory authority) for disclosure of any such non-public information prior to the actual disclosure thereof; (v) to the extent required by order of any court, governmental agency or representative thereof or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or judicial process; provided, unless prohibited by applicable

Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of such required disclosure prior to the actual disclosure of such non-public information; (vi) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (vii) for purposes of establishing a "due diligence" defense, (viii) with the consent of the Borrowers, or (ix) to the extent such information (A) becomes publicly available other than as a result of a breach of this Section 10.17, (B) becomes available to such Lender Party or any of its Affiliates on a non-confidential basis from a source other than a Credit Party, or (C) is independently developed by such Lender Party; (b) may disclose the existence of this Agreement and customary marketing information about this Agreement to market data collectors and similar services providers to the lending industry (including for league table designation purposes) and to service providers to such Lender Party in connection with the administration and management of this Agreement and the other Credit Documents; and (c) may (at its own expense) place advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web as it may choose, and circulate similar promotional materials, in the form of a "tombstone" or otherwise describing the names of the Borrowers, the Sponsor and their respective Affiliates (or any of them), and the amount, type and closing date with respect to the transactions contemplated hereby.

10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable Law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrowers shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrowers to conform strictly to any applicable usury Laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrowers.

10.19 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.20 Counterparts; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Except as provided in Section 3, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

10.21 Integration. This Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to the Lead Arrangers, the Administrative Agent and the Collateral Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

10.22 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, the "**Lender Affiliated Parties**"), may have economic interests that conflict with those of the Credit Parties, and each Credit Party acknowledges and agrees (a) nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender Affiliated Parties and each Credit Party, its stockholders or its Affiliates; (b) the transactions contemplated by the Credit Documents are arm's-length commercial transactions between the Lender Affiliated Parties, on the one hand, and each Credit Party, on the other; (c) in connection therewith and with the process leading to such transaction each of the Lender Affiliated Parties is acting solely as a principal and not the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person; (d) none of the Lender Affiliated Parties has assumed an advisory or fiduciary responsibility in favor of any Credit Party with respect to the transactions contemplated hereby or the process leading thereto (regardless of whether any of the Lender Affiliated Parties or any of their respective Affiliates has advised or is currently advising any Credit Party on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents; (e) each Credit Party has consulted its own legal and financial advisors to the extent it deemed appropriate; (f) each Credit Party is responsible for making its own independent judgment with respect to such transactions and the process leading thereto; and (g) no Credit Party will claim that any of the Lender Affiliated Parties has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Credit Party, in connection with such transaction or the process leading thereto.

10.23 PATRIOT Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Credit Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Credit Parties in accordance with the PATRIOT Act.

10.24 Judgment Currency. In respect of any judgment or order given or made for any amount due under this Agreement or any other Credit Document that is expressed and paid in a currency (the "**judgment currency**") other than the currency in which it is expressed to be payable under this Agreement or other Credit Document, the party hereto owing such amount due will indemnify the party due such amount against any loss incurred by them as a result of any variation as between (a) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (b) the rate of exchange, as quoted by the Administrative Agent or by a known dealer in the judgment currency that is designated by the Administrative Agent, at which the Administrative Agent or such Lender is able to purchase Dollars with the amount of the judgment currency actually received by the Administrative Agent or such Lender. The foregoing indemnity shall constitute a separate and independent obligation of the applicable party and shall survive any termination of this Agreement and the other Credit Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

10.26 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to enter into the Intercreditor Agreement and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, and extensions, restructuring, renewals, replacements of, such agreement, including in connection with the incurrence by any Credit Party of any Refinanced Debt (as defined in the First Lien Credit Agreement), Permitted Second Priority Refinancing Debt or any Permitted Junior Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and the parties hereto acknowledge that the Intercreditor Agreement and any other intercreditor arrangement entered into by the Administrative Agent and/or the Collateral Agent in accordance with this Section 10.26 is binding upon them. Each Lender (i) understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the First Lien Credit Documents, which Liens shall be subject to the terms and conditions of the Intercreditor Agreement (or other customary intercreditor arrangements), (ii) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement (or such other customary intercreditor arrangements) and (iii) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreement (and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements, including in connection with the incurrence by any Credit Party of any Refinanced Debt (as defined in the First Lien Credit Agreement), Permitted Second Priority Refinancing Debt or any Permitted Junior Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to (a) the First Lien

Creditors to extend credit to the Borrowers and (b) any potential provider of Permitted Second Priority Refinancing Debt or Permitted Junior Priority Refinancing Debt to extend credit to the Borrowers and such First Lien Creditors and such providers of Permitted Second Priority Refinancing Debt and Permitted Junior Priority Refinancing Debt are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement (or other customary intercreditor arrangements, if applicable).

10.27 Parallel Liability.

(a) Each Credit Party irrevocably and unconditionally undertakes to pay to the Administrative Agent an amount equal to the aggregate amount of its Obligations (as these may exist from time to time).

(b) The parties hereto agree that:

(i) a Credit Party's Parallel Liability is due and payable at the same time as, for the same amount of, and in the same currency as, its Obligations;

(ii) a Credit Party's Parallel Liability is decreased to the extent that its Obligations have been irrevocably paid or discharged and its Obligations are decreased to the extent that its Parallel Liability has been irrevocably paid or discharged;

(iii) a Credit Party's Parallel Liability is independent and separate from, and without prejudice to, its Obligations, and constitutes a single obligation of that Credit Party to the Administrative Agent (even though that Credit Party may owe more than one Obligation to the Secured Parties under the Credit Documents) and an independent and separate claim of the Administrative Agent to receive payment of that Parallel Liability (in its capacity as the independent and separate creditor of that Parallel Liability and not as a co-creditor in respect of the Obligations); and

(iv) for purposes of this Section 10.27, the Administrative Agent acts in its own name and not as agent, representative or trustee of the Secured Parties and accordingly holds neither its claim resulting from a Parallel Liability nor any Collateral securing a Parallel Liability on trust.

10.28 Process Agents.

(a) Each Credit Party hereby irrevocably appoints Corporation Service Company (the "**NY Process Agent**"), with an office on the date hereof at 1180 Avenue of the Americas, Suite 210, New York, NY 10036-8401, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in Section 10.15, and agrees that the failure of the NY Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon. Each Credit Party shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the NY Process Agent appointed hereby ceases to be able to act as such, then each Credit Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such NY Process Agent subject to the approval of the Administrative Agent. Each Credit Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the NY Process Agent pursuant to this section in full force and effect and to cause the NY Process Agent to act as such.

(b) Lux Borrower hereby irrevocably appoints Corsair (Hong Kong) Limited (the "**HK Process Agent**"), with an office on the date hereof at Suite 2602-03, 26/F., Millennium City 5, 418 Kwun Tong Road, Kwun Tong, Kowloon, Hong Kong, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in connection with any pledge of shares of Corsair (Hong Kong) Limited pursuant to any Hong Kong Collateral Document, and agrees that the failure of the HK Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon and the HK Process Agent hereby accepts such appointment. Lux Borrower shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the HK Process Agent appointed hereby ceases to be able to act as such, then Lux Borrower shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in Hong Kong as such HK Process Agent subject to the approval of the Administrative Agent. Lux Borrower covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the HK Process Agent pursuant to this section in full force and effect and to cause the HK Process Agent to act as such.

10.29 Waiver of Sovereign Immunity. Each Credit Party that is a Non-U.S. Person (each, a "**Foreign Credit Party**"), in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Foreign Credit Party or its respective Subsidiaries or any of its or its respective Subsidiaries' properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any other Obligations or any Credit Document or any other liability or obligation of such Foreign Credit Party, or any of their respective Subsidiaries, in each case related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Foreign Credit Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, each Foreign Credit Party further agrees that the waivers set forth in this Section 10.29 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

10.30 Luxembourg. If a transfer by any Lender of its rights and/or obligations under this Agreement (and any relevant Credit Documents) occurred or was deemed to occur by way of novation, the parties hereto explicitly agree that all securities and guarantees created under or in connection with any Credit Documents shall be preserved for the benefit of the new Lender, new secured party, participant or their successors or assignees in accordance with the provisions of article 1278 of the Luxembourg Civil Code.

Dutch Auction Procedures

This outline is intended to summarize certain basic terms of procedures with respect to certain Borrower buy-backs pursuant to and in accordance with the terms and conditions of Section 10.6(c) of the Second Lien Credit and Guaranty Agreement to which this Appendix C is attached. It is not intended to be a definitive list of all of the terms and conditions of a Dutch Auction and all such terms and conditions shall be set forth in the applicable auction procedures documentation set for each Dutch Auction (the "**Offer Documents**"). None of the Administrative Agent, the Lead Arranger (or, if the Lead Arranger declines to act in such capacity, an investment bank of recognized standing selected by the Borrowers) (the "**Auction Manager**") or any of their respective Affiliates makes any recommendation pursuant to the Offer Documents as to whether or not any Term Loan Lender should sell by assignment any of its Term Loans pursuant to the Offer Documents (including, for the avoidance of doubt, by participating in the Dutch Auction as a Term Loan Lender) or whether or not the Borrowers should purchase by assignment any Term Loans from any Term Loan Lender pursuant to any Dutch Auction. Each Term Loan Lender should make its own decision as to whether to sell by assignment any of its Term Loans and, if so, the principal amount of and price to be sought for such Term Loans. In addition, each Term Loan Lender should consult its own attorney, business advisor or tax advisor as to legal, business, tax and related matters concerning any Dutch Auction and the Offer Documents. Capitalized terms not otherwise defined in this Appendix C have the meanings assigned to them in the Second Lien Credit and Guaranty Agreement.

Summary. The Borrowers may purchase (by assignment) Term Loans on a pro rata basis by conducting one or more Dutch Auctions pursuant to the procedures described herein; provided that no more than one Dutch Auction may be ongoing at any one time and no more than two Dutch Auctions may be made in any period of four consecutive Fiscal Quarters of the Borrowers.

1. Notice Procedures. In connection with each Dutch Auction, the Borrower Representative will notify the Auction Manager (for distribution to the Term Loan Lenders) of the Term Loans that will be the subject of the Dutch Auction by delivering to the Auction Manager a written notice in form and substance reasonably satisfactory to the Auction Manager (an "**Auction Notice**"). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Borrowers are willing to purchase (by assignment) in the Dutch Auction (the "**Auction Amount**"), which shall be no less than $10,000,000 or an integral multiple of $1,000,000 in excess of thereof, (ii) the range of discounts to par (the "**Discount Range**"), expressed as a range of prices per $1,000 of Term Loans, at which the Borrowers would be willing to purchase Term Loans in the Dutch Auction and (iii) the date on which the Dutch Auction will conclude, on which date Return Bids (as defined below) will be due at the time provided in the Auction Notice (such time, the "**Expiration Time**"), as such date and time may be extended upon notice by the Borrowers to the Auction Manager not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the Offer Documents to each Term Loan Lender promptly following completion thereof.

2. Reply Procedures. In connection with any Dutch Auction, each Term Loan Lender holding Term Loans wishing to participate in such Dutch Auction shall, prior to the Expiration Time, provide the Auction Manager with a notice of participation in form and substance reasonably satisfactory to the Auction Manager (the "**Return Bid**") to be included in the Offer Documents, which shall specify (i) a discount to par that must be expressed as a price per $1,000 of Term Loans (the "**Reply Price**") within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than $1,000,000, that such Term Loan Lender is willing to offer for sale at its Reply Price (the "**Reply**

Amount"); provided that each Term Loan Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount equals the entire amount of the Term Loans held by such Term Loan Lender at such time. A Term Loan Lender may only submit one Return Bid per Dutch Auction, but each Return Bid may contain up to three component bids, each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Term Loan Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Term Loan Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager and the Administrative Agent (the "**Auction Assignment and Acceptance**"). The Borrowers will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

3. Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Borrowers, will calculate the lowest purchase price (the "**Applicable Threshold Price**") for the Dutch Auction within the Discount Range for the Dutch Auction that will allow the Borrowers to complete the Dutch Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Borrowers have received Qualifying Bids). The Borrowers shall purchase (by assignment) Term Loans from each Term Loan Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a "**Qualifying Bid**"). All Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Term Loan Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Term Loan Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

4. Proration Procedures. All Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; provided that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Dutch Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Borrowers shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

5. Notification Procedures. The Auction Manager will calculate the Applicable Threshold Price no later than five Business Days after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Borrowers onto each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid. Upon written request of the submitting Term Loan Lender, the Auction Manager will promptly return any Auction Assignment and Acceptance received in connection with a Return Bid that is not a Qualifying Bid.

6. Additional Procedures. Once initiated by an Auction Notice, the Borrowers may withdraw a Dutch Auction by written notice to the Auction Manager no later than 24 hours before the original Expiration Time so long as no Qualifying Bids have been received by the Auction Manager at or prior to the time the Auction Manager receives such written notice from the Borrower Representative. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; provided that a Term Loan Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, a Dutch Auction shall become void if the Borrowers fail to satisfy one or more of the conditions to the purchase of Term Loans set forth in, or to otherwise comply with the provisions of Section 10.6(c) of the Second Lien Credit and Guaranty Agreement. The purchase price for all Term Loans purchased in a Dutch Auction shall be paid in cash by the Borrowers directly to the respective assigning Term Loan Lender on a settlement date as determined by the Auction Manager in consultation with the Borrowers (which shall be no later than ten (10) Business Days after the date Return Bids are due), along with accrued and unpaid interest (if any) on the applicable Term Loans up to the settlement date. The Borrowers shall execute each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid.

All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of a Dutch Auction will be determined by the Auction Manager, in consultation with the Borrowers, and the Auction Manager's determination will be conclusive, absent manifest error. The Auction Manager's interpretation of the terms and conditions of the Offer Document, in consultation with the Borrowers, will be final and binding.

None of the Administrative Agent, the Auction Manager, any other Agent or any of their respective Affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Borrowers, the Restricted Subsidiaries or any of their Affiliates contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Auction Manager acting in its capacity as such under a Dutch Auction shall be entitled to the benefits of the provisions of Sections 9, 10.2 and 10.3 of the Second Lien Credit and Guaranty Agreement to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, each reference therein to the "Credit Documents" were a reference to the Offer Documents, the Auction Notice and Auction Assignment and Acceptance and each reference therein to the "Transactions" were a reference to the transactions contemplated hereby and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Dutch Auction.

This Appendix C shall not require any Borrower or any Restricted Subsidiary to initiate any Dutch Auction, nor shall any Term Loan Lender be obligated to participate in any Dutch Auction.

WHEREAS, the parties hereto desire to amend the Credit Agreement as set forth herein.

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1. *Defined Terms; References.* Unless otherwise specifically defined herein, each term used herein which is defined in the Credit Agreement has the meaning assigned to such term in the Credit Agreement. Each reference to "hereof", "hereunder", "herein" and "hereby" and each other similar reference and each reference to "this Agreement" and each other similar reference contained in the Credit Agreement shall, as of and after the First Amendment Effective Date (as defined below), refer to the Credit Agreement as amended by this Amendment (the "**Amended Credit Agreement**").

SECTION 2. *Amendments to Credit Agreement.*

(a) Effective on the First Amendment Effective Date, the Credit Agreement shall be amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Amended Credit Agreement attached as Exhibit A hereto.

Without limiting the generality of the foregoing, the Collateral Documents and all of the Collateral described therein shall continue to secure the payment of all Obligations of the Credit Parties, as amended by this Amendment.

(c) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative

Agent under any of the Credit Documents, nor constitute a waiver of any provision of any of the Credit Documents. On and after the First Amendment Effective Date, this Amendment shall for all purposes constitute a Credit Document.

SECTION 3. *Severability*. If any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 7. *Representations and Warranties.* The Credit Parties each hereby represent and warrant to the Administrative Agent and the Lenders that:

(a) Each Credit Party party hereto has all requisite corporate (or equivalent) power and authority to enter into this Amendment. The execution, delivery and performance of this Amendment have been duly authorized by all necessary action on the part of each Credit Party party hereto. This Amendment has been duly executed and delivered by each Credit Party party hereto and is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its terms, except as may be limited by Debtor Relief Laws, by the principle of good faith and fair dealing, or limiting creditors' rights generally or by equitable principles relating to enforceability.

(b) The execution, delivery and performance of this Amendment by each Credit Party party hereto do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or other third Person, except (i) such as have been obtained and are in full force and effect, (ii) for filings and recordings with respect to the Collateral to be made or otherwise that have been delivered to the Collateral Agent for filing and/or recordation and (iii) those approvals, consents, registrations or other actions or notices, the failure of which to obtain or make could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) The execution, delivery and performance of this Amendment by each Credit Party party hereto and the consummation of the transactions contemplated hereby do not and will not (i) violate any of the Organizational Documents of such Credit Party; (ii) violate any provision of any Law applicable to or otherwise binding on Holdings, any Borrower or any of the Restricted Subsidiaries, except to the extent such violation, either individually or in the aggregate, could not be reasonably expected to have a Material Adverse Effect or (iii) result in or require the creation or imposition of any Lien upon any of the properties or assets of Holdings, any Borrower or any of the Restricted Subsidiaries (other than any Liens created under any of the Credit Documents in favor of the Collateral Agent, on behalf of the Secured Parties, or Permitted Liens).

SECTION 8. *Limited Waivers*. Notwithstanding anything to the contrary set forth in the Credit Agreement, the Agents and the Lenders hereby waive (a) any prepayment premium that would otherwise be payable by the Borrowers under Section 2.11(h) of the Credit Agreement as a result of the prepayment by the Borrowers of the Loans in an aggregate principal amount equal to $15,000,000 (the "**Second Lien Prepayment**") on the First Amendment Effective Date pursuant to Section 11 below and (b) any charges and/or payments that would otherwise be payable by the Borrowers pursuant to Section 2.18(c) of the Credit Agreement as a result of the Second Lien Prepayment. The waivers in this Section 8 shall be effective only in this specific instance and for the specific purposes set forth herein and do not allow for any other or further departure from the terms and conditions of the Credit Agreement or any other Credit Document, which terms and conditions shall continue in full force and effect.

SECTION 9. *Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.* The terms of Section 10.14, 10.15 and 10.16 of the Credit Agreement are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

SECTION 10. *Counterparts.* This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Amendment by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Amendment.

SECTION 11. *Effectiveness.* This Amendment shall become effective on the date on which each of the following conditions shall have been satisfied or waived (the "**First Amendment Effective Date**"):

(a) the Administrative Agent shall have received from the Borrowers, Holdings, each other Guarantor, the Administrative Agent, the Collateral Agent and each Lender, a duly executed counterpart of this Amendment signed on behalf of such party;

(b) all of the representations and warranties contained herein and in Section 4 of the Credit Agreement and in each other Credit Document (in each case, as amended by this Amendment) shall be true and correct in all material respects both immediately before and after giving effect to this Amendment (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of the First Amendment Effective Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date;

(c) both immediately before and after giving effect to this Amendment, no Default or Event of Default shall have occurred and be continuing;

(d) Amendment No. 1 to First Lien Credit and Guaranty Agreement, dated as of the date hereof, shall have become effective in accordance with its terms;

(e) the Administrative Agent shall have received written notice from the Borrowers in accordance with Section 2.13(a) of the Credit Agreement with respect to the Second Lien Prepayment;

(f) the Borrowers shall have made the Second Lien Prepayment; and

(g) all reasonable and documented expenses and other compensation payable to Macquarie Capital (USA) Inc. as sole lead arranger and sole bookrunner for this Amendment and the Administrative Agent, pursuant to Section 10.2 of the Credit Agreement or otherwise, shall have been paid (or netted from the proceeds of the 2017 Incremental Term Loans to the extent agreed by the parties hereto) to the extent earned, due and owing and otherwise reimbursable pursuant to the terms thereof and, in the case of expenses, invoiced at least two Business Days prior to the First Amendment Effective Date.

(b) Availability of Funds. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Credit Extension that such Lender will not make available to the Administrative Agent such Lender's share of such Credit Extension, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.2 and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Credit Extension available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Credit Extension to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Credit Extension. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent. Nothing in this Section 2.5(b) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments or Incremental Term Loan Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

2.6 Use of Proceeds.

(a) The proceeds of the Term Loans shall be applied by the Borrowers on the Closing Date (i) to repay and discharge in full the Existing Indebtedness, (ii) to consummate the Closing Date Acquisition and the other Related Transactions and (iii) to pay fees and expenses in connection with the foregoing and this Agreement.

(b) [Reserved].

(c) [Reserved].

(d) No portion of the proceeds of any Credit Extension shall be used in any manner that causes such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

(e) The Borrowers shall not request any Loan, nor use, and shall procure that its Restricted Subsidiaries and its or their respective directors, officers, employees, controlled Affiliates and agents not use, directly or indirectly, the proceeds of any Loan, or lend, contribute or otherwise make available such proceeds to any Restricted Subsidiary, other Affiliate, joint venture partner or other Person, (i) in violation of any Anti-Corruption Laws or AML Laws, (ii) for the purpose of funding,

financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or involving any goods originating in or with a Sanctioned Person or Sanctioned Country in each case in violation of Sanctions, or (iii) in any manner that would result in the violation of any Sanctions by such Person.

2.7 Evidence of Debt; Notes.

(a) Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Indebtedness of the Borrowers to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrowers, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect the Borrowers' Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Notes. If so requested by any Lender (or the Administrative Agent on behalf of such Lender) by written notice to the Borrower Representative (with a copy to the Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, the Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Borrower Representative's receipt of such notice) a Note or Notes to evidence such Lender's applicable Loan.

2.8 Interest on Loans.

(a) Interest. Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made to the date of repayment thereof (whether by acceleration or otherwise) at an interest rate determined for the Class of such Loan equal to the Base Rate or the Adjusted Eurodollar Rate, plus, in each case, the Applicable Margin for the Type of such Loan

(b) Interest Rate Election. The basis for determining the rate of interest with respect to any Loan and the Interest Period with respect to any Eurodollar Loan, shall be selected by the Borrowers and notified to the Administrative Agent pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be. If any Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then such Loan shall be a Base Rate Loan.

(c) Interest Periods. In connection with Eurodollar Loans, there shall be no more than eight Interest Periods outstanding at any time (or such greater number as may be acceptable to the Administrative Agent in its sole discretion). If the Borrower Representative fails to specify whether a Loan should be a Base Rate Loan or a Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a Eurodollar Loan) will be automatically converted into a Base Rate Loan on the last day of then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). If the Borrower Representative fails to specify an Interest Period for any Eurodollar Loan in the applicable Funding Notice or Conversion/Continuation Notice, the Borrowers shall be deemed to have selected an Interest Period of one month. On each Quotation Day, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to Eurodollar Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing) to the Borrower Representative and each Lender.

(d) Computation of Interest. Interest payable pursuant to Section 2.8(a) shall be computed (i) in the case of Base Rate Loans determined by reference to clauses (i), (ii) and (iv) of the definition of Base Rate, on the basis of a 365-day or 366-day year, as the case may be, and (ii) in the case of Base Rate Loans determined by reference to clause (iii) of the definition of Base Rate and all Eurodollar Loans, on the basis of a 360-day year, in each case, for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a Eurodollar Loan, the date of conversion of such Eurodollar Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a Eurodollar Loan, the date of conversion of such Base Rate Loan to such Eurodollar Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Interest Payable. Except as otherwise set forth herein, interest on each Loan shall accrue on a daily basis and be payable in arrears (i) on each Interest Payment Date applicable to that Loan; (ii) concurrently with any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) at maturity, including final maturity.

(f) [Reserved].

2.9 Conversion and Continuation.

(a) Conversion. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall have the option to convert at any time all or any part of any Term Loan or Incremental Term Loan equal to $500,000 and integral multiples of $100,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, that a Eurodollar Loan may not be converted on a date other than the expiration date of the Interest Period applicable to such Eurodollar Loan unless the Borrowers shall pay all amounts due under Section 2.18 in connection with any such conversion.

(b) Continuation. Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Borrowers shall also have the option, upon the expiration of any Interest Period applicable to any Eurodollar Loan, to continue all or any portion of such Loan equal to $500,000 and integral multiples of $100,000 in excess of that amount as a Eurodollar Loan.

(c) Conversion/Continuation Notice. The Borrower Representative shall deliver a Conversion/Continuation Notice to the Administrative Agent at the Notice Office no later than 11:00 a.m. (New York City time) at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and, other than in the case of the conversion set forth in the Specified Notice, at least three Business Days in advance of the proposed Conversion/Continuation Date (in the case of a conversion to, or a continuation of, a Eurodollar Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Eurodollar Loans shall be irrevocable on and after the date of receipt thereof by the Administrative Agent, and the Borrowers shall be bound to effect a conversion or continuation in accordance therewith.

2.10 Default Interest. Upon the occurrence and continuance of an Event of Default under any of Sections 8.1(a) (but, in the case of such Section 8.1(a), only in respect of principal, premium and interest), 8.1(f) or 8.1(g), the principal amount of all Loans and, to the extent permitted by applicable Law, any interest payments on the Loans or any fees or other amounts owed hereunder not paid when due, in each case whether at stated maturity, by notice of prepayment, by acceleration or otherwise, shall bear interest (including post-petition interest in any proceeding under any Debtor Relief Law) from the date of such Event of Default, payable on demand at a rate that is 2.00% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans; provided, in the case of Eurodollar Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate which is 2.00% per annum in excess of the interest rate otherwise payable hereunder for such Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

2.11 Fees.

(a) [Reserved].

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) Fees to the Lead Arrangers, Agents and Lenders. The Borrowers agree on a joint and several basis to pay to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders the fees set forth in the Fee Letter in accordance therewith and such other fees in the amounts and at the times separately agreed upon.

(h) Prepayment Premium. If the Borrowers (I) prepay or repay any of the Term Loans pursuant to Section 2.13(a) or 2.14(a) or (d) (any such payment, an "**Applicable Payment**") or (II) in connection with any Repricing Event, (i) make a prepayment of the Term Loans pursuant to Section 2.13(a) (with any replacement of a Non-Consenting Lender pursuant to Section 2.23 being deemed, for this purpose, to constitute a prepayment for this purpose), (ii) make a prepayment of the Term Loans pursuant to Section 2.14(d) or (iii) effect any amendment with respect to the Term Loans, in each case, the Borrowers shall pay to each Term Loan Lender (x) if such Applicable Payment or Repricing Event occurs on or prior to the first anniversary of the Closing Date (A) with respect to such Applicable Payment or clauses (II)(i) and (ii), a prepayment premium in an amount equal to 2.00% of the principal amount of the Term Loans held by such Term Loan Lender that are prepaid or repaid, and (B) with respect to clause (II)(iii), a prepayment premium in an amount equal to 2.00% of the principal amount of the Term Loans held by such Term Loan Lender (including Term Loans held by any Non- Consenting Lender immediately prior to such Non-Consenting Lender being replaced pursuant to Section 2.23 immediately), regardless of whether such Term Loan Lender consented to such amendment and (y) if such Applicable Payment or Repricing Event occurs after the first anniversary of the Closing

Date but prior to the second anniversary of the Closing Date (A) with respect to such Applicable Payment or clauses (II)(i) and (ii), a prepayment premium in an amount equal to 1.00% of the principal amount of the Term Loans held by such Term Loan Lender that are prepaid or repaid, and (B) with respect to clause (II)(iii), a prepayment premium in an amount equal to 1.00% of the principal amount of the Term Loans held by such Term Loan Lender (including Term Loans held by any Non-Consenting Lender immediately prior to such Non-Consenting Lender being replaced pursuant to Section 2.23 immediately), regardless of whether such Term Loan Lender consented to such amendment. As used herein, "**Repricing Event**" means (x) any prepayment of the Term Loans, in whole or in part, with the proceeds of, or any conversion of the Term Loans into, any new or replacement tranche of term loans or debt Securities, in each case, with a Weighted Average Yield less than the Weighted Average Yield applicable to the Term Loans or (y) any amendment to this Agreement that reduces the Weighted Average Yield applicable to the Term Loans.

2.12 Repayment of Term Loans. The Term Loans, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the Term Loan Maturity Date with respect thereto. If such Term Loan Maturity Date is not a Business Day, then the Term Loan Maturity Date shall be the immediately preceding Business Day.

2.13 Voluntary Prepayments.

(a) Voluntary Prepayments. Subject to the First Lien Credit Agreement and the Intercreditor Agreement, any time and from time to time, with respect to any Type of Loan, the Borrowers may prepay, without premium or penalty (but subject to Sections 2.11(h) and 2.18(c)), any Loan on any Business Day in whole or in part, in an aggregate minimum amount of and integral multiples in excess of that amount, and upon prior written as set forth in the following table:

Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein; provided, such prepayment obligation may be conditioned on the occurrence of any subsequent event (including a Change of Control or refinancing transaction).

(b) Insurance/Condemnation Proceeds. (c) [Reserved].

(d) Issuance of Debt. Subject to the First Lien Credit Agreement and the Intercreditor Agreement, and subject to Sections 2.11(h) and 2.14(g), no later than the tenth Business Day following receipt of cash proceeds from the incurrence of any Indebtedness by Holdings, any Borrower or any of the Restricted Subsidiaries (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.1 (other than Section 6.1(r) (in respect of the Loans) or pursuant to Section 2.26), the Borrowers shall prepay the Loans and/or certain other Obligations as set forth in Section 2.15(b) in an aggregate amount equal to 100% of the cash proceeds from such incurrence, net of any underwriting discounts and commissions and other reasonable costs and expenses associated therewith, including reasonable legal fees and expenses.

(e) Consolidated Excess Cash Flow. Subject to Section 2.14(g), if there shall be Consolidated Excess Cash Flow for any Fiscal Year beginning with the Fiscal Year ending December 31, 2018, the Borrowers shall, within ten Business Days of the date on which the Borrowers are required

to deliver the financial statements of Holdings and its Restricted Subsidiaries pursuant to Section 5.1(b), prepay the Loans and/or certain other Obligations as set forth in Section 2.15(b) in an aggregate amount equal to (i) 50% of such Consolidated Excess Cash Flow minus (ii) voluntary prepayments of the Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) made during such Fiscal Year (excluding repayments of revolving First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) except to the extent the applicable revolving credit commitments are permanently reduced in connection with such repayments) paid from Internally Generated Cash (provided that such reduction as a result of prepayments made pursuant to Section 10.6(k) shall be limited to the actual amount of cash used to prepay principal of Term Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) (as opposed to the face amount thereof)); provided, if, as of the last day of the most recently ended Fiscal Year, the Consolidated Total Net Leverage Ratio (determined for such Fiscal Year by reference to the Compliance Certificate delivered pursuant to Section 5.1(c) calculating the Consolidated Total Net Leverage Ratio as of the last day of such Fiscal Year) shall be (A) less than or equal to 4.50:1.00 but greater than 4.00:1.00, the Borrowers shall only be required to make the prepayments and/or reductions otherwise required hereby in an amount equal to (1) 25% of such Consolidated Excess Cash Flow minus (2) voluntary repayments of the Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) made during such Fiscal Year (excluding repayments of revolving First Lien or Refinanced Debt (as defined in the First Lien Credit Agreement) except to the extent the applicable revolving credit commitments are permanently reduced in connection with such repayments) paid from Internally Generated Cash (provided that such reduction as a result of prepayments made pursuant to Section 10.6(k) shall be limited to the actual amount of cash used to prepay principal of Term Loans, First Lien Loans or Refinanced Debt (as defined in the First Lien Credit Agreement) (as opposed to the face amount thereof)) and (B) less than or equal to 4.00:1.00, the Borrowers shall not be required to make the prepayments and/or reductions otherwise required by this Section 2.14(e).

(f) [Reserved].

(g) Discharge of Senior Obligations. Notwithstanding anything to the contrary in this Agreement, (i) no prepayments of the Term Loans shall be required pursuant to Sections 2.14(a), (b), (d) or (e) if such prepayment is prohibited by (A) the First Lien Credit Agreement or any agreement governing First Lien Credit Agreement Refinancing Indebtedness, (B) the terms of any agreement or instrument governing any other First Lien Obligations, (C) the Intercreditor Agreement or (D) any other intercreditor agreement in form and substance reasonably satisfactory to the Administrative Agent and (ii) unless and until the Discharge of Senior Obligations (as defined in the Intercreditor Agreement) shall have occurred, no prepayment that would otherwise be required pursuant to this Section 2.14 shall be required to be made other than with amounts declined by both (x) First Lien Lenders pursuant to subsection 2.15(d) of the First Lien Credit Agreement and (y) holders of any other Senior Obligations (as defined in the Intercreditor Agreement) pursuant to the equivalent terms of the agreement or instrument governing such Indebtedness (if any), in which case such prepayment shall be required to be made within five Business Days of the latest deadline for First Lien Lenders and holders of such Senior Obligations to decline the applicable prepayment.

(h) Prepayment Certificate. Concurrently with any prepayment of the Loans and/or certain other Obligations pursuant to Sections 2.14(a) through 2.14(f), the Borrowers shall deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower Representative demonstrating the calculation of the amount of the applicable net proceeds or Consolidated Excess Cash Flow, as the case may be. If the Borrowers subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Borrowers shall promptly (but in any event within three Business Days) make an additional prepayment of the Loans and/or certain other obligations in an amount equal to such excess, and the Borrowers shall concurrently therewith deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower Representative demonstrating the derivation of such excess.

(i) Constraints on Upstreaming. Notwithstanding any other provisions of this Section 2.14, all prepayments referred to in Sections 2.14(a) through 2.14(e) attributable to any Foreign Subsidiary are subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries). Further, there will be no requirement to make any prepayment to the extent that Holdings or its Restricted Subsidiaries would suffer material adverse costs or tax consequences as a result of upstreaming cash to make such prepayments (including the imposition of withholding taxes) (as determined by the Borrower Representative in good faith). The non- application of any such prepayment amounts as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available to repay local foreign indebtedness, if any, and for working capital purposes of the applicable Foreign Subsidiary. The Borrowers and each Foreign Subsidiary will undertake to use commercially reasonable efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Borrowers' reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by Holdings (or its direct or indirect members) or the Borrowers and the Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Borrowers and the Restricted Subsidiaries shall be permitted to make, directly or indirectly, dividends or distributions to their Affiliates in an amount sufficient to cover such tax liability, costs or expenses. For the avoidance of doubt, nothing in this Agreement (including this Section 2.14) shall require the Borrowers or any of the Restricted Subsidiaries to cause any amounts to be repatriated, whether directly or indirectly, and whether such repatriation is actual or deemed under Section 956 of the Code, to the United States (whether or not such amount are used in or excluded from the determination of the amount of any mandatory prepayment hereunder).

2.15 Application of Prepayments.

(a) Application of Voluntary Prepayments by Type of Loans. Any prepayment of any Loan pursuant to Section 2.13(a) shall be applied as specified by the Borrowers in the applicable notice of prepayment; provided, any such prepayment of the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans shall be applied to prepay the Term Loans, the Incremental Term Loans, the Extended Term Loans and the Other Term Loans on a pro rata basis (in accordance with the respective outstanding principal amounts thereof) (unless any Lenders under any such Class incurred after the Closing Date elect to be prepaid on a less than ratable basis). If the Borrowers fail to specify the Loans to which any such prepayment shall be applied, such prepayment shall be applied to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis).

(b) Application of Mandatory Prepayments by Type of Loans. Subject to Section 2.15(d), any amount required to be paid pursuant to Sections 2.14(a) through 2.14(e) shall be applied to prepay the Term Loans, the Extended Term Loans, the Other Term Loans and the Incremental Term Loans on a pro rata basis (unless any Lenders under any such Extended Term Loans, Other Term Loans or Incremental Term Loans have elected to be paid on a less than ratable basis);

Notwithstanding anything to the contrary set forth above in this Section 2.15(b), the net cash proceeds from the incurrence of any Credit Agreement Refinancing Indebtedness shall be applied as provided in the definition thereof and, if applicable, Section 2.26.

(c) Application of Prepayments of Loans to Types of Loans. Considering each Class of Loans being prepaid separately, any prepayment thereof shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Loans, in each case in a manner which minimizes the amount of any payment required to be made by the Borrowers pursuant to Section 2.18(c).

(d) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, so long as any Loans are outstanding, if the Borrowers are required to make any mandatory prepayment (a "**Waivable Mandatory Prepayment**") of the Loans (other than pursuant to Section 2.14(d)), not less than three Business Days prior to the date (the "**Required Prepayment Date**") on which the Borrowers are required to make such Waivable Mandatory Prepayment, the Borrower Representative shall notify the Administrative Agent of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender holding outstanding Term Loans, Extended Term Loans, Incremental Term Loans or Other Term Loans of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent (who shall notify the Borrower Representative of the aggregate amount of Retained Declined Proceeds prior to the Required Prepayment Date) of its election to do so on or before 12:00 p.m. (New York City time) on the first Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower Representative and the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrowers may retain the amount of any Waivable Mandatory Prepayment (any such amount retained by the Borrowers, the "**Retained Declined Proceeds**").

2.16 General Provisions Regarding Payments.

(a) Payments Due. All payments by the Borrowers of principal, interest, fees and other Obligations shall be made without defense, setoff or counterclaim, and free of any restriction or condition. All payments by the Borrowers shall be made in Dollars in same day funds and delivered to the Administrative Agent not later than 1:00 p.m. (New York City time) on the date due at the Payment Office for the account of the Lenders. For purposes of computing interest and fees, any funds received by the Administrative Agent after the time on such due date specified in this Section 2.16(a) may, in the discretion of the Administrative Agent, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of (x) the Federal Funds Effective Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(c) Payments to Include Interest. All payments in respect of the principal amount of any Loan (shall include payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(d) Distribution of Payments. The Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(e) Affected Lender. Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurodollar Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(f) Payment Due on Non-Business Day. Subject to the provisos set forth in the definition of "Interest Period", whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.

(g) Borrower's Accounts. The Borrowers hereby authorize the Administrative Agent to charge the Borrowers' accounts with the Administrative Agent in order to cause timely payment to be made to the Administrative Agent of all principal, interest, fees and expenses due hereunder (subject to sufficient funds being available in its accounts for that purpose).

(h) Non-Conforming Payment. If any payment by or on behalf of the Borrowers hereunder is not made in same day funds prior to 1:00 p.m. (New York City time), the Administrative Agent may deem such payment to be a non-conforming payment and if so, shall give prompt notice thereof to the Borrower Representative and each applicable Lender. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is paid in full.

2.17 Ratable Sharing. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of, premium, if any, or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided: (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.17 shall not be construed to apply to (A) any payment made by the Borrowers pursuant to and in accordance

with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or Participant, other than to the Borrowers or any of the Restricted Subsidiaries (as to which the provisions of this Section shall apply). Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Credit Party in the amount of such participation.

2.18 Making or Maintaining Eurodollar Loans.

(a) Inability to Determine Applicable Interest Rate. If the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error), on any Quotation Day with respect to any Eurodollar Loans, that adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of Adjusted Eurodollar Rate, the Administrative Agent shall on such date give notice (by telefacsimile or e-mail) to the Borrower Representative and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, Eurodollar Loans until such time as the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by the Borrower Representative with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by the Borrowers. Notwithstanding the foregoing, if the Administrative Agent has made a determination described in the preceding sentence, the Administrative Agent and the Borrowers shall negotiate in good faith to amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement to preserve the original intent thereof in light of such change; provided that, until so amended, such impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.18(a).

(b) Illegality or Impracticability of Eurodollar Loans. If on any date any Lender (in the case of clause (i) below) or the Required Lenders (in the case of clause (ii) below) shall have determined in good faith (which determination shall be final and conclusive and binding upon all parties hereto, absent manifest error) that the making, maintaining or continuation of its Eurodollar Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any Law (or would conflict with any treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) ~~has~~(A) the Eurodollar Rate for the applicable Interest Period will not adequately or fairly reflect the cost to such Lenders of making or maintaining Eurodollar Loans for the subject Interest Period or (B) it has otherwise become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the applicable interbank market or the position of the Lenders in that market, then, and in any such event, the affected Lenders shall each be an "**Affected Lender**" and it shall on that day give notice (by e-mail, facsimile or by telephone confirmed in writing) to the Borrower Representative and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). If the Administrative Agent receives a notice from (A) any Lender pursuant to clause (i) of the preceding sentence or (B) a notice from Lenders constituting Required Lenders pursuant to clause (ii) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, Eurodollar Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a Eurodollar Loan denominated in Dollars then being requested by the Borrowers pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (i) of the

preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan, (3) the Lenders' (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender's) obligations to maintain their respective outstanding Eurodollar Loans (the "**Affected Loans**") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by Law and (4) if the Affected Loans are denominated in Dollars, such Affected Loans shall automatically convert into Base Rate Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Loan then being requested by the Borrower Representative pursuant to a Funding Notice or a Conversion/Continuation Notice, the Borrowers shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving written notice to the Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender).

(c) Compensation for Breakage or Non Commencement of Interest Periods. The Borrowers shall compensate each Lender, upon written request by such Lender through the Administrative Agent (which request shall set forth the basis for requesting such amounts and shall be conclusive and binding in the absence of manifest error), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurodollar Loan does not occur on a date specified therefor in a Funding Notice, or a conversion to or continuation of any Eurodollar Loan does not occur on a date specified therefor in a Conversion/Continuation Notice; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its Eurodollar Loans is not made on any date specified in a notice of prepayment given by the Borrowers.

(d) Booking of Eurodollar Loans. Any Lender may make, carry or transfer Eurodollar Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant Eurodollar Loans through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to the definition of Eurodollar Base Rate in an amount equal to the amount of such Eurodollar Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided, each Lender may fund each of its Eurodollar Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

2.19 Increased Costs; Capital Adequacy.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted Eurodollar Rate);

(ii) subject any Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its Loans, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines in good faith that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company would have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 2.19(a) or 2.19(b) and delivered to the Borrower Representative, shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate and owing under Section 2.19(a) or Section 2.19(b) within ten Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided, the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

2.20 Taxes; Withholding, Etc.

(a) Defined Terms. For purposes of this Section 2.20, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrowers. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrowers. Without duplication of any additional amounts paid under this Section 2.20, the Credit Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Holdings by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.20, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent and at the time or times prescribed by applicable Laws, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent or prescribed by applicable Laws as will permit (A) such payments to be made without withholding or at a reduced rate of withholding, or (B) will permit the Borrowers or the Administrative Agent to otherwise establish such Lender's status for withholding Tax purposes in an applicable jurisdiction. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to Holdings and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower or Holdings within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W- 8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W- 9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Holdings and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of

indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

2.21 Obligation to Mitigate. If any Lender requests compensation under Section 2.19, or requires a Credit Party to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, then such Lender shall (at the request of the relevant Credit Party) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.19 or 2.20, as the case may be, in the future, and (b) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

2.22 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) *Waivers and Amendments*. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) *Defaulting Lender Waterfall*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which

such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) [Reserved].

(iv) [Reserved].

(v) [Reserved].

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held by the Lenders in accordance with their Pro Rata Shares of the applicable Commitments without giving effect to Section 2.22(a)(iv), whereupon such Lender will cease to be a Defaulting Lender; provided, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

2.23 Replacement Lenders. If any Lender requests compensation under Section 2.19 , or if the Borrowers are required to pay additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 2.21, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent (which shall be given within thirty days after such Lender requests such amount or becomes a Defaulting Lender or Non-Consenting Lender, as the case may be), require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.6), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.19 or Section 2.20) and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided:

(a) the Administrative Agent shall have received the assignment fee (if any) specified in Section 10.6(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees, premium (if any) and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.18(c) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts));

(c) in the case of any such assignment resulting from a claim for compensation under Section 2.19 or payments required to be made pursuant to Section 2.20, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Law; and

(e) in the case of any assignment resulting from a Lender becoming a Non- Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent;

provided further, a Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

2.24 Extension of Loans.

(a) The Borrowers may from time to time, pursuant to the provisions of this Section **2.24**, agree with one or more Lenders holding Loans of any Class to extend the maturity date, and otherwise modify the economic terms of any such Class or any portion thereof (including, without limitation, by increasing the interest rate or fees payable and/or modifying the amortization schedule in respect of any Loans of such Class or any portion thereof) (each such modification an "**Extension**") pursuant to one or more written offers (each an "**Extension Offer**") made from time to time by the Borrowers to all Lenders under any Class that is proposed to be extended under this Section 2.24, in each case on a pro rata basis (based on the relative principal amounts of the outstanding Loans of each Lender in such Class) and on the same terms to each such Lender. In connection with each Extension, the Borrower Representative will provide notification to the Administrative Agent (for distribution to the Lenders of the applicable Class), no later than ninety days prior to the maturity of the applicable Class or Classes to be extended of the requested new maturity date for the extended Loans of each such Class (each an "**Extended Maturity Date**") and the due date for Lender responses. In connection with any Extension, each Lender of the applicable Class wishing to participate in such Extension shall, prior to such due date, provide the Administrative Agent with a written notice thereof in a form reasonably satisfactory to the Administrative Agent. Any Lender that does not respond to an Extension Offer by the applicable due date shall be deemed to have rejected such Extension. After giving effect to any Extension, the Term Loans, Incremental Term Loans or Other Term Loans so extended shall cease to be a part of the Class they were a part of immediately prior to the Extension and shall be a new Class hereunder.

(b) Each Extension shall be subject to the following:

(i) no Event of Default shall have occurred and be continuing at the time any Extension Offer is delivered to the Lenders or at the time of such Extension;

(ii) except as to interest rates, fees, scheduled amortization and final maturity date (which, in each case, subject to clause (iv) below, shall be determined by the Borrowers and set forth in the relevant Extension Offer), the Term Loans, Incremental Term Loans or Other Term Loans, as applicable, of any Lender extended pursuant to any Extension shall have the same terms as the Class of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, subject to the related Extension Offer; provided, at no time shall there be more than three different Classes of Term Loans, three different Classes of Incremental Term Loans or Other Term Loans;

(iii) (x) the final maturity date of any Term Loans, Incremental Term Loans or Other Term Loans of a Class to be extended pursuant to an Extension shall be no earlier than the final maturity date of such Class, (y) the Weighted Average Life to Maturity of any Term Loans, Incremental Term Loans or Other Term Loans of a Class to be extended pursuant to an Extension shall be no shorter than the then applicable Weighted Average Life to Maturity of such Class and (z) the amortization schedule applicable to Term Loans, Incremental Term Loans or Other Term Loans subject to an Extension for periods prior to the Term Loan Maturity Date (or any Extended Maturity Date in effect prior to giving effect to such extension) may not be increased;

(iv) if the aggregate principal amount of Term Loans, Incremental Term Loans or Other Term Loans of a Class in respect of which Lenders shall have accepted an Extension Offer exceeds the maximum aggregate principal amount of Term Loans, Incremental Term Loans or Other Term Loans, as the case may be, of such Class offered to be extended by the Borrowers pursuant to the relevant Extension Offer, then such Loans of such Class shall be extended ratably up to such maximum amount based on the relative principal amounts thereof (not to exceed any Lender's actual holdings of record) with respect to which such Lenders accepted such Extension Offer;

(v) all documentation in respect of such Extension shall be consistent with the foregoing;

(vi) any applicable Minimum Extension Condition shall be satisfied; and

(vii) no Extension shall become effective unless, on the proposed effective date of such Extension, the conditions set forth in Section 3.2 shall be satisfied (with all references in such Section to a Credit Date being deemed to be references to the Extension on the applicable date of such Extension), and the Administrative Agent shall have received a certificate to that effect dated the applicable date of such Extension and executed by an Authorized Officer of the Borrower Representative.

(c) [Reserved].

(d) No Extension Offer is required to be in any minimum amount or any minimum increment, provided that (i) the Borrowers may at their election specify as a condition (a "**Minimum Extension Condition**") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrowers' sole discretion and which may be waived by the Borrowers) of Loans of any or all applicable Classes be tendered and (ii) unless another amount is agreed to by the Administrative Agent, no Class of extended Term Loans shall be in an amount of less than $5,000,000. For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.17 and Section 10.6 will not apply to Extensions of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, pursuant to Extension Offers made pursuant to and in accordance with the

provisions of this Section 2.24, including with respect to any payment of interest or fees in respect of any Term Loans, Incremental Term Loans or Other Term Loans, as applicable, that have been extended pursuant to an Extension at a rate or rates different from those paid or payable in respect of Loans of any other Class, in each case as is set forth in the relevant Extension Offer. It is further understood and agreed that Extensions of the Loans pursuant to this Section 2.24 shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.13 or 2.14.

(e) No Lender who rejects any request for an Extension shall be deemed a Non- Consenting Lender for purposes of Section 2.23.

(f) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans, Incremental Term Loans and/or Other Term Loans . The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments (collectively, "**Extension Amendments**") to this Agreement and the other Credit Documents as may be necessary in order establish new Classes of Term Loans, Incremental Term Loans or Other Term Loans, as applicable, created pursuant to an Extension and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.24. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.24 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrowers in accordance with any instructions received from such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrowers unless and until it shall have received such advice or concurrence; provided, regardless of whether there has been a request by the Administrative Agent for any such advice or concurrence, all such Extension Amendments entered into with the Borrowers by the Administrative Agent hereunder shall be binding on the Lenders. Without limiting the foregoing, in connection with any Extensions, the appropriate Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage (or any other Credit Document that Administrative Agent or Collateral Agent reasonably requests to be amended to reflect an Extension) that has a maturity date prior to the latest Extended Maturity Date so that such maturity date is extended to the then latest Extended Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(g) In connection with any Extension, the Borrower Representative shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be reasonably established by, or reasonably acceptable to, the Administrative Agent to accomplish the purposes of this Section 2.24.

(ii) the aggregate amount of the Incremental Term Loan Commitments requested after the Closing Date shall not exceed the Maximum Incremental Facilities Amount as in effect at such time (it being understood that the Maximum Incremental Facilities Amount shall be calculated as set forth in the definition thereof);

For the avoidance of doubt, no existing Lender shall be obligated to provide any Incremental Term Loan Commitment.

(b) Notice. Each notice referred to in Section 2.25(a) shall specify (i) the date (each, an "**Incremental Increase Date**") on which the Borrowers propose that Incremental Term Loan Commitments shall be effective, which shall be a date not less than ten Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender, other Eligible Assignee or any other Person (each, an "**Incremental Term Loan Lender**", as applicable) to whom the Borrowers propose any portion of such Incremental Term Loan Commitments be allocated and the amounts of such allocations; provided, any Eligible Assignee or other Person identified by the Borrowers as a proposed Incremental Term Loan Lender shall be reasonably acceptable to the Administrative Agent.

(c) Conditions to Effectiveness. Each Incremental Term Loan Commitment shall become effective as of the applicable Incremental Increase Date; provided:

(i) (a) if the proceeds of such Incremental Term Loans shall be applied to consummate a Limited Condition Acquisition, no Default or Event of Default shall exist on such Incremental Increase Date immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, provided that the Lenders providing such Incremental Term Loan Commitments may instead agree that (1) no Default or Event of Default shall exist at the time that the definitive acquisition agreement is entered into (determined in accordance with Section 1.7) and (2) on such Incremental Increase Date both immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, no Event of Default under Section 8.1(a) (but, in the case of such Section 8.1(a), solely if with respect to premium or interest), 8.1(f) or 8.1(g) shall have occurred and be continuing or would result therefrom and (b) in all other cases, no Default or Event of Default shall exist on such Incremental Increase Date immediately before or immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder;

(ii) both immediately before and immediately after giving effect to such Incremental Term Loan Commitments and the borrowings thereunder, as of such Incremental Increase Date, the representations and warranties contained herein and in the other Credit Documents shall be true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects) on and as of that Credit Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (except for those representations and warranties that are qualified by materiality, which shall have been true and correct in all respects) on and as of such earlier date; provided, with respect to this clause (ii), to the extent that the

proceeds of Loans under any Incremental Term Loan Commitments are to be used to finance a Limited Condition Acquisition, the availability thereof instead may be subject to customary "SunGard" or "certain funds" conditionality to the extent agreed by the Lenders providing such Loans;

(iii) if applicable, the Borrower Representative shall have delivered a fully executed Funding Notice to the Administrative Agent at the Notice Office no later than 11:00 a.m. (New York City time) at least three Business Days in advance of the proposed Credit Date in the case of any Incremental Term Loan that is a Eurodollar Loan, and at least one Business Day in advance of the proposed Credit Date in the case of an Incremental Term Loan that is a Base Rate Loan; and

(d) [Reserved].

(e) Series of Incremental Term Loans. Any Incremental Term Loans made on an Incremental Increase Date shall be designated a series (a "**Series**") of Incremental Term Loans for all purposes of this Agreement and such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to Section 2.24, or any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26. On any Incremental Increase Date on which any Incremental Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Incremental Term Loan Lender of any Series shall make a Loan to the Borrowers (an "**Incremental Term Loan**") in an amount equal to its Incremental Term Loan Commitment of such Series, and (ii) each Incremental Term Loan Lender of any Series shall become a Lender hereunder with respect to the Incremental Term Loan Commitment of such Series and the Incremental Term Loans of such Series made pursuant thereto.

(f) Notice to Lenders. The Administrative Agent shall notify the Lenders, promptly upon receipt of the Borrower Representative's notice of an Incremental Increase Date, of the Series of Incremental Term Loan Commitments and the Incremental Term Loan Lenders of such Series, in each case, as applicable.

(g) Terms. The terms of the Incremental Term Loans and Incremental Term Loan Commitments of any Series shall be mutually agreed by the Borrowers and the applicable Incremental Term Loan Lenders; provided such Series may form part of, and have the same terms as, the initial Term Loans made by the Lenders on the Closing Date, Extended Term Loans incurred pursuant to Section 2.24, any existing Series of Incremental Term Loans incurred pursuant to Section 2.25 or any existing Series of Other Term Loans pursuant to Section 2.26; provided further, in the case of any separate Series:

(i) such Series shall rank pari passu in right of payment, and rank pari passu in right of security, with the Obligations;

(ii) (A) the maturity date applicable to such Series shall not be earlier than the then-final scheduled maturity date of the Term Loans with the latest Term Loan Maturity Date then in effect, and (B) the Weighted Average Life to Maturity of such Series shall not be shorter than the then applicable Weighted Average Life to Maturity of the Term Loans with the latest Term Loan Maturity Date then in effect;

(iii) such Series shall not be (A) secured by a Lien on any property that does not also secure the Obligations or (B) be guaranteed by any Person other than a Guarantor (and any guaranty by Holdings or LLC Subsidiary shall be limited in recourse on the same basis as their Guaranty hereunder);

(iv) such Series shall share on a pro rata basis in all mandatory and voluntary prepayments of Term Loans unless the Lenders providing such Series agree to payment on a less than pro rata basis;

(v) if ~~(A) such Series becomes effective on or prior to the date that is the one-year anniversary of the Closing Date and (B)~~ the Weighted Average Yield relating to such Series (which, in the case of each Series of Incremental Term Loans whenever incurred, shall be determined by the Borrowers and the Lenders providing such Series of Incremental Term Loans) exceeds the Weighted Average Yield relating to the Term Loans on such date by more than 0.50%, then the Weighted Average Yield relating to the Term Loans shall be adjusted to be equal to the Weighted Average Yield relating to such Series minus 0.50%; and

(vi) except as otherwise expressly set forth in the foregoing clauses (i) through (v), inclusive, the pricing (including interest, fees and premiums) and optional prepayment terms with respect such Series shall be determined by the Borrowers and the lenders providing such Series and be reasonably satisfactory to the Administrative Agent; provided, (A) such Series may not be voluntarily or mandatorily prepaid prior to repayment in full of the Obligations (other than Remaining Obligations), unless accompanied by at least a ratable payment of the then existing Obligations, and (B) the other terms of such Series (other than with respect to pricing, margin, maturity and/or fees or as otherwise contemplated in the foregoing clauses (i) through (v) above) shall be, when taken as a whole, not materially more favorable (as reasonably determined by the Borrowers in good faith) to the lenders or holders providing such Series than those applicable to the Term Loans (except to the extent (x) such terms are reasonably acceptable to the Administrative Agent or added in the Credit Documents for the benefit of the Lenders pursuant to an amendment hereto or thereto subject solely to the reasonable satisfaction of the Administrative Agent or (y) such terms are applicable solely to periods after the latest final Term Loan Maturity Date existing at the time of such incurrence).

(h) Joinder Agreement. Each Joinder Agreement may, without the consent of any the Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.25.

2.26 Refinancing Facilities

(a) At any time after the Closing Date, the Borrowers may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement (which, for purposes of this clause (a), will be deemed to include any then outstanding Other Term Loans and Other Term Loan Commitments), in the form of Other Term Loans or Other Term Loan Commitments, pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (A) shall rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (B) will have such pricing, fees, premiums, and interest or optional prepayment terms as may be agreed by the Borrowers and the

Lenders thereof, (C) will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than, the then applicable Weighted Average Life to Maturity of the Term Loans being refinanced (other than to the extent of nominal amortization for periods where amortization has been eliminated or reduced as a result of prepayments of such Term Loans), (D) any Credit Agreement Refinancing Indebtedness in the form of Other Term Loans or Other Term Loan Commitments will share ratably in any voluntary and mandatory prepayments or repayments of Term Loans (unless the Lenders providing the Other Term Loans agree to participate on a less than pro rata basis in any voluntary or mandatory prepayments or repayments), (E) such Credit Agreement Refinancing Indebtedness shall be subject to the Intercreditor Agreement and (F) will have terms and conditions that are not materially more restrictive, taken as a whole, to Holdings and its Restricted Subsidiaries than those applicable to the Refinanced Debt, taken as a whole, as determined in Holdings' good faith judgment in consultation with the Administrative Agent (except for (A) covenants and events of default applicable only to periods after the Latest Maturity Date in effect at the time of the incurrence or issuance of any such Credit Agreement Refinancing Indebtedness or (B) unless the Borrowers enter into an amendment to this Agreement with the Administrative Agent (which amendment shall not require the consent of any other Lender) to add such more restrictive terms for the benefit of the Lenders). Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.26 shall be in an aggregate principal amount that is not less than $10,000,000 and an integral multiple of $1,000,000 in excess thereof.

(b) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section. For the avoidance of doubt, no existing Lender shall be obligated to provide any Credit Agreement Refinancing Indebtedness.

Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations, it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrower will make such payment with respect to, or perform, such Obligations. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 2.27(a) constitute

the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Credit Documents or any other circumstances whatsoever.

The Borrower Representative hereby accepts such appointment. Each Borrower and Holdings agrees that each notice, election, representation and warranty, covenant, agreement, undertaking and determination made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower or Holdings, as applicable, and shall be binding upon and enforceable against such Person to the same extent as if the same had been made directly by such Person.

2.28 Designation of Borrowers. On or after the Closing Date, the Borrower Representative may, at any time and from time to time, designate any Subsidiary that is both a wholly owned Subsidiary and a Restricted Subsidiary as a "Borrower" by delivery to the Administrative Agent of a Borrower Joinder executed by such Subsidiary, each other Guarantor and the Borrower Representative; provided that:

(a) any such Restricted Subsidiary is organized in a Qualified Borrower Jurisdiction;

(b) the representations and warranties set forth herein and in each other Credit Document shall be true and correct in all material respects on and as of the date of the Borrower Joinder for such proposed Restricted Subsidiary becoming an additional Borrower with the same effect as though made on and as of each of such dates (except to the extent made as of a specific date, in which case such representation and warranty shall be true and correct in all material respects on and as of such specific date);

(c) no Default or Event of Default shall exist on and as of the date of the Borrower Joinder for such proposed Restricted Subsidiary becoming an additional Borrower;

(d) the Administrative Agent and the Lenders shall have received all documentation and other information that the Administrative Agent or a Lender has requested in writing of the Borrower Representative with respect to any new Borrower at least ten days prior to the requested date of such joinder that they reasonably determine is required by regulatory authorities under applicable "know your customer" and AML Laws, including the PATRIOT ACT, in each case, at least three days prior to the date of such joinder (or such shorter period as the Administrative Agent shall otherwise agree);

(e) such Restricted Subsidiary shall have delivered to the Administrative Agent a duly authorized, executed and delivered counterpart signature page to a Borrower Joinder;

(f) if such Restricted Subsidiary is not a Credit Party on the date it becomes or is to become an additional Borrower pursuant to this Section 2.28, such Restricted Subsidiary shall have delivered to the Collateral Agent duly authorized, executed and delivered copies of any Collateral Documents required to be entered into by such Restricted Subsidiary pursuant to Section 5.11 as applied

to such Restricted Subsidiary becoming a Borrower hereunder and, regardless of whether such Restricted Subsidiary is a Credit Party on the date it becomes or is to become an additional Borrower hereunder, Section 5.11 shall have been satisfied with respect to such Restricted Subsidiary (without giving effect to any grace periods set forth therein);

(g) the Administrative Agent shall have received, to the extent requested thereby, customary opinions of counsel reasonably satisfactory to the Administrative Agent; and

(i) recent corporate authorizations and Organizational Documents of, and specimen signatures for, such Restricted Subsidiary, and (to the extent available) a certificate of good standing for such Restricted Subsidiary as of a recent date from the Secretary of State or similar Governmental Authority of the jurisdiction of its organization; and

(ii) a certificate of an authorized signatory of such Restricted Subsidiary certifying the copies of the foregoing documents provided by it.

Upon receipt thereof the Administrative Agent shall promptly transmit such Borrower Joinder and the related documents delivered pursuant to this Section 2.29 to each of the Lenders, and such Restricted Subsidiary shall be deemed a Borrower for all purposes under this Agreement and the other Credit Documents.

The Borrowers shall have paid to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders the fees payable to each such Person on the Closing Date referred to in Section 2.11(g). The Borrowers shall have paid all expenses required to be paid by the Borrowers to the Lead Arrangers, the Administrative Agent, the Collateral Agent and the Lenders for which reasonably detailed invoices have been presented at least two Business Days prior to the Closing Date (or such shorter period as may be agreed by the Borrowers). Each Lender and each Agent, by delivering its signature page to this Agreement and, if applicable, funding a Loan on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document, agreement, instrument, certificate or opinion required to be approved by such Lender or such Agent, as the case may be, on the Closing Date.

(iv) No Default or Event of Default. Subject to Section 2.25(c)(i), if applicable, as of such Credit Date, no event shall have occurred and be continuing or would result from the consummation of the applicable Credit Extension that would constitute a Default or an Event of Default.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Lenders and each Agent to enter into this Agreement and to make each Credit Extension to be made thereby, Holdings, the Borrowers and the Restricted Subsidiaries represent and warrant to the Lenders and the Agents, on the Closing Date and on each Credit Date (other than any Credit Date in respect of a Loan made pursuant to Section 2.3(g) or 2.4(d)), that the following statements are true and correct (it being understood and agreed that the representations and warranties made on the Closing Date are deemed to be made concurrently with the consummation of the Related Transactions):

4.1 Organization; Required Power and Authority; Qualification. Each of Holdings, the Borrowers and the Restricted Subsidiaries (a) is duly organized, incorporated, formed or registered, validly existing and in good standing (to the extent applicable) under the Laws of its jurisdiction of organization, incorporation, formation or registration other than (i) as a result of a transaction permitted under Section 6.8 or 6.9 and (ii) other than with respect to the Borrowers, in jurisdictions where the failure to be so qualified or in good standing (to the extent applicable) has not had, and could not be reasonably expected to have, a Material Adverse Effect, (b) has all requisite corporate (or equivalent) power and authority to own and operate its properties, to lease the property it operates as lessee, to carry on its business as now conducted and as proposed to be conducted, to enter into the Credit Documents to which it is a party and to carry

4.2 Equity Interests and Ownership. The Equity Interests of the Borrowers and the Restricted Subsidiaries (other than LLC Subsidiary) have been duly authorized and validly issued and (to the extent required under the applicable law) are fully paid and non-assessable (in the case of Foreign Subsidiaries, to the extent such concepts are applicable thereto); provided, that in the case of stock options or other equity compensation awards, the requirements of this sentence shall be deemed satisfied if such stock options or other awards have been duly authorized. Except as set forth on Schedule 4.2 or with respect to LLC Subsidiary, as of the date hereof, there is no existing option, warrant, call, right, commitment or other agreement (including preemptive rights) to which any Borrower or any of the Restricted Subsidiaries is a party requiring, and there is no Equity Interest of any Borrower or any of the Restricted Subsidiaries outstanding which upon conversion or exchange would require, the issuance by any Borrower or any of the Restricted Subsidiaries of any additional Equity Interests of any Borrower or any of the Restricted Subsidiaries or other Securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, Equity Interests of any Borrower or any of the Restricted Subsidiaries. 4.5 Third Party Consents. The execution, delivery and performance by the Credit Parties of the Credit Documents to which they are parties and the consummation of the transactions contemplated by the Credit Documents do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or other third Person, except (a) such as have been obtained and are in full force and effect, (b) for filings and recordings with respect to the Collateral to be made or otherwise that have been delivered to the Collateral Agent for filing and/or recordation and (c) those approvals, consents, registrations or other actions or notices, the failure of which to obtain or make could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

SECTION 7. GUARANTY

7.1 Guaranty of the Obligations. The Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)) (collectively, the "**Guaranteed Obligations**").

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date.

"**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (x) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (y) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors times (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state Law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. "Aggregate Payments" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (ii) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3 Payment by Guarantors. Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of the Borrowers or any other Guarantor to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for any Borrower's becoming the subject of a proceeding under any Debtor Relief Law, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against such Borrower for such interest in such proceeding) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations (other than Remaining Obligations). In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability;

(b) this Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(c) the Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between any Borrower and any Beneficiary with respect to the existence of such Event of Default;

(d) the obligations of each Guarantor hereunder are independent of the obligations of any Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of any Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against any Borrower or any of such other Guarantors and whether or not any Borrower is joined in any such action or actions;

(e) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(f) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or the applicable Swap Contract and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any Borrower or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents or the Swap Contracts; and

(g) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations (other than Remaining Obligations)), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or

otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents or the Swap Contracts, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents, any of the Swap Contracts or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document, such Swap Contract or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or any of the Swap Contracts or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Holdings, any Borrower or any of the Restricted Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set-offs or counterclaims which any Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

7.5 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against any Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from any Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Borrower or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith or gross negligence; (e) (i) any principles or provisions of Law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, the Swap Contracts or any agreement or instrument related thereto, notices of any renewal, extension or modification of the

Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to the Borrowers and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by Law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against any Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against any Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations (other than Remaining Obligations) shall not have been finally and paid in full, such amount shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7 Subordination of Other Obligations. Any Indebtedness of any Borrower or any Guarantor now or hereafter held by any Guarantor (the "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 Authority of Guarantors or the Borrowers. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or any Borrower or the officers, members of the Board of Directors or any agents acting or purporting to act on behalf of any of them.

7.10 Financial Condition of the Borrowers. Any Credit Extension may be made to the Borrowers or continued from time to time, and any Swap Contracts may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrowers at the time of any such grant or continuation or at the time such Swap Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Borrowers. Each Guarantor has adequate means to obtain information from the Borrowers on a continuing basis concerning the financial condition of the Borrowers and their ability to perform its obligations under the Credit Documents and the Swap Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrowers and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrowers now known or hereafter known by any Beneficiary.

7.11 Bankruptcy, Etc.

(a) Until the Guaranteed Obligations (other than Remaining Obligations) shall have been paid in full, without the prior written consent of the Administrative Agent acting pursuant to the instructions of the Required Lenders, commence or join with any other Person in commencing any proceeding under any Debtor Relief Law of or against any Borrower or any other Guarantor. The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of any Borrower or any other Guarantor or by any defense which any Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve any Borrower of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) If all or any portion of the Guaranteed Obligations are paid by any Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

7.12 Discharge of Guaranty Upon Sale of Guarantor. If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such sale or disposition, and the Administrative Agent agrees to take all actions reasonably requested by the Borrowers or such Guarantor to evidence the discharge and release of such Guarantor; provided that (a) any such action shall be without recourse to, or representation or warranty by, the Administrative Agent, (b) any document executed by the Administrative Agent shall be in form and substance reasonably satisfactory to the Administrative Agent and (c) the Administrative Agent shall not be required to take any such action that, in its reasonable opinion or the reasonable opinion of its counsel, could reasonably be expected to expose the Administrative Agent to undue liability or that is contrary to any Credit Document or applicable law.

7.13 [Reserved]

7.14 Limited Recourse to Holdings and LLC Subsidiary Notwithstanding anything to the contrary contained in any Credit Document, the liability of Holdings and LLC Subsidiary under the Credit Documents, including this Section 7, and the recourse of the Collateral Agent (on behalf of the Beneficiaries) against Holdings and LLC Subsidiary under the Credit Documents, including this Section 7, shall be limited solely to (a) in the case of Holdings, (i) the Equity Interests of U.S. Borrower, Lux Holdco and (if any) Lux Borrower owned by Holdings and (ii) any Indebtedness owing to Holdings from any Restricted Subsidiary, in each case, pledged by Holdings to the Collateral Agent for the benefit of the Secured Parties pursuant to the Limited Recourse Pledge and Security Agreement or any similarly limited recourse Cayman Collateral Document or Luxembourg Collateral Document and (b) in the case of LLC Subsidiary, (i) the Equity Interests of U.S. Borrower, Lux Holdco and (if any) Lux Borrower owned by LLC Subsidiary and (ii) any Indebtedness owing to LLC Subsidiary from Holdings or any Restricted Subsidiary, in each case, pledged by LLC Subsidiary to the Collateral Agent for the benefit of the Secured Parties pursuant to the Limited Recourse Pledge and Security Agreement or any similarly limited recourse Cayman Collateral Document or Luxembourg Collateral Document.

7.15 Luxembourg Limitation Language.

(a) Notwithstanding anything to the contrary contained in any Credit Document, including this Section 7, to the extent that the guarantee provided herein is granted by a Guarantor incorporated in the Grand Duchy of Luxembourg (a "**Luxembourg Guarantor**"), the maximum liability of a Luxembourg Guarantor under this Agreement or any other Credit Document for the obligations of a Borrower which is not a direct or indirect Subsidiary of such Luxembourg Guarantor shall be limited to an amount not exceeding the greater of:

(i) 95% of such Luxembourg Guarantor's own funds (*capitaux propres*), as referred to in annex I to the grand-ducal regulation dated 18 December 2015 defining the form and content of the presentation of balance sheet and profit and loss account, and enforcing the Luxembourg law dated 19 December 2002 concerning the trade and companies register and the accounting and annual accounts of undertakings (the "**Regulation**") as increased by the amount of any subordinated debt (including any Intra-Group Liabilities (as defined below), each as reflected in such Luxembourg Guarantor's latest duly approved annual accounts and other relevant documents available to the Administrative Agent at the date of this Agreement; and

(ii) 95% of such Luxembourg Guarantor's own funds (*capitaux propres*), as referred to the Regulation as increased by the amount of any subordinated debt (including any Intra-Group Liabilities (as defined below), each as reflected in such Luxembourg Guarantor's latest duly approved annual accounts and other relevant documents available to the Administrative Agent at the time the guarantee is called.

(b) For the purposes of this Section 7.15, "**Intra-Group Liabilities**" means all existing liabilities owed by a Luxembourg Guarantor to any Affiliate of such Luxembourg Guarantor. The above limitation shall not apply to any amounts borrowed by, or made available to, in any form whatsoever, under any Credit Documents or First Lien Credit Documents (or any document entered into in connection therewith), any Luxembourg Guarantor or any of its (current or future) direct or indirect Subsidiaries.

SECTION 8. EVENTS OF DEFAULT

8.1 Events of Default. The occurrence of any one or more of the following conditions or events shall constitute an "**Event of Default**":

(a) Failure to Make Payments When Due. Failure by the Borrowers to pay (i) when due any principal of any Loan, whether at stated maturity, by acceleration, by notice of voluntary prepayment, by mandatory prepayment or otherwise; or (ii) any interest on any Loan or any fee or any other amount due hereunder or under any other Credit Document (other than an amount referred to in clause (i) above) within three Business Days after the date due; or

(i) Failure of Holdings, any Borrower or any of the Restricted Subsidiaries to pay when due any principal of or interest on or any other amount payable in respect of one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in an individual or aggregate principal amount (or Net Mark-to-Market Exposure, as applicable) of $12,000,000 or more beyond the grace period, if any, provided therefor; or (ii) breach or default by Holdings, any Borrower or any of the Restricted Subsidiaries with respect to any other term of (A) one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in the individual or aggregate principal amounts (or Net Mark-to-Market Exposure, as applicable) referred to in clause (i) above or (B) any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Indebtedness, in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redemption) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; provided that this clause (b)(ii) shall not apply to secured Indebtedness (other than Indebtedness under any Junior Financing Documents) that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder; provided, further, no such event with respect to Indebtedness under the First Lien Credit Agreement, and no breach or default with respect to Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in an individual or aggregate principal amount (or Net Mark- to-Market Exposure, as applicable) of $12,000,000 or more solely as a result of a breach or default under the First Lien Credit Agreement (other than the failure to pay any outstanding principal amount when due with respect to such Indebtedness) shall constitute an Event of Default under this clause (b) until the Indebtedness under the First Lien Credit Agreement shall have been accelerated or commitments thereunder have been terminated as a result of such event; or

(c) Breach of Certain Covenants. Failure of any Credit Party to perform or comply with any term or condition contained in Section 2.6, Section 5.1(h), Section 5.2 (as it relates to the existence of any Credit Party), Section 5.17, Section 5.18, Section 5.22 or Section 6; or

(d) Breach of Representations, Etc. Any Credit Party shall default in the performance of or compliance with any term contained herein or any of the other Credit Documents, other than any such term referred to in any other clause of this Section 8.1, and such default shall not have been remedied or waived within thirty days after the earlier of (i) an officer of Holdings or any Borrower becoming aware of such default or (ii) receipt by the Borrower Representative of notice from the Administrative Agent or the Required Lenders of such default; or

(f) Involuntary Bankruptcy; Appointment of Receiver, Etc. (i) A court of competent jurisdiction shall enter a decree or order for relief in respect of Holdings, any Borrower or any of the Restricted Subsidiaries in an involuntary case under any Debtor Relief Law now or hereafter in effect, which decree or order is not stayed; or any other similar relief shall be granted under any applicable federal, state or foreign Law; (ii) an involuntary case shall be commenced against Holdings, any Borrower or any of the Restricted Subsidiaries under any Debtor Relief Law now or hereafter in effect; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee, custodian or other officer having similar powers over Holdings, any Borrower or any of the Restricted Subsidiaries, or over all or a substantial part of its property, shall have been entered; or there shall have occurred the involuntary appointment of an interim receiver, trustee or other custodian of Holdings, any Borrower or any of the Restricted Subsidiaries for all or a substantial part of its property; or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of Holdings, any Borrower or any of the Restricted Subsidiaries, and any such event described in this clause (ii) shall continue for sixty days without having been dismissed, bonded or discharged; or (iii a moratorium under the laws of the United Kingdom is declared in respect of any Indebtedness of a Foreign Credit Party organized under the laws of England and Wales; or

SECTION 9. AGENTS

9.1 Appointment and Authority. Each of the Lenders, by accepting the benefits of this Agreement and the other Credit Documents, hereby irrevocably appoints Macquarie Capital Funding LLC to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent (including through its agents or employees) to take such actions on its behalf and to exercise such powers and perform such duties as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each of the Lenders, by accepting the benefits of this Agreement and the other Credit Documents, hereby irrevocably appoints (i) Macquarie Capital Funding LLC to act on its behalf as the Collateral Agent hereunder and under the other Credit Documents and authorizes Macquarie Capital Funding LLC (in its capacity as a Collateral Agent) to take such actions on its behalf and to exercise such powers as are delegated to Macquarie Capital Funding LLC (in its capacity as a Collateral Agent) by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto and (ii) Cortland Capital Market Services LLC to act on its behalf as the Collateral Agent under the Foreign Collateral Documents and authorizes Cortland Capital Market Services LLC (in its capacity as a Collateral Agent) to take such actions on its behalf and to exercise such powers as are delegated to Cortland Capital Market Services LLC (in its capacity as a Collateral Agent) by the terms thereof, together with such actions and powers as are reasonably incidental thereto. Except as expressly set forth in Sections 9.6(a) and 9.6(b), the provisions of this Section are solely for the benefit of the Agents and the Lenders, and neither Holdings, any Borrower or any of the Restricted Subsidiaries shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to an Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. Each Lender irrevocably authorizes the Administrative Agent and the Collateral Agent to execute and deliver the Intercreditor Agreement and any other applicable intercreditor or subordination agreement and to take such action, and to exercise the powers, rights and remedies granted to the Administrative Agent and the Collateral Agent thereunder and with respect thereto.

9.2 Rights as a Lender. The Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may issue letters of credit for the account of, accept deposits from, lend money to, own Securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, Holdings, any Borrower or any of the Restricted Subsidiaries or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, the Agents and their respective Affiliates may receive information regarding any Credit Party or any Affiliate of a Credit Party (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliate) and acknowledge that the Agents shall be under no obligation to provide such information to them.

9.3 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its duties hereunder (in the case of Macquarie Capital Funding LLC) or under any Foreign Collateral Document (in the case of Cortland Capital Market Services LLC) shall be administrative and ministerial in nature. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided, (A) no Agent shall be required to take any such action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law and (B) Cortland Capital Market Services LLC, in its capacity as a Collateral Agent, may take, and rely on, any instructions provided to it from the Administrative Agent; and

(iii) shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, or be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable to any Lender for any action taken or not taken by such Agent (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary,

under the circumstances as provided in Sections 10.5 and Sections 8.1, 8.2 and 8.3) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment or a material breach of such Agent's obligations hereunder. Each Agent shall be fully justified in failing or refusing to take any discretionary action (or any other action which is inconsistent with the Administrative Agent's duties and obligations under Section 9.3(a)(ii)) under any Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(c) No Agent shall be deemed to have knowledge or notice of any Default or Event of Default unless and until notice describing such Default and stating that such notice is a "notice of default" is given to such Agent in writing by the Borrower Representative, a Lender.

(d) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document referred to, provided for in, or delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, other terms or conditions or obligations set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness, sufficiency or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Section 3 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

(e) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lender. Without limiting the generality of the foregoing, no Agent shall (i) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (ii) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restrictions on any exercise of rights or remedies of, any Disqualified Lender.

9.4 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.5 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through any one or more Affiliates, agents, employees, attorneys-in-fact, separate trustees or co-trustees, or

sub-agents as shall be deemed necessary or advisable by such Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section and the indemnity provisions of Section 10.3 shall apply to any such sub-agent, separate trustee or co-trustee, and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Loans and Commitments as well as activities as such Agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents, separate trustees or co-trustees, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub- agents, separate trustees or co-trustees.

9.6 Resignation of the Administrative Agent.

(a) Each Agent may at any time give notice of its resignation to the Lenders and the Borrower Representative. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint from among the Lenders a successor with the consent of the Borrowers; provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "**Resignation Effective Date**"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date and the Lenders shall perform all of the duties of the resigning Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided above.

(b) If a Person serving as an Agent is a Defaulting Lender pursuant to clause (iv) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower Representative and such Person remove such Person as an Agent and, with the consent of the Borrowers (provided, (x) no such consent of the Borrowers shall be required while an Event of Default under clause (f) or (g) of Section 8.1 (with respect to Holdings or the Borrowers) exists and (y) such consent shall not be unreasonably withheld, delayed or conditioned, and shall be deemed to have been given unless the Borrowers shall have objected to such appointment by written notice to the Administrative Agent within seven Business Days after having received notice thereof), appoint from among the Lenders a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty days (or such earlier day as shall be agreed by the Required Lenders) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents, (except that in the case of any Collateral held by the Collateral Agent on behalf of the Secured Parties, the retiring or removed the Collateral Agent shall continue to hold such Collateral until such time as a successor Collateral Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such Agent shall

instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents. The term "Administrative Agent" means such successor administrative agent and the term "Collateral Agent" means such successor collateral agent. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section and Sections 10.2 and 10.3 shall continue in effect for the benefit of such retiring or removed Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

9.7 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that no Agent, Lender or any of their Related Parties has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Credit Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty to any Lender as to any matter, including whether such Agent has disclosed material information in their possession. Each Lender represents that it has, independently and without reliance upon either Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property financial and other condition and creditworthiness of the Credit Parties and their respective Subsidiaries and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Credit Parties hereunder. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Credit Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent pursuant to the Credit Documents, such Agent shall not have any duty or responsibility to provide any Lender with any other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their respective Affiliates which may come into the possession of any Agent. Without limiting the foregoing, each Lender acknowledges and agrees that neither such Lender, nor any of its respective Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the PATRIOT Act or the regulations thereunder, including the regulations contained in 31 C.F.R. 103.121 (as hereafter amended or replaced, the "**CIP Regulations**"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of the Credit Parties, their Affiliates or their agents, the Credit Documents or the transactions hereunder or contemplated hereby: (a) any identity verification procedures, (b) any recordkeeping, (c) comparisons with government lists, (d) customer notices or (e) other procedures required under the CIP Regulations or such other Laws.

9.8 No Other Duties, Etc. Anything herein to the contrary notwithstanding, no Lead Arranger or Syndication Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as an Agent, a Lender hereunder. Without limiting the foregoing, none of the Persons so identified shall have or be deemed to have pursuant to this Agreement any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

9.9 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.4, 2.11, 10.2 and 10.3.

9.10 Collateral Documents and Guaranty.

(a) The Secured Parties irrevocably authorize the Collateral Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (v) upon termination of all Commitments and payment in full of all Obligations (other than Remaining Obligations), (w) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Credit Documents to any Person other than a Credit Party (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement), (x) subject to Section 10.5, if approved, authorized or ratified in writing by the requisite lenders under this Agreement, (y) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (iii) below or (z) to the extent the property subject to such Lien becomes an Excluded Asset;

(ii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 6.2(f) or 6.2(g); and

(iii) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted under the Credit Documents.

Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10(a). If any Collateral is disposed of as permitted by Section 6.9 to any Person other than a Credit Party, such Collateral shall be sold free and clear of the Liens created by the Credit Documents and the Administrative Agent or the Collateral Agent, as applicable, shall, at the expense of the Borrowers, take any and all actions reasonably requested by the Borrowers to effect the foregoing (provided that if requested by the Administrative Agent, the Borrowers shall provide a certification that such disposition is permitted by this Agreement).

(b) Anything contained in any of the Credit Documents to the contrary notwithstanding, each Credit Party, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Credit Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Required Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale or other disposition.

(c) Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into (including any representation or warranty regarding) the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, and neither the Administrative Agent nor the Collateral Agent shall be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

9.11 Withholding Taxes. To the extent required by any applicable Law, the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered, was not properly executed or was invalid or because such Lender failed to notify the Administrative Agent of a

change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 9.11. The agreements in this Section 9.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, this Section 9.11 shall not limit or expand the obligations of the Borrowers or any other Credit Party under Section 2.20 or any other provision of this Agreement.

9.12 Collateral Held in Trust. Unless expressly provided to the contrary in any Credit Document, each Collateral Agent declares that it shall hold the Collateral in trust for the Beneficiaries on the terms contained in this Agreement.

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided, the foregoing shall not apply to Notices to any Lender if such Lender has notified the Administrative Agent that it is incapable of receiving Notices by electronic communication. The Administrative Agent or the Borrower Representative may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefore; provided, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. "**Communications**" means, collectively, any notice, demand, communication, information, document or other material that any Credit Party provides to the Administrative Agent pursuant to any Credit Document or the transactions contemplated therein which is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through the Platform.

Borrowers under Section 2.20), incurred by the Administrative Agent, the Collateral Agent, any Lead Arranger or any Lender (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all such Persons and, solely in the case of an actual or reasonably potential conflict of interest where such Persons affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Persons taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Persons), joint or several but in each such case, excluding allocated costs of in-house counsel) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

10.3 Indemnity; Certain Waivers.

(a) Indemnification by Borrower. The Borrowers shall indemnify each Agent (and any sub-agent thereof), each Lead Arranger, the Syndication Agent, each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable documented out-of-pocket fees and expenses, including any applicable non-refundable value added taxes (solely to the extent not indemnifiable by the Borrowers under Section 2.20) (limited, in the case of legal fees and expenses, to the reasonable, documented and invoiced out-of-pocket fees, disbursements and other charges of one common counsel for all Indemnitees and, solely in the case of an actual or reasonably potential conflict of interest where the Indemnitees affected by such conflict inform the Borrowers of such conflict and thereafter, retain their own counsel, one additional conflicts counsel to each group of similarly affected Indemnitees taken as a whole and (in either case), to the extent reasonably necessary, one local counsel, one foreign counsel and one regulatory counsel in each relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to all (and/or each group of similarly affected) Indemnitees), joint or several but in each such case, excluding allocated costs of in- house counsel), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including Holdings, LLC Subsidiary, any Borrower or any of the Restricted Subsidiaries) other than such Indemnitee and its Related Parties to the extent arising out of, in connection with, or as a result of (i) the structuring, arrangement or syndication of the credit facilities provided for herein, (ii) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (iii) any Loan or the use or proposed use of the proceeds therefrom, (iv) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by Holdings, any Borrower or any Restricted Subsidiary, or any Environmental Claim related in any way to Holdings, any Borrower or any Restricted Subsidiary, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding), whether brought by a third party or by Holdings, any Borrower or any of the Restricted Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided, such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (w) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, (x) result from a material breach of such Indemnitee's (or any of its Related Parties') obligations hereunder or under any other Credit Document, as determined by a court of competent jurisdiction by a

final and nonappealable judgment, (y) result from disputes solely among such Indemnitees (other than any claims against an Indemnitee acting in its capacity as the Administrative Agent, Collateral Agent, a Lead Arranger, a Syndication Agent or any such agent hereunder) and not arising out of any act or omission of Sponsor, Holdings, LLC Subsidiary or any of its Subsidiaries or their Affiliates or (z) relate to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(b) Reimbursement by Lenders. To the extent that the Borrowers for any reason fail to indefeasibly pay any amount required under Section 10.2 or Section 10.3(a) to be paid by it to an Agent (or any sub-agent thereof)or any Related Party of any of the foregoing, each Lender severally agrees to pay to such Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against an Agent (or any such sub-agent) or against any Related Party of any of the foregoing acting for such Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 10.3(b) are subject to the provisions of Section 10.12.

(c) Waiver of Consequential Damages, Etc.

To the fullest extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against any Indemnitee or any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under Sections 10.2 and Section 10.3 shall be payable promptly after demand therefor.

(e) Survival. Each party's obligations under Sections 10.2 and 10.3 shall survive the termination of the Credit Documents and payment of the obligations hereunder.

10.4 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrowers or any other Credit Party against any and all of the obligations of the Borrowers or such Credit Party now or hereafter existing under this Agreement or any other Credit Document to such Lender or its respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Credit Document and although such obligations of the Borrowers or such Credit Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided, if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further

application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application; provided, the failure to give such notice shall not affect the validity of such setoff and application.

10.5 Amendments and Waivers.

(a) Required Lenders' Consent. No failure or delay by the Administrative Agent or any Lender in exercising any right or power under any Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Credit Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. Subject to the additional requirements of Sections 10.5(b), 10.5(c) and 10.5(d), no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall be effective without the written concurrence of the Required Lenders (other than (i) as provided in Section 2.24 with respect to an Extension Amendment or as otherwise contemplated by such section, (ii) as provided in Section 2.25 with respect to any Joinder Agreement or as otherwise contemplated by such section, (iii) as provided in Section 2.26 with respect to any Refinancing Amendment or as otherwise contemplated by such section and (iv) as contemplated by clause (vii) of the proviso to the definition of Credit Agreement Refinancing Indebtedness; provided, the Administrative Agent may, with the consent of the Borrowers only, (A) amend, modify or supplement this Agreement and any guarantees, collateral security documents and related documents executed by any Credit Party to (1) to cure any ambiguity, omission, defect or inconsistency, in each case, of a technical or immaterial nature, (2) comply with local Law or advice of local counsel or (3) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents, so long as (x) in each case, such amendment, modification or supplement does not directly materially adversely affect any material right of any Agent or the Lenders, and (y) with respect to clause (1) above, the Required Lenders shall not have objected in writing within five Business Days of such amendment, modification or supplement being posted to the Platform or otherwise delivered to the Required Lenders, (B) as provided in Section 2.18(a), amend the definition of Adjusted Eurodollar Rate and other applicable provisions of this Agreement, (C) as provided in Section 6.5(xiv), amend the applicable provisions of this Agreement and (D) amend, modify or supplement this Agreement to implement the terms of any Syndication Amendment, so long as, in the case of this clause (D), any such amendments, modifications or supplements (x) become effective on or prior to the Syndication Date and (y) do not directly materially adversely affect any material right of any Agent or the Lenders.

(b) Affected Lenders' Consent. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) extend the scheduled final maturity of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(ii) [reserved];

(iii) [reserved];

(iv) reduce or forgive the principal amount of any Loan without the written consent of the Lender holding such Loan;

(v) [reserved];

(vi) [reserved];

(vii) waive, reduce, forgive or postpone any scheduled amortization repayment of the principal amount of any Loan without the written consent of the Lender holding such Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a postponement of any maturity date);

(viii) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.10) without the written consent of the Lender holding such Loan; provided that any change to the definition of any ratio used in the calculation of the interest rate therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(ix) reduce any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; provided that any change to the definition of any ratio used in the calculation of the premium or fees therein or in the component definitions thereof shall not constitute a reduction of interest, premium or fees;

(x) extend the time for payment of any interest (other than any interest that is payable pursuant to Section 2.10) on any Loan without the written consent of the Lender holding such Loan;

(xi) extend the time for payment of any fee or premium payable under any Credit Document without the written consent of the Lender that is entitled to receive such fee or premium; or

(xii) change the currency in which any Loan is denominated without the written consent of each Lender holding such Loan.

For the avoidance of doubt any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders.

(c) Consent of all Lenders. Without the written consent of all Lenders, no amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) amend, modify, terminate or waive any term or condition of Sections 10.5(a), 10.5(b), this 10.5(c), 10.5(d), 10.6 or the definition of "Affiliated Lender", "Debt Fund Affiliate", "Eligible Assignee" or "Non-Debt Fund Affiliate";

(ii) amend, modify, terminate or waive any term or condition of this Agreement or any other Credit Document that specifies the number or percentage of Lenders required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder;

(iii) amend, modify, terminate or waive any provision of the definition of "Required Lenders" or "Pro Rata Share" or amend, modify or waive any provision of Section 2.17 in a manner that would alter the pro rata sharing or payments or setoffs required thereby, without the written consent of each Lender adversely affected thereby; provided, with the consent of the Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Required Lenders" or "Pro Rata Share" on substantially the same basis as the Term Loan Commitments and the Term Loans are included on the Closing Date;

(iv) release or subordinate the Liens of the Secured Parties in all or substantially all of the Collateral, or release any material Guarantor from the Guaranty (other than pursuant to or in connection with a transaction permitted under Section 6.8 or 6.9) or subordinate the rights or claims of the Beneficiaries with respect thereto, in each case, except as expressly provided in the Credit Documents; provided, in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Required Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Credit Documents, only the consent of the Required Lenders will be needed for such release; or

(v) other than pursuant to a transaction permitted by Section 6.8, consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document.

(d) Other Consents. No amendment, modification, termination or waiver of any term or condition of any Credit Document, or consent to any departure by any Credit Party therefrom, shall:

(i) [reserved];

(ii) alter the required application of any repayments or prepayments as between Classes pursuant to Section 2.15 or Section 8.3 without the consent of each Agent and each Lender adversely affected thereby; provided, Required Lenders may waive, in whole or in part, any prepayment so long as the application, as between Classes, of any portion of such prepayment which is still required to be made is not altered; or

(iii) [reserved];

(iv) [reserved];

(v) amend, modify, terminate or waive any provision of Section 9 as the same applies to any Agent, or any other provision hereof as the same applies to the rights, duties or obligations of any Agent, in each case without the consent of such Agent;

(vi) [reserved]; or

(vii) [reserved].

(e) Delivery and Execution of Amendments, Etc.

(i) The Borrowers shall, promptly after the effectiveness of any amendment, modification, waiver or consent to which the Administrative Agent is not a party, deliver or cause to be delivered to the Administrative Agent a copy of any such amendment, modification, waiver or consent. The Administrative Agent shall have no obligation to execute any such amendment, modification, waiver or consent.

(ii) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

10.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrowers nor any other Credit Party may (other than pursuant to a transaction permitted by Section 6.8) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 10.6(b), (ii) by way of participation in accordance with Section 10.6(f), or (iii) by way of pledge or assignment of a security interest subject to Section 10.6(i) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.6(f) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided, each such assignment shall be subject to the following conditions:

(i) *Minimum Amounts*.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 10.6(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 10.6(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption Agreement with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 in the case of any assignment in respect of any Term Loan or any Incremental Term Loan, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower Representative otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) *Proportionate Amounts*. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate facilities on a non-pro rata basis.

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by Section 10.6(b)(i)(B) and, in addition:

(A) the consent of the Borrower Representative (such consent not to be unreasonably withheld or delayed; provided, it shall not be deemed unreasonable for the Borrower Representative to withhold consent to any assignment to a Disqualified Lender for any reason) shall be required unless (1) an Event of Default under Section 8.1(a), 8.1(f) or 8.1(g) (in the case of Section 8.1(f) or 8.1(g), with respect to Holdings, LLC Subsidiary or any Borrower) has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is to any Person that is not a Disqualified Lender and occurs at any time prior to the earlier of (x) the date that the primary syndication of the Loans has been completed, and (y) the ninetieth day following the Closing Date; provided, the Borrower Representative shall be deemed to have consented to any such assignment (other than an assignment to a Disqualified Lender) unless it shall object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) any unfunded Commitments with respect to any Term Loan or Incremental Term Loan if such assignment is to a Person that is not a Lender with an existing Commitment in respect thereof, an Affiliate of such Lender or an Approved Fund with respect to such Lender, or (ii) any Term Loan or any Incremental Term Loan to a Person who is not a Lender, an Affiliate of a Lender or an Approved Fund.

(iv) *Assignment and Assumption Agreement.* The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption Agreement, together with all forms, certificates or other evidence each assignee is required to provide pursuant to Section 2.20(g) and a processing and recordation fee of $3,500; provided, the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire, including all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act.

(v) *No Assignment to Certain Persons*. No such assignment shall be made to (A) Holdings, LLC Subsidiary, any Borrower or any of their Affiliates or Subsidiaries other than (x) a Debt Fund Affiliate or (y) an Affiliated Lender in accordance with Section 10.6(c) or 10.6(k) or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) *No Assignment to Natural Persons*. No such assignment shall be made to a natural person.

(vii) *Certain Additional Payments*. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this Section, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.6(d), from and after the recordation date, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption Agreement covering all of the

assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.19, 2.20, 10.2 and 10.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section but otherwise complies with Section 10.6(f) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.6(f).

(c) Assignments to Affiliated Lenders. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to an Affiliated Lender through open-market purchases, or in accordance with the procedures set forth on Appendix C pursuant to an offer made available to all Term Loan Lenders on a pro rata basis (a "**Dutch Auction**"), subject to the following limitations:

(i) in connection with an assignment to the Sponsor or any Non-Debt Fund Affiliate, (A) the Sponsor or such Non-Debt Fund Affiliate shall have identified itself in writing as an Affiliated Lender to the assigning Term Loan Lender and the Administrative Agent prior to the execution of such assignment and (B) the Sponsor or such Non-Debt Fund Affiliate shall be deemed to have represented and warranted to the assigning Term Loan Lender and the Administrative Agent that the requirements set forth in this clause (i) and clause (iv) below, shall have been satisfied upon consummation of the applicable assignment;

(ii) the Sponsor and Non-Debt Fund Affiliates will not (A) have the right to receive information, reports or other materials provided solely to Lenders by the Administrative Agent or any other Lender, except to the extent made available to the Borrowers, (B) attend or participate in meetings attended solely by the Lenders and the Administrative Agent, or (C) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders;

(iii) (A) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under, this Agreement or any other Credit Document, the Sponsor and each Non- Debt Fund Affiliate will be deemed to have consented in the same proportion as the Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates consented to such matter, unless such matter requires the consent of all or all affected Lenders or disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, (B) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (a "**Plan**"), the Sponsor and each Non-Debt Fund Affiliate hereby agrees (x) not to vote on such Plan, (y) if the Sponsor or such Non-Debt Fund Affiliate does vote on such Plan notwithstanding the restriction in the foregoing clause (x), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any

similar provision in any other Debtor Relief Laws) and (z) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (y), in each case under this clause (iii)(B) unless such Plan disproportionately (and adversely) affects the Sponsor or such Non-Debt Fund Affiliate in its capacity as a Lender as compared to other Term Loan Lenders that are not the Sponsor or Non-Debt Fund Affiliates, and (C) the Sponsor and each Non-Debt Fund Affiliate hereby irrevocably authorizes and appoints the Administrative Agent (such appointment being coupled with an interest) as the Sponsor's or such Non-Debt Fund Affiliate's attorney-in-fact, to vote on behalf of the Sponsor or such Non-Debt Fund Affiliate (solely in respect of Term Loans and Incremental Term Loans held thereby and not in respect of any other claim or status the Sponsor or such Non-Debt Fund Affiliate may otherwise have) in connection with any vote of the type described in the foregoing clause (B), but in any event, subject to the limitations set forth therein;

(iv) (A) the aggregate principal amount of Term Loans held at any one time by the Sponsor and Non-Debt Fund Affiliates may not exceed 20% of the then aggregate outstanding principal amount of Term Loans; and (B) the aggregate number of Debt Fund Affiliates that are Lenders may not exceed 49.0% of the aggregate number of all Lenders;

(v) no Affiliated Lender, in its capacity as such, will be entitled to bring actions against the Administrative Agent, in its role as such (except with respect to any claim that the Administrative Agent or any other such Lender is treating such Affiliated Lender, in its capacity as a Lender, in a disproportionately adverse manner relative to the other Lenders), or receive advice of counsel or other advisors to the Administrative Agent or any other Lenders or challenge the attorney client privilege of their respective counsel; and

(vi) the portion of any Loans held by the Sponsor and Non-Debt Fund Affiliates shall be disregarded in determining Required Lenders at any time.

Each Affiliated Lender that is a Term Loan Lender hereunder agrees to comply with the terms of this Section 10.6(c) (notwithstanding that it may be granted access to the Platform or any other electronic site established for the Lenders by the Administrative Agent), and agrees that in any subsequent assignment of all or any portion of its Term Loans it shall identify itself in writing to the assignee as an Affiliated Lender prior to the execution of such assignment.

(d) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and by any Lender (but, with respect to any Lender, solely as to the Loans and Commitments thereof) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Disqualified Lender List. The Administrative Agent shall have the right, and the Borrowers hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Lenders provided by the Borrowers and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of the Platform that is designated for "public side" Lenders and/or (B) provide the DQ List to each Lender requesting the same.

(f) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower Representative or the Administrative Agent, sell participations to any Person (other than a natural Person Holdings, LLC Subsidiary, the Borrowers or their Subsidiaries or Affiliates) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided, (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.3(b) with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided, such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 10.5(b) or 10.5(c)(iv) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section (subject to the requirements and limitations therein, including the requirements under Section 2.20(g) (it being understood and agreed that the documents called for in Section 2.20(g) shall be delivered to the participating Lender)) subject to Section 10.6(g); provided, such Participant agrees to be subject to the provisions of Sections 2.21 and 2.22 as if it were an assignee under Section 10.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender; provided, such Participant agrees to be subject to Section 2.17 as though it were a Lender. Each Lender that sells a participation pursuant to this Section shall maintain a register on which it records the name and address of each Participant and the principal amounts of and stated interest on each Participant's participation interest with respect to the Loans and the Commitments (each, a "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to such Loans or Commitments for all purposes under this Agreement, notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrowers solely for purposes of applicable US federal income tax law and undertakes no duty, responsibility or obligation to the Borrowers (without limitation, in no event shall such Lender be a fiduciary of the Borrowers for any purpose, except that such Lender shall maintain the Participant Register); provided, no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103(c) of the United States Treasury Regulations.

(g) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Sections 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant (except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation) unless the sale of the participation to such Participant is made with the Borrowers' prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless the Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 2.20 as though it were a Lender.

(h) SPC Grants. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided, (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (A) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including its obligations under Section 2.19 and 2.20), (B) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and (C) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the applicable Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (1) with notice to, but without prior consent of the Borrowers and the Administrative Agent, and with the payment of a processing fee of $3,500 to the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC.

(i) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; provided, no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(j) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(k) Buybacks. Notwithstanding anything in this Agreement to the contrary, any Term Loan Lender may, at any time, assign all or a portion of its Term Loans on a pro rata basis to the Borrowers, Holdings or LLC Subsidiary through open-market purchases or in accordance with a Dutch Auction, subject to the following limitations:

(i) The Borrowers, Holdings or LLC Subsidiary, as applicable, shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any non-public information (with respect to the Borrowers or their Subsidiaries or any of their respective securities to the extent such information could have a material effect upon, or otherwise be material to, an assigning Term Loan Lender's decision to assign Term Loans or a purchasing Lender's decision to purchase Term Loans) that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Borrowers or their Subsidiaries or any of their respective securities) prior to such date or if Holdings, LLC Subsidiary or the Borrower, as applicable, are unable to make such representation, all parties to the relevant transaction shall render customary "big boy" disclaimer letters.

(ii) if any Borrower is the assignee, immediately and automatically, without any further action on the part of such Borrower, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to such Borrower, (A) such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and such Borrower shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment and (B) such Term Loans shall not be treated as a voluntary prepayment prepaid pursuant to Section 2.13, but shall reduce the then remaining scheduled installments of the Term Loans of the respective Lender or Lenders from whom such Term Loans were purchased in inverse order of maturity;

(iii) if Holdings or LLC Subsidiary is the assignee, immediately and automatically, without any further action on the part of any Borrower, Holdings, LLC Subsidiary, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Term Loan Lender to Holdings or LLC Subsidiary, Holdings or LLC Subsidiary, as applicable, shall automatically be deemed to have contributed (it being understood that such contribution shall not be deemed to be a contribution for purposes of (and shall not be included in) determining any applicable availability or amount of any covenant basket, carve-out or compliance on a Pro Forma Basis with any ratio) the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrowers as common equity, and such Term Loans and all rights and obligations as a Term Loan Lender related thereto shall, for all purposes under this Agreement, the other Credit Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and Holdings or LLC Subsidiary, as applicable, shall neither obtain nor have any rights as a Term Loan Lender hereunder or under the other Credit Documents by virtue of such assignment; and

(iv) no Default or Event of Default shall have occurred and be continuing immediately before or immediately after giving effect to such assignment.

(l) Disqualified Lenders. (i) No assignment or participation shall be made to any Person that was a Disqualified Lender as of the date (the "**Trade Date**") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrowers have consented to such assignment in writing in its sole

and absolute discretion, in which case such Person will not be considered a Disqualified Lender for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Lender after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Lender"), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower Representative of an Assignment and Assumption Agreement with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Lender. Any assignment in violation of this clause (l)(i) shall not be void, but the other provisions of this clause (l) shall apply.

(i) If any assignment or participation is made to any Disqualified Lender without the Borrowers' prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Lender after the applicable Trade Date, the Borrowers may, at their sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Lender, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Lender to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.6), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary contained in this Agreement, no Disqualified Lender (A) will have the right to (x) receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any Plan, each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan, (2) if such Disqualified Lender does vote on such Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.18(c), 2.19, 2.20, 10.2, 10.3 and 10.4 and the agreements of the Lenders set forth in Sections 2.17, 9.3(b), 9.3(c), 9.6 and 9.11 shall survive the payment of the Loans and the termination hereof.

10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Administrative Agent or any Lender (or to the Administrative Agent, on behalf of the Lenders), or any Agent or any Lender enforces any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11 Severability. If any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12 Obligations Several; Independent Nature of the Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.14 Governing Law. Except as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document, this Agreement and the other Credit Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Credit Document (except, as to any other Credit Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

10.15 Consent to Jurisdiction. The Borrowers and each other Credit Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Credit Document or the transactions relating hereto or thereto (other than as expressly provided in any Cayman Collateral Document, Dutch Collateral Document, Hong Kong Collateral Document, Luxembourg Collateral Document or any other Credit Document), in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Credit Document shall affect any right that each Agent, any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document against any Credit Party or its properties in the courts of any jurisdiction. Each party hereto irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to herein. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.

10.16 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A)

CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.17 Confidentiality. Each of the Agents and each of the Lenders (each, a "**Lender Party**") shall hold all non-public information regarding Holdings, any Borrower and its other Subsidiaries and their business obtained by any Lender Party hereto, in accordance with its customary procedures for handling confidential information of such nature, it being understood and agreed by each Borrower that, in any event, each Lender Party (a) may make disclosures of such non-public information (i) to its Affiliates and to such Lender Party's and its Affiliates' respective employees, legal counsel, independent auditors and other experts or agents and advisors or to such Lender Party's current or prospective funding sources and to other Persons authorized by such Lender Party to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17 (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (ii) to any actual or potential assignee, transferee, Participant or Securitization Party of any rights, benefits, interests and/or obligations under this Agreement or to any direct or indirect contractual counterparties (or the professional advisors thereto) in swap or derivative transactions related to the Obligations (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (iii) to (A) any rating agency in connection with rating the Borrowers or their Restricted Subsidiaries or the Loans and/or the Commitments or (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans; (iv) as required or requested by any regulatory authority purporting to have jurisdiction over such Lender Party or its Affiliates (including any self-regulatory authority, such as the NAIC); provided, unless prohibited by applicable Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of any request by such regulatory authority (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender Party by such regulatory authority) for disclosure of any such non-public information prior to the actual disclosure thereof; (v) to the extent required by order of any court, governmental agency or representative thereof or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or judicial process; provided, unless prohibited by applicable Law or court order, each Lender Party shall make reasonable efforts to notify the Borrower Representative of such required disclosure prior to the actual disclosure of such non-public information; (vi) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (vii) for purposes of establishing a "due diligence" defense, (viii) with the consent of the Borrowers, or (ix) to the extent such information (A) becomes publicly available other than as a result of a breach of this Section 10.17, (B) becomes available to such Lender Party or any of its Affiliates on a non-confidential basis from a source other than a Credit Party, or (C) is independently developed by such Lender Party; (b) may disclose the existence of this Agreement and customary marketing information about this Agreement to market data collectors and similar services providers to the lending industry (including for league table designation purposes) and to service providers to such Lender Party in connection with the administration and management of this Agreement and the other Credit Documents; and (c) may (at its own expense) place advertisements in financial and other

newspapers and periodicals or on a home page or similar place for dissemination of information on the Internet or worldwide web as it may choose, and circulate similar promotional materials, in the form of a "tombstone" or otherwise describing the names of the Borrowers, the Sponsor and their respective Affiliates (or any of them), and the amount, type and closing date with respect to the transactions contemplated hereby.

10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable Law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrowers shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrowers to conform strictly to any applicable usury Laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrowers.

10.19 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

10.20 Counterparts; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Except as provided in Section 3, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

10.21 Integration. This Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to the Lead Arrangers, the Syndication Agent, the Administrative Agent and the Collateral Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

10.22 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, the "**Lender Affiliated Parties**"), may have economic interests that conflict with those of the Credit Parties, and each Credit Party acknowledges and agrees (a) nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender Affiliated Parties and each Credit Party, its stockholders or its Affiliates; (b) the transactions contemplated by the Credit Documents are arm's-length commercial transactions between the Lender Affiliated Parties, on the one hand, and each Credit Party, on the other; (c) in connection therewith and with the process leading to such transaction each of the Lender Affiliated Parties is acting solely as a principal and not the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person; (d) none of the Lender Affiliated Parties has assumed an advisory or fiduciary responsibility in favor of any Credit Party with respect to the transactions contemplated hereby or the process leading thereto (regardless of whether any of the Lender Affiliated Parties or any of their respective Affiliates has advised or is currently advising any Credit Party on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents; (e) each Credit Party has consulted its own legal and financial advisors to the extent it deemed appropriate; (f) each Credit Party is responsible for making its own independent judgment with respect to such transactions and the process leading thereto; and (g) no Credit Party will claim that any of the Lender Affiliated Parties has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to any Credit Party, in connection with such transaction or the process leading thereto.

10.23 PATRIOT Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Credit Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Credit Parties in accordance with the PATRIOT Act.

10.24 Judgment Currency. In respect of any judgment or order given or made for any amount due under this Agreement or any other Credit Document that is expressed and paid in a currency (the "**judgment currency**") other than the currency in which it is expressed to be payable under this Agreement or other Credit Document, the party hereto owing such amount due will indemnify the party due such amount against any loss incurred by them as a result of any variation as between (a) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (b) the rate of exchange, as quoted by the Administrative Agent or by a known dealer in the judgment currency that is designated by the Administrative Agent, at which the Administrative Agent or such Lender is able to purchase Dollars with the amount of the judgment currency actually received by the Administrative Agent or such Lender. The foregoing indemnity shall constitute a separate and independent obligation of the applicable party and shall survive any termination of this Agreement and the other Credit Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

10.26 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to enter into the Intercreditor Agreement and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, and extensions, restructuring, renewals, replacements of, such agreement, including in connection with the incurrence by any Credit Party of any Refinanced Debt (as defined in the First Lien Credit Agreement), Permitted Second Priority Refinancing Debt or any Permitted Junior Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and the parties hereto acknowledge that the Intercreditor Agreement and any other intercreditor arrangement entered into by the Administrative Agent and/or the Collateral Agent in accordance with this Section 10.26 is binding upon them. Each Lender (i) understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the First Lien Credit Documents, which Liens shall be subject to the terms and conditions of the Intercreditor Agreement (or other customary intercreditor arrangements), (ii) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement (or such other customary intercreditor arrangements) and (iii) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreement (and any other customary intercreditor arrangements relating to Indebtedness permitted hereunder (and, in each case, any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements, including in connection with the incurrence by any Credit Party of any Refinanced Debt (as defined in the First Lien Credit Agreement), Permitted Second Priority Refinancing Debt or any Permitted Junior Priority Refinancing Debt, to permit such Indebtedness to be secured by a valid, perfected Lien (with such priority as may be designated by the Borrowers or the relevant Restricted Subsidiary, to the extent such priority is permitted by the Credit Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to (a) the First Lien Creditors to extend credit to the Borrowers and (b) any potential provider of Permitted Second Priority Refinancing Debt or Permitted Junior Priority Refinancing Debt to extend credit to the Borrowers and such First Lien Creditors and such providers of Permitted Second Priority Refinancing Debt and Permitted Junior Priority Refinancing Debt are intended third-party beneficiaries of such provisions and the provisions of the Intercreditor Agreement (or other customary intercreditor arrangements, if applicable).

10.27 Parallel Liability.

(a) Each Credit Party irrevocably and unconditionally undertakes to pay to the Administrative Agent an amount equal to the aggregate amount of its Obligations (as these may exist from time to time).

(b) The parties hereto agree that:

(i) a Credit Party's Parallel Liability is due and payable at the same time as, for the same amount of, and in the same currency as, its Obligations;

(ii) a Credit Party's Parallel Liability is decreased to the extent that its Obligations have been irrevocably paid or discharged and its Obligations are decreased to the extent that its Parallel Liability has been irrevocably paid or discharged;

(iii) a Credit Party's Parallel Liability is independent and separate from, and without prejudice to, its Obligations, and constitutes a single obligation of that Credit Party to the Administrative Agent (even though that Credit Party may owe more than one Obligation to the Secured Parties under the Credit Documents) and an independent and separate claim of the Administrative Agent to receive payment of that Parallel Liability (in its capacity as the independent and separate creditor of that Parallel Liability and not as a co-creditor in respect of the Obligations); and

(iv) for purposes of this Section 10.27, the Administrative Agent acts in its own name and not as agent, representative or trustee of the Secured Parties and accordingly holds neither its claim resulting from a Parallel Liability nor any Collateral securing a Parallel Liability on trust.

10.28 Process Agents.

(a) Each Credit Party hereby irrevocably appoints Corporation Service Company (the "**NY Process Agent**"), with an office on the date hereof at 1180 Avenue of the Americas, Suite 210, New York, NY 10036-8401, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in Section 10.15, and agrees that the failure of the NY Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon. Each Credit Party shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the NY Process Agent appointed hereby ceases to be able to act as such, then each Credit Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such NY Process Agent subject to the approval of the Administrative Agent. Each Credit Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the NY Process Agent pursuant to this section in full force and effect and to cause the NY Process Agent to act as such.

(b) Lux Borrower hereby irrevocably appoints Corsair (Hong Kong) Limited (the "**HK Process Agent**"), with an office on the date hereof at Suite 2602-03, 26/F., Millennium City 5, 418 Kwun Tong Road, Kwun Tong, Kowloon, Hong Kong, as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in connection with any pledge of shares of Corsair (Hong Kong) Limited pursuant to any Hong Kong Collateral Document, and agrees that the failure of the HK Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable Laws, the enforcement of any judgment based thereon and the HK Process Agent hereby accepts such appointment. Lux Borrower shall maintain such appointment until the satisfaction in full of all Obligations (other than Remaining Obligations), except that if for any reason the HK Process Agent appointed hereby ceases to be able to act as such, then Lux Borrower shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in Hong Kong as such HK Process Agent subject to the approval of the Administrative Agent. Lux Borrower covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents that may be necessary to continue the designation of the HK Process Agent pursuant to this section in full force and effect and to cause the HK Process Agent to act as such.

10.29 Waiver of Sovereign Immunity. Each Credit Party that is a Non-U.S. Person (each, a "**Foreign Credit Party"**), in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Foreign Credit Party or its respective Subsidiaries or any of its or its respective Subsidiaries' properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any other Obligations or any Credit Document or any other liability or obligation of such Foreign Credit Party, or any of their respective Subsidiaries, in each case related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Foreign Credit Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, each Foreign Credit Party further agrees that the waivers set forth in this Section 10.29 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

10.30 Luxembourg. If a transfer by any Lender of its rights and/or obligations under this Agreement (and any relevant Credit Documents) occurred or was deemed to occur by way of novation, the parties hereto explicitly agree that all securities and guarantees created under or in connection with any Credit Documents shall be preserved for the benefit of the new Lender, new secured party, participant or their successors or assignees in accordance with the provisions of article 1278 of the Luxembourg Civil Code.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

Dutch Auction Procedures

This outline is intended to summarize certain basic terms of procedures with respect to certain Borrower buy-backs pursuant to and in accordance with the terms and conditions of Section 10.6(c) of the Second Lien Credit and Guaranty Agreement to which this Appendix C is attached. It is not intended to be a definitive list of all of the terms and conditions of a Dutch Auction and all such terms and conditions shall be set forth in the applicable auction procedures documentation set for each Dutch Auction (the "**Offer Documents**"). None of the Administrative Agent, the Lead Arranger (or, if the Lead Arranger declines to act in such capacity, an investment bank of recognized standing selected by the Borrowers) (the "**Auction Manager**") or any of their respective Affiliates makes any recommendation pursuant to the Offer Documents as to whether or not any Term Loan Lender should sell by assignment any of its Term Loans pursuant to the Offer Documents (including, for the avoidance of doubt, by participating in the Dutch Auction as a Term Loan Lender) or whether or not the Borrowers should purchase by assignment any Term Loans from any Term Loan Lender pursuant to any Dutch Auction. Each Term Loan Lender should make its own decision as to whether to sell by assignment any of its Term Loans and, if so, the principal amount of and price to be sought for such Term Loans. In addition, each Term Loan Lender should consult its own attorney, business advisor or tax advisor as to legal, business, tax and related matters concerning any Dutch Auction and the Offer Documents. Capitalized terms not otherwise defined in this Appendix C have the meanings assigned to them in the Second Lien Credit and Guaranty Agreement.

Summary. The Borrowers may purchase (by assignment) Term Loans on a pro rata basis by conducting one or more Dutch Auctions pursuant to the procedures described herein; provided that no more than one Dutch Auction may be ongoing at any one time and no more than two Dutch Auctions may be made in any period of four consecutive Fiscal Quarters of the Borrowers.

1. Notice Procedures. In connection with each Dutch Auction, the Borrower Representative will notify the Auction Manager (for distribution to the Term Loan Lenders) of the Term Loans that will be the subject of the Dutch Auction by delivering to the Auction Manager a written notice in form and substance reasonably satisfactory to the Auction Manager (an "**Auction Notice**"). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Borrowers are willing to purchase (by assignment) in the Dutch Auction (the "**Auction Amount**"), which shall be no less than $10,000,000 or an integral multiple of $1,000,000 in excess of thereof, (ii) the range of discounts to par (the "**Discount Range**"), expressed as a range of prices per $1,000 of Term Loans, at which the Borrowers would be willing to purchase Term Loans in the Dutch Auction and (iii) the date on which the Dutch Auction will conclude, on which date Return Bids (as defined below) will be due at the time provided in the Auction Notice (such time, the "**Expiration Time**"), as such date and time may be extended upon notice by the Borrowers to the Auction Manager not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the Offer Documents to each Term Loan Lender promptly following completion thereof.

2. Reply Procedures. In connection with any Dutch Auction, each Term Loan Lender holding Term Loans wishing to participate in such Dutch Auction shall, prior to the Expiration Time, provide the Auction Manager with a notice of participation in form and substance reasonably satisfactory to the Auction Manager (the "**Return Bid**") to be included in the Offer Documents, which shall specify (i) a discount to par that must be expressed as a price per $1,000 of Term Loans (the "**Reply Price**") within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than $1,000,000, that such Term Loan Lender is willing to offer for sale at its Reply Price (the "**Reply**

Amount"); provided that each Term Loan Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount equals the entire amount of the Term Loans held by such Term Loan Lender at such time. A Term Loan Lender may only submit one Return Bid per Dutch Auction, but each Return Bid may contain up to three component bids, each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Term Loan Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Term Loan Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager and the Administrative Agent (the "**Auction Assignment and Acceptance**"). The Borrowers will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

3. Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Borrowers, will calculate the lowest purchase price (the "**Applicable Threshold Price**") for the Dutch Auction within the Discount Range for the Dutch Auction that will allow the Borrowers to complete the Dutch Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Borrowers have received Qualifying Bids). The Borrowers shall purchase (by assignment) Term Loans from each Term Loan Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a "**Qualifying Bid**"). All Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Term Loan Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Term Loan Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

4. Proration Procedures. All Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; provided that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Dutch Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Borrowers shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

5. Notification Procedures. The Auction Manager will calculate the Applicable Threshold Price no later than five Business Days after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Borrowers onto each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid. Upon written request of the submitting Term Loan Lender, the Auction Manager will promptly return any Auction Assignment and Acceptance received in connection with a Return Bid that is not a Qualifying Bid.

6. Additional Procedures. Once initiated by an Auction Notice, the Borrowers may withdraw a Dutch Auction by written notice to the Auction Manager no later than 24 hours before the original Expiration Time so long as no Qualifying Bids have been received by the Auction Manager at or

prior to the time the Auction Manager receives such written notice from the Borrower Representative. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; provided that a Term Loan Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, a Dutch Auction shall become void if the Borrowers fail to satisfy one or more of the conditions to the purchase of Term Loans set forth in, or to otherwise comply with the provisions of Section 10.6(c) of the Second Lien Credit and Guaranty Agreement. The purchase price for all Term Loans purchased in a Dutch Auction shall be paid in cash by the Borrowers directly to the respective assigning Term Loan Lender on a settlement date as determined by the Auction Manager in consultation with the Borrowers (which shall be no later than ten (10) Business Days after the date Return Bids are due), along with accrued and unpaid interest (if any) on the applicable Term Loans up to the settlement date. The Borrowers shall execute each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid.

All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of a Dutch Auction will be determined by the Auction Manager, in consultation with the Borrowers, and the Auction Manager's determination will be conclusive, absent manifest error. The Auction Manager's interpretation of the terms and conditions of the Offer Document, in consultation with the Borrowers, will be final and binding.

None of the Administrative Agent, the Auction Manager, any other Agent or any of their respective Affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Borrowers, the Restricted Subsidiaries or any of their Affiliates contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Auction Manager acting in its capacity as such under a Dutch Auction shall be entitled to the benefits of the provisions of Sections 9, 10.2 and 10.3 of the Second Lien Credit and Guaranty Agreement to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, each reference therein to the "Credit Documents" were a reference to the Offer Documents, the Auction Notice and Auction Assignment and Acceptance and each reference therein to the "Transactions" were a reference to the transactions contemplated hereby and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Dutch Auction.

This Appendix C shall not require any Borrower or any Restricted Subsidiary to initiate any Dutch Auction, nor shall any Term Loan Lender be obligated to participate in any Dutch Auction.

ARTICLE 2:
LEASED PREMISES, TERM AND POSSESSION

2.1 DEMISE OF LEASED PREMISES: Landlord hereby leases to Tenant and Tenant hereby leases from Landlord for Tenant’s own use in the conduct of Tenant’s business and not for purposes of speculating in real estate, for the Lease Term and upon the terms and subject to the conditions of this Lease, that certain interior space described in Article I as the Leased Premises, reserving and excepting to Landlord the exclusive right to all profits to be derived from any assignments or sublettings by Tenant during the Lease Term by reason of the appreciation in the fair market rental value of the Leased Premises. Tenant’s lease of the Leased Premises, together with the appurtenant right to use the Outside Areas as described in Article 2.2 below, shall be conditioned upon and be subject to the continuing compliance by Tenant with (i) all the terms and conditions of this Lease, (ii) all Laws governing the use of the Leased Premises and the Property, (iii) all Private Restrictions, easements and other matters now of public record respecting the use of the Leased Premises and the Property, and (iv) all reasonable rules and regulations from time to time established by Landlord.

2.2 RIGHT TO USE OUTSIDE AREAS: As an appurtenant right to Tenant’s right to the use and occupancy of the Leased Premises, Tenant shall have the right to use the Outside Areas in conjunction with its use of the Leased Premises solely for the purposes for which they were designed and intended and for no other purposes whatsoever. Tenant’s right to so use the Outside Areas shall be subject to the limitations on such use as set forth in Article 4 and shall terminate concurrently with any termination of this Lease.

2.3 LEASE COMMENCEMENT DATE AND LEASE TERM: The term of this Lease shall begin, and the Lease Commencement Date shall be deemed to have occurred, on the Intended Commencement Date (as set forth in Article 1) unless either (i) Landlord is unable to deliver possession of the Leased Premises to Tenant on the Intended Commencement Date, in which case the Lease Commencement Date shall be as determined pursuant to Article 2.4 below or (ii) Tenant enters into possession of the Leased Premises prior to the Intended Commencement Date, in which case the Lease Commencement Date shall be as determined pursuant to Article 2.7 below (the “Lease Commencement Date” . The term of the Lease shall end on the Lease Expiration Date (as set forth in Article I), irrespective of whatever date the Lease Commencement Date is determined to be pursuant to the foregoing sentence. The Lease Term shall be that period of time commencing on the Lease Commencement Date and ending on the Lease Expiration Date (the “Lease Term”). **Notwithstanding the above, Tenant shall have the right to enter the Premises following Lease execution in accordance with all the terms of this Lease (other than the obligation to pay rent until the stated dates) for the purpose of planning, fit up, and installing alterations (subject to Landlord approval). Prior to entering the Premises Tenant shall put all utility services in its name and pay the ongoing costs of utilities, landscape, maintenance and building service contracts.**

2.4 DELIVERY OF POSSESSION: Landlord shall deliver to Tenant possession of the Leased Premises on or before the Intended Commencement Date (as set forth in Article 1) in their presently existing condition, broom clean, unless Landlord shall have agreed, as a condition to Tenant’s obligation to accept possession of the Leased Premises pursuant to a written Exhibit or Addenda attached to and made a part of this Lease, to modify existing interior improvements or to make, construct and/or install additional specified improvements within the Leased Premises or to the Outside Areas, in which case Landlord shall deliver to Tenant possession of the Leased Premises on or before the Intended Commencement Date as so modified and/or improved. If Landlord is unable to so deliver possession of the Leased Premises to Tenant in the agreed condition on or before the Intended Commencement Date, for whatever reason, Landlord shall not be in default under this Lease, nor shall this Lease be void, voidable or cancelable by Tenant until the lapse of one hundred twenty days after the Intended Commencement Date (the “delivery grace period”); however, the Lease Commencement Date shall not be deemed to have occurred until such date as Landlord notifies Tenant that the Leased Premises are in the agreed condition and are Ready for Occupancy. Additionally, the delivery grace period above set forth shall be extended for such number of days as Landlord may be delayed in making the agreed improvements and/or delivering possession of the Leased Premises to Tenant by reason of Force Majeure or the actions of Tenant. If Landlord is unable to deliver possession of the Leased Premises in the agreed condition to

Tenant within the described delivery grace period (including any extensions thereof by reason of Force Majeure or the actions of Tenant), then Tenant's sole remedy shall be to cancel and terminate this Lease, and in no event shall Landlord be liable in damages to Tenant for such delay. Tenant may not cancel this Lease at any time after the date Landlord notifies Tenant that the Leased Premises have been put into the agreed condition and are Ready for Occupancy.

2.5 ACCEPTANCE OF POSSESSION: Tenant acknowledges that it has inspected the Leased Premises and is willing to accept them in their existing condition, broom clean, unless Landlord shall have agreed, as a condition to Tenant's obligation to accept possession of the Leased Premises pursuant to a written Exhibit or Addenda attached to and made a part of the Lease, to modify existing interior improvements or to make, construct and/or install specified improvements within the Leased Premises, in which case Tenant agrees to accept possession of the Leased Premises when Landlord has substantially completed such modifications or improvements and the Leased Premises are Ready for Occupancy. If Landlord shall have so modified existing improvements or constructed additional improvements within the Leased Premises for Tenant, Tenant shall, within Tenant's Punchlist Period (as set forth in Article I) which shall commence on the date that Landlord notifies Tenant that the agreed improvements have been completed and the Leased Premises are Ready for Occupancy, submit to Landlord a signed copy of the Acceptance Agreement attached hereto as Exhibit "D" together with a punchlist of all incomplete and/or improper work performed by Landlord. Upon the expiration of Tenant's Punchlist Period, Tenant shall be conclusively deemed to have accepted the Leased Premises in their then-existing condition as so delivered by Landlord to Tenant, except as to those items reasonably set forth in the punchlist submitted to Landlord prior to the expiration of said period. Landlord agrees to correct all items reasonably set forth in Tenant's punchlist, provided that such punchlist was submitted to Landlord within Tenant's Punchlist Period. Additionally, Landlord agrees to place in good working order all existing plumbing, lighting, heating, ventilating and air conditioning systems within the Leased Premises and all man doors and roll-up truck doors serving the Leased Premises to the extent that such systems and/or items are not in good operating condition as of the date Tenant accepts possession of the Leased Premises; provided that, and only if, Tenant notifies Landlord in writing of such failures or deficiencies within five business days from the date Tenant so accepts possession of the Leased Premises. Landlord will not be responsible for any low voltage wiring (below 110 volt) including telephone, data, and alarm systems in the Building.

2.6 SURRENDER OF POSSESSION: Immediately prior to the expiration or upon the sooner termination of this Lease, Tenant shall remove all of Tenant's signs from the exterior of the Building and shall remove all of Tenant's equipment, trade fixtures, furniture, supplies, wall decorations and other personal property from the Leased Premises, and shall vacate and surrender the Leased Premises to Landlord in the same condition, broom clean, as existed at the Lease Commencement Date. Tenant shall repair all damage to the Leased Premises caused by Tenant's removal of Tenant's property and all damage to the exterior of the Building caused by Tenant's removal of Tenant's signs. Tenant shall patch and refinish, to Landlord's reasonable satisfaction, all -penetrations made by Tenant or its employees to the floor, walls or ceiling of the Leased Premises, whether such penetrations were made with Landlord's approval or not. Tenant shall clean, repair or replace all stained or damaged ceiling tiles, wall coverings and clean or replace as may be required **materially soiled** floor coverings to the reasonable satisfaction of Landlord. Tenant shall replace all burned out light bulbs and damaged light lenses, and clean **or** ~~and~~ repaint all ~~painted~~ walls. **However, Tenant shall not be liable for normal wear and tear remediation costs.** Landlord shall retain a mechanical contractor at Tenant's expense to service all heating, ventilating, and air-conditioning equipment, and Tenant shall pay the cost for the service and the cost to restore (or replace as required) said equipment to good working order. Tenant shall pay the cost of restoring or replacing all trees, shrubs, plants, lawn and ground cover, and repair (or replace as required) all paved surfaces of the Property, and otherwise satisfy all requirements to repair any damage or wear to the Leased Premises, Building, Outside Areas, and/or Property. Tenant shall repair all damage caused by Tenant to the exterior surface of the Building and the paved surfaces of the outside areas adjoining the Leased Premises and, where necessary, replace or resurface same. Additionally, Tenant shall, prior to the expiration or sooner termination of this Lease, remove any improvements constructed or installed by Tenant which Landlord requests be so removed by Tenant and repair all damage caused by such removal. If the Leased Premises are not surrendered to Landlord in the condition required by this Article at the expiration or sooner termination of this Lease, Landlord may, at Tenant's expense, so remove Tenant's signs, property and/or improvements not so removed and make such repairs and replacements not so made or hire, at Tenant's expense, independent contractors to perform such work. Tenant shall be liable to Landlord for all costs incurred by Landlord in returning the Leased Premises to the required condition, plus interest on all costs incurred from the date paid by Landlord at the then maximum rate of interest not prohibited by Law until paid, payable by Tenant to Landlord within ten days after receipt of a statement therefore from Landlord, and Tenant shall be deemed to have impermissibly held over until such time as such required work is completed, and Tenant shall pay Base

Monthly Rent and Additional Rent in accordance with the terms of Section 13.2 (Holding Over) until such work is completed. Tenant shall indemnify Landlord against loss or liability resulting from delay by Tenant in so surrendering the Leased Premises, including, without limitation, any claims made by any succeeding tenant or any losses to Landlord due to lost opportunities to lease to succeeding tenants.

2.7 EARLY OCCUPANCY: **Tenant has the right to enter the building subject to Section 2.3 prior to November 1, 2014 for the purpose of tenant improvements and installation.** ~~If Tenant enters into possession of the Leased Premises prior to the Intended Commencement Date (or permits its contractors to enter the Leased Premise prior to the Intended Commencement Date), unless otherwise agreed in writing by Landlord, the Lease Commencement Date shall be deemed to have oc¬curred on such sooner date, and Tenant shall be obligated to perform all its obligations under this Lease, including the obligation to pay rent, from that sooner date.~~

ARTICLE 3:
RENT, LATE CHARGES AND SECURITY DEPOSITS

3.1 BASE MONTHLY RENT: Commencing on the Lease Commencement Date (as determined pursuant to Article 2.3 above) and continuing throughout the Lease Term, Tenant shall pay to Landlord, without prior demand therefore or offset, in advance on the first day of each calendar month, as base monthly rent, the amount set forth as "Base Monthly Rent" in Article 1 (the "Base Monthly Rent").

3.2 ADDITIONAL RENT: **Subject to Section 2.3,** Commencing on ~~the Lease Commencement Date (as determined pursuant to Article 2.3 above)~~ **November 1, 2014,** and continuing throughout the Lease Term, in addition to the Base Monthly Rent, Tenant shall pay to Landlord without offset as additional rent (the "Additional Rent") the following amounts:

A. An amount equal to all Property Operating Expenses (as defined in Article 13) incurred by Landlord. Payment shall be made by whichever of the following methods (or combination of methods) is (are) from time to time designated by Landlord:

(1) Landlord may bill to Tenant, on a periodic basis not more frequently than monthly, the amount of such expenses (or group of expenses) as paid or incurred by Landlord, and Tenant shall pay to Landlord the amount of such expenses within ten days after receipt of a written bill therefore from Landlord; and/or

(2) Landlord may deliver to Tenant Landlord's reasonable estimate of any given expense (such as Landlord's Insurance Costs or Real Property Taxes), or group of expenses, which it anticipates will be paid or incurred for the ensuing calendar or fiscal year, as Landlord may determine, and Tenant shall pay to Landlord an amount equal to the estimated amount of such expenses for such year in equal monthly, installments during such year with the installments of Base Monthly Rent.

(3) Landlord reserves the right to change from time to time the methods of billing Tenant for any given expense or group of expenses or the periodic basis on which such expenses are billed.

B. Landlord's share of the consideration received by Tenant upon certain assignments and sublettings as required by Article 7;

C. Any legal fees and costs that Tenant is obligated to pay or reimburse to Landlord pursuant to Article 13; and

D. Any other charges or reimbursements due Landlord from Tenant pursuant to the terms of this Lease other than late charges and interest on defaulted rent.

3.3 YEAR-END ADJUSTMENTS: If Landlord shall have elected to bill Tenant for the Property Operating Expenses (or any group of such expenses) on an estimated basis in accordance with the provisions of Article 3.2A(2) above, Landlord shall furnish to Tenant following the end of the applicable calendar or fiscal year, as the case may be, a statement setting forth (i) the amount of such expenses paid or incurred during the just ended calendar or fiscal year, as appropriate, and (ii) the amount that Tenant has paid to Landlord for credit against such expenses for such

period. If Tenant shall have paid more than its obligation for such expenses for the stated period, Landlord shall, at its election, either (i) credit the amount of such overpayment toward the next ensuing payment or payments of Additional Rent that would otherwise be due or (ii) refund in cash to Tenant the amount of such overpayment. If such year-end statement shall show that Tenant did not pay its obligation for such expenses in full, then Tenant shall pay to Landlord the amount of such underpayment within ten days from Landlord's billing of same to Tenant. The provisions of this Article shall survive the expiration or sooner termination of this Lease. **Tenant shall have the right to receive itemized details of actual Operating Expenses incurred and, at Tenant's sole cost, audit the statement and supporting details of the Operating Expenses.**

3.4 LATE CHARGE AND INTEREST ON RENT IN DEFAULT: Tenant acknowledges that the late payment by Tenant of any monthly installment of Base Monthly Rent or any Additional Rent will cause Landlord to incur certain costs and expense not contemplated under this Lease, the exact amounts of which are extremely difficult or impractical to fix. Such costs and expenses will include, without limitation, administration and collection costs and processing and accounting expenses. Therefore, if any installment of Base Monthly Rent is not received by Landlord from Tenant within six calendar days after the same becomes due **and Tenant fails to remedy within four (4) business days following receipt of written notice of such late payment from Landlord**, Tenant shall immediately pay to Landlord a late charge in an amount equal to the amount set forth in Article 1 as the "Late Charge Amount", and if any Additional Rent is not received by Landlord within six business days after same becomes due **and Tenant fails to remedy within four (4) business days following notice of such late payment from Landlord,** Tenant shall immediately pay to Landlord a late charge in an amount equal to ten percent of the Additional Rent not so paid. Landlord and Tenant agree that this late charge represents a reasonable estimate of such costs and expenses and is fair compensation to Landlord for the anticipated loss Landlord would suffer by reason of Tenant's failure to make timely payment. In no event shall this provision for a late charge be deemed to grant to Tenant a grace period or extension of time within to pay any rental installment or prevent Landlord from exercising any right or remedy available to Landlord upon Tenant's failure to pay each rental installment due under this Lease when due, including the right to terminate this Lease. If any rent remains delinquent for a period in excess of six calendar days **and Tenant fails to remedy within four (4) business days following receipt of written notice of such late payment from Landlord**, then, in addition to such late charge, Tenant shall pay to Landlord interest on any rent that is not so paid from said sixth day at the then maximum rate of interest not prohibited or made usurious by Law until paid.

3.5 PAYMENT OF RENT: All rent shall be paid in lawful money of the United States, without any abatement, reduction or offset for any reason whatsoever, to Landlord at such address as Landlord may designate from time to time. Tenant's obligation to pay Base Monthly Rent and all Additional Rent shall be appropriately prorated at the commencement and expiration of the Lease Term. The failure by Tenant to pay any Additional Rent as required pursuant to this Lease when due shall be treated the same as a failure by Tenant to pay Base Monthly Rent when due, and Landlord shall have the same rights and remedies against Tenant as Landlord would have if Tenant failed to pay the Base Monthly Rent when due.

3.6 PREPAID RENT: Concurrent with the execution of this Lease, Tenant shall pay to Landlord the amount set forth in Article I as First Month's Prepaid Rent" as prepayment of rent for credit against the first installment(s) of Base Monthly Rent due hereunder. Additionally, Tenant has paid to Landlord the amount set forth in Article I as "Last Month's Prepaid Rent" as prepayment of rent for credit against the last installment(s) of Base Monthly Rent due hereunder, subject, however, to the provisions of Article 3.7 below.

3.7 SECURITY DEPOSIT: Concurrent with the execution of this Lease, Tenant shall deposit with Landlord the amount set forth in Article 1 as the "Security Deposit" as security for the performance by Tenant of the terms of this Lease to be performed by Tenant, and not as prepayment of rent. Landlord may apply such portion or portions of the Security Deposit as are reasonably necessary for the following purposes: (i) to remedy any default by Tenant in the payment of Base Monthly Rent or Additional Rent or a late charge or interest on defaulted rent; (ii) **the reasonable cost** to repair damage to the Leased Premises, the Building or the Outside Areas caused by Tenant; (iii) **the reasonable cost** to clean and repair the Leased Premises, the Building or the Outside Areas following their surrender to Landlord if not surrendered in the condition required pursuant to the provisions of Article 2; and (iv) **the reasonable cost** to remedy any other default of Tenant to the extent permitted by Law including, without limitation, paying in full on Tenant's behalf any sums claimed by material men or contractors of Tenant to be owing to them by Tenant for work done or improvements made at Tenant's request to the Leased Premises. In this regard, Tenant hereby waives any restriction on the uses to which the Security Deposit may be applied as contained in Section 1950.7(c) of the California

Landlord Initials W

Tenant Initials NH

Civil Code and/or any successor statute. In the event the Security Deposit or any portion thereof is so used, Tenant shall pay to Landlord, promptly upon demand, an amount in cash sufficient to restore the Security Deposit to the full original sum. If Tenant fails to promptly restore the Security Deposit and if Tenant shall have paid to Landlord any sums as "Last Month's Prepaid Rent", Landlord may, in addition to any other remedy Landlord may have under this Lease, reduce the amount of Tenant's Last Month's Prepaid Rent by transferring all or portions of such Last Month's Prepaid Rent to Tenant's Security Deposit until such Security Deposit is restored to the amount set forth in Article 1. Landlord shall not be deemed a trustee of the Security Deposit. Landlord may use the Security Deposit in Landlord's ordinary business and shall not be required to segregate it from its general accounts. Tenant shall not be entitled to any interest on the Security Deposit. If Landlord transfers the Building or the Property during the Lease Term, Landlord may pay the Security Deposit to any subsequent owner in conformity with the provisions of Section 1950.7 of the California Civil Code and/or any successor statute, in which event the transferring landlord shall be released from all liability for the return of the Security Deposit. Tenant specifically grants to Landlord (and Tenant hereby waives the provisions of California Civil Code Section 1950.7 to the contrary) a period of sixty days following a surrender of the Leased Premises by Tenant to Landlord within which to return the Security Deposit (less permitted deductions) to Tenant **and provide Tenant with an itemized list of proposed Security Deposit deductions,** it being agreed between Landlord and Tenant that sixty days is a reasonable period of time within which to inspect the Leased Premises, make required repairs, receive and verify workmen's billings therefore, and prepare a final accounting with respect to such deposit. In no event shall the Security Deposit, or any portion thereof, be considered prepaid rent.

Concurrent with the execution of this Lease, Tenant shall deposit with Landlord a commercial letter of credit in form and substance acceptable to Landlord from a financial institution acceptable to Landlord in the amount of four hundred fifty thousand dollars ($450,000) which shall be held by Landlord during the term of the Lease as an additional "Security Deposit" under the terms of this Section 3.7. Should the term of the letter of credit be shorter than the term of this Lease, Landlord may negotiate the full amount of the letter of credit on month prior to its expiration.

ARTICLE 4:
USE OF LEASED PREMISES AND OUTSIDE AREA

4.1 PERMITTED USE: Tenant shall be entitled to use the Leased Premises solely for the "Permitted Use" as set forth in Article 1 and for no other purpose whatsoever **unless agreed in writing with Landlord.** Tenant shall continuously and without interruption use the Leased Premises for such purpose for the entire Lease Term. Any discontinuance of such use for a period of thirty consecutive calendar days shall be, at Landlord's election, a default by, Tenant under the terms of this Lease. Tenant shall have the right to use the Outside Areas in conjunction with its Permitted Use of the Leased Premises solely for the purposes for which they were designed and intended and for no other purposes whatsoever**, except by written request from the Tenant and approved by the Landlord.**

Tenant shall not operate any equipment within the Leased Premises which does or could (i) injure, vibrate or shake the Leased Premises or the Building, (ii) damage, overload, corrode, or impair the efficient operation of any electrical, plumbing, sewer, heating, ventilating or air conditioning systems within or servicing the Leased Premises or the Building or (iii) damage or impair the efficient operation of the sprinkler system (if any) within or servicing the Leased Premises or the Building. Tenant shall not install any equipment or antennas on or make any penetrations of the exterior walls or roof of the Building **without prior written consent of Landlord, such consent not to be unreasonably withheld.** Tenant shall not affix any equipment to or make any penetrations or cuts in the floor, ceiling or walls of the Leased Premises **without prior written consent of Landlord, such consent not to be unreasonably withheld.** Tenant shall not place any loads upon the floors, walls, ceiling or roof systems which could endanger the structural integrity of the Building or damage its floors, foundations or supporting structural components. Tenant shall not place any explosive, flammable or harmful fluids or other waste materials including Hazardous Materials in the drainage systems of the Leased Premises, the Building, the Outside Areas or the Property. Tenant shall not drain or discharge any fluids in the landscaped areas or across the paved areas of the Property. Tenant shall not use any of the Outside Areas for the storage of its materials, supplies, inventory or equipment, and all such materials, supplies, inventory or equipment shall at all times be stored within the Leased Premises. Tenant shall not commit nor permit to be committed any waste in or about the Leased Premises, the Building, the Outside Areas or the Property.

4.3 NOISE AND EMISSIONS: All noise generated by Tenant in its use of the Leased Premises shall be confined or muffled so that it does not interfere with the businesses of or annoy the occupants and/or users of adjacent properties. All dust, fumes, odors and other emissions generated by Tenant's use of the Leased Premises shall be sufficiently dissipated in accordance with sound environmental practices and exhausted from the Leased Premises in such a manner so as not to interfere with the businesses of or annoy the occupants and/or users of adjacent properties, or cause any damage to the Leased Premises, the Building, the Outside Areas or the Property or any component part thereof or the property of adjacent property owners.

4.4 TRASH DISPOSAL: Tenant shall provide trash bins (or other adequate garbage disposal facilities) within the trash enclosure areas provided or permitted by Landlord outside the Leased Premises sufficient for the interim disposal of all of its trash, garbage and waste. All such trash, garbage and waste temporarily stored in such areas shall be stored in such a manner so that it is not visible from outside of such areas, and Tenant shall cause such trash, garbage and waste to be regularly removed from the Property at Tenant's sole cost. Any sign, once approved by Landlord, shall be installed only in strict compliance with Landlord's approval, at Tenant's expense, using a person first approved by Landlord to install same. Landlord may remove any signs (which have not been first approved in writing by Landlord), advertisements, banners, placards or pictures so placed by Tenant on or within the Leased Premises, the exterior of the Building, the Outside Areas or the Property and charge to Tenant the cost of such removal, together with any costs incurred by Landlord to repair any damage caused thereby, including any cost incurred to restore the surface upon which such sign was so affixed to its original condition. Tenant shall remove all of Tenant's signs, repair any damage caused thereby, and restore the surface upon which the sign was affixed to its original condition, all to Landlord's reasonable satisfaction, upon the termination of this Lease.

The indemnity provision of this Article shall survive the expiration or sooner termination of this Lease, with respect to any activities of Tenant occurring on or about the Property while Tenant was in possession of the Leased Premises.

4.8 COMPLIANCE WITH INSURANCE REQUIREMENTS: With respect to any insurance policies required or permitted to be carried by Landlord in accordance with the provisions of this Lease, Tenant shall not conduct (or permit any other person to conduct) any activities nor keep, store or use (or allow any other person to keep, store or use) any item or thing within the Leased Premises, the Building, the Outside Areas or the Property which (i) is prohibited under the terms of any of such policies, (ii) could result in the termination of the coverage afforded under any of such policies, (iii) could give to the insurance carrier the right to cancel any of such policies, or

Tenant shall comply with all requirements of any insurance company, insurance underwriter, or Board of Fire Underwriters which are necessary to maintain, at standard rates, the insurance coverages carried by either Landlord or Tenant pursuant to this Lease.

4.9 LANDLORD'S RIGHT TO ENTER: Landlord and its agents shall have the right to enter the Leased Premises during normal business hours after giving Tenant reasonable notice and subject to Tenant's reasonable security measures for the purpose of (i) inspecting the same; (ii) showing the Leased Premises to prospective purchasers, mortgagees or tenants; (iii) making necessary alterations, additions or repairs; (iv) performing any of Tenant's obligations when Tenant has failed to do so. 4.10 USE OF OUTSIDE AREAS: Tenant, in its use of the Outside Areas, shall at all times keep the Outside Areas in a safe condition free and clear of all materials, equipment, debris, trash (except within existing enclosed trash areas), inoperable vehicles, and other items which are not specifically permitted by Landlord to be stored or located thereon by Tenant. Upon delivery to Tenant of a copy of such rules and regulations or any amendments or additions thereto, Tenant shall comply with such rules and regulations. A material violation by Tenant of any of such rules and regulations, **which Tenant fails to remedy within a reasonable time period** shall constitute a default by Tenant under this Lease. If there is a conflict between the rules and regulations and any of the provisions of this Lease, the provisions of this Lease shall prevail. ~~Landlord shall not be responsible or liable to Tenant for the violation of such rules and regulations by any other tenant of the Property.~~

4.12 ENVIRONMENTAL PROTECTION: Landlord may voluntarily cooperate in a reasonable manner with the efforts of all governmental agencies in reducing actual or potential environmental damage. Tenant shall not be entitled to terminate this Lease or to any reduction in or abatement of rent by reason of such compliance or cooperation. 4.13 OUTSIDE AREAS: No materials, pallets, supplies, tanks or containers whether above or below ground level, equipment, finished products or semi finished products, raw materials, inoperable vehicles or articles of any nature shall be stored upon or permitted to remain outside of the Leased Premises except in fully fenced and screened areas outside the Building which have been designed for such purpose and have been approved in writing by Landlord for such use by Tenant.

4.14 HAZARDOUS MATERIALS: Landlord and Tenant agree as follows with respect to the existence or use of Hazardous Materials on the Property:

A. Any handling, transportation, storage, treatment, disposal or use of Hazardous Materials by Tenant, Tenant's Agents, or any other party after the Effective Date of this Lease in or about the Property shall strictly comply with all applicable Hazardous Materials Laws. Tenant shall indemnify, defend upon demand with counsel reasonably acceptable to Landlord, and hold harmless Landlord, its agents, employees, officers, directors, and partners from and against any and all liabilities, losses, claims, damages, lost profits, consequential damages, interest, penalties, fines, court costs, remediation costs, investigation costs, and other expenses which result from or arise in any manner whatsoever out of the use, storage, treatment, transportation, release, or disposal of Hazardous Materials on or about the Property by Tenant , Tenant's Agents, Permitees, or Invites after the Effective Date.

B. If the presence of Hazardous Materials on the Property caused or permitted by Tenant, Tenant's Agents, Permitees, or Invites after the Effective Date of this Lease results in contamination or deterioration of water or soil or any other part of the Property, then Tenant shall promptly take any and all action necessary to investigate and remediate such contamination. Tenant shall further be solely responsible for, and shall defend, indemnify and hold Landlord and its agents harmless from and against, all claims, costs and liabilities, including attorney's fees and costs, arising out of or in connection with any investigation and remediation (including investigative analysis, removal, cleanup, and/or restoration work) required hereunder to return the Leased Premises, Building, Common Areas, Outside Areas, and/or Property and any other property of whatever nature to their condition existing prior to the appearance of such Hazardous Materials.

C. Landlord and Tenant shall each give written notice to the other as soon as reasonably practicable of (i) any communication received from any governmental authority concerning Hazardous Materials which relates to the Property, and (ii) any contamination of the Property by Hazardous Materials which constitutes a violation of any Hazardous Materials Law. Tenant acknowledges that Landlord, as the owner of the Property, at Landlord's election, shall have the sole right at Tenant's expense to negotiate, defend, approve, and/or appeal any action taken or order issued with regard to Hazardous Materials by any applicable governmental authority. Tenant may use small quantities of household chemicals such as adhesives, lubricants, and cleaning fluids in order to conduct its business at the Premises and such other Hazardous Materials as are necessary to the operation of Tenant's business of which Landlord receives notice prior to such Hazardous Materials being brought onto the Property (or any portion thereof) and which Landlord consents in writing may be brought onto the Property. In granting Landlord's consent, Landlord may specify the location and manner or use, storage, or handling of any Hazardous Material. Landlord's consent shall in no way relieve Tenant from any of its obligations as contained herein. Tenant shall notify Landlord in writing at least ten (10) days prior to the first appearance of any Hazardous Material on the Leased Premises, Building, Common Areas, Outside Areas, and/or Property. Tenant shall provide Landlord with a list of all Hazardous Materials and the quantities of each Hazardous Material to be stored on any portion of the Property, and upon Landlord's request Tenant shall provide Landlord with copies of any and all Hazardous Materials Management Plans, Material Safety Data Sheets, Hazardous Waste Manifests, and other documentation maintained or received by Tenant pertaining to the Hazardous Materials used, stored, or transported or to be used, stored, or transported on any portion of the Property. At any time during the Lease Term, Tenant shall, within five days after written request therefor received from Landlord, disclose in writing all Hazardous Materials that are being used by Tenant on the Property (or have been used on the Property), the nature of such use, and the manner of storage and disposal.

D. Landlord may cause testing wells to be installed on the Property, and may cause the ground water to be tested to detect the presence of Hazardous Material by the use of such tests as are then customarily used for such purposes. If Tenant so requests, Landlord shall supply Tenant with copies of such test results. The cost of such tests and of the installation, maintenance, repair and replacement of such wells shall be paid by Tenant if such tests disclose the existence of facts which give rise to liability of Tenant pursuant to its indemnity given in A and or B above. Landlord may retain consultants to inspect the Property, conduct periodic environmental audits, and review any information provided by Tenant. Tenant shall pay the reasonable cost of fees charged by Landlord and/or Landlord's consultants as a Property Maintenance Cost.

E. Upon the expiration or earlier termination of the Lease, Tenant, at its sole cost, shall remove all Hazardous Materials from the Property and shall provide a certificate to Landlord from a registered consultant satisfactory to Landlord certifying that Tenant has caused no contamination of building (s), soil or groundwater in or about the Leased Premises, Building, Common Areas, Outside Areas, or Property. If Tenant fails to so surrender the Property, Tenant shall indemnify and hold Landlord its agents, employees, officers, directors, and partners harmless from all damages resulting from Tenant's failure to surrender the Property as required by this Subsection, including, without limitation, any claims or damages in connection with the condition of the Property including, without limitation, damages occasioned by the inability to release the Property (or any portion thereof) or a reduction in the fair market and/or rental value of the Property, Building, Common Areas, Outside Areas, and/or Property by reason of the existence of any Hazardous Materials in or around the Leased Premises, Building, Common Areas, Outside Areas, and/or Property. If any action is required to be taken by a governmental authority to test, monitor, and/or clean up Hazardous Materials from the Leased Premises, Building, Common Areas, Outside Areas, and/or Property and such action is not completed prior to the expiration or earlier termination of the Lease, Tenant shall be deemed to have impermissibly held over

Tenant shall not be entitled to terminate this Lease or to any reduction in or abatement of rent by reason of such compliance or cooperation. Tenant agrees at all times to cooperate fully with Landlord and to abide by all reasonable rules established by Landlord (i) in order to maximize the efficient operation of the electrical, heating, ventilating and air conditioning systems and all other energy or other resource consumption systems within the Property and/or (ii) in order to comply with the requirements and recommendations of utility suppliers and governmental agencies regulating the consumption of energy and/or other resources.

Without limiting the foregoing, Landlord shall not be liable to Tenant as a result of (i) Landlord's failure to provide security services or systems within the Property for the protection of the Leased Premises, the Building or the Outside Areas, or the protection of Tenant's property or Tenant's employees, invitees, agents or contractors, or (ii) Landlord's failure to perform any maintenance or repairs to the Leased Premises, the Building, the Outside Areas or the Property until Tenant shall have first notified Landlord, in writing, of the need for such

All such modifications, alterations or improvements, once so approved, shall be made, constructed or installed by Tenant at Tenant's expense, using a licensed contractor first approved by Landlord, in substantial compliance with the Landlord-approved plans and specifications therefore. All work undertaken by Tenant shall be done in accordance with all Laws and in a good and workmanlike manner using new materials of good quality that match or complement the original improvements existing as of the Lease Commencement Date. Tenant shall not commence the making of any such modifications or alterations or the construction of any such improvements until (i) all required governmental approvals and permits shall have been obtained, (ii) all requirements regarding insurance imposed by this Lease have been satisfied, (iii) Tenant shall have given Landlord at least five business days prior written notice of its intention to commence such work so that Landlord may post and file notices of non-responsibility, (iv) if requested by Landlord, Tenant shall have obtained contingent liability and broad form builder's risk insurance in an amount satisfactory to Landlord to cover any perils relating to the proposed work not covered by insurance carried by Tenant pursuant to Article 9, and (v) if requested by Landlord, Tenant shall provide a cash deposit or payment and performance bond for such work which deposit or bond shall be in such amount as to cover the cost of removing the work and restoring the Property to its original condition. As used in this Article, the term "modifications, alterations and/or improvements" shall include, without limitation, the installation of additional electrical outlets, overhead lighting fixtures, drains, sinks, partitions, doorways, or the like. As a part of granting Landlord's approval for Tenant to make alterations or modifications Landlord may require Tenant to increase the amount of its Security Deposit to cover the cost of removing Tenant's alterations or modifications and to restore the condition of the Premises to its prior condition. Tenant shall pay Landlord's reasonable costs to inspect the construction of Tenant's alterations or modifications and to have Landlord's architect revise Landlord's drawings to show the work performed by Tenant.

6.2 OWNERSHIP OF IMPROVEMENTS: All modifications, alterations or improvements made or added to the Leased Premises by Tenant (other than Tenant's inventory, equipment, movable furniture, wall decorations and trade fixtures) shall be deemed real property and a part of the Leased Premises, but shall remain the property of Tenant during the Lease Term. Any such modifications, alterations or improvements, once completed, shall not be altered or removed from the Leased Premises during the Lease Term without Landlord's written approval first obtained in accordance with the provisions of Article 6.1 above. At the expiration or sooner termination of this Lease, all such modifications, alterations and improvements (other than Tenant's inventory, equipment, movable furniture, wall decorations and trade fixtures) shall automatically become the property of Landlord and shall be surrendered to Landlord as a part of the Leased Premises as required pursuant to Article 2, unless Landlord shall require Tenant to remove any of such modifications, alterations or improvements in accordance with the provisions of Article 2, in which case Tenant shall so remove same. Landlord shall have no obligation to reimburse to Tenant all or any portion of the cost or value of any such modifications, alterations or improvements so surrendered to Landlord. All modifications, alterations or improvements which are installed or constructed on or attached to the Leased Premises by Landlord at Landlord's expense shall be deemed real property and a part of the Leased Premises and shall be the property of Landlord. All lighting, plumbing, electrical, heating, ventilating and air conditioning fixtures, partitioning, window coverings, wall coverings and floor coverings installed by Tenant shall be deemed improvements to the Leased Premises and not trade fixtures of Tenant.

Tenant's making of any modifications, alterations or improvements to or within the Leased Premises. 6.4 LIENS: Tenant shall keep the Property and every part thereof free from any liens and shall pay when due all bills arising out of any work performed, materials furnished, or obligations incurred by Tenant, its agents, employees or contractors relating to the Property. If any such claim of lien is recorded against Tenant's interest in this Lease, the Property or any part thereof, Tenant shall bond against, discharge or otherwise cause such lien to be entirely released within ten days after the same has been so recorded. Tenant's failure to do so shall be conclusively deemed a material default under the terms of this Lease.

ARTICLE 7
ASSIGNMENT AND SUBLETTING BY TENANT

7.1 BY TENANT: Tenant shall not sublet the Leased Premises (or any portion thereof) or assign or encumber its interest in this Lease, whether voluntarily or by operation of Law, without Landlord's prior written consent first obtained in accordance with the provisions of this Article 7. Any attempted subletting, assignment or encumbrance without Landlord's prior written consent, at Landlord's election, shall constitute a default by Tenant under the terms of this Lease. The acceptance of rent by Landlord from any person or entity other than Tenant, or the acceptance of rent by Landlord from Tenant with knowledge of a violation of the provisions of this Article, shall not be deemed to be a waiver by Landlord of any provision of this Article or this Lease or to be a consent to any subletting by Tenant or any assignment or encumbrance of Tenant's interest in this Lease. In the event that Tenant subleases the Premises or any portion thereof or assigns its interest under this Lease, Tenant shall lose any rights or options to renew or extend the term of this Lease or to expand the size of the Premises.

7.2 MERGER OR REORGANIZATION: If Tenant is a corporation or a limited liability company, any dissolution, merger, consolidation or other reorganization of Tenant, or the sale or other transfer in the aggregate over the Lease Term of a controlling percentage of the ownership interest of Tenant, shall be deemed a voluntary assignment of Tenant's interest in this Lease. The phrase "controlling percentage" means the ownership of and the right to vote stock or membership interests possessing more than fifty percent of the total combined voting power of all classes of Tenant's capital stock or ownership interests issued, outstanding and entitled to vote. If Tenant is a partnership, a withdrawal or change, whether voluntary, involuntary or by operation of Law, of any general partner, or the dissolution of the partnership, shall be deemed a voluntary assignment of Tenant's interest in this Lease.

7.3 LANDLORD'S ELECTION: If Tenant or Tenant's successors shall desire to assign its interest under this Lease or to sublet the Leased Premises, Tenant and Tenant's successors must first notify Landlord, in writing, of its intent to so assign or sublet, at least thirty days in advance of the date it intends to so assign its interest in this Lease or sublet the Leased Premises but not sooner than sixty days in advance of such date, specifying in detail the terms of such proposed assignment or subletting, including the name of the proposed assignee or sublessee, the proposed assignee's or Sublessee's intended use of the Leased Premises, a current financial statement of such proposed assignee or sublessee and the form of documents to be used in effectuating such assignment or subletting. Landlord shall have a period of fifteen days following receipt of such notice and receipt of all information requested by Landlord regarding the proposed assignee or sublessee within which to do one of the following: (a) terminate this Lease or, in the case of a sublease of less than all of the Leased Premises, terminate this Lease as to that part of the Leased Premises proposed to be so sublet, either (i) on the condition that the proposed Transferee immediately enter into a direct lease of the Leased Premises with Landlord (or, in the case of a partial sublease, a lease for the portion proposed to be so sublet) on the same terms and conditions contained in Tenant's (or Tenant's successors') notice, or (ii) so that Landlord is thereafter free to lease the Leased Premises (or, in the case of a partial sublease, the portion proposed to be so sublet) to whomever it pleases on whatever terms are acceptable to Landlord. In the event Landlord elects to so terminate this Lease, then (i) if such termination is conditioned upon the execution of a lease between Landlord and the proposed Transferee, Tenant's and Tenant's successors' obligations under this Lease shall not be terminated until such Transferee executes a new lease with Landlord, enters into possession, and commences

the payment of rent, and (ii) if Landlord elects simply to terminate this Lease (or, in the case of a partial sublease, terminate this Lease as to the portion to be so sublet), the Lease shall so terminate in its entirety (or as to the space to be so sublet) fifteen (15) days after Landlord has notified Tenant and Tenant's successors in writing of such election. In the case of a partial termination of the Lease, the Base Monthly Rent and Tenant's or Tenant's successors' proportionate share shall be reduced to an amount which bears the same relationship to the original amount thereof as the area of that part of the Leased Premises which remains subject to the Lease bears to the original area of the Leased Premises. Landlord and Tenant or Tenant's successors shall execute a cancellation agreement with respect to the Lease to effect such termination or partial termination, or (b) if Landlord shall not have elected to cancel and terminate this Lease, to either (i) consent to such requested assignment or subletting subject to Tenant's and Tenant's successors' compliance with the conditions set forth in Article 7.4 below or (ii) refuse to so consent to such requested assignment or subletting, provided that such consent shall not be unreasonably refused. It shall not be unreasonable for Landlord to withhold its consent to any proposed assignment or subletting if (i) the proposed assignee's or subtenant's anticipated use of the Premises is more intensive than Tenant's and/or involves the storage, use or disposal of a Hazardous Material; (ii) if the proposed assignee or subtenant has been required by any prior landlord, lender or governmental authority to clean up Hazardous Materials unlawfully discharged by the proposed assignee or subtenant; (iii) if the proposed assignee or subtenant is subject to investigation or enforcement order or proceeding by any governmental authority in connection with the use, disposal or storage of a Hazardous Material (iv) the proposed assignee or subtenant is a subsidiary of another entity and the parent entity does not guarantee the obligations under this Lease, or (iv) all of the assets of Tenant shall not be held by the proposed assignee or subtenant following the transfer. Tenant and Tenant's successors covenant and agree to supply to Landlord, upon request, with all necessary or relevant information which Landlord may reasonably request respecting such proposed assignment or subletting and/or the proposed assignee or sublessee. Landlord's review period shall not commence until Landlord has received all information requested by Landlord.

7.4 CONDITIONS TO LANDLORD'S CONSENT: If Landlord elects to consent, or shall have been ordered to so consent by a court of competent jurisdiction, to such requested assignment, subletting or encumbrance, such consent shall be expressly conditioned upon the occurrence of each of the conditions below set forth, and any purported assignment, subletting or encumbrance made or ordered prior to the full and complete satisfaction of each of the following conditions shall be void and, at the election of Landlord, which election may be exercised at any time following such a purported assignment, subletting or encumbrance shall constitute a material default by Tenant under this Lease giving Landlord the absolute right to terminate this Lease. The conditions are as follows:

A. Landlord having approved in form and substance the assignment or sublease agreement (or the encumbrance agreement), which approval shall not be unreasonably withheld by Landlord if the requirements of this Article 7 are otherwise complied with. Without limiting the foregoing such agreement shall contain a provision that it may not be amended or modified without Landlord's prior written consent, the absence of which will cause any such amendment or modification to be null and void.

B. Each such sublessee or assignee having agreed, in writing satisfactory to Landlord and its counsel and for the benefit of Landlord, to assume, to be bound by, and to perform the obligations of this Lease to be performed by Tenant (or, in the case of an encumbrance, each such encumbrancer having similarly agreed to assume, be bound by and to perform Tenant's obligations upon a foreclosure or transfer in lieu thereof). Tenant shall remain fully responsible and obligated for all obligations under this Lease and shall have the financial ability to do so, including but not limited to all monetary obligations, after such consented sublease or assignment.

C. Tenant having fully and completely performed all of its obligations under the terms of this Lease through and including the date of the requested consent, as well as through and including the date such assignment or subletting is to become effective.

D. Tenant having reimbursed to Landlord all reasonable costs and attorneys fees incurred by Landlord in conjunction with the processing and documentation of any such requested subletting, assignment or encumbrance.

E. Tenant having delivered to Landlord a complete and fully-executed duplicate original of such sublease agreement, assignment agreement or encumbrance (as applicable) and all related agreements.

F. Tenant having paid, or having agreed in writing to pay as to future payments, to Landlord one hundred percent of all assignment consideration or excess rentals to be paid to Tenant or to any other on Tenant's behalf or for Tenant's benefit for such assignment or subletting.

7.5 ADJUSTMENT TO BASE MONTHLY RENT: In the event Tenant subleases all or a portion of the Premises or assigns its interest in this Lease, the Base Monthly Rent shall be adjusted as of the effective day of such sublease or assignment to be the greater of (i) the Base Monthly Rent as stated in this Lease, or (ii) the Then Fair Market Base Monthly Rent. The "Then Fair Market Base Monthly Rent" shall be determined by Landlord in its reasonable opinion. If Tenant disagrees with Landlord's opinion of the Then Fair Market Base Monthly Rent, Tenant must so notify Landlord in writing within five (5) business days following receipt of Landlord's notice of its opinion of the Then Fair Market Base Monthly Rent. Failure to notify Landlord within said five (5) business day time period shall be conclusive proof that Tenant accepts Landlord's opinion of the Then Fair Market Base Monthly Rent. In the event Tenant provides notice of its objection to Landlord's determination of the Then Fair Market Base Monthly Rent within the required time period, Landlord and Tenant shall determine the Then Fair Market Base Monthly Rent using the following process: Landlord and Tenant shall each appoint a real estate appraiser with at least five (5) years full-time commercial/industrial appraisal experience in Santa Clara County to appraise and determine the Then Fair Market Base Monthly Rent the Leased Premises, in their then existing condition for the use specified in the Lease could be leased for, on the same terms and conditions set forth in the Lease, to a qualified tenant ready, willing and able to lease the Leased Premises for a term equal to the remaining term of the Lease. If either party does not appoint an appraiser within ten (10) days after the other party has given notice of the name of its appraiser, the other party can then apply to the President of the Santa Clara County Real Estate Board or the presiding Judge of the Superior Court of that County for the selection of a second appraiser who meets the qualifications stated above. The failing party shall bear the cost of appointing the second appraiser and of paying the second appraiser's fee. The two appraisers shall attempt to establish the Then Fair Market Base Monthly Rent for the Leased Premises. If the two appraisers are unable to agree on the Then Fair Market Base Monthly Rent for the Leased Premises within ten (10) days after the second appraiser has been selected or appointed, then the two appraisers shall attempt to select a third appraiser meeting the qualifications stated above. If they fail to agree on a third appraiser, either party can follow the above procedure for having an appraiser appointed by the Real Estate Board or a judiciary. Each of the parties shall bear one-half (1/2) of the cost of appointing the third appraiser and of paying the third appraiser's fee. Unless the three appraisers are able to agree on the Then Fair Market Base Monthly Rent for the Leased Premises within ten (10) days after the selection or appointment of the third appraiser, the two appraisal amounts being calculated most closely together, after having discarded the appraisal amount which most greatly varies from the other two appraisal amounts, shall be added together then divided by two (2). The resulting rental amount shall be defined as the Then Fair Market Base Monthly Rent for the Leased Premises. In no event, however, shall the resulting Then Fair Market Base Monthly Rent be less than the Base Monthly Rent as stated in this Lease. From the effective date of the sublease or assignment until a final determination is made using the above described procedure, Tenant shall pay to Landlord the amount of the Then Fair Market Base Monthly Rent initially determined by Landlord with an appropriate adjustment made immediately following the final determination of the Then Fair Market Base Monthly Rent.

7.6 PAYMENTS: All payments required by this Article to be made to Landlord shall be made in cash in full as and when they become due. At the time Tenant, Tenant's assignee or sublessee makes each such payment to Landlord, Tenant or Tenant's assignee or sublessee, as the case may be, shall deliver to Landlord an itemized statement in reasonable detail showing the method by which the amount due Landlord was calculated and certified by the party making such payment as true and correct. Landlord may require that all payments of Excess Rentals and/or Assignment Consideration to be made hereunder be made directly to Landlord by such Transferee.

7.7 GOOD FAITH: The rights granted to Tenant by this Article are granted in consideration of Tenant's express covenant that all pertinent allocations which are made by Tenant between the rental value of the Leased Premises and the value of any of Tenant's personal property which may be conveyed or leased concurrently with and which may reasonably be considered a part of the same transaction as the permitted assignment or subletting shall be made fairly, honestly, reasonably, and in good faith. If Tenant shall breach this Covenant of Good Faith, Landlord may immediately declare Tenant to be in default under the terms of this Lease and terminate this Lease and/or exercise any other rights and remedies Landlord would have under the terms of this Lease in the case of a material default by Tenant under this Lease.

7.8 EFFECT OF LANDLORD'S CONSENT: No subletting, assignment or encumbrance, even with the consent of Landlord, shall relieve Tenant of its personal and primary obligation to pay rent and to perform all of the obligations to be performed by Tenant hereunder. Consent by Landlord to one or more assignments or encumbrances of Tenant's interest in this Lease or to one or more sublettings of the Leased Premises shall not be deemed to be a

consent to any subsequent assignment, encumbrance or subletting. If Landlord shall have been ordered by a court of competent jurisdiction to consent to a requested assignment or subletting, or such an assignment or subletting shall have been ordered over the objection of Landlord, such assignment or subletting shall not be binding between the assignee (or sublessee) and Landlord until such time as all conditions set forth in Article 7.4 above have been fully satisfied (to the extent not then satisfied) by the assignee or sublessee, including, without limitation, the payment to Landlord of all agreed assignment considerations and/or excess rentals then due Landlord.

~~**7.9 PROHIBITED FINANCIAL TRANSACTIONS**: Tenant shall not, without Landlord's consent, enter into or do any of the following acts if to do so would result in Tenant having a net worth or net income after such action or event that is less than Tenant's net work and/or net income as of the date of this Lease: (i) make any distribution or declare or pay any cash dividends on, or purchase, acquire, redeem or retire any of its capital stock, of any class, whether now or hereafter outstanding, (ii) acquire, merge, or consolidate with or into any other business organization, (iii) make any changes in Tenant's financial structure or (iv) borrow funds, pledge assets, or lease or sell equipment or other property. Landlord and Tenant understand and agree that the value of the Leased Premises is influenced by Tenant's financial standing, and the provisions of this section are intended to prohibit those voluntary actions of the Tenant that are not conducted in the normal course of its business which would reduce Tenant's net worth and/or net income and thereby would adversely effect the value of the Leased Premises.~~

ARTICLE 8:
LIMITATION ON LANDLORD'S LIABILITY AND INDEMNITY

8.1 LIMITATION ON LANDLORD'S LIABILITY AND RELEASE: Landlord shall not be liable to Tenant for, and Tenant hereby releases Landlord and its partners, principals, officers, agents and employees from, any and all liability, whether in contract, tort or on any other basis, for any injury to or any damage sustained by Tenant, Tenant's agents, employees, contractors or invitees; any damage to Tenant's property; or any loss to Tenant's business, loss of Tenant's profits or other financial loss of Tenant resulting from or attributable to the condition of, the management of, the repair or maintenance of, the protection of, the supply of services or utilities to, the damage to or destruction of the Leased Premises, the Building, the Project or the Common Areas, including without limitation (i) the failure, interruption, rationing or other curtailment or cessation in the supply of electricity, water, gas or other utility service to the Project, the Building or the Leased Premises; (ii) the vandalism or forcible entry into the Building or the Leased Premises; (iii) the penetration of water into or onto any portion of the Leased Premises through roof leaks or otherwise; (iv) the failure to provide security and/or adequate lighting in or about the Project, the Building or the Leased Premises; (v) the existence of any design or construction defects within the Project, the Building or the Leased Premises; (vi) the failure of any mechanical systems to function properly (such as the HVAC systems); or (vi) the blockage of access to any portion of the Project, the Building or the Leased Premises, except that Tenant does not so release Landlord from such liability to the extent such damage was proximately caused by Landlord's active gross negligence, willful misconduct, or Landlord's intentional failure to perform an obligation expressly undertaken pursuant to this Lease after a reasonable period of time shall have lapsed following receipt of written notice from Tenant to so perform such obligation. In this regard, Tenant acknowledges that it is fully apprised of the provisions of Law relating to releases, and particularly to those provisions contained in Section 1542 of the California Civil Code which reads as follows:

> A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Notwithstanding such statutory provision, and for the purpose of implementing a full and complete release and discharge, Tenant hereby (i) waives the benefit of such statutory provision and (ii) acknowledges that, subject to the exceptions specifically set forth herein, the release and discharge set forth in this Article is a full and complete settlement and release and discharge of all claims and is intended to include in its effect, without limitation, all claims which Tenant, as of the date hereof, does not know of or suspect to exist in its favor.

8.2 TENANT'S INDEMNIFICATION OF LANDLORD: Tenant shall defend with competent counsel satisfactory to Landlord any claims made or legal actions filed or threatened against Landlord with respect to the violation of any law, or the death, bodily injury, personal injury, property damage, or interference with

contractual or property rights suffered by any third party ~~(including other tenants with the Project)~~ occurring within the Leased Premises or resulting from Tenant's use or occupancy of the Leased Premises, the Building or the Outside Areas, or resulting from Tenant's activities in or about the Leased Premises, the Building, the Outside Areas or the Property, and Tenant shall indemnify and hold Landlord, Landlord's principals, employees, agents and contractors harmless from any loss, liability, penalties, or expense whatsoever (including any loss attributable to vacant space which otherwise would have been leased, but for such activities) resulting therefrom, except to the extent proximately caused by the active negligence or willful misconduct of Landlord. This indemnity agreement shall survive the expiration or sooner termination of this Lease, provided that Tenant shall not be required to indemnify Landlord under this section 8.2 with respect to events that first occur after the later of (a) the date of the expiration, or sooner termination, of this Lease, or (b) the date Tenant actually vacates the Premises, provided that Landlord has actual notice of such vacation.

ARTICLE 9:
INSURANCE

9.1 TENANT'S INSURANCE: Tenant shall maintain insurance complying with all of the following:

A. Tenant shall procure, pay for and keep in full force and effect, at all times during the Lease Term, the following:

Such insurance shall be on an occurrence basis with a combined single limit of liability of not less than the amount of Tenant's Required Liability Coverage (as set forth in Article 1). The policy or policies shall be endorsed to name Landlord and such others as are designated by Landlord as additional insureds in the form equivalent to CG20111185 or successor and shall contain the following additional endorsement: "The insurance afforded to the additional insureds is primary insurance. If the additional insureds have other insurance which is applicable to the loss on a contributing, excess or contingent basis, the amount of this insurance company's liability under this policy shall not be reduced by the existence of such other insurance. Any insurance carried by the additional insureds shall be excess and non contributing with the insurance provided by the tenant." The policy shall not be canceled or reduced without at least 30 days written notice to additional insureds. If the policy insures more than one location, it shall be endorsed to show that the limits and aggregate apply per location using endorsement CG25041185 or successor. Tenant's policy shall also contain the severability of interest and cross-liability endorsement or clauses.

(2) Fire and property damage insurance in so-called Special Form ~~plus earth quake and flood~~ insuring Tenant against loss from physical damage to Tenant's personal property, inventory, stock, trade fixtures and improvements within the Leased Premises with coverage for the full actual replacement cost thereof;

B. Each policy of liability insurance required to be carried by Tenant pursuant to this Article or actually carried by Tenant with respect to the Leased Premises or the Property (i) shall be in a form satisfactory to Landlord, (ii) Shall be provided by carriers admitted to do business in the state of California, with a Best rating of "A/VI" or better and/or acceptable to Landlord. Property insurance shall contain a waiver and/or a permission to waive by the insurer any right of subrogation against Landlord, its principal, employees, agents and contractors which might arise by reason of any payment under such policy or by reason of any act or omission of Landlord, its principals, employees, agents or contractors.

C. Prior to the time Tenant or any of its contractors enters the Leased Premises, Tenant shall deliver to the Landlord with respect to each policy of insurance required to be carried by Tenant pursuant to this article, a certificate of the insurer certifying, in a form satisfactory to the Landlord, that the policy has been issued and premium paid providing the coverage required by this Article and containing the provisions herein. Attached to such a certificate shall be endorsements naming Landlord as additional insured, and including the wording under primary insurance above. With respect to each renewal or replacement of any such insurance, the requirements of this Article must be complied with ~~not less than 30 days~~ prior to the expiration or cancellation of the policy being renewed or replaced. Landlord may at any time and from time-to-time inspect and/or copy any and all insurance policies required to be carried by Tenant pursuant to this article. If Landlord's lender, insurance broker or advisor or counsel reasonably determines at any time that the form or amount of coverage set forth in Article 9.1.(A) for any policy of insurance Tenant is required to carry pursuant to this Article is not adequate, then Tenant shall increase the amount of coverage for such insurance to such greater amount or change the form as Landlord's lender, insurance broker or advisor or counsel reasonably deems adequate (provided however such increase level of coverage may not exceed the level of coverage for such insurance commonly carried by comparable businesses similarly situated and operating under similar circumstances).

D. The Commercial General Liability insurance carried by Tenant shall ~~specifically~~ insure the performance by Tenant of the Indemnification provisions set forth in Article 8.2 of this lease provided, however, nothing contained in this Article 9 shall be construed to limit the liability of Tenant under the Indemnification provisions set forth in said Article 8.2.

9.2 LANDLORD'S INSURANCE: With respect to insurance maintained by Landlord:

A. Landlord may maintain, as the minimum coverage required of it by this Lease, property insurance in so-called "Special" form insuring Landlord (and such others as Landlord may designate) against loss from physical damage to the Building with coverage of not less than one hundred percent of the full actual replacement cost thereof and against loss of rents for a period of not less than twelve months. Such property damage insurance, at Landlord's election but without any requirement on Landlord's behalf to do so, (i) may be written in so-called Special Form, excluding only those perils commonly excluded from such coverage by Landlord's then property damage insurer; (ii) may provide coverage for physical damage to the improvements so insured for up to the entire full actual replacement cost thereof; (iii) may be endorsed to include (or separate policies may be carried to cover) loss or damage caused by any additional perils against which Landlord may elect to insure, including earthquake and/or flood; (iv) may provide coverage for loss of rents for a period of up to twelve months; and/or (v) may contain "deductibles" per occurrence in an amount reasonably acceptable to Landlord. Landlord shall not be required to cause such insurance to cover any of Tenant's personal property, inventory and trade fixtures, or any modifications, alterations or improvements made or constructed by Tenant to or within the Leased Premises.

B. Landlord may maintain Commercial General Liability insurance insuring Landlord (and such others as are designated by Landlord) against liability for personal injury, bodily injury, death, and damage to property occurring in, on or about, or resulting from the use or occupancy of the Property, or any portion thereof, with combined single limit coverage of at least Two Million Dollars or more. Landlord may carry such greater coverage as Landlord or Landlord's Lender, insurance broker or advisor or counsel may from time to time determine is reasonably necessary for the adequate protection of Landlord and the Property.

C. Landlord may maintain any other insurance which in the opinion of its lender, insurance broker or advisor, or legal counsel is prudent to carry under the given circumstances.

9.3 MUTUAL WAIVER OF SUBROGATION: Landlord hereby releases Tenant, and Tenant hereby releases Landlord and its respective principals, officers, agents, employees and servants, from any and all liability for loss, damage or injury to the property of the other in or about the Leased Premises or the Property which is caused by or results from a peril or event or happening which would be covered by insurance required to be carried by the party sustaining such loss under the terms of this Lease, or is covered by insurance actually carried and in force at the time of the loss, by the party sustaining such loss; provided, however, that such waiver shall be effective only to the extent permitted by the insurance covering such loss and to the extent such insurance is not prejudiced thereby.

ARTICLE 10:
DAMAGE TO LEASED PREMISES

10.1 LANDLORD'S DUTY TO RESTORE: If the Leased Premises, the Building or the Outside Areas are damaged by any insured peril after the Effective Date of this Lease, Landlord shall restore the same, as and when required by this Article, unless this Lease is terminated by Landlord pursuant to Article 10.3 or by Tenant pursuant to Article 10.4. If this Lease is not so terminated, then upon availability, of the insurance proceeds to Landlord (if the loss is covered by insurance) and the issuance of all necessary governmental permits, Landlord shall commence and diligently prosecute to completion the restoration of the Leased Premises, the Building or the Outside Areas, as the case may be, to the extent then allowed by Law, to substantially the same condition in which it existed as of the Lease Commencement Date. Landlord's obligation to restore shall be limited to the improvements constructed by Landlord. Landlord shall have no obligation to restore any improvements made by Tenant to the Leased Premises or any of Tenant's personal property, inventory or trade fixtures. Upon completion of the restoration by Landlord, Tenant shall forthwith replace or fully repair all of Tenant's personal property, inventory, trade fixtures and other improvements constructed by Tenant to like or similar condition as existed at the time of such damage or destruction.

10.2 INSURANCE PROCEEDS: All insurance proceeds available from the fire and property damage insurance carried by Landlord shall be paid to and become the property of Landlord. If this Lease is terminated pursuant to either Article 10. 3 or 10. 4, all insurance proceeds available from insurance carried by Tenant which cover loss of property that is Landlord's property or would become Landlord's property on termination of this Lease shall be paid to and become the property of Landlord, and the remainder of such proceeds shall be paid to and become the property of Tenant. If this Lease is not terminated pursuant to either Article 10.3 or 10.4, all insurance proceeds available from insurance carried by Tenant which cover loss to property that is Landlord's property shall be paid to and become the property of Landlord, and all proceeds available from such insurance which cover loss to property which would only become the property of Landlord upon the termination of this Lease shall be paid to and remain the property of Tenant.

10.3 LANDLORD'S RIGHT TO TERMINATE: Landlord shall have the option to terminate this Lease in the event any of the following occurs, which option may be exercised only by delivery to Tenant of a written notice of election to terminate within thirty days after the date of such damage or destruction:

A. The Building is damaged by any peril covered by valid and collectible insurance actually carried by Landlord and in force at the time of such damage or destruction (an "insured peril") to such an extent that the estimated cost to restore the Building exceeds the lesser of (i) the insurance proceeds available from insurance actually carried by Landlord, or (ii) seventy-five percent of the then actual replacement cost thereof;

B. The Building is damaged by an uninsured peril, which peril Landlord was required to insure against pursuant to the provisions of Article 9 of this Lease, to such an extent that the estimated cost to restore the Building exceeds the lesser of (i) the insurance proceeds which would have been available had Landlord carried such required insurance, or (ii) seventy-five percent of the then actual replacement cost thereof;

C. The Building is damaged by an uninsured peril, which peril Landlord was not required to insure against pursuant to the provisions of Article 9 of this Lease, to any extent.

D. The Building is damaged by any peril and, because of the Laws then in force, the Building (i) can not be restored at reasonable cost or (ii) if restored, can not be used for the same use being made thereof before such damage.

10.4 TENANT'S RIGHT TO TERMINATE: If the Leased Premises, the Building or the Outside Areas are damaged by any peril and Landlord does not elect to terminate this Lease or is not entitled to terminate this Lease pursuant to this Article, then as soon as reasonably practicable, Landlord shall furnish Tenant with the written opinion of Landlord's architect or construction consultant as to when the restoration work required of Landlord may be complete. Tenant shall have the option to terminate this Lease in the event any of the following occurs, which option may be exercised in the case of A or B below only by delivery to Landlord of a written notice of election to terminate within seven days after Tenant receives from Landlord the estimate of the time needed to complete such restoration:

A. The Leased Premises are damaged by any peril and, in the reasonable opinion of Landlord's architect or construction consultant, the restoration of the Leased Premises cannot be substantially completed within nine months after the date of such notice from Landlord; or

B. The Leased Premises are damaged by any peril within nine months of the last day of the Lease Term and, in the reasonable opinion of Landlord's architect or construction consultant, the restoration of the Leased Premises cannot be substantially completed within ninety days after the date such restoration is commenced.

10.5 TENANT'S WAIVER: Landlord and Tenant agree that the provisions of Article 10.4 above, captioned "Tenant's Right to Terminate", are intended to supersede and replace the provisions contained in California Civil Code, Section 1932, Subdivision 2, and California Civil Code, Section 1934, and accordingly, Tenant hereby waives the provisions of said Civil Code Sections and the provisions of any successor Code Sections or similar laws hereinafter enacted.

10.6 ABATEMENT OF RENT: In the event of damage to the Leased Premises which does not result in the termination of this Lease, the Base Monthly Rent (and any Additional Rent) shall be temporarily abated during the period of restoration in proportion to the degree to which Tenant's use of the Leased Premises is impaired by such damage.

ARTICLE 11
CONDEMNATION

11.1 TENANT'S RIGHT TO TERMINATE: Except as otherwise provided in Article 11.4 below regarding temporary takings, Tenant shall have the option to terminate this Lease if, as a result of any taking, (i) all of the Leased Premises is taken, (ii) thirty-three and one-third percent or more of the Leased Premises is taken and the part of the Leased Premises that remains cannot, within a reasonable period of time, be made reasonably suitable for the continued operation of Tenant's business, or (iii) there is a taking of a portion of the Outside Areas and, as a result of such taking, Landlord cannot provide parking spaces within the Property (or within a reasonable distance therefrom) equal in number to at least sixty-six and two-thirds percent of the number of parking spaces existing within the Outside Areas immediately prior to such taking, whether by rearrangement of the remaining parking areas in the Outside Areas (including, if Landlord elects, construction of multi-deck parking structures or restriping for compact cars where permitted by Law). Tenant must exercise such option within a reasonable period of time, to be effective on the later to occur of (i) the date that possession of that portion of the Leased Premises or the Outside Areas that is condemned is taken by the condemnor or (ii) the date Tenant vacated the Leased Premises.

11.2 LANDLORD'S RIGHT TO TERMINATE: Except as otherwise provided in Article 11.4 below regarding temporary takings, Landlord shall have the option to terminate this Lease if, as a result of any taking, (i) all or a substantial part of the Leased Premises is taken, (ii) more than thirty-three and one-third percent of the Outside Areas is taken, or (iii) because of the Laws then in force, the Leased Premises may not be used for the same use being made thereof before such taking, whether or not restored as required by Article 11.3 below. Any, such option to terminate by Landlord must be exercisable within a reasonable period of time, to be effective as of the date possession is taken by the condemnor.

11.3 RESTORATION: If any part of the Leased Premises, the Building or the Outside Areas is taken and this Lease is not terminated, then Landlord shall repair any damage occasioned thereby to the remainder thereof to a condition reasonably suitable for Tenant's continued operations and otherwise, to the extent practicable, in the manner and to the extent provided in Article 10.1.

11.4 TEMPORARY TAKING: If any portion of the Leased Premises is temporarily taken for a period of one year or less and such period does not extend beyond the Lease Expiration Date, this Lease shall remain in effect. If any portion of the Leased Premises is temporarily taken for a period which either exceeds one year or which extends beyond the Lease Expiration Date, then Landlord and Tenant shall each independently have the option to terminate this Lease, effective on the date possession is taken by the condemnor.

11.5 DIVISION OF CONDEMNATION AWARD: Any award made for any taking of the Property, the Building, the Outside Areas or the Leased Premises, or any portion thereof, shall belong to and be paid to Landlord, and Tenant hereby assigns to Landlord all of its right, title and interest in any such award; provided, however, that Tenant shall be entitled to receive any portion of the award that is made specifically (i) for the taking of personal property, inventory or trade fixtures belong to Tenant, (ii) for Tenant's moving costs, or (iii) for any temporary taking where this Lease is not terminated as a result of such taking. The rights of Landlord and Tenant regarding any condemnation shall be determined as provided in this Article, and each party hereby waives the provisions of Section 1265.130 of the California Code of Civil Procedure, and the provisions of any similar law hereinafter enacted, allowing either party to petition the Superior Court to terminate this Lease and/or otherwise allocate condemnation awards between Landlord and Tenant in the event of a taking of the Leased Premises.

Landlord Initials W

Tenant Initials NH

11.6 ABATEMENT OF RENT: In the event of a taking of the Leased Premises which does not result in a termination of this Lease (other than a temporary taking), then, as of the date possession is taken by the condemning authority, the Base Monthly Rent shall be reduced in the same proportion that the area of that part of the Leased Premises so taken (less any addition to the area of the Leased Premises by reason of any reconstruction) bears to the area of the Leased Premises immediately prior to such taking.

11.7 TAKING DEFINED: The term "taking" or "taken" as used in this Article 11 shall mean any transfer or conveyance of all or any portion of the Property to a public or quasi-public agency or other entity having the power of eminent domain pursuant to or as a result of the exercise of such power by such an agency, including any inverse condemnation and/or any sale or transfer by Landlord of all or any portion of the Property to such an agency under threat of condemnation or the exercise of such power.

ARTICLE 12:
DEFAULT AND REMEDIES

12.1 EVENTS OF TENANT'S DEFAULT: Tenant shall be in default of its obligations under this Lease if any of the following events occur:

A. Tenant shall have failed to pay Base Monthly Rent or any Additional Rent when due; or

B. Tenant shall have done or permitted to have been done any act, use or thing in its use, occupancy or possession of the Leased Premises or the Building or the Outside Areas which is prohibited by the terms of this Lease; or

C. Tenant shall have failed to perform any term, covenant or condition of this Lease, except those requiring the payment of Base Monthly Rent or Additional Rent, within ten days after written notice from Landlord to Tenant specifying the nature of such failure and requesting Tenant to perform same.

D. Tenant shall have sublet the Leased Premises or assigned or encumbered its interest in this Lease in violation of the provisions contained in Article 7, whether voluntarily or by operation of Law; or

E. Tenant shall have failed to continuously occupy the Leased Premises for a period of ten (10) consecutive days; or

F. Tenant or any Guarantor of this Lease shall have permitted or suffered the sequestration or attachment of, or execution on, or the appointment of a custodian or receiver with respect to, all or any substantial part of the property or assets of Tenant (or such Guarantor) or any property or asset essential to the conduct of Tenant's (or such Guarantors) business, and Tenant (or such Guarantor) shall have failed to obtain a return or release of the same within thirty days thereafter, or prior to sale pursuant to such sequestration, attachment or levy, whichever is earlier; or

G. Tenant or any Guarantor of this Lease shall have made a general assignment of all or a substantial part of its assets for the benefit of its creditors; or

H. Tenant or any Guarantor of this Lease shall have allowed (or sought) to have entered against it a decree or order which: (i) grants or constitutes an order for relief, appointment of a trustee, or confirmation or a reorganization plan under the bankruptcy laws of the United States; (ii) approves as properly filed a petition seeking liquidation or reorganization under said bankruptcy laws or any other debtor's relief law or similar statute of the United States or any state thereof; or (iii) otherwise directs the winding up or liquidation of Tenant; provided, however, if any decree or order was entered without Tenant's consent or over Tenant's objection, Landlord may not terminate this Lease pursuant to this Subarticle if such decree or order is rescinded or reversed within thirty days after its original entry.

Tenant agrees that any notice given by Landlord pursuant to Paragraph 12.1 of the Lease shall satisfy the requirements for notice under California Civil Procedure Section 1161 and Landlord shall not be required to give any additional notice in order to be entitled to commence an unlawful detainer proceeding.

Tenant agrees that any notice given by Landlord pursuant to Paragraph 12.1 of the Lease shall satisfy the requirements for notice under California Code of Civil Procedure Section 1161, and Landlord shall not be required to give any additional notice in order to be entitled to commence an unlawful detainer proceeding.

12.2 LANDLORD'S REMEDIES: In the event of any default by Tenant, and without limiting Landlord's right to indemnification as provided in Article 8.2, Landlord shall have the following remedies, in addition to all other rights and remedies provided by Law or otherwise provided in this Lease, to which Landlord may resort cumulatively, or in the alternative:

A. Landlord may, at Landlord's election, keep this Lease in effect and enforce, by an action at law or in equity, all of its rights and remedies under this Lease including, without limitation, (i) the right to recover the rent and other sums as they become due by appropriate legal action, (ii) the right to make payments required by Tenant, or perform Tenant's obligations and be reimbursed by Tenant for the cost thereof with interest at the then maximum rate of interest not prohibited by Law from the date the sum is paid by Landlord until Landlord is reimbursed by Tenant, and (iii) the remedies of injunctive relief and specific performance to prevent Tenant from violating the terms of this Lease and/or to compel Tenant to perform its obligations under this Lease, as the case may be.

B. Landlord may, at Landlord's election, terminate this Lease by giving Tenant written notice of termination, in which event this Lease shall terminate on the date set forth for termination in such notice. Any termination under this Subarticle shall not relieve Tenant from its obligation to pay to Landlord all Base Monthly Rent and Additional Rent then or thereafter due, or any other sums due or thereafter accruing to Landlord, or from any claim against Tenant for damages previously accrued or then or thereafter accruing. In no event shall any one or more of the following actions by Landlord, in the absence of a written election by Landlord to terminate the Lease, constitute a termination of the Lease:

(1) Appointment of a receiver or keeper in order to protect Landlord's interest hereunder;

(2) Consent to any subletting of the Leased Premises or assignment of this Lease by Tenant, whether pursuant to the provisions hereof or otherwise; or

(3) Any other action by Landlord or Landlord's agents intended to mitigate the adverse effects of any breach of this Lease by Tenant, including, without limitation, any action taken to maintain and preserve the Leased Premises or any action taken to relet the Leased Premises, or any portion thereof, for the account of Tenant and in the name of Tenant.

C. In the event Tenant breaches this Lease and abandons the Leased Premises, Landlord may terminate this Lease, but this Lease shall not terminate unless Landlord gives Tenant written notice of termination. If Landlord does not terminate this Lease by giving written notice of termination, Landlord may enforce all its rights and remedies under this Lease, including the right to recover rent as it becomes due under this Lease as provided in California Civil Code Section 1951.4, as in effect on the Effective Date of this Lease.

D. In the event Landlord terminates this Lease, Landlord shall be entitled, at Landlord's election, to damages in an amount as set forth in California Civil Code Section 1951.2, as in effect on the Effective Date of this Lease. For purposes of computing damages pursuant to Section 1951.2, an interest rate equal to the maximum rate of interest then not prohibited by Law shall be used where permitted. Such damages shall include, without limitation:

(1) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided, computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco, at the time of award plus one percent; and

(2) Any other amount necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform Tenant's obligations under this Lease, or which in the ordinary course of things would be likely to result therefrom, including without limitation, the following: (i) expenses for cleaning, repairing or restoring

the Leased Premises; (ii) expenses for altering, remodeling or otherwise improving the Leased Premises for the purpose of reletting, including removal of existing leasehold improvements and/or installation of additional leasehold improvements (regardless of how the same is funded, including reduction of rent, a direct payment or allowance to a new tenant, or otherwise); (iii) broker's fees, advertising costs and other expenses of reletting the Leased Premises; (iv) costs of carrying and maintaining the Leased Premises which costs would have been billed to Tenant as Additional Rent had Tenant not defaulted and which include but are not limited to taxes, insurance premiums, utility charges, landscape maintenance costs, costs of maintaining electrical, plumbing and HVAC equipment and costs for providing security; (v) expenses incurred in removing, disposing of and/or storing any of Tenant's personal property, inventory or trade fixtures remaining therein; (vi) attorneys' fees, expert witness fees, court costs and other reasonable expenses incurred by Landlord but not limited to taxable costs) in retaking possession of the Leased Premises, establishing damages hereunder, and re-leasing the Leased Premises; and (vii) any other expenses, costs or damages otherwise incurred or suffered as a result of Tenant's default.

12.3 LANDLORD'S DEFAULT AND TENANT'S REMEDIES: In the event Landlord fails to perform any of its obligations under this Lease, Landlord shall nevertheless not be in default under the terms of this Lease until such time as Tenant shall have first given Landlord written notice specifying the nature of such failure to perform its obligations, and then only after Landlord shall have had a reasonable period of time following its receipt of such notice within which to perform such obligations. In the event of Landlord's default as above set forth, then, and only then, Tenant shall have the following remedies only:

A. Tenant may then proceed in equity or at law to compel Landlord to perform its obligations and/or to recover damages proximately caused by such failure to perform (except as and to the extent Tenant has waived its right to damages as provided in this Lease).

B. Tenant, at its option, may then cure any default of Landlord at Landlord's cost. If, pursuant to this Subarticle, Tenant reasonably pays any sum to any third party or does any act that requires the payment of any sum to any third part at any time by reason of Landlord's default, the sum paid by, Tenant shall be immediately due from Landlord to Tenant at the time Tenant supplies Landlord with an invoice therefor (provided such invoice sets forth and is accompanied by a written statement of Tenant setting forth in reasonable detail the amount paid, the party to whom it was paid, the date it was paid, and the reasons giving rise to such payment), together with interest at twelve percent per annum from the date of such invoice until Tenant is reimbursed by Landlord. Tenant may not offset such sums against any installment of rent due Landlord under the terms of this Lease.

12.4 LIMITATION ON TENANT'S RECOURSE: If Landlord is a corporation, trust, partnership, joint venture, unincorporated association, or other form of business entity, Tenant agrees that (i) the obligations of Landlord under this Lease shall not constitute personal obligations of the officers, directors, trustees, partners, joint venturers, members, owners, stockholders, or other principals of such business entity and (ii) Tenant shall have recourse only to Landlord's then equity interest, if any, in the Property for the satisfaction of such obligations and not against the assets of such officers, directors, trustees, partners, joint venturers, members, owners, stockholders or principals (other than to the extent of their interest in the Property). Tenant shall look exclusively to such equity interest of Landlord, if any, in the Property for payment and discharge of any obligations imposed upon Landlord hereunder, and Landlord is hereby released and relieved of any other obligations hereunder. Additionally, if Landlord is a partnership, then Tenant covenants and agrees:

A. No partner of Landlord shall be sued or named as a party in any suit or action brought by Tenant with respect to any alleged breach of this Lease (except to the extent necessary to secure jurisdiction over the partnership and then only for that sole purpose);

B. No service of process shall be made against any partner of Landlord except for the sole purpose of securing jurisdiction over the partnership; and

C. No writ of execution shall be levied against the assets of any partner of Landlord other than to the extent of his interest in Property.

Tenant further agrees that each of the foregoing covenants and agreements shall be enforceable by Landlord and by any partner of Landlord and shall be applicable to any actual or alleged misrepresentation or non-disclosure made respecting this Lease or the Leased Premises or any actual or alleged failure, default or breach of any covenant or agreement either expressly or implicitly contained in this Lease or imposed by statute or at common law.

12.5 TENANT'S WAIVER: Landlord and Tenant agree that the provisions of Article 12.3 above are intended to supersede and replace the provisions of California Civil Code Sections 1932(l), 1941 and 1942, and accordingly, Tenant hereby waives the provisions of California Civil Code Sections 1932(l), 1941 and 1942 and/or any similar or successor Law regarding Tenant's right to terminate this Lease or to make repairs and deduct the expenses of such repairs from the rent due under this Lease. Tenant hereby waives any right of redemption or relief from forfeiture under the Laws of the State of California, or under any other present or future Law, in the event Tenant is evicted or Landlord takes possession of the Leased Premises by reason of any default by Tenant.

ARTICLE 13
GENERAL PROVISIONS

13.1 TAXES ON TENANT'S PROPERTY: Tenant shall pay before delinquency any and all taxes, assessments, license fees, use fees, permit fees and public charges of whatever nature or description levied, assessed or imposed against Tenant or Landlord by a governmental agency arising out of, caused by reason of or based upon Tenant's estate in this Lease, Tenant's ownership of property, improvements made by Tenant to the Leased Premises or the Outside Areas, improvements made by Landlord for Tenant's use within the Leased Premises or the Outside Areas, Tenant's use (or estimated use) of public facilities or services or Tenant's consumption (or estimated consumption) of public utilities, energy, water or other resources. Upon demand by Landlord, Tenant shall furnish Landlord with satisfactory evidence of these payments. If any such taxes, assessments, fees or public charges are levied against Landlord, Landlord's property, the Building or the Property, or if the assessed value of the Building or the Property is increased by the inclusion therein of a value placed upon same, then Landlord, after giving written notice to Tenant, shall have the right, regardless of the validity thereof, to pay such taxes, assessment, fee or public charge and bill Tenant, as Additional Rent, the amount of such taxes, assessment, fee or public charge so paid on Tenant's behalf. Tenant shall, within ten days from the date it receives an invoice from Landlord setting forth the amount of such taxes, assessment, fee or public charge so levied, pay to Landlord, as Additional Rent, the amount set forth in said invoice. Failure by Tenant to pay the amount so invoiced within said ten day period shall be conclusively deemed a default by Tenant under this Lease. Tenant shall have the right, and the Landlord's full cooperation if Tenant is not then in default under the terms of this Lease, to bring suit in any court of competent jurisdiction to recover from the taxing authority the amount of any such taxes, assessment, fee or public charge so paid.

13.2 HOLDING OVER: This Lease shall terminate without further notice on the Lease Expiration Date (as set forth in Article 1). Any holding over by Tenant after expiration of the Lease Term shall neither constitute a renewal nor extension of this Lease nor give Tenant any rights in or to the Leased Premises except as expressly provided in this Article. Any such holding over shall be deemed an unlawful detainer of the Leased Premises unless Landlord has consented to same. Any such holding over to which Landlord has consented shall be construed to be a tenancy from month to month, on the same terms and conditions herein specified insofar as applicable, except that the Base Monthly Rent shall be increased to an amount equal to one hundred fifty percent of the Base Monthly Rent payable during the last full month immediately preceding such holding over.

13.3 SUBORDINATION TO MORTGAGES: This Lease is subject to and subordinate to all underlying ground leases, mortgages and deeds of trust which affect the Building or the Property and which are of public record as of the Effective Date of this Lease, and to all renewals, modifications, consolidations, replacements and extensions thereof. However, if the lessor under any such ground lease or any lender holding any such mortgage or deed of trust shall advise Landlord that it desires or requires this Lease to be made prior and superior thereto, then, upon written request of Landlord to Tenant, Tenant shall promptly execute, acknowledge and deliver any and all documents or instruments which Landlord and such lessor or lender deem necessary or desirable to make this Lease prior thereto. Tenant hereby consents to Landlord's ground leasing the land underlying the Building or the Property and/or encumbering the Building or the Property as security for future loans on such terms as Landlord shall desire, all of which future ground leases, mortgages or deeds of trust shall be subject to and subordinate to this Lease. However, if any lessor under any such future ground lease or any lender holding such future mortgage or deed of trust shall desire or require that this Lease be made subject to and subordinate to such future ground lease, mortgage or deed of trust, then Tenant agrees, within ten days after Landlord's written request therefor, to execute, acknowledge and deliver to Landlord any and all documents or instruments requested by Landlord or by such lessor or lender as may be necessary or proper to assure the subordination of this Lease to such future ground lease, mortgage or deed of trust.

13.4 TENANT'S ATTORNMENT UPON FORECLOSURE: Tenant shall, upon request, attorn (i) to any purchaser of the Building or the Property at any foreclosure sale or private sale conducted pursuant to any security instrument encumbering the Building or the Property, (ii) to any grantee or transferee designated in any deed given in lieu of foreclosure of any security interest encumbering the Building or the Property, or (iii) to the lessor under any underlying ground lease of the land underlying the Building or the Property, should such ground lease be terminated; provided that such purchaser, grantee or lessor recognizes Tenant's rights under this Lease.

13.5 MORTGAGEE PROTECTION: In the event of any default on the part of Landlord, Tenant will give notice by registered mail to any Lender or lessor under any underlying ground lease who shall have requested, in writing, to Tenant that it be provided with such notice, and Tenant shall offer such Lender or lessor a reasonable opportunity to cure the default, including time to obtain possession of the Leased Premises by power of sale or judicial foreclosure or other appropriate legal proceedings if reasonably necessary to effect a cure.

13.6 ESTOPPEL CERTIFICATES: Tenant will, following any request by Landlord, promptly execute and deliver to Landlord an estoppel certificate (i) certifying that this Lease is unmodified and in full force and effect, or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect, (ii) stating the date to which the rent and other charges are paid in advance, if any, (iii) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord hereunder, or specifying such defaults if any are claimed, and (iv) certifying such other information about this Lease as may be reasonably requested by Landlord, its Lender or prospective lenders, investor or purchaser of the Building or the Property. Tenant's failure to execute and deliver such estoppel certificate within ten business days after Landlord's request therefor shall be a material default by Tenant under this Lease, and Landlord shall have all of the rights and remedies available to Landlord as Landlord would otherwise have in the case of any other material default by Tenant, including the right to terminate this Lease and sue for damages proximately caused thereby, it being agreed and understood by Tenant that Tenant's failure to so deliver such estoppel certificate in a timely manner could result in Landlord being unable to perform committed obligations to other third parties which were made by Landlord in reliance upon this covenant of Tenant. Landlord and Tenant intend that any statement delivered pursuant to this Article may be relied upon by any Lender or purchaser or prospective Lender or purchaser of the Building, the Property, or any interest herein.

13.7 TENANT'S FINANCIAL INFORMATION: Tenant shall, within five business days after Landlord's request therefor deliver to Landlord a copy of a current financial statement prepared in the ordinary course of Tenant's business including an income statement for the most recent twelve month period and a balance sheet and any such other information reasonably requested by Landlord regarding Tenant's financial condition. Tenant acknowledges that Landlord is relying upon the financial information provided to Landlord by Tenant prior to entering into this lease and the information to be provided to Landlord by Tenant during the term of this Lease. Landlord shall be entitled to disclose such financial statements or other information to its Lender, to any present or prospective principal of or investor in Landlord, or to any prospective Lender or purchaser of the Building, the Property or any portion thereof or interest therein. Any such financial statement or other information which is marked "confidential" or company secrets" (or is otherwise similarly marked by Tenant) shall be confidential and shall not be disclosed by Landlord to any third party except as specifically provided in this Article, unless the same becomes a part of the public domain without the fault of Landlord. **Landlord will limit its requests for financial information to once a year, and/or in the event Landlord has reason to suspect that there has been a significant change in Tenant's financial position, and/or as requested by Landlord's current or prospective lender or a prospective purchaser of the Property**.

13.8 TRANSFER BY LANDLORD: Landlord and its successors in interest shall have the right to transfer their interest in the Building, the Property, or any portion thereof at any time and to any person or entity. In the event of any such transfer, the Landlord originally named herein (and in the case of any subsequent transfer, the transferor), from the date of such transfer, (i) shall be automatically relieved, without any further act by any person or entity, of all liability for the performance of the obligations of the Landlord hereunder which may accrue after the date of such transfer and (ii) shall be relieved of all liability for the performance of the obligations of the Landlord hereunder which have accrued before the date of transfer if its transferee agrees to assume and perform all such prior obligations of the Landlord hereunder. Tenant shall attorn to any such transferee. After the date of any such transfer, the term "Landlord" as used herein shall mean the transferee of such interest in the Building or the Property.

13.9 FORCE MAJEURE: The obligations of each of the parties under this Lease (other than the obligations to pay money) shall be temporarily excused if such party is prevented or delayed in performing such obligation by reason of any strikes, lockouts or labor disputes; inability to obtain labor, materials, fuels or reasonable substitutes therefor; governmental restrictions, regulations, controls, action or inaction; civil commotion; inclement weather, fire or other acts of God; or other causes (except financial inability) beyond the reasonable control of the party obligated to perform (including acts or omissions of the other party) for a period equal to the period of any such prevention, delay or stoppage.

13.10 NOTICES: except for unlawful detainer notices which Landlord may serve either in accordance with State law or in accordance with this paragraph, any notice required or desired to be given by a party regarding this Lease shall be in writing and shall be personally served, or in lieu of personal service may be given by (i) delivery by Federal Express, United Parcel Service or similar commercial carrier, (ii) electronic fax transmission, or (iii) depositing such notice in the United States mail, postage prepaid, addressed to the other party as follows:

A. If addressed to Landlord, to Landlord at its Address for Notices (as set forth in Article 1).

B. If addressed to Tenant, to Tenant at its Address for Notices (as set forth in Article 1). Any notice given by registered mail shall be deemed to have been given on the third business day after its deposit in the United States mail.

Any notice given by registered mail shall be deemed given on the date receipt was acknowledged to the postal authorities. Any notice given by mail other than registered or certified mail shall be deemed given only if received by the other party, and then on the date of receipt. Any notice delivered by commercial carrier or by fax shall be deemed given on the date of confirmation of delivery by the carrier or by electronic confirmation. Each party may, by written notice to the other in the manner aforesaid, change the address to which notices addressed to it shall thereafter be mailed.

13.11 ATTORNEYS FEES: In the event any party shall bring any action, arbitration proceeding or legal proceeding alleging a material breach of any provision of this Lease, to recover rent, to terminate this Lease, or to enforce, protect, determine or establish any term or covenant of this Lease or rights or duties hereunder of either party, the prevailing party shall be entitled to recover from the non-prevailing party as a part of such action or proceeding, or in a separate action for that purpose brought within one year from the determination of such proceeding, reasonable attorneys' fees, expert witness fees, court costs and other reasonable expenses incurred by the prevailing party. In the event that Landlord shall be required to retain counsel to enforce any provision of this Lease, and if Tenant shall thereafter cure (or desire to cure) such default, Landlord shall be conclusively deemed the prevailing party and Tenant shall pay to Landlord all attorneys' fees, expert witness fees, court costs and other reasonable expenses so incurred by Landlord promptly upon demand. Landlord may enforce this provision by either (i) requiring Tenant to pay such fees and costs as a condition to curing its default or (ii) bringing a separate action to enforce such payment, it being agreed by and between Landlord and Tenant that Tenant's failure to pay such fees and costs upon demand shall constitute a breach of this Lease in the same manner as a failure by Tenant to pay the Base Monthly Rent, giving Landlord the same rights and remedies as if Tenant failed to pay the Base Monthly Rent.

13.12 DEFINITIONS: Any term that is given a special meaning by any provision in this Lease shall, unless otherwise specifically stated, have such meaning whenever used in this Lease or in any Addenda or amendment hereto. In addition to the terms defined in Article 1, the following terms shall have the following meanings:

A. REAL PROPERTY TAXES: The term "Real Property Tax" or "Real Property Taxes" shall each mean (i) all taxes, assessments, levies and other charges of any kind or nature whatsoever, general and special, foreseen and unforeseen (including all installments of principal and interest required to pay any general or special assessments for public improvements and any increases resulting from reassessments caused by any change in ownership or new construction), now or hereafter imposed by any governmental or quasi-governmental authority or special district having the direct or indirect power or tax or levy assessments, which are levied or assessed for whatever reason against the Project or any portion thereof, or Landlord's interest herein, or the fixtures, equipment and other property of Landlord that is an integral part of the Project and located thereon, or Landlord's business of owning, leasing or managing the Project or the gross receipts, income or rentals from the Project; (ii) all charges, levies or fees imposed by any governmental authority against Landlord by reason of or based upon the use of or number of parking spaces within the Project, the amount of public services or public utilities used or consumed (e.g. water, gas, electricity, sewage or surface water disposal) at the Project, the number of persons employed by tenants of the Project, the size (whether measured in area, volume, number of tenants or whatever) or the value of the Project, or the type of use or uses conducted within the Project; and (iii) all costs and fees (including attorneys' fees) incurred by Landlord in contesting any Real Property Tax and in negotiating with public authorities as to any Real Property Tax. If, at any time during the Lease Term, the taxation or assessment of the Project prevailing as of the Effective Date of

this Lease shall be altered so that in lieu of or in addition to any Real Property Tax described above there shall be levied, or imposed (whether by reason of a change in the method of taxation or assessment, creation of a new tax or charge, or any other cause) an alternate, substitute, or additional tax or charge (i) on the value, size, use or occupancy of the Project or Landlord's interest therein or (ii) on or measured by the gross receipts, income or rentals from the Project, or on Landlord's business of owning, leasing or managing the Project or (iii) computed in any manner with respect to the operation of the Project, then any such tax or charge, however designated, shall be included within the meaning of the terms "Real Property Tax" or "Real Property Taxes" for purposes of this Lease. If any Real Property Tax is partly based upon property or rents unrelated to the Project, then only that part of such Real Property Tax that is fairly allocable to the Project shall be included within the meaning of the terms "Real Property Tax" or "Real Property Taxes." Notwithstanding the foregoing, the terms "Real Property Tax" or "Real Property Taxes" shall not include estate, inheritance, transfer, gift or franchise taxes of Landlord or the federal or state income tax imposed on Landlord's income from all sources.

B. LANDLORD'S INSURANCE COSTS: The term "Landlord's Insurance Costs" shall mean the costs to Landlord to carry and maintain the policies of fire and property damage insurance including earth quake and flood for the Building and the Property and general liability insurance required, or permitted, to be carried by Landlord pursuant to Article 9, together with any deductible amounts paid by Landlord upon the occurrence of any insured casualty or loss.

C. PROPERTY MAINTENANCE COSTS: The term "Property Maintenance Costs" shall mean all costs and expenses (except Landlord's Insurance Costs and Real Property Taxes) paid or incurred by Landlord in protecting, operating, maintaining, repairing and preserving the Property and all parts thereof, including without limitation, (i) professional management fees (equal to three percent of the annualized Base Monthly Rent), (ii) the costs incurred by Landlord in the making of any modifications, alterations or improvements as set forth in Article 6 including costs of complying with any governmental regulation or court order such as costs associates with complying with the Americans with Disabilities Act (ADA) or any similar laws or court cases, (iii) costs of complying with governmental regulations governing Tenant's use of Hazardous Materials, and Landlord's costs of monitoring Tenant's use of Hazardous Materials including fees charged by Landlord's consultants to periodically inspect the Premises and the Property, (iv) all costs, fees, expenses, assessments, and the like charged by any public or private maintenance association or district whether such costs are incurred on or off the Project, for the benefit of the Project, also including any costs required to be paid by Landlord pursuant to any covenants, conditions, and/or restrictions effecting the Project for the benefit of any common property owners association, and (v) such other costs as may be paid or incurred with respect to operating, maintaining and preserving the Property, such as repairing, replacing, and resurfacing the exterior surfaces of the buildings (including roofs), repairing, replacing, and resurfacing paved areas, repairing structural parts of the buildings, cleaning, maintaining, restoring and/or replacing the interior of the Leased Premises both during the term of the Lease and upon its termination, and maintaining, repairing, installing or replacing, electrical, plumbing, sewer, drainage, heating, ventilating and air conditioning systems serving the buildings, providing utilities to the common areas, maintenance, repair, replacement or installation of lighting fixtures, directional or other signs and signals, irrigation or drainage systems, trees, shrubs, materials, maintenance of all landscaped areas, and depreciation and financing costs on maintenance and operating machinery and equipment (if owned) and rental paid for such machinery and equipment (if leased). **Notwithstanding the above, for the replacement due to normal wear and tear of a piece of HVAC equipment first put in service prior to January 1, 2000, Tenant's payment obligation shall be limited to paying the first eight thousand dollars of such replacement when incurred plus amortization payments of the balance of the cost over the useful life of the equipment as reasonably determined by Landlord (in accordance with generally accepted accounting principles) with interest on the unamortized balance at the then prevailing interest Landlord would pay if it borrowed funds to pay the cost of the replacement. Landlord shall inform Tenant of the monthly amortization payment required to amortize such costs, and Tenant shall pay the monthly amount as Additional Rent during the Term of this Lease. For replacement of the entire or a substantial portion of the roof covering surface ("roofing") due to normal wear and tear Tenant's payment obligation shall be limited to the amount of ninety thousand dollars ($90,000). Prior to installing a new roof Landlord will provide Tenant with the reasonable justification for the need to replace the roof and evidence that the proposed cost is reasonable.**

D. READY FOR OCCUPANCY: The term "Ready for Occupancy" shall mean the date upon which (i) the Leased Premises are available for Tenant's occupancy in a broom clean condition and (ii) the improvements, if any, to be made to the Leased Premises by Landlord as a condition to Tenant's obligation to accept possession of the

Leased Premises have been substantially completed and the appropriate governmental building department (i.e. the City building department, if the Property is located within a City, or otherwise the County building department) shall have approved the construction of such improvements as substantially complete or is willing to so approve the construction of the improvements as substantially complete subject only to compliance with specified conditions which are the responsibility of Tenant to satisfy or is willing to allow Tenant to occupy subject to its receiving assurances that specified work will be completed.

E. PROPERTY OPERATING EXPENSES: The term "Property Operating Expenses" shall mean and include the all Real Property Taxes, plus all Landlord's Insurance Costs, plus the all Property Maintenance Costs, plus an accounting fee equal to five percent of all such costs.

F. LAW: The term "Law" shall mean any judicial decision and any statute, constitution, ordinance, resolution, regulation, rule, administrative order, or other requirement of any municipal, county, state, federal, or other governmental agency or authority having jurisdiction over the parties to this Lease, the Leased Premises, the Building or the Property, or any of them in effect either at the Effective Date of this Lease or at any time during the Lease Term, including, without limitation, any regulation, order, or policy of any quasi-official entity or body (e.g. a board of fire examiners or a public utility or special district).

G. LENDER: The term "Lender" shall mean the holder of any Note or other evidence of indebtedness secured by the Property or any portion thereof.

H. PRIVATE RESTRICTIONS: The term "Private Restrictions" shall mean all recorded covenants, conditions and restrictions, private agreements, easements, and any other recorded instruments affecting the use of the Property, as they may exist from time to time.

I. RENT: The term "rent" shall mean collectively Base Monthly Rent and all Additional Rent.

13.13 GENERAL WAIVERS: One party's consent to or approval of any act by the other party requiring the first party's consent or approval shall not be deemed to waive or render unnecessary the first party's consent to or approval of any subsequent similar act by the other party. No waiver of any provision hereof or any breach of any provision hereof shall be effective unless in writing and signed by the waiving party. The receipt by Landlord of any rent or payment with or without knowledge of the breach of any other provision hereof shall not be deemed a waiver of any such breach. No waiver of any provision of this Lease shall be deemed a continuing waiver unless such waiver specifically states so in writing and is signed by both Landlord and Tenant. No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Lease shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any breach of any provision of this Lease shall not be deemed to be a waiver of any subsequent breach of the same or any other provisions herein contained.

13.14 CERTIFIED ACCESS SPECIALIST INSPECTION: California law requires a Landlord to notify Tenant whether Landlord has had the Leased Premises inspected by a Certified Access Specialist. Landlord has not caused the Leased Premises to be so inspected.

13.15 ENERGY RATINGS INFORMATION: Landlord has registered the Property and created a property profile with the US Environmental Protection Agency Energy Star program https://portfoliomanager.energystar.gov/pm/login.html which Tenant may access. Tenant agrees that this complies with California energy disclosure requirements pursuant to California Code of Regulations Title 20, Division 2, Chapter 4, Article 9, Sections 1680 et. seq. At Tenant's request, Landlord will make available to Tenant prior bills for energy use in the building. Tenant acknowledges that prior use may not be indicative of Tenant's actual energy use. Tenant shall place utility services in its name and pay utility providers directly for such services. Within fifteen (15) days of Landlord's written request, Tenant agrees to deliver to Landlord such information and/or documents as Landlord requires for Landlord to comply with the Energy Disclosure Requirements, or successor statute(s) of code(s), relating to commercial building energy ratings.

13.16 MISCELLANEOUS: Should any provision of this Lease prove to be invalid or illegal, such invalidity or illegality shall in no way affect, impair or invalidate any other provision hereof, and such remaining provisions shall remain in full force and effect. Time is of the essence with respect to the performance of every provision of this Lease in which time of performance is a factor. Any copy of this Lease which is executed by the parties shall be deemed an original for all purposes. This Lease shall, subject to the provisions regarding assignment, apply to and bind the respective heirs, successors, executors, administrators and assigns of Landlord and Tenant. The term "party" shall mean Landlord or Tenant as the context implies. If Tenant consists of more than one person or entity, then all members of Tenant shall be jointly and severally liable hereunder. This Lease shall be construed and enforced in accordance with the Laws of the State in which the Leased Premises are located. The language in all parts of this Lease shall in all cases be construed as a whole according to its fair meaning, and not strictly for or against either Landlord or Tenant. The captions used in this Lease are for convenience only and shall not be considered in the construction or interpretation of any provision hereof. When the context of this Lease requires, the neuter gender includes the masculine, the feminine, a partnership or corporation or joint venture, and the singular includes the plural. The terms "must", shall", will", and "agree" are mandatory. The term "may" is permissive. When a party is required to do something by this Lease, it shall do so at its sole cost and expense without right of reimbursement from the other party unless specific provision is made therefor. Where Tenant is obligated not to perform any act or is not permitted to perform any act, Tenant is also obligated to restrain any others reasonably within its control, including agents, invitees, contractors, subcontractors and employees, from performing said act. Landlord shall not become or be deemed a partner or a joint venture with Tenant by reason of any of the provisions of this Lease.

ARTICLE 14
CORPORATE AUTHORITY, BROKERS AND ENTIRE AGREEMENT

14.1 CORPORATE AUTHORITY: If Tenant is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that Tenant is validly formed and duly authorized and existing, that Tenant is qualified to do business in the State in which the Leased Premises are located, that Tenant has the full right and legal authority to enter into this Lease, that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant in accordance with the bylaws and/or a board of directors' resolution of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Tenant shall, within thirty days after execution of this Lease, deliver to Landlord a certified copy of the resolution of its board of directors authorizing or ratifying the execution of this Lease, and if Tenant fails to do so, Landlord at its sole election may elect to (i) extend the Intended Commencement Date by such number of days that Tenant shall have delayed in so delivering such corporate resolution to Landlord or (ii) terminate this Lease.

14.2 BROKERAGE COMMISSIONS: Tenant warrants that it has not had any dealings with any real estate broker(s), leasing agent(s), finder(s) or salesmen, other than the Brokers (as named in Article I) with respect to the lease by it of the Leased Premises pursuant to this Lease, and that it will indemnify, defend with competent counsel, and hold Landlord harmless from any liability for the payment of any real estate brokerage commissions, leasing commissions or finder's fees claimed by any other real estate broker(s), leasing agent(s), finder(s), or salesmen to be earned or due and payable by reason of Tenant's agreement or promise implied or otherwise) to pay (or to have Landlord pay) such a commission or finder's fee by reason of its leasing the Leased Premises pursuant to this Lease.

14.3 ENTIRE AGREEMENT: This Lease, the Exhibits (as described in Article 1) and the Addenda (as described in Article 1), which Exhibits and Addenda are by this reference incorporated herein, constitute the entire agreement between the parties, and there are no other agreements, understandings or representations between the parties relating to the lease by Landlord of the Leased Premises to Tenant, except as expressed herein. No subsequent changes, modifications or additions to this Lease shall be binding upon the parties unless in writing and signed by both Landlord and Tenant.

14.4 LANDLORD'S REPRESENTATIONS: **Landlord obtained Building Permit BLD2011-04844 and complied with all requirements of the permit resulting in permit final approval by the City of Fremont for occupancy of the Building. To the best of Landlord's knowledge the building complies with appropriate ordinances for occupancy.** Tenant acknowledges that neither Landlord nor any of its agents made any representation or warranties respecting the Project, the Building or the Leased Premises, upon which Tenant relied in entering into this Lease, which are not expressly set forth in this Lease. Tenant further acknowledges that neither Landlord nor any of its agents made any representations as to (i) whether the Leased Premises may be used for Tenant's intended use under existing Law, or (ii) the suitability of the Leased Premises for the conduct of Tenant's business, or (iii) the exact

square footage of the Leased Premises, and that Tenant relied solely upon its own investigations respecting said matters. Tenant expressly waives any and all claims for damage by reason of any state- management, representation, warranty, promise or other agreement of Landlord or Landlord's agent(s), if any, not contained in this Lease or in any Addenda hereto.

ARTICLE 15
OPTION TO RENEW AND EXPANSION

15.1 Option to Renew: Landlord hereby grants to Tenant Two (2) options to renew the Lease for an additional period of **five (5)** years **each** (the Renewal Terms). ~~The~~ **Each** Renewal Term shall commence upon the expiration of the preceding lease term **(or the first Renewal Term as appropriate)** such that there shall not be a gap in the time between the Lease Term and the Renewal Terms. **Tenant shall only be permitted to exercise the second Renewal Term if it has previously exercised the option for the first Renewal Term.** In the event that Tenant subleases the Premises or any portion thereof or assigns its interest under this Lease, Tenant shall lose any rights or options to renew or extend the term of this Lease.

1. The lease of the Leased Premises for ~~the~~ **each** Renewal Term shall be on the same terms and conditions as set forth in the Lease, except:

A. That the rental for the Leased Premises during the Renewal Term shall be as set forth below in Paragraph 3, and

B. That the Security Deposit shall be increased to the rental amount determined in Paragraph 3 (the "Increased Security Deposit Amount").

2. Tenant shall notify Landlord of Tenant's exercise of its right to renew the Lease for ~~the~~ **each** Renewal Term only by giving to Landlord written notice not sooner than eight (8) months prior to the Renewal Commencement Date and not later than seven (7) months prior to the Renewal Commencement Date (time is expressly of the essence to Landlord). Any attempted exercise of this Option made other than within the time period stated or in the manner stated shall be void and of no force or effect. In the event that Tenant does not or is not entitled to exercise its option Tenant shall have no further rights hereunder.

3. If Tenant shall have properly and timely exercised its right to extend the term of the Lease, the term of the Lease shall be so extended for the Renewal Term on the same terms and conditions contained in the Lease; provided, however, the Base Monthly Rent for each month of the Renewal Term shall be calculated as follows: The new Base Monthly Rent for the Renewal Term shall be the greater of: (i) the Base Monthly Rent being paid by Tenant to Landlord during the final full month of the final year of the initial Lease Term **(or the final month of the first Renewal Term as appropriate)**, or (ii) the Then Market Rental Rate for the Lease Premises.

4. The term "Then Monthly Market Rental Rate" shall be determined by mutual agreement between Landlord and Tenant or, in the event such agreement cannot be made within ten (10) days from the date Tenant shall have exercised this option, Landlord and Tenant shall each appoint a real estate appraiser with at least five (5) years full-time commercial/industrial appraisal experience in Santa Clara County to appraise and determine the fair market monthly rental rate the Leased Premises, in their then existing condition for the use specified in the Lease could be leased for, on the same terms and conditions set forth in the Lease, to a qualified tenant ready, willing and able to lease the Leased Premises for a term equal to the Renewal Term. If either party does not appoint an appraiser within ten (10) days after the other party has given notice of the name of its appraiser, the other party can then apply to the President of the Santa Clara County Real Estate Board or the presiding Judge of the Superior Court of that County for the selection of a second appraiser who meets the qualifications stated above. The failing party shall bear the cost of appointing the second appraiser and of paying the second appraiser's fee. The two appraisers shall attempt to establish the Then Monthly Market Rental Rate for the Leased Premises. If the two appraisers are unable to agree on the Then Monthly Market Rental Rate for the Leased Premises within ten (10) days after the second appraiser has been selected or appointed, then the two appraisers shall attempt to select a third appraiser meeting the qualifications stated above. If they fail to agree on a third appraiser, either party can follow the above procedure for having an appraiser appointed by the Real Estate Board or a judiciary. Each of the parties shall bear one-half (1/2) of the cost of appointing the third appraiser and of paying the third appraiser's fee. Unless the three appraisers are able to agree

on the Then Monthly Market Rental Rate for the Leased Premises within ten (10) days after the selection or appointment of the third appraiser, the two appraisal amounts being calculated most closely together, after having discarded the appraisal amount which most greatly varies from the other two appraisal amounts, shall be added together then divided by two (2). The resulting rental amount shall be defined as the Then Monthly Market Rental Rate for the Leased Premises. In no event, however, shall the resulting Then Monthly Market Rental Rate for the Renewal Term be less than the Base Monthly Rent paid during the final full month of the initial Lease Term **(or the first Renewal Term as appropriate)**.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the respective dates below set forth with the intent to be legally bound thereby as of the Effective Date of this Lease first above set forth.

Mr. Andy Paul

Dear Andy,

We are pleased to inform you that the Board of Directors of Corsair Memory, Inc., a Delaware corporation (the "Company"), has approved a new severance benefit program for you. The purpose of this letter agreement is to set forth the terms and conditions of your severance benefits and to explain certain limitations that may govern their overall value or payment date.

Your severance package will become payable should your employment terminate under certain circumstances following certain changes in ownership or control of the Company. To understand the full scope of your benefits, you should familiarize yourself with the definitional provisions of Part One of this letter agreement. The benefits comprising your severance package are detailed in Part Two, and the dollar limitations on the overall value of your benefit package and other applicable restrictions are specified in Parts Three and Four.

PART ONE – DEFINITIONS

For purposes of this Agreement, the following definitions shall be in effect:

Board means the Company's Board of Directors.

Change in Control means a change in control of the Company effected through any of the following transactions:

(i) a merger, consolidation or reorganization approved by the Company's stockholders, unless securities representing more than fifty percent (50%) of the total combined voting power of the outstanding voting securities of the successor corporation are immediately thereafter beneficially owned, directly or indirectly and in substantially the same proportion, by the persons who beneficially owned the Company's outstanding voting securities immediately prior to such transaction; or

(ii) the sale, transfer or other disposition of all or substantially all of the Company's assets to any person, entity or group of persons acting in concert other than a sale, transfer or disposition to an entity, at least fifty percent (50%) of the combined voting power of the voting securities of which is owned by the Company or by stockholders of the Company in substantially the same proportion as their ownership of the Company immediately prior to such sale; or

(iii) the acquisition by any person or related group of persons of beneficial ownership of securities of the Company possessing (or convertible into or exercisable for such securities possessing) more than 50% of the total combined voting power of the Company's outstanding voting securities (measured immediately after such acquisition) effected through a direct purchase of those securities from one or more of the Company's stockholders.

Change in Control Severance Period means the 18-month period following a Change in Control.

Code means the Internal Revenue Code of 1986, as amended.

Common Stock means the Company's common stock.

Company means Corsair Memory, Inc., a Delaware corporation.

Executive means the undersigned executive.

Good Reason means, without the Executive's express written consent, (i) a material reduction in the Executive's authority, duties or responsibilities; (ii) a material reduction by the Company of the Executive's base compensation; (iii) a material relocation of the Executive's principal place of service (with the relocation of the Executive to a facility or a location more than fifty (50) miles from his current location deemed to be material for such purpose); or (iv) the failure of the Company to obtain the assumption of this Agreement by any successors contemplated in Section 8 below, provided that none of the events specified above shall constitute Good Reason unless (A) the Executive provides written notice of the occurrence of the event constituting Good Reason within ninety (90) days after the occurrence of such event; and (B) the Company fails to cure such event within thirty (30) days after receipt of such written notice. If the Company fails to cure the event, the Executive's termination shall be effective at the end of the thirty (30)-day cure period.

Incapacity means the Executive's failure to perform his or her duties with the Company on a full-time basis for at least 180 consecutive days as a result of the Executive's incapacity due to physical or mental illness.

Involuntary Termination means (i) the Company's termination of the Executive's employment for any reason other than a Termination for Cause, or (ii) a termination by the Executive for Good Reason. An Involuntary Termination shall not include the termination of the Executive's employment by reason of death or Incapacity.

Termination for Cause means the termination of the Executive's employment by the Company due to (i) the continued failure of the Executive to perform the material duties, responsibilities and obligations of the Executive's position with the Company after written notice from the Company identifying the performance deficiencies and a reasonable cure period of at

least thirty (30) days, (ii) the commission of any act of fraud, embezzlement or dishonesty by the Executive or the Executive's commission of a felony which is materially damaging to the Company or its reputation, (iii) any intentional use or intentional disclosure by the Executive of confidential information or trade secrets of the Company (or any parent or subsidiary) which is materially damaging to the Company or its reputation, (iv) any other intentional misconduct by the Executive which is materially damaging to the Company or its reputation, (v) the Executive's failure to cure any breach of the Executive's obligations under this Agreement or Executive's Proprietary Information and Inventions Agreement with the Company after written notice of such breach from the Company and a reasonable cure period of at least thirty (30) days or (vi) the Executive's material breach of any of the Executive's fiduciary duties as an officer of the Company. The foregoing definition shall not be deemed to be inclusive of all the acts or omissions which the Company (or any parent or subsidiary) may consider as grounds for the dismissal or discharge of the Executive or any other individual in the service of the Company (or any parent or subsidiary), but a dismissal for such other acts or omissions shall not constitute a Termination for Cause for purposes of this Agreement.

PART TWO – SEVERANCE BENEFITS

1. Entitlement. Should the Executive's employment with the Company terminate by reason of an Involuntary Termination at any time during the Change in Control Severance Period, then the Executive shall become entitled to receive the severance benefits under this Part Two, provided the Executive executes and delivers to the Company a general release in substantially the form attached as Exhibit A (the "Release") hereto within twenty-one (21) days (or forty-five (45) days if such longer period is required by law) and such Release becomes effective and enforceable in accordance with applicable law. Those benefits shall be in lieu of any other severance benefits to which the Executive might otherwise be entitled by reason of the Executive's termination of employment under such circumstances.

2. Severance Benefits. The severance benefits payable to the Executive under this Part Two shall consist of the following:

(a) **Cash Severance Payments**. A lump sum amount equal to the sum of (i) two (2) times the Executive's base salary for the year in which the Involuntary Termination occurs and (ii) the Executive's target incentive award for the year in which the Involuntary Termination occurs. The severance payments shall be subject to the Company's collection of all applicable withholding taxes, and the Executive will only be paid the amount remaining after such withholding taxes have been collected. The severance payments shall be made on the sixtieth day (60th) following the Executive's Separation from Service provided the Release is effective following any applicable revocation.

(b) **Health Care Coverage**. Continued health care coverage under the Company's medical plan, without charge, for the Executive and the Executive's eligible dependents upon the Executive's election to receive such continued health care coverage under Code Section 4980B ("COBRA"). Such Company-paid coverage shall continue until the earlier of (i) the expiration of the two (2)-year period measured from the first day of the calendar month following the calendar month in which the Executive's Involuntary Termination occurs or (ii) the first date on which the Executive and the Executive's eligible dependents are covered under

another employer's health benefit program without exclusion for any pre-existing medical condition. Any additional health care coverage to which the Executive and the Executive's dependents may be entitled under COBRA following the period of such Company-paid coverage shall be at the Executive's sole cost and expense.

3. Equity Awards. All of the Executive's outstanding equity compensation awards will fully vest upon an Involuntary Termination.

PART THREE - LIMITATION ON BENEFITS

4. Benefit Limit. The benefit limitations of this Part Three shall be applicable in the event the Executive receives any benefits under this Agreement which are deemed to constitute parachute payments under Code Section 280G.

In the event that any payments to which the Executive becomes entitled in accordance with the provisions of this Agreement, when aggregated with any other payments or benefits received by the Executive, would otherwise constitute a parachute payment under Code Section 280G, then such payments will be subject to reduction to the extent necessary to ensure that the Executive receives only the greater of (i) the amount of those payments which would not constitute such a parachute payment or (ii) the amount which yields the Executive the greatest after-tax amount of benefits after taking into account any excise tax imposed on the payments provided to the Executive under this Agreement (or on any other benefits to which the Executive may be entitled in connection with any change in control or ownership of the Company or the subsequent termination of the Executive's employment with the Company) under Code Section 4999. Any determinations as to such reduction shall be made by the Company.

Should a reduction in benefits be required to satisfy the benefit limit of this Paragraph 4, then the cash severance payments shall accordingly be reduced to the extent necessary to comply with such benefit limit. To the extent further reductions are necessary to comply with such benefit limit, then the equity compensation awards held by the Executive shall not accelerate pursuant to Paragraph 3 of Part Two.

5. Delayed Commencement of Benefits. Notwithstanding any provision to the contrary in this Agreement, the cash payment to which the Executive otherwise becomes entitled under Part Two of this Agreement shall not be made to the Executive prior to the ***earlier*** of (i) the expiration of the six (6)-month period measured from the date of the Executive's Separation from Service with the Company or (ii) the date of the Executive's death, if the Executive is deemed at the time of such Separation from Service to be a "key employee" within the meaning of that term under Code Section 416(i) and such delayed commencement is otherwise required in order to avoid a prohibited distribution under Code Section 409A(a)(2). Upon the expiration of the applicable Code Section 409A(a)(2) deferral period, the payment deferred pursuant to this Paragraph 5 shall be paid to the Executive in a lump sum.

PART FOUR - MISCELLANEOUS PROVISIONS

6. Other Termination. Upon the termination of the Executive's employment for any reason, the Company shall pay the Executive (i) any unpaid base salary earned for services rendered through the date of such termination, (ii) the value of any accrued but unpaid vacation benefits or sick days, and (iii) any bonus amount actually earned and vested at time of such termination but not previously paid to the Executive.

7. Cessation of Benefits. In the event of a material breach by the Executive of any of the Executive's obligations under the Executive's Proprietary Information and Inventions Agreement with the Company, the Executive shall cease to be entitled to any further benefits under Part Two of this Agreement, including (without limitation) any severance payment or continued health care coverage at the Company's expense. In no event shall the Executive be entitled to any benefits under Part Two of this Agreement if the Executive's employment ceases by reason of a Termination for Cause or if the Executive voluntarily resigns other than for Good Reason.

8. Successors and Assigns. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to expressly assume and agree to perform on this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place. The provisions of this Agreement shall inure to the benefit of, and shall be binding upon, (i) the Company and its successors and assigns, including any successor entity by merger, consolidation or transfer of all or substantially all of the Company's assets (whether or not such transaction constitutes a Change in Control), and (ii) the Executive, the personal representative of the Executive's estate and the Executive's heirs and legatees.

9. General Creditor Status. The benefits to which the Executive may become entitled under Part Two of this Agreement shall be paid, when due, from the Company's general assets, and no trust fund, escrow arrangement or other segregated account shall be established as a funding vehicle for such payments. Accordingly, the Executive's right (or the right of the executors or administrators of the Executive's estate) to receive such benefits shall at all times be that of a general creditor of the Company and shall have no priority over the claims of other general creditors.

10. Governing Documents. This Agreement, together with (i) the agreements evidencing the Executive's currently outstanding equity compensation awards and any future equity compensation grants, (ii) the Executive's Proprietary Information and Inventions Agreement, and (iii) any outstanding promissory notes of the Executive payable to or to the order of the Company, shall constitute the entire agreement and understanding of the Company and the Executive with respect to the payment of severance benefits to the Executive and shall supersede all prior and contemporaneous written or verbal agreements and understandings between the Executive and the Company relating to such subject matter. This Agreement may only be amended by a written instrument signed by the Executive and an authorized officer of the Company. Any and all prior agreements, understandings or representations relating to the Executive's severance benefits, other than (i) the agreements evidencing the Executive's currently outstanding equity compensation awards, (ii) the Executive's Proprietary Information and Inventions Agreement and (iii) the Executive's outstanding promissory notes payable to or to the order of the Company, are hereby terminated and cancelled in their entirety and are of no further force or effect.

11. Governing Law. The provisions of this Agreement shall be construed and interpreted under the laws of the State of California applicable to agreements executed and wholly performed within the State of California. If any provision of this Agreement as applied to any party or to any circumstance should be adjudged by a court of competent jurisdiction to be void or unenforceable for any reason, the invalidity of that provision shall in no way affect (to the maximum extent permissible by law) the application of such provision under circumstances different from those adjudicated by the court, the application of any other provision of this Agreement, or the enforceability or invalidity of this Agreement as a whole. Should any provision of this Agreement become or be deemed invalid, illegal or unenforceable in any jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision will be stricken, and the remainder of this Agreement shall continue in full force and effect.

12. Arbitration.

A. Each party agrees that any and all disputes which arise out of or relate to the termination of the Executive's employment or the terms of this Agreement shall be resolved through final and binding arbitration. Such arbitration shall be in lieu of any trial before a judge and/or jury, and the Executive and Company expressly waive all rights to have such disputes resolved through trial before a judge and/or jury. Such disputes shall include, without limitation, claims for breach of contract or of the covenant of good faith and fair dealing, claims of discrimination, claims under any federal, state or local law or regulation now in existence or hereinafter enacted and as amended from time to time concerning in any way the subject of the Executive's employment with the Company or its termination. The only claims not covered by this Agreement to arbitrate disputes are: (i) claims for benefits under the unemployment insurance benefits; (ii) claims for workers' compensation benefits under any of the Company's workers' compensation insurance policy or fund; and (iii) claims concerning the validity, infringement, ownership, or enforceability of any trade secret, patent right, copyright, trademark or any other intellectual property right, and any claim pursuant to or under any existing confidential/proprietary/trade secrets information and inventions agreement(s) such as, but not limited to, the Proprietary Information and Inventions Agreement. With respect to such disputes, they shall not be subject to arbitration; rather, they will be resolved pursuant to applicable law.

B. Arbitration shall be held in Santa Clara County, California and conducted in accordance with the Commercial Rules of the American Arbitration Association ("AAA Rules"), provided, however, that the arbitrator shall allow the discovery authorized by California Code of Civil Procedure section 1282, et seq., or any other discovery required by applicable law in arbitration proceedings, including, but not limited to, discovery available under the applicable state and/or federal arbitration statutes. Also, to the extent that any of the AAA Rules or anything in this arbitration section conflicts with any arbitration procedures required by applicable law, the arbitration procedures required by applicable law shall govern.

C. During the course of the arbitration, the Company will pay the arbitrator's fee and any other type of expense or cost that the Executive would not otherwise be required to bear if he were free to bring the dispute or claim in court and any other expense or cost that is unique to arbitration. If the Executive prevails in any contest or dispute arising under this Agreement involving a termination of Executive's employment with the Company or involving the failure or refusal of the Company to perform fully in accordance with the terms hereof, the Company shall reimburse Executive for reasonable legal fees and related expenses, if any, incurred by Executive in connection with such contest or dispute.

D. The arbitrator shall issue a written award that sets forth the essential findings of fact and conclusions of law on which the award is based. The arbitrator shall have the authority to award any relief authorized by law in connection with the asserted claims or disputes. The arbitrator's award shall be subject to correction, confirmation, or vacation, as provided by applicable law setting forth the standard of judicial review of arbitration awards. Judgment upon the arbitrator's award may be entered in any court having jurisdiction thereof.

13. Counterparts. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Employment Agreement as of the day and year written above.

Company means Corsair Memory, Inc., a Delaware corporation.

Executive means the undersigned executive.

Good Reason means, without the Executive's express written consent, (i) a material reduction in the Executive's authority, duties or responsibilities; (ii) a material reduction by the Company of the Executive's base compensation; (iii) a material relocation of the Executive's principal place of service (with the relocation of the Executive to a facility or a location more than fifty (50) miles from his current location deemed to be material for such purpose); or (iv) the failure of the Company to obtain the assumption of this Agreement by any successors contemplated in Section 8 below, provided that none of the events specified above shall constitute Good Reason unless (A) the Executive provides written notice of the occurrence of the event constituting Good Reason within ninety (90) days after the occurrence of such event; and (B) the Company fails to cure such event within thirty (30) days after receipt of such written notice. If the Company fails to cure the event, the Executive's termination shall be effective at the end of the thirty (30)-day cure period.

Incapacity means the Executive's failure to perform his or her duties with the Company on a full-time basis for at least 180 consecutive days as a result of the Executive's incapacity due to physical or mental illness.

Involuntary Termination means (i) the Company's termination of the Executive's employment for any reason other than a Termination for Cause, or (ii) a termination by the Executive for Good Reason. An Involuntary Termination shall not include the termination of the Executive's employment by reason of death or Incapacity.

Termination for Cause means the termination of the Executive's employment by the Company due to (i) the continued failure of the Executive to perform the material duties, responsibilities and obligations of the Executive's position with the Company after written notice from the Company identifying the performance deficiencies and a reasonable cure period of at

least thirty (30) days, (ii) the commission of any act of fraud, embezzlement or dishonesty by the Executive or the Executive's commission of a felony which is materially damaging to the Company or its reputation, (iii) any intentional use or intentional disclosure by the Executive of confidential information or trade secrets of the Company (or any parent or subsidiary) which is materially damaging to the Company or its reputation, (iv) any other intentional misconduct by the Executive which is materially damaging to the Company or its reputation, (v) the Executive's failure to cure any breach of the Executive's obligations under this Agreement or Executive's Proprietary Information and Inventions Agreement with the Company after written notice of such breach from the Company and a reasonable cure period of at least thirty (30) days or (vi) the Executive's material breach of any of the Executive's fiduciary duties as an officer of the Company. The foregoing definition shall not be deemed to be inclusive of all the acts or omissions which the Company (or any parent or subsidiary) may consider as grounds for the dismissal or discharge of the Executive or any other individual in the service of the Company (or any parent or subsidiary), but a dismissal for such other acts or omissions shall not constitute a Termination for Cause for purposes of this Agreement.

PART TWO – SEVERANCE BENEFITS

1. Entitlement. Should the Executive's employment with the Company terminate by reason of an Involuntary Termination at any time during the Change in Control Severance Period, then the Executive shall become entitled to receive the severance benefits under this Part Two, provided the Executive executes and delivers to the Company a general release in substantially the form attached as Exhibit A (the "Release") hereto within twenty-one (21) days (or forty-five (45) days if such longer period is required by law) and such Release becomes effective and enforceable in accordance with applicable law. Those benefits shall be in lieu of any other severance benefits to which the Executive might otherwise be entitled by reason of the Executive's termination of employment under such circumstances.

2. Severance Benefits. The severance benefits payable to the Executive under this Part Two shall consist of the following:

(a) **Cash Severance Payments**. A lump sum amount equal to two (2) times the Executive's base salary for the year in which the Involuntary Termination occurs. The severance payments shall be subject to the Company's collection of all applicable withholding taxes, and the Executive will only be paid the amount remaining after such withholding taxes have been collected. The severance payments shall be made on the sixtieth day (60th) following the Executive's Separation from Service provided the Release is effective following any applicable revocation.

(b) **Health Care Coverage**. Continued health care coverage under the Company's medical plan, without charge, for the Executive and the Executive's eligible dependents upon the Executive's election to receive such continued health care coverage under Code Section 4980B ("COBRA"). Such Company-paid coverage shall continue until the earlier of (i) the expiration of the two (2)-year period measured from the first day of the calendar month following the calendar month in which the Executive's Involuntary Termination occurs or (ii) the first date on which the Executive and the Executive's eligible dependents are covered under another employer's health benefit program without exclusion for any pre-existing medical condition. Any additional health care coverage to which the Executive and the Executive's dependents may be entitled under COBRA following the period of such Company-paid coverage shall be at the Executive's sole cost and expense.

3. Equity Awards. All of the Executive's outstanding equity compensation awards will fully vest upon an Involuntary Termination.

PART THREE - LIMITATION ON BENEFITS

4. Benefit Limit. The benefit limitations of this Part Three shall be applicable in the event the Executive receives any benefits under this Agreement which are deemed to constitute parachute payments under Code Section 280G.

In the event that any payments to which the Executive becomes entitled in accordance with the provisions of this Agreement, when aggregated with any other payments or benefits received by the Executive, would otherwise constitute a parachute payment under Code Section 280G, then such payments will be subject to reduction to the extent necessary to ensure that the Executive receives only the greater of (i) the amount of those payments which would not constitute such a parachute payment or (ii) the amount which yields the Executive the greatest after-tax amount of benefits after taking into account any excise tax imposed on the payments provided to the Executive under this Agreement (or on any other benefits to which the Executive may be entitled in connection with any change in control or ownership of the Company or the subsequent termination of the Executive's employment with the Company) under Code Section 4999. Any determinations as to such reduction shall be made by the Company.

Should a reduction in benefits be required to satisfy the benefit limit of this Paragraph 4, then the cash severance payments shall accordingly be reduced to the extent necessary to comply with such benefit limit. To the extent further reductions are necessary to comply with such benefit limit, then the equity compensation awards held by the Executive shall not accelerate pursuant to Paragraph 3 of Part Two.

5. Delayed Commencement of Benefits. Notwithstanding any provision to the contrary in this Agreement, the cash payment to which the Executive otherwise becomes entitled under Part Two of this Agreement shall not be made to the Executive prior to the ***earlier*** of (i) the expiration of the six (6)-month period measured from the date of the Executive's Separation from Service with the Company or (ii) the date of the Executive's death, if the Executive is deemed at the time of such Separation from Service to be a "key employee" within the meaning of that term under Code Section 416(i) and such delayed commencement is otherwise required in order to avoid a prohibited distribution under Code Section 409A(a)(2). Upon the expiration of the applicable Code Section 409A(a)(2) deferral period, the payment deferred pursuant to this Paragraph 5 shall be paid to the Executive in a lump sum.

PART FOUR - MISCELLANEOUS PROVISIONS

6. Other Termination. Upon the termination of the Executive's employment for any reason, the Company shall pay the Executive (i) any unpaid base salary earned for services rendered through the date of such termination, (ii) the value of any accrued but unpaid vacation benefits or sick days, and (iii) any bonus amount actually earned and vested at time of such termination but not previously paid to the Executive.

7. Cessation of Benefits. In the event of a material breach by the Executive of any of the Executive's obligations under the Executive's Proprietary Information and Inventions Agreement with the Company, the Executive shall cease to be entitled to any further benefits under Part Two of this Agreement, including (without limitation) any severance payment or continued health care coverage at the Company's expense. In no event shall the Executive be entitled to any benefits under Part Two of this Agreement if the Executive's employment ceases by reason of a Termination for Cause or if the Executive voluntarily resigns other than for Good Reason.

8. Successors and Assigns. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to expressly assume and agree to perform on this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place. The provisions of this Agreement shall inure to the benefit of, and shall be binding upon, (i) the Company and its successors and assigns, including any successor entity by merger, consolidation or transfer of all or substantially all of the Company's assets (whether or not such transaction constitutes a Change in Control), and (ii) the Executive, the personal representative of the Executive's estate and the Executive's heirs and legatees.

9. General Creditor Status. The benefits to which the Executive may become entitled under Part Two of this Agreement shall be paid, when due, from the Company's general assets, and no trust fund, escrow arrangement or other segregated account shall be established as a funding vehicle for such payments. Accordingly, the Executive's right (or the right of the executors or administrators of the Executive's estate) to receive such benefits shall at all times be that of a general creditor of the Company and shall have no priority over the claims of other general creditors.

10. Governing Documents. This Agreement, together with (i) the agreements evidencing the Executive's currently outstanding equity compensation awards and any future equity compensation grants, (ii) the Executive's Proprietary Information and Inventions Agreement, and (iii) any outstanding promissory notes of the Executive payable to or to the order of the Company, shall constitute the entire agreement and understanding of the Company and the Executive with respect to the payment of severance benefits to the Executive and shall supersede all prior and contemporaneous written or verbal agreements and understandings between the Executive and the Company relating to such subject matter. This Agreement may only be amended by a written instrument signed by the Executive and an authorized officer of the Company. Any and all prior agreements, understandings or representations relating to the Executive's severance benefits, other than (i) the agreements evidencing the Executive's currently outstanding equity compensation awards, (ii) the Executive's Proprietary Information and Inventions Agreement and (iii) the Executive's outstanding promissory notes payable to or to the order of the Company, are hereby terminated and cancelled in their entirety and are of no further force or effect.

11. Governing Law. The provisions of this Agreement shall be construed and interpreted under the laws of the State of California applicable to agreements executed and wholly performed within the State of California. If any provision of this Agreement as applied to any party or to any circumstance should be adjudged by a court of competent jurisdiction to be void or unenforceable for any reason, the invalidity of that provision shall in no way affect (to the maximum extent permissible by law) the application of such provision under circumstances different from those adjudicated by the court, the application of any other provision of this Agreement, or the enforceability or invalidity of this Agreement as a whole. Should any provision of this Agreement become or be deemed invalid, illegal or unenforceable in any jurisdiction by reason of the scope, extent or duration of its coverage, then such provision shall be deemed amended to the extent necessary to conform to applicable law so as to be valid and enforceable or, if such provision cannot be so amended without materially altering the intention of the parties, then such provision will be stricken, and the remainder of this Agreement shall continue in full force and effect.

12. Arbitration.

A. Each party agrees that any and all disputes which arise out of or relate to the termination of the Executive's employment or the terms of this Agreement shall be resolved through final and binding arbitration. Such arbitration shall be in lieu of any trial before a judge and/or jury, and the Executive and Company expressly waive all rights to have such disputes resolved through trial before a judge and/or jury. Such disputes shall include, without limitation, claims for breach of contract or of the covenant of good faith and fair dealing, claims of discrimination, claims under any federal, state or local law or regulation now in existence or hereinafter enacted and as amended from time to time concerning in any way the subject of the Executive's employment with the Company or its termination. The only claims not covered by this Agreement to arbitrate disputes are: (i) claims for benefits under the unemployment insurance benefits; (ii) claims for workers' compensation benefits under any of the Company's workers' compensation insurance policy or fund; and (iii) claims concerning the validity, infringement, ownership, or enforceability of any trade secret, patent right, copyright, trademark or any other intellectual property right, and any claim pursuant to or under any existing confidential/proprietary/trade secrets information and inventions agreement(s) such as, but not limited to, the Proprietary Information and Inventions Agreement. With respect to such disputes, they shall not be subject to arbitration; rather, they will be resolved pursuant to applicable law.

B. Arbitration shall be held in Santa Clara County, California and conducted in accordance with the Commercial Rules of the American Arbitration Association ("AAA Rules"), provided, however, that the arbitrator shall allow the discovery authorized by California Code of Civil Procedure section 1282, et seq., or any other discovery required by applicable law in arbitration proceedings, including, but not limited to, discovery available under the applicable state and/or federal arbitration statutes. Also, to the extent that any of the AAA Rules or anything in this arbitration section conflicts with any arbitration procedures required by applicable law, the arbitration procedures required by applicable law shall govern.

C. During the course of the arbitration, the Company will pay the arbitrator's fee and any other type of expense or cost that the Executive would not otherwise be required to bear if he were free to bring the dispute or claim in court and any other expense or cost that is unique to arbitration. If the Executive prevails in any contest or dispute arising under this Agreement involving a termination of Executive's employment with the Company or involving the failure or refusal of the Company to perform fully in accordance with the terms hereof, the Company shall reimburse Executive for reasonable legal fees and related expenses, if any, incurred by Executive in connection with such contest or dispute.

D. The arbitrator shall issue a written award that sets forth the essential findings of fact and conclusions of law on which the award is based. The arbitrator shall have the authority to award any relief authorized by law in connection with the asserted claims or disputes. The arbitrator's award shall be subject to correction, confirmation, or vacation, as provided by applicable law setting forth the standard of judicial review of arbitration awards. Judgment upon the arbitrator's award may be entered in any court having jurisdiction thereof.

13. Counterparts. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Employment Agreement as of the day and year written above.

Re: Terms of Separation

Dear Nick:

I appreciated the time you spent speaking with me about the terms of your separation from Corsair Memory, Inc. (the "Company"). This letter confirms the agreement between you and the Company concerning the terms of your separation and offers you the Separation Compensation we discussed in exchange for a release of claims.

1. Separation Date: November 7, 2019 is your last day of employment with the Company (the "Separation Date"). Effective no later than the Separation Date, you shall resign from your position as an officer and/or director from Corsair Group (Cayman) L.P. and all of its direct and indirect subsidiaries.

2. Acknowledgment of Payment of Wages: By your signature below, you acknowledge that on November 7, 2019, we provided you a final paycheck in the amount of $34,718.56 for all wages, salary, bonuses, reimbursable expenses, accrued vacation and any similar payments due you from the Company as of the Separation Date. By signing below, you acknowledge that the Company does not owe you any other amounts.

3. Separation Compensation: In exchange for your agreement to the waiver of claims set forth in paragraph 7 below, and your continued employment through the Separation Date in accordance with the terms of this agreement, the Company agrees to: (a) pay you a total of $410,000.00 less applicable state and federal payroll deductions and withholdings, which constitutes one year at your current base pay at $410,000 annually; (b) pay you a bonus payment in the amount of $246,000.00 less applicable state and federal payroll deductions and withholdings, which constitutes payment at target of 60%; (c) provide you a lump sum payment of $18,463.49 which is our estimate of the total premium amounts needed to continue your existing health insurance coverage under COBRA for twelve (12) months; (d) accelerate the vesting of your second tranche of options (of five) from the grant dated August 28, 2017 with approval from the General Partner; and (e) extend the exercise period of your vested options for one year from the Separation Date with approval from the General Partner. The payments described in (a), (b) and (c) (collectively, the "Separation Compensation") above will be made on the first administratively feasible payroll after the Separation Date of this agreement. By signing below, you acknowledge that you are receiving the Separation Compensation outlined in this paragraph in consideration for waiving your rights to claims referred to in this agreement (including the Second Agreement) and that you would not otherwise be entitled to the Separation Compensation.

4. Unit Repurchase. It is acknowledged and agreed that (a) you did not waive your rights under the limited partnership agreement of Corsair Group (Cayman), LP ("Corsair Group") to participate on a pro rata basis in the recent sales by an affiliate of the Investment Management Corporation of Ontario of certain of its units in Corsair Group and (b) Corsair Group will, directly

or indirectly, repurchase 40% of your units in Corsair Group at a price per unit of $3.25 at the time of agreement, and 60% of the units at $3.66 at the Separation Date, with approval from the General Partner.

5. Return of Company Property: You hereby warrant to the Company that you have returned to the Company all property and data of the Company of any type whatsoever that has been in your possession or control.

6. Confidential Information: You hereby acknowledge that you are and will remain bound by the attached Employee Proprietary Information Agreement dated January 1, 2009, and that as a result of your employment with the Company you have had access to the Company's Proprietary Information (as defined in the agreement), that you will hold all Proprietary Information in strictest confidence and that you will not make use of such Proprietary Information on behalf of anyone, however, no provision of this agreement prohibits you from sharing information with governmental agencies or if otherwise compelled by law. You further confirm that you have delivered to the Company all documents and data of any nature containing or pertaining to such Proprietary Information and that you have not taken with you any such documents or data or any reproduction thereof. The Company reserves the right to withhold the Separation Compensation set forth in paragraph 3 above, unless and until you return to the Company all Company property and Proprietary Information in your possession or control. The Company will make best efforts to delete any non-company related folders and files you designate.

7. Waiver of Claims: The payments and promises set forth in this agreement are in full satisfaction of all accrued salary, vacation pay, bonus pay, profit-sharing, stock options, termination benefits or other compensation to which you may be entitled by virtue of your employment with the Company or your separation from the Company. You hereby release and waive any other claims you may have against the Company and its owners, agents, officers, shareholders, employees, directors, attorneys, subscribers, subsidiaries, affiliates, successors and assigns (collectively "Releasees"), whether known or not known, including, without limitation, claims under any employment laws, including, but not limited to, claims of unlawful discharge, breach of contract, breach of the covenant of good faith and fair dealing, fraud, violation of public policy, defamation, physical injury, emotional distress, claims for additional compensation or benefits arising out of your employment or your separation of employment, claims under Title VII of the 1964 Civil Rights Act, as amended, the California Fair Employment and Housing Act and any other laws and/or regulations relating to employment or employment discrimination, including, without limitation, claims based on age or under the Age Discrimination in Employment Act or Older Workers Benefit Protection Act. By signing below, you expressly waive any benefits of Section 1542 of the Civil Code of the State of California, which provides as follows:

> "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

Notwithstanding the foregoing, (a) this waiver and release of claims does not extend to any rights which as a matter of law cannot be waived and released, (b) nothing in this agreement prevents or precludes you from filing an administrative charge under any applicable statute, or participating in any investigation conducted by a government agency; however, in any such investigation or proceeding, you agree that you will not accept monetary relief of any kind, except you may accept any award offered under a federal or state bounty program. Furthermore, nothing in this agreement prevents or precludes you from asserting any claims that arise after you execute this agreement.

The Company reserves the right, at its sole discretion, to require you to execute a second release agreement in a form similar to this agreement provided to you on or about your last day of employment covering any claims of the same nature as those released through this agreement that may have arisen during the period subsequent to your return of this agreement and the date that you return the second release, to the extent permitted by law ("Second Agreement"). The 21-day review and 7-day revocation periods set forth herein will also apply to any second release agreement you may be required to sign. You acknowledge that the Separation Compensation described herein shall serve as adequate consideration for this agreement and the second release.

You will not be eligible for the Separation Compensation if (a) your employment is terminated for cause on or before the Separation Date, (b) you revoke this Agreement pursuant to paragraph 16 below, and/or (c) you fail to execute or revoke the Second Agreement (should the Company provide one to you). In the event that you execute a Second Agreement, you will receive the Separation Compensation on the next practical payroll date after the effective date of the Second Agreement.

8. Cooperation. Following your Separation Date, you hereby agree that you will reasonably cooperate with the Company and their representatives in connection with any action, investigation, proceeding, litigation or otherwise with regard to matters in which you have knowledge as a result of your employment with the Company. Corsair will use reasonable business efforts, whenever possible, to provide you with reasonable advance notice of its need for assistance and will attempt to coordinate with you the time and place at which such assistance is provided to minimize the impact of such assistance on any other material and pre-scheduled business commitment that you may have. The Company will reimburse you for the reasonable out-of-pocket expenses incurred by you in connection with such cooperation any additional compensation will be at the Company's discretion and consistent with applicable law.

9. Nondisparagement: (a) You agree that you will not disparage Releasees or their products, services, agents, representatives, directors, officers, shareholders, attorneys, employees, vendors, affiliates, successors or assigns, or any person acting by, through, under or in concert with any of them, with any written or oral statement. (b) The Company will instruct the following individuals not to disparage you in any written oral statement, the Company's: Chief Executive Officer, Chief Operating Officer and Chief Human Resources Officer.

10. Legal and Equitable Remedies: You-and the Releasees (together, the "Parties") will have the right to enforce this agreement and any of its provisions by injunction, specific performance or other equitable relief without prejudice to any other rights or remedies the Parties may have at law or in equity for breach of this agreement.

11. Attorneys' Fees: If any action is brought to enforce the terms of this agreement, the prevailing party will be entitled to recover its reasonable attorneys' fees, costs and expenses from the other party, in addition to any other relief to which the prevailing party may be entitled.

12. Confidentiality: The contents, terms and conditions of this agreement must be kept confidential by you and may not be disclosed except to your accountant or attorneys or pursuant to subpoena or court order. The Parties agree that if either Party is asked for information concerning this agreement, they will state only that you and the Company reached an amicable resolution of any disputes concerning your separation from the Company. Any breach of this confidentiality provision shall be deemed a material breach of this agreement. No provision of this agreement prohibits you from sharing information with governmental agencies or if otherwise compelled by law.

13. No Admission of Liability: This agreement is not and shall not be construed or contended by you to be an admission or evidence of any wrongdoing or liability on the part of Releasees, their representatives, heirs, executors, attorneys, agents, partners, officers, shareholders, directors, employees, subsidiaries, affiliates, divisions, successors or assigns. This agreement shall be afforded the maximum protection allowable under California Evidence Code Section 1152 and/or any other state or Federal provisions of similar effect.

14. Entire Agreement: This agreement, the Employee Proprietary Information Agreement and the Unit Award Agreement and the exhibits thereto, each executed by you, constitute the entire agreement between you and the Company with respect to the subject matter hereof and supersedes all prior negotiations and agreements, whether written or oral

15. Modification: It is expressly agreed that this agreement may not be altered, amended, modified, or otherwise changed in any respect except by another written agreement that specifically refers to this agreement, executed by authorized representatives of each of the parties to this agreement.

16. Review of Separation Agreement: You understand that you may take up to twenty-one (21) days to consider this agreement and you are hereby advised to consult with an attorney prior to signing this agreement. You also understand you may revoke this agreement within seven (7) days of signing this document and that the Separation Compensation to be provided to you pursuant to paragraph 3 above will be provided only after the eighth day following the date you sign this agreement ("Effective Date").

If you agree to abide by the terms outlined in this letter, please sign this letter below and also sign the attached copy and return it to me. I wish you the best in your future endeavors.

CHANGE IN CONTROL AND SEVERANCE AGREEMENT

This Change in Control and Severance Agreement (the "***Agreement***") is made and entered into by and between Michael G. Potter ***(***"***Executive***") and Corsair Memory Inc. (the "***Company***"), effective as the date Executive commences employment with the Company (the "***Effective Date***").

Background

A. The Board of Directors of the Company (the "***Board***") recognizes that the possibility of an acquisition of the Company or an involuntary termination can be a distraction to Executive and can cause Executive to consider alternative employment opportunities. The Board has determined that it is in the best interests of the Company and its stockholders to assure that the Company will have the continued dedication and objectivity of Executive, notwithstanding the possibility, threat or occurrence of such an event.

B. The Board believes that it is in the best interests of the Company and its stockholders to provide Executive with an incentive to continue Executive's employment and to motivate Executive to maximize the value of the Company upon a Change in Control (as defined below) for the benefit of its stockholders.

C. The Board believes that it is imperative to provide Executive with severance benefits upon certain terminations of Executive's service to the Company that enhance Executive's financial security and provide incentive and encouragement to Executive to remain with the Company notwithstanding the possibility of such an event.

D. Unless otherwise defined herein, capitalized terms used in this Agreement are defined in Section 10 below.

Agreement

The parties hereto agree as follows:

1. **Term of Agreement**. This Agreement shall become effective as of the Effective Date and terminate upon the date that all obligations of the parties hereto with respect to this Agreement have been satisfied.

2. **At-Will Employment**. The Company and Executive acknowledge that Executive's employment is and shall continue to be "at-will," as defined under applicable law. If Executive's employment terminates for any reason, Executive shall not be entitled to any severance payments, benefits or compensation other than as provided in this Agreement.

3. **Covered Termination Outside a Change in Control Period.** If Executive experiences a Covered Termination outside a Change in Control Period, then, subject to (i) Executive delivering to the Company an executed general release of all claims against the Company and its affiliates in a form approved by the Company (a "***Release of Claims***") that

becomes effective and irrevocable in accordance with Section 15(a)(v) below, or such shorter period of time specified by the Company, following such Covered Termination and (ii) Executive's continued compliance with Section 13 below, then in addition to any accrued but unpaid salary, benefits, vacation and expense reimbursements through the Termination Date payable in accordance with applicable law, the Company shall provide Executive with the following:

(a) **Severance**. During the period of time commencing on the Termination Date and ending on the twelve (12) month anniversary of the Termination Date, the Company shall continue to pay Executive his base salary at the rate in effect immediately prior to the Termination Date. Such payments shall be made in accordance with the Company's standard payroll practices, less applicable withholdings, beginning on the first payroll date following the date the Release of Claims becomes effective and irrevocable in accordance with Section 15(a)(v) below, and with the first installment including any amounts that would have been paid had the Release of Claims been effective and irrevocable on the Termination Date.

(b) **Continued Healthcare**. If Executive timely elects to receive continued healthcare coverage pursuant to the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("***COBRA***"), the Company shall directly pay, or reimburse Executive for, the premium for Executive and Executive's covered dependents through the earlier of the (i) twelve (12) month anniversary of the Termination Date and (ii) the date Executive and Executive's covered dependents, if any, become eligible for healthcare coverage under another employer's plan(s). Notwithstanding the foregoing, (i) if any plan pursuant to which such benefits are provided is not, or ceases prior to the expiration of the period of continuation coverage to be, exempt from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "***Code***") under Treasury Regulation Section 1.409A-1(a)(5), or (ii) the Company is otherwise unable to continue to cover Executive under its group health plans without penalty under applicable law (including without limitation, Section 2716 of the Public Health Service Act), then, in either case, an amount equal to each remaining Company subsidy shall thereafter be paid to Executive in substantially equal monthly installments. After the Company ceases to pay premiums pursuant to this Section 3(b), Executive may, if eligible, elect to continue healthcare coverage at Executive's expense in accordance with the provisions of COBRA. Executive shall notify the Company immediately if Executive becomes *covered* by a group health plan of a subsequent employer.

4. **Covered Termination During a Change in Control Period**. If Executive experiences a Covered Termination during a Change in Control Period, then, subject to (i) Executive delivering to the Company an executed Release of Claims that becomes effective and irrevocable in accordance with Section 15(a)(v) below, or such shorter period of time specified by the. Company, following such Covered Termination and (ii) Executive's continued compliance with Section 13 below, then in addition to any accrued but unpaid salary, benefits, vacation and expense reimbursements through the Termination Date payable in accordance with applicable law, the Company shall provide Executive with the following:

(a) **Severance**. Executive shall be entitled to receive an amount equal to (i) twelve (12) months of Executive's base salary and (ii) one hundred percent (100%) of Executive's target annual bonus, assuming achievement of performance goals at one hundred percent (100%)

of target. In each case, at the rate in effect immediately prior to the Termination Date payable in a cash lump sum, less applicable withholdings, on the first payroll date following the date the Release of Claims becomes effective and irrevocable in accordance with Section 15(a)(v) below.

(b) **Continued Healthcare**. If Executive timely elects to receive continued healthcare coverage pursuant to the provisions of COBRA, the Company shall directly pay, or reimburse Executive for, the premium for Executive and Executive's covered dependents through the earlier of (i) twelve (12) month anniversary of the Termination Date and (ii) the date Executive and Executive's covered dependents, if any, become eligible for healthcare coverage under another employer's plan(s). Notwithstanding the foregoing, (i) if any plan pursuant to which such benefits are provided is not, or ceases prior to the expiration of the period of continuation coverage to be, exempt from the application of Section 409A of the Code under Treasury Regulation Section 1.409A-1(a)(5), or (ii) the Company is otherwise unable to continue to cover Executive under its group health plans without penalty under applicable law (including without limitation, Section 2716 of the Public Health Service Act), then, in either case, an amount equal to each remaining Company subsidy shall thereafter be paid to Executive in substantially equal monthly installments. After the Company ceases to pay premiums pursuant to this Section 3(b), Executive may, if eligible, elect to continue healthcare coverage at Executive's expense in accordance with the provisions of COBRA. Executive shall notify the Company immediately if Executive becomes covered by a group health plan of a subsequent employer.

5. **Equity Awards**. If a Covered Termination during a Change of Control period occurs within the first year of Executive's employment, fifty percent (50%) of each outstanding and unvested equity award (excluding any such awards that vest in whole or in part based on the attainment of performance-vesting conditions), including, without limitation, each restricted stock, stock option, restricted stock unit and stock appreciation right, held by Executive shall automatically become vested and, if applicable, exercisable and any forfeiture restrictions or rights of repurchase thereon shall immediately lapse (excluding any such awards that vest in whole or in part based on the attainment of performance-vesting conditions, which shall be governed by the terms of the applicable award agreement), as of immediately prior to the Termination Date. If termination date is beyond the first anniversary of hire date, each outstanding and unvested equity award (excluding any such awards that vest in whole or in part based on the attainment of performance-vesting conditions), including, without limitation, each restricted stock, stock option, restricted stock unit and stock appreciation right, held by Executive shall automatically become vested and, if applicable, exercisable and any forfeiture restrictions or rights of repurchase thereon shall immediately lapse (excluding any such awards that vest in whole or in part based on the attainment of performance-vesting conditions, which shall be governed by the terms of the applicable award agreement), as of immediately prior to the Termination Date.

6. **Certain Reductions**. Notwithstanding anything herein to the contrary, the Company shall reduce Executive's severance benefits under this Agreement, in whole or in part, by any other severance benefits, pay in lieu of notice, or other similar benefits payable to Executive by the Company in connection with Executive's termination, including but not limited to payments or benefits pursuant to (a) any applicable legal requirement, including, without limitation, the Worker Adjustment and Retraining Notification Act, or (b) any other Company agreement, arrangement, policy or practice relating to Executive's termination of employment with the Company. The benefits provided under this Agreement are intended to satisfy, to the greatest

extent possible, any and all statutory obligations that may arise out of Executive's termination of employment. Such reductions shall be applied on a retroactive basis, with severance benefits paid first in time being recharacterized as payments pursuant to the Company's statutory obligation.

7. **Deemed Resignation**. Upon termination of Executive's service for any reason, Executive shall be deemed to have resigned from all offices and directorships, if any, then held with the Company or any of its affiliates, and, at the Company's request, Executive shall execute such documents as are necessary or desirable to effectuate such resignations.

8. **Other Terminations**. If Executive's employment with the Company terminates for any reason other than due to a Covered Termination, then Executive shall not be entitled to any benefits hereunder other than accrued but unpaid salary, vacation and expense reimbursements through the Termination Date in accordance with applicable law and to elect any continued healthcare coverage as may be required under COBRA or similar state law.

9. **Limitation on Payments**. Notwithstanding anything in this Agreement to the contrary, if any payment or distribution Executive would receive pursuant to this Agreement or otherwise ("***Payment***") would (a) constitute a "parachute payment'' within the meaning of Section 280G of the Code and (b) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "***Excise Tax***"), then such Payment shall either be (i) delivered in full, or (ii) delivered as to such lesser extent which would result in no portion of such Payment being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the Excise Tax, results in the receipt by Executive on an after-tax basis, of the largest payment, notwithstanding that all or some portion the Payment may be taxable under Section 4999 of the Code. The Company will select an adviser with experience in performing calculations regarding the applicability of Section 280G of the Code and the Excise Tax, *provided*, that the adviser's determination shall be made based upon "substantial authority" within the meaning of Section 6662 of the Code to perform the foregoing calculations. The Company shall bear all expenses with respect to the determinations by such adviser required to be made hereunder. The adviser shall provide its calculations to the Company and Executive within fifteen (15) calendar days after the date on which Executive's right to a Payment is triggered (if requested at that time by the Company or Executive) or such other time as requested by the Company. Any good faith determinations of the adviser made hereunder shall be final, binding and conclusive upon the Company and Executive. Any reduction in payments or benefits pursuant to this Section 8 will occur in the following order: (1) reduction of cash payments; (2) cancellation of accelerated vesting of equity awards other than stock options; (3) cancellation of accelerated vesting of stock options; and (4) reduction of other benefits payable to Executive.

10. **Definitions**. The following terms used in this Agreement shall have the following meanings:

(a) "***Cause***" means: (i) Executive's willful failure substantially to perform Executive's duties and responsibilities to the Company or deliberate violation of a Company policy; (ii) Executive's commission of any act of fraud, embezzlement, dishonesty or any other willful misconduct that has caused or is reasonably expected to result in material injury to the Company; (iii) unauthorized use or disclosure by Executive of any proprietary information or trade secrets of the Company or any other party to whom Executive owes an obligation of nondisclosure

as a result of Executive's relationship with the Company; or (iv) Executive's willful and material breach of any of Executive's obligations under this Agreement or any other written agreement or covenant with the Company.

(b) "***Change in Control***" has the meaning ascribed to such term under the Corsair Group (Cayman), LP Equity Incentive Program; *provided*, that such transaction must also constitute a "change in control event" within the meaning of Treasury Regulation Section 1.409A-3(i)(S).

(c) "***Change in Control Period***" means the period of time commencing with the consummation of a Change in Control and ending on the twelve (12) month anniversary of such Change in Control.

(d) "***Covered Termination***" means the termination of Executive's employment by the Company other than for cause, or termination by the Executive for Good Reason, in each case that, to the extent necessary, constitutes a Separation from Service.

(e) "***Good Reason***" means the occurrence of any of the following conditions without Executive's express written consent:

(i) a material reduction (defined as greater than a 10% reduction) in Executive's base salary or target bonus, but excluding reductions in connection with an across-the-board reduction of all similarly situated employees' base salaries and or bonuses by a percentage at least equal to the percentage by which Executive's base salary is reduced;

(ii) a material diminution in Executive's authority, duties or responsibilities;

(iii) a relocation of Executive's principal place of employment of more than thirty-five (35) miles from Executive's principal place of employment immediately prior to such change, except for required travel on the Company's business to an extent substantially consistent with Executive's business travel obligations immediately prior to such change.

For a termination to qualify as a termination for Good Reason, Executive must notify the Company in writing of termination for Good Reason, specifying the event constituting Good Reason, within 90 days after Executive first becomes aware of the event that Executive believes constitutes Good Reason. Failure for any reason to give written notice of termination of employment for Good Reason in accordance with the foregoing will be deemed a waiver of the right to terminate Executive's employment for that Good Reason event. The Company will have a period of 30 days after receipt of Executive's notice in which to cure the Good Reason. If the Good Reason event is cured within this period, Executive will not be entitled to terminate Executive's employment for Good Reason. If the Company waves its right to cure or does not, within the 30-day period, cure the Good Reason event, Executive may terminate Executive's employment for Good Reason within 60 days following the earlier of the date on which the Company waives its right to cure or the end of the cure period. If Executive does not terminate Executive's employment within such 60-day period, Executive will waive Executive's right to terminate Executive's employment for that Good Reason event.

(f) "***Separation from Service***" means a "separation from service" with the Company within the meaning of Section 409A of the Code and the Department of Treasury regulations and other guidance promulgated thereunder.

(g) "***Termination Date***" means the date on which Executive experiences a Covered Termination.

11. **Successors**.

(a) **Company's Successors**. Any successor to the Company (whether direct or indirect and whether by purchase, merger, consolidation, liquidation or otherwise) to all or substantially all of the Company's business or assets shall assume the obligations under this Agreement and agree expressly to perform the obligations under this Agreement in the same manner and to the same extent as the Company would be required to perform such obligations in the absence of a succession. For all purposes under this Agreement, the term **"Company"** shall include any successor to the Company's business or assets which executes and delivers the assumption agreement described in this Section 10(a) or which becomes bound by the terms of this Agreement by operation of law.

(b) **Executive's Successors**. The terms of this Agreement and all rights of Executive hereunder shall inure to the benefit of, and be enforceable by, Executive's personal or legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees.

12. **Notices**. Any notices provided hereunder must be in writing and shall be deemed effective upon the earlier of personal delivery (including personal delivery by facsimile), delivery by email or the third day after mailing by first class mail, to the Company at its primary office location and to Executive at Executive's address as listed in the Company's books and records.

13. **Confidentiality; Non-Disparagement**.

(a) **Confidentiality**. Executive hereby expressly confirms Executive's continuing obligations to the Company pursuant to Executive's Proprietary Information and Inventions Agreement with the Company.

(b) **Non-Disparagement**. Executive agrees that Executive shall not disparage or defame the Company, its affiliates and their respective affiliates, directors, officers, agents, partners, stockholders or employees, either publicly or privately. Nothing in this Section 12(b) shall apply to any evidence or testimony required by any court, arbitrator or government agency.

(c) **Whistleblower Protections and Trade Secrets**. Notwithstanding anything to the contrary contained herein, nothing in this Agreement prohibits Executive from reporting possible violations of federal law or regulation to any United States governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 or Section 806 of the Sarbanes-Oxley Act of 2002, or any other whistleblower protection provisions of state or federal law or regulation (including the right to receive an award for information provided to any such government agencies). Furthermore, in accordance with 18 U.S.C. § 1833, notwithstanding anything to the contrary in this Agreement: (i)

Executive shall not be in breach of this Agreement, and shall not be held criminally or civilly liable under any federal or state trade secret law (A) for the disclosure of a trade secret that is made in confidence to a federal, state, or local government official or to an attorney solely for the purpose of reporting or investigating a suspected violation of law, or (B) for the disclosure of a trade secret that is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal; and (ii) if Executive files a lawsuit for retaliation by the Company for reporting a suspected violation of law, Executive may disclose the trade secret to Executive's attorney, and may use the trade secret information in the court proceeding, if Executive files any document containing the trade secret under seal, and does not disclose the trade secret, except pursuant to court order.

14. **Dispute Resolution**. Unless otherwise prohibited by law or specified below, all disputes, claims and causes of action, in law or equity, arising from or relating to this Agreement or to Executive's employment or the termination thereof (each, a "***Claim***") shall be resolved solely and exclusively by final and binding arbitration held in Alameda County California through JAMS under its Employment Arbitration Rules and Procedures, which are available at www.jamsadr.com/rules-employment-arbitration. The arbitrator shall: (a) provide adequate discovery for the resolution of the dispute; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. Except to the extent of filing fees Executive would incur were the matter to be litigated in court, the Company shall be responsible for the JAMS administrative fees and the arbitrator's fees and costs. The arbitrator shall award the prevailing party attorneys' fees and expert fees, if any, only as provided for under applicable California law. The parties agree to abide by all decisions and awards rendered in such proceedings. Such decisions and awards rendered by the arbitrator shall be final and conclusive. All such controversies, claims or disputes shall be settled in this manner in lieu of any action at law or equity; *provided*, *however*, that nothing in this subsection shall be construed as precluding the bringing of an action for injunctive relief or specific performance as provided in this Agreement or the Proprietary Information and Inventions Agreement. This dispute resolution process and any arbitration hereunder shall be confidential and neither any party nor the neutral arbitrator shall disclose the existence, contents or results of such process without the prior written consent of all parties, except where necessary or compelled in a court to enforce this arbitration provision or an award from such arbitration or otherwise in a legal proceeding. Executive and the Company understand that by agreeing to arbitrate any claim pursuant to this Section 14, they will not have the right to have any claim decided by a jury or a court, but shall instead have any c[aim decided through arbitration. Executive and the Company waive any constitutional or other right to bring claims covered by this Agreement other than in their individual capacities. Except as may be prohibited by applicable law, the foregoing waiver includes the ability to assert claims as a plaintiff or class member in any purported class or representative proceeding. Notwithstanding the foregoing, Executive and the Company each have the right to resolve any issue or dispute over intellectual property rights by court action instead of arbitration.

15. **Miscellaneous Provisions**.

(a) **Section 409A**.

(i) **Separation from Service**. Notwithstanding any provision to the contrary in this Agreement, no amount constituting deferred compensation subject to Section 409A of the Code shall be payable pursuant to Sections 3 or 4 above unless Executive's termination of employment constitutes a Separation from Service.

(ii) **Specified Employee**. Notwithstanding any provision to the contrary in this Agreement, if Executive is deemed at the time of his Separation from Service to be a "specified employee" for purposes of Section 409A(a)(2)(B)(i) of the Code, to the extent delayed commencement of any portion of the benefits to which Executive is entitled under this Agreement is required in order to avoid a prohibited distribution under Section 409A(a)(2)(B)(i) of the Code, such portion of Executive's benefits shall not be provided to Executive prior to the earlier of (A) the expiration of the six-month period measured from the date of Executive's Separation from Service or (B) the date of Executive's death. Upon the first business day following the expiration of the applicable Code Section 409A(a)(2)(B)(i) period, all payments deferred pursuant to this Section 15(a)(ii) shall be paid in a lump sum to Executive, and any remaining payments due under this Agreement shall be paid as otherwise provided herein.

(iii) **Expense Reimbursements**. To the extent that any reimbursements payable pursuant to this Agreement are subject to the provisions of Section 409A of the Code, any such reimbursements payable to Executive pursuant to this Agreement shall be paid to Executive no later than December 31 of the year following the year in which the expense was incurred, the amount of expenses reimbursed in one year shall not affect the amount eligible for reimbursement in any subsequent year, and Executive's right to reimbursement under this Agreement will not be subject to liquidation or exchange for another benefit.

(iv) **Installments**. For purposes of Section 409A of the Code (including, without limitation, for purposes of Treasury Regulation Section 1.409A-2(b)(2)(iii)), Executive's right to receive any installment payments under this Agreement shall be treated as a right to receive a series of separate payments and, accordingly, each such installment payment shall at all times be considered a separate and distinct payment.

(v) **Release**. Notwithstanding anything to the contrary in this Agreement, to the extent that any payments due under this Agreement as a result of Executive's termination of employment are subject to Executive's execution and delivery of a Release of Claims, (A) the Company shall deliver the Release of Claims to Executive within ten business days following Executive's Termination Date, and the Company's failure to deliver a Release of Claims prior to the expiration of such ten business day period shall constitute a waiver of any requirement to execute a Release of Claims, (B) if Executive fails to execute the Release of Claims on or prior to the Release Expiration Date (as defined below) or timely revokes Executive's acceptance of the Release of Claims thereafter, Executive shall not be entitled to any payments or benefits otherwise conditioned on the Release of Claims, and (C) in any case where Executive's Termination Date and the Release Expiration Date fall in two separate taxable years, any payments required to be made to Executive that are conditioned on the Release of Claims and are treated as nonqualified deferred compensation for purposes of Section 409A of the Code shall be made in the later taxable year. For purposes hereof, "***Release Expiration Date***" shall mean (1) if Executive is under 40 years old as of the Termination Date, the date that is 14 days following the date upon which the Company timely delivers the Release of Claims to Executive, or such shorter time prescribed by the Company, and (2) if Executive is 40 years or older as of the Termination Date, the date that is 21 days following the date upon which the Company timely delivers the Release of

Claims to Executive, or, if Executive's termination of employment is "in connection with an exit incentive or other employment termination program" (as such phrase is defined in the Age Discrimination in Employment Act of 1967), the date that is 45 days following such delivery date. To the extent that any payments of nonqualified deferred compensation (within the meaning of Section 409A) due under this Agreement as a result of Executive's termination of employment are delayed pursuant to this Section 15(a)(v), such amounts shall be paid in a lump sum on the first payroll date following the date that Executive executes and does not revoke the Release of Claims (and the applicable revocation period has expired) or, in the case of any payments subject to Section 1S(a)(v)(C), on the first payroll date to occur in the subsequent taxable year, if later.

(b) **Withholding**. The Company shall be entitled to withhold from any amounts payable under this Agreement any federal, state, local, or foreign withholding or other taxes or charges which the Company is required to withhold.

(c) **Waiver**. No provision of this Agreement shall be modified, waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by Executive and by an authorized member of the Company (other than Executive). No waiver by either party of any breach of, or of compliance with, any condition or provision of this Agreement by the other party shall be considered a waiver of any other condition or provision or of the same condition or provision at another time.

(d) **Whole Agreement**. This Agreement and the Proprietary Information and Inventions Agreement represent the entire understanding of the parties hereto with respect to the subject matter hereof and supersede all prior promises, arrangements and understandings regarding the same, whether written or unwritten, including, without limitation, any severance or change in control benefits in Executive's offer letter agreement, employment agreement and/or equity award agreement or previously approved by the Board.

(e) **Choice of Law**. All questions concerning the construction, validity and interpretation of this Agreement will *be* governed by the laws of the State of California without regard to its conflicts of law provisions.

(f) **Severability**. Whenever possible, each provision of this Agreement will *be* interpreted in such manner as to *be* effective and valid under applicable law, but if any provision of this Agreement is held to be invalid or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid or unenforceable provisions had never been contained herein.

(g) **Counterparts**. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same Agreement.

(h) **Executive Acknowledgement**. Executive acknowledges that (i) Executive has consulted with or has had the opportunity to consult with independent counsel of Executive's own choice concerning this Agreement, and has been advised to do so by the Company, and (ii) that Executive has read and understands the Agreement, is fully aware of its legal effect, and has entered into it freely based on Executive's own judgment.

The parties have executed this Agreement, in the case of the Company by its duly authorized officer, as of the dates set forth below.

3. Acknowledgments of First Agreement. By Former Employee's signature below, Former Employee acknowledges and agrees that (a) the accelerated vesting of his options referenced in Section 3(d) is no longer applicable, as the options have already vested in accordance with their terms and conditions and (b) the repurchase of 40% of Former Employee's units of Corsair Group (as defined in the First Agreement) at a price per unit of $3.25 in accordance with 4(b) of the First Agreement has already occurred prior to the Separation Date.

By signing below, Former Employee expressly waives any benefits of Section 1542 of the Civil Code of the State of California, which provides as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

Notwithstanding the foregoing, (a) this waiver and release of claims does not extend to any rights which as a matter of law cannot be waived and released as a matter of law and (b) nothing in this Second Agreement prevents or precludes Former Employee from filing an administrative charge under any applicable statute, or participating in any investigation conducted by a government agency; however, in any such investigation or proceeding, Former Employee agrees that he will not accept monetary relief of any kind, except Former employee may accept any award offered under a federal or state bounty program. Furthermore, nothing in this Second Agreement prevents or precludes Former Employee from asserting any claims that arise after he executes this Second Agreement.

5. Older Worker's Benefit Protection Act. In accordance with the Older Worker's Benefit Protection Act and the ADEA, Former Employee is hereby advised as follows:

(a) Former Employee has read this Second Agreement and understands its terms and effect, including the fact that Former Employee is agreeing to release and forever discharge the Company and each of the Releasees from any claims released in this Second Agreement.

(b) Former Employee understands that, by entering into this Second Agreement, Former Employee does not waive any claims that may arise after the date of Former Employee's execution of this Second Agreement, including without limitation any rights or claims that Former Employee may have to secure enforcement of the terms and conditions of this Second Agreement.

(c) Former Employee has signed this Second Agreement voluntarily and knowingly in exchange for the consideration described in this Second Agreement, which Former Employee acknowledges is adequate and satisfactory to Former Employee and in addition to any other benefits to which Former Employee is otherwise entitled.

(d) The Company advises Former Employee to consult with an attorney prior to executing this Second Agreement.

(e) Former Employee has twenty-one (21) days to review and decide whether or not to sign this Second Agreement. If Former Employee signs this Second Agreement prior to the expiration of such period, Former Employee acknowledges that Former Employee has done so voluntarily, had sufficient time to consider the Second Agreement, to consult with counsel and that Former Employee does not desire additional time and hereby waives the remainder of the twenty-one (21) day period. In the event of any changes to this Second Agreement, whether or not material, Former Employee waives the restarting of the twenty-one (21) day period.

(f) Former Employee has seven (7) days after signing this Second Agreement to revoke this Second Agreement and this Second Agreement will become effective upon the expiration of that revocation period. If Former Employee revokes this Second Agreement during such seven (7)-day period, this Second Agreement will be null and void and of no force or effect on either the Company or Former Employee and Former Employee will not be entitled to any of the payments or benefits which are expressly conditioned upon the execution and non-revocation of this Second Agreement (including those set forth in Section 3 of the First Agreement).

(g) If Former Employee wishes to revoke this Second Agreement, Former Employee shall deliver written notice stating his intent to revoke this Second Agreement to Terri Stynes by email at Terri.Stynes@corsair.com, on or before 5:00 p.m. PT on the seventh (7th) day after the date on which Former Employee signs this document.

6. Representations. Former Employee represents and warrants that there has been no assignment or other transfer of any interest in any claim which he may have against Releasees, or any of them, and Former Employee agrees to indemnify and hold Releasees, and each of them, harmless from any liability, claims, demands, damages, costs, expenses and attorneys' fees incurred by Releasees, or any of them, as the result of any such assignment or transfer or any rights or claims under any such assignment or transfer. It is the intention of the parties that this indemnity does not require payment as a condition precedent to recovery by the Releasees against Former Employee under this indemnity. Former Employee agrees that if he hereafter commences any suit arising out of, based upon, or relating to any of the claims released hereunder or in any manner asserts against Releasees, or any of them, any of the claims released hereunder, then Former Employee agrees to pay to Releasees, and each of them, in addition to any other damages caused to Releasees thereby, all attorneys' fees incurred by Releasees in defending or otherwise responding to said suit or claim.

7. No Actions. Former Employee represents and warrants to the Company that Former Employee has no pending actions, claims or charges of any kind. Former Employee agrees that if Former Employee hereafter commences, joins in, or in any manner seeks relief through any suit arising out of, based upon, or relating to any of the claims released hereunder or in any manner asserts against the Releasees any of the claims released hereunder, then Former Employee will pay to the Releasees against whom such claim(s) is asserted, in addition to any other damages caused thereby, all attorneys' fees incurred by such Releasees in defending or otherwise responding to said suit or claim; *provided*, *however*, that Former Employee shall not be obligated to pay the Releasees' attorneys' fees to the extent such fees are attributable to: (1) claims under the ADEA or a challenge to the validity of the release of claims under the ADEA; or (2) Former Employee's right to file a charge with the EEOC; however, Former Employee hereby waives any right to any damages or individual relief resulting from any such charge.

8. Return of Company Property. Former Employee acknowledges and agrees he has satisfied the obligations to return Company property as set forth in Section 5 of the First Agreement.

9. Confidential Information; Non-Disparagement. Former Employee acknowledges and agrees that he will remain bound by the confidential information provisions in Section 6 of the First Agreement and the non-disparagement provisions of Section 9 of the First Agreement.

10. Cooperation. Former Employee reaffirms his obligations to cooperate with the Company pursuant to Section 8 of the First Agreement.

11. Miscellaneous.

(a) *No Admission.* Former Employee understands and agrees that neither the payment of money nor the execution of this Second Agreement shall constitute or be construed as an admission of any liability whatsoever by the Releasees.

(b) *Severability*. If any sentence, phrase, section, subsection or portion of this Release is found to be illegal or unenforceable, such action shall not affect the validity or enforceability of the remaining sentences, phrases, sections, subsections or portions of this Second Agreement, which shall remain fully valid and enforceable.

(c) *Choice of Law*. This Second Agreement shall in all respects be governed and construed in accordance with the laws of the State of California, including all matters of construction, validity and performance, without regard to conflicts of law principles.

(d) *Headings*. The headings in this Second Agreement are provided solely for convenience, and are not intended to be part of, nor to affect or alter the interpretation or meaning of, this Second Agreement.

(e) *Construction of Agreement*. Former Employee has been represented by, or had the opportunity to be represented by, counsel in connection with the negotiation and execution of this Second Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Second Agreement.

(f) *Entire Agreement/Integration*. This Second Agreement, together with the First Agreement, the Unit Award Agreement and the Employee Proprietary Information Agreement dated as of January 1, 20019 by and between Former Employee and the Company, constitutes the entire agreement between Former Employee and the Company concerning the subject matter hereof. No covenants, agreements, representations, or warranties of any kind, other than those set forth herein, have been made to any party hereto with respect to this Second Agreement. All prior discussions and negotiations have been and are merged and integrated into, and are superseded by, this Second Agreement. No amendments to this Second Agreement will be valid unless written and signed by Former Employee and an authorized representative of the Company.

This Second Agreement should only be signed on or within twenty-one (21) days after the Separation Date of November 7, 2019.

IN WITNESS WHEREOF, and intending to be legally bound, the parties have executed the foregoing on the dates shown below.
