

COMPENSATION COMMITTEE CHARTER OF CORSAIR GAMING, INC.

This Compensation Committee Charter (the “Charter”) was adopted by the Board of Directors (the “Board”) of Corsair Gaming, Inc., a Delaware corporation (the “Company”), on 11, 2020, effective upon the consummation of the Company’s initial public offering.

I. Purpose

The purpose of the Compensation Committee of the Board (the “Committee”) is to assist the Board in discharging the Board’s responsibilities regarding: (a) the establishment and maintenance of compensation and benefit plans, policies and programs designed to attract, motivate and retain personnel with the requisite skills and abilities; (b) the compensation of the Company’s Chief Executive Officer (the “CEO”), the Company’s other executive officers, as defined by Rule 3b-7 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Company’s non-executive officers and the Company’s directors; and (c) compliance with applicable compensation rules, regulations and guidelines promulgated by The Nasdaq Stock Market LLC (“Nasdaq”), the Securities and Exchange Commission (the “SEC”) and other law, as applicable.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s bylaws (as in effect from time to time) and applicable law. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board.

II. Membership

The Committee shall be composed of at least two (2) directors as determined by the Board, each of whom shall satisfy the independence and other eligibility requirements of the Nasdaq rules, as amended from time to time, and meet all other eligibility requirements of applicable law; provided that, for so long as the Company is a “controlled company” within the meaning of the rules of Nasdaq, the directors on the Committee will not need to satisfy the independence requirements of the Nasdaq rules; provided further that pursuant to the Investor Rights Agreement between the Company and Corsair Group (Cayman), LP (the “Investor Rights Agreement”) for as long as Corsair Group (Cayman), LP, together with its affiliates and its and their successors and assigns (other than the Company and its subsidiaries) (collectively, “EagleTree”), beneficially owns, in the aggregate, 20% or more of the shares of the Company’s common stock, the Company shall take all necessary and desirable actions to cause the Committee to include in its membership at least one of the EagleTree Designees (as defined in the Investor Rights Agreement). Such EagleTree Designee committee member will be chosen by Corsair Group (Cayman), LP, except to the extent such membership would violate applicable federal securities laws or the listing requirements of any national securities exchange on which

the Company's securities are then listed.

The members of the Committee, including the Chairperson of the Committee (the “Chair”), shall be appointed by the Board. Committee members may be removed from the Committee, with or without cause and with or without prior notice, by the Board. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company’s bylaws that are applicable to the Committee.

The Committee should meet as often as it determines advisable to fulfill its duties and responsibilities. Meetings of the Committee may be called by the Chair upon notice given at least twenty-four (24) hours prior to the meeting, or upon such shorter notice as shall be approved by the Committee. The Chair shall designate a secretary for each meeting who shall record minutes of all formal actions of the Committee. A majority of the Committee members, present in person or by phone, shall constitute a quorum. A majority of the members present shall decide any questions brought before the Committee, except to the extent otherwise required by the Company’s certificate of incorporation or bylaws (each as in effect from time to time). Unless otherwise restricted by the Company’s bylaws, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all members of the Committee consent thereto in writing (including by electronic transmission), and such writing (including any electronic transmission) is filed with the minutes of the Committee.

The Committee may, at its discretion, include in its meetings members of the Company’s management, compensation and benefits consultants or any other person whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the CEO and other officers may not be present during voting or deliberations concerning his, her or their compensation, and the Committee may exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director who is not a member of the Committee.

Consistent with applicable requirements of the Exchange Act and Nasdaq listing standards, the Committee shall (i) have the sole authority to retain and/or replace, as needed, any independent legal counsel, compensation and benefits consultants and other outside experts or advisors as the Committee believes to be necessary or appropriate (collectively, “Compensation Advisors”); (ii) be directly responsible for the appointment, determination of compensation and oversight of the work of any Compensation Advisors retained by the Committee; (iii) subject to any exceptions under Nasdaq listing standards, undertake an analysis of the independence of each Compensation Advisor under the independence factors specified in the applicable requirements of the Exchange Act and Nasdaq listing standards, with such analysis to occur prior

to selection of such Compensation Advisor and as appropriate thereafter; and (iv) have such additional authority and responsibility as may be required from time to time under the rules and guidelines of the Exchange Act and Nasdaq listing standards. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company as Compensation Advisors. The Company shall provide for appropriate funding, as determined by the Committee in its sole discretion, for payment of compensation to any such Compensation Advisors retained by the Committee.

The Committee shall keep regular minutes of any meetings where actions are taken (unless such actions are taken and reported to the Committee's satisfaction in the minutes of the Board meetings). Any such minutes kept by the Committee shall be distributed to each member of the Committee. The Secretary of the Company shall maintain the original signed minutes for filing with the corporate records of the Company. The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairperson of the Board.
